(5) In each advertisement the requirements only are given but all requirements which appear before the symbol "—" are essential requirements and those after the symbol "—" are a recommendation. The capital letter (or letters) followed by a figure within parentheses after the name of the school, indicates the medium (or media) of instruction employed in the school, while the figure indicates the average of the average enrolment for the successive school or college terms during the preceding school or college year.

(6) The medium used in teaching a modern language is, as far as possible, that of the language itself.

(7) **As testimonials cannot be returned, applicants must not attach original testimonials to their applications but only copies thereof.**

(8) All documents regarding each application must be attached to forms T.E.D. 487 before being forwarded.

(9) Applications must bear the necessary postage. It is suggested that applications be forwarded by registered post.

(10) The envelope in which applications are forwarded must be marked "Applications".

(11) Applicants must furnish their private addresses and telephone numbers on forms T.E.D. 487.

(12) (a) In all cases where application is made for advertised teaching posts, even if only one post is applied for, applicants must furnish the Department with a list of all the posts applied for.

(b) The prescribed form T.E.D. 575 must be used for this purpose. The forms are obtainable from school board offices, schools and colleges of education.

(c) The lists must reach the Department not later than the prescribed closing date of the applications, viz. **14 May 1969.**

(d) The order of preference of only the first and second posts appearing on the lists will, where possible, be taken into account. If these posts have already been filled, applicants will be considered for appointment to any of the other posts for which they have been recommended. The Department reserves the right, however, to appoint an applicant to any of the posts applied for.

(e) No amendments of the lists of applications will be accepted except where circumstances may have arisen which make it imperative that certain applications be cancelled. The Department will in such exceptional cases be prepared to consider fully motivated representations.

Note.—Failure to submit the required lists of applications not only causes delay in dealing with the selection and appointment of applicants, but could result in the applicants concerned not being considered for posts for which they have applied.

7. Requests for the cancellation of an appointment in a permanent capacity once made will be considered only under very exceptional circumstances.

8. The attention of teachers is directed to the fact that the Department may appoint a teacher in any vacancy existing at a school for which he holds suitable qualifications and that a principal of a school may make use of the services of a teacher, in any capacity which is considered to be in the interest of education.

9. (1) Teachers appointed to posts to which teachers' quarters are attached, must pay the rent for such quarters and must comply with the conditions of tenancy applicable to such quarters in terms of the regulations framed in accordance with the Education Ordinance, 1953, as amended.

(2) Rent will be payable at 7½ per cent of the valuation of the quarters if situated within the boundaries of a local authority or 5 per cent of the valuation if situated elsewhere; provided that no such rent shall in any case exceed 12½ per cent of the tenant's salary plus personal allowance.

(3) Normally it is indicated in the advertisement if teachers' quarters are attached to a post and the valuation of the quarters as well as information concerning subsidiary impositions or deductions regarding the rent can be obtained from the School Board Secretary.

(4) Successful applicants may be required to be resident in a provincial hostel. If resident, the usual charges will be made for boarding.

10. **Qualifications required of a teacher for appointment in a permanent capacity:—**

A.—Post of Rector

College of education—

(a) an approved master's degree of a university;
(b) a recognised professional teachers' qualification; and
(c) ten years' actual teaching experience.

(5) Slegs vereistes word in elke advertensie aangegee maar alle vereistes wat verskyn voor die simbool "—" is noodsaaklike vereistes en dié na die simbool "—" is 'n aanbeveling. Die hoofletter (of letters) gevolg deur 'n syfer tussen hakies; agter die naam van die skool dui die voertaal of voertale aan wat in die skool gebruik word, terwyl die syfer die gemiddeld van die gemiddelde inskrywing vir die agtereenvolgende skool- of kollegekwartale gedurende die voorafgaande skool- of kollegejaar aandui.

(6) Die voertaal wat by die onderrig van 'n moderne taal gebruik word, is vir sover moontlik, die taal self.

(7) **Omdat getuigskrifte nie terugbesorg kan word nie, moet applikante nie die oorspronklike getuigskrifte nie, maar slegs afskrifte daarvan by hul applikasies aanheg.**

(8) Alle dokumente ten opsigte van elke applikasie moet aan vorms T.O.D. 487 geheg word alvorens dit aangestuur word.

(9) Applikasies moet van die vereiste posseëls voorsien wees. Daar word aan die hand gedoen dat applikasies per geregistreerde pos versend word.

