Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

MEMORANDUM ON THE OBJECTS OF THE BILL
-VICTIM SUPPORT SERVICES BILL, 2020-

1. PURPOSE OF THE BILL

Gender based violence, Femicide and abuse of women and children under general is a challenge in the South Africa. There are victims every minute of the day who require services from government in order to curb or mitigate victimhood or deal with after effects thereof. The challenge is that there are various organs of state that provide services to victims of violent crime or crime under general in the country. However, there is a gap in the justice system because the system is only centred around the perpetrator and the victim is often left in isolation. The purpose of the Bill is therefore to bring the victim to the centre of the justice system in order to ensure that the rights applicable to a perpetrator are also extended to a victim to the extent that is applicable.

2. BACKGROUND OF THE BILL

It is widely acknowledged that South Africa has one of the world's most progressive and expansive constitution. There are a range of laws that deal with child protection, domestic violence, sexual offences and other aspects of violence against women and children. Despite the country's progressive Constitution and laws, and having ratified several international human rights treaties, South Africa, still has among the highest rates of violence against women and children in the world.

The Department of Social Development commissioned a feasibility study to assess whether there is a need for a comprehensive victim empowerment legislation. A consortium of NGOs was appointed to conduct such a study. A feasibility report was

This gazette is also available free online at www.gpwonline.co.za

presented to the Department of Social Development senior management, Victim Empowerment Management Team and other interest groups. The study recommends that a comprehensive legal framework be developed to assess the gaps in the existing victim empowerment legislation. This Bill has therefore been developed to address such gap taking into account that the criminal justice system is perpetrator friendly and interests of a victim are not recognised at equal footing as those of a perpetrator.

3. OBJECTS OF THE BILL

The object of the Bill is to provide a framework within which victim support services may be provided to victims of violent crime. It seeks to protect the rights of victims and direct that all service providers dealing with a victim treat such victim with dignity and respect regardless of their citizenship, race, gender, culture, religious and personal circumstances.

The Bill further seeks to ensure that a victim is assisted to access victim support service programmes and services from the Department and relevant service providers. It clarifies the roles and responsibilities of different service providers in the provision of victim empowerment services; mitigate secondary victimisation; make provisions for the relevant institutional arrangements.

It also provide for intersectoral programmes or support services that seeks to promote integrated service delivery for victim empowerment programme; for the registration of a facility; for accreditation of any programmes; for vetting of staff members; and minimum standards for the strengthening of security at service providers' premises. It provides for the procedure for the registration, the period of validity of such registration and the renewal thereof. It also caters for suspension of registration and voluntary deregistration.

In the same context as in clause 3, this Bill acknowledges the broad scope of the definition of a victim and thus provides the extent to which one may be recognised as a victim of a crime not undermining that for every crime there is a victim but for the purposes of provision of psychosocial services there is a need to limit the application so as to be able cost the services to be provided.

BOARD NOTICE 84 OF 2020

NOTICE OF APPLICATION FOR THE DEFINING OF A PRODUCTION AREA PORSELEINBERG (WARD)

(In terms of Section 6 of the Wine of Origin Scheme published by Government Notice No. R.1434 of 29 June 1990)

Please take note that Boekenhoutskloof Winery (Pty) Ltd applied to the Wine and Spirit Board to define Porseleinberg (Ward) as a production area to produce Wine of Origin.

The proposed Porseleinberg Ward is demarcated as a geographically mountainous landscape unit, which distinguishes it from the surrounding hill landscape to its west (figure 1), and it is further bordered by the Doring and Berg Rivers on the southern and eastern sides, with the existing Riebeeksrivier and Riebeekberg Wards on the northern side. It is characterised by western, southern and eastern aspects, with Malmesbury shale, schists and phyllites as underlying geological formations (figure 2).

Boundary definition: The proposed Porseleinberg Ward's northern boundary is the common southern boundaries of the existing Riebeeksrivier and Riebeekberg Wards. The western boundary of the ward follows the 250 m contour line in a southerly direction, from where this contour crosses the southern boundary of the Riebeeks River, to where it crosses the riverbed of the Doring River. From there downstream and generally south-eastwards and then eastwards along the course of the Doring River, to where it flows into the Berg River. From there the boundary continues downstream and generally northwards along the course of the Berg River to right against the southwestern boundary of farm 987 where the boundary climbs out of the Berg River and moves westwards along the aforementioned farm boundary to beside the Haaskraal Road. From there it goes in a north-easterly direction along said road to where the road ends right against the R46. From there north-westwards along the R46 to where it crosses the southern boundary of the existing Riebeekberg Ward.

The proposed boundaries can be viewed at www.sawis.co.za – "Certification – News and Information" or contact Jackie Cupido at 021-807 5704.

Anyone having any objection against this application is hereby notified to lodge their objections, with motivations, in writing with Olivia Poonah (olivia@wsb.org.za), The Secretary, Wine and Spirit Board, P O Box 2176, Dennesig, Stellenbosch, 7599 within 30 (thirty) days of publication of this notice.