(10) Die woord "Applikasies" moet op die koevert waarmee applikasies aangestuur word, aangebring word.

(11) Applikante moet hul privaatadresse en telefoonnommers op vorms T.O.D. 487 verstrek.

(12) (a) In alle gevalle waar aansoek om geadverteerde onderwysersposte gedoen word, selfs al word daar om slegs een pos aansoek gedoen, moet applikante die Departement voorsien van 'n lys van al die poste waarvoor aansoek gedoen is.

(b) Die voorgeskrewe vorm T.O.D. 575 moet vir dié doel gebruik word. Die vorms is by skoolraadskantore, skole en onderwyskolleges verkrygbaar.

(c) Die lyste moet die Departement bereik nie later nie as die voorgeskrewe sluitingsdatum van die applikasies, nl. **14 Mei 1969.**

(d) Die voorkeurorde van slegs die eerste en tweede poste wat op die lyste verskyn, sal, waar moontlik, in aanmerking geneem word. Indien dié poste alreeds gevul is, sal applikante oorweeg word vir aanstelling in enige van die ander poste waarvoor hulle aanbeveel is. Die Departement behou egter die reg om 'n applikant in enige van die poste waarvoor aansoek gedoen is, aan te stel.

(e) Geen wysigings van die lyste van applikasies sal aanvaar word nie, behalwe waar omstandighede mag ontstaan het wat dit noodsaaklik maak dat sekere applikasies gekanselleer word. In sodanige uitsonderlike gevalle sal die Departement bereid wees om ten volle gemotiveerde vertoë te oorweeg.

L.W.—Versuim om die vereiste lyste van applikasies in te dien, veroorsaak nie slegs vertraging in die afhandeling van die keuring en aanstelling van applikante nie, maar mag ook tot gevolg hê dat die betrokke applikante nie oorweeg word vir poste waarvoor hulle aansoek gedoen het nie.

7. Versoeke dat 'n aanstelling in 'n permanente hoedanigheid wat reeds gemaak is, gekanselleer word, sal slegs in uiters buitengewone omstandighede oorweeg word.

8. Die aandag van onderwysers word daarop gevestig dat die Departement 'n onderwyser kan aanstel in enige vakature wat by 'n skool bestaan en waarvoor sy kwalifikasies hom geskik maak en dat 'n skoolhoof van 'n onderwyser se dienste gebruik kan maak in enige hoedanigheid wat beskou word as in belang van onderwys.

9. (1) Onderwysers wat in poste waaraan 'n onderwyserswoning verbonde is, aangestel word, moet die huurgeld vir die woning betaal asook die huurvoorwaardes wat op die woning van toepassing is, nakom, ingevolge die regulasies opgestel kragtens die bepalings van die Onderwysordonnansie, 1953, soos gewysig.

(2) Huurgeld sal betaalbaar wees teen 7½ persent van die waardasie van die woning indien binne die grense van 'n plaaslike owerheid geleë of 5 persent van die waardasie indien die woning elders geleë is; met dien verstande dat sodanige huurgeld in geen geval 12½ persent van die huurder se salaris plus persoonlike toelae mag oorskry nie.

(3) Normaalweg word dit in die advertensie aangedui indien 'n onderwyserswoning aan 'n pos verbonde is en die waardasie van die woning asook inligting oor bykomstige heffings of kortings aangaande die huur kan van die Skoolraadsekretaris verkry word.

(4) Van suksesvolle applikante kan vereis word om in 'n provinsiale koshuis in te woon. In hierdie geval sal die gewone bedrag vir losies in rekening gebring word.

(b) A teacher already in the service of the Department, and who is appointed to a post of head of department, vice-principal, deputy-principal or principal during the period 1 April 1969 to 31 March 1971 shall receive one appropriate salary notch within the key salary scale according to which he was remunerated immediately prior to such appointment, or the minimum notch of the key salary scale applicable to the higher grade post, whichever salary is the more advantageous for such teacher: Provided that such post is a post deemed to be a post of higher grade than the post held by the teacher immediately prior to such appointment: Provided further that any such teacher, irrespective of the grade of post to which he is appointed, shall not receive a salary which is higher than the salary he would have received on the date of coming into operation of his appointment to such post had he occupied such post on the first day of April 1969: Provided further that the salary of such teacher, excluding a teacher referred to in paragraph 12 (ii) (g), shall on appointment to a post to which a higher or equivalent salary is attached, not be less than the salary he received immediately prior to his appointment to such post.

(c) Subject to the provisions of subparagraph (b) the salary of a teacher appointed to a lower grade post is determined anew.

(5) A teacher who attains qualifications which entitle him to classification into a higher category, shall be deemed to have attained such qualifications on the date of his entry into the service of the Department: Provided that he shall receive salary in accordance with the higher category with effect from the first day of the calendar quarter following on the date on which he has conformed to the final requirements for such qualifications.

(6) Where, on the application of this paragraph, it is found that the salary of a teacher is higher than the maximum as determined by the Administrator for the period 1 April 1969, to 31 March 1971, or the maximum of the salary scale coming into full operation on the first day of April 1971, the salary payable to him shall be the maximum of such salary, whichever of the two may be applicable.

14. Classification and grading of provincial educational institutions: Annual grading of existing institutions:—

(1) Under normal circumstances the grading of educational institutions takes place only once per annum.

(2) The grading of educational institutions is based on the average of the average enrolment for the successive school or college terms during the preceding school year.

(3) The date of coming into operation of the grading is 1 January.

(4) The classifications of institutions and their grading are determined in accordance with the following scales:—

(b) 'n Onderwyser wat alreeds in die diens van die Departement is en wat gedurende die tydperk 1 April 1969 tot 31 Maart 1971 in 'n pos van departementshoof, vise-hoof, adjunk-hoof of hoof aangestel word, ontvang een toepaslike salariskerf binne die sleutel-salarisskaal waarvolgens hy onmiddellik voor sodanige aanstelling besoldig is, óf die minimum kerf van die sleutel-salarisskaal van toepassing op die hoër graad pos, watter salaris ook al vir sodanige onderwyser voordeliger is: Met dien verstande dat sodanige pos 'n pos is wat geag word 'n pos van hoër graad te wees as die pos wat die onderwyser onmiddellik voor sodanige aanstelling beklee het: Voorts met dien verstande dat enige sodanige onderwyser, ongeag die graad van pos waarin hy aangestel word, nie 'n hoër salaris ontvang nie as die salaris wat hy op die datum van die inwerkingtreding van sy aanstelling in sodanige pos sou ontvang het indien hy sodanige pos op die eerste dag van April 1969 beklee het: Verder voorts met dien verstande dat die salaris van sodanige onderwyser, uitgesonderd 'n onderwyser genoem in paragraaf 12 (ii) (g), by aanstelling in 'n pos waaraan 'n hoër of gelyke salaris verbonde is, nie minder mag wees nie as die salaris wat hy onmiddellik voor sy aanstelling in sodanige pos ontvang het.

(c) Behoudens die bepalings van subparagraaf (b) word die salaris van 'n onderwyser wat in 'n laer gegradeerde pos aangestel word, opnuut bepaal.

(5) 'n Onderwyser wat kwalifikasies verwerf wat hom op indeling in 'n hoër kategorie geregtig maak, word geag sodanige kwalifikasies op die datum van sy indienstreding by die Departement te verwerf het: Met dien verstande dat hy salaris in ooreenstemming met die hoër kategorie ontvang van die eerste dag van die kalenderkwartaal wat volg op die datum waarop hy aan die finale vereistes vir sodanige kwalifikasies voldoen het.

(6) Waar bevind word dat by die toepassing van hierdie paragraaf die salaris van 'n onderwyser meer is as die maksimum soos deur die Administrateur vir die tydperk 1 April 1969 tot 31 Maart 1971 bepaal of die maksimum van die salarisskaal wat vanaf 1 April 1971 ten volle in werking tree, is die salaris aan hom betaalbaar, die maksimum van sodanige salaris, watter een van die twee ook al van toepassing mag wees.

14. Indeling en gradering van provinsiale onderwysinrigtings: Jaarlikse gradering van bestaande inrigtings:—

(1) Die gradering van onderwysinrigtings geskied onder normale omstandighede net een keer per jaar.

(2) Die gradering van onderwysinrigtings word gebaseer op die gemiddeld van die gemiddelde inskrywing vir die agtereenvolgende skool- of kollegekwartale gedurende die voorafgaande skool- of kollegejaar.

(3) Die datum van inwerkingtreding van die gradering is 1 Januarie.
