No. 14

27 February 2009

**PROVINCE OF THE EASTERN CAPE****DEPARTMENT OF ROADS AND TRANSPORT****DETERMINATION OF AREAS WHERE LIGHT DELIVERY VEHICLES  
MAY BE USED FOR PUBLIC TRANSPORT SERVICES IN TERMS OF  
Section 31(2) OF THE NATIONAL LAND TRANSPORT  
TRANSITION ACT, (No. 22 OF 2000)**

I, **GLORIA BARRY**, Member of the Executive Council responsible for Transport in the Province of the Eastern Cape, acting in terms of section 31 (6) (a) (ii) of the National Land Transport Transition Act 2000 (Act No. 22 of 2000) hereby determine rural and farming areas in the Province of the Eastern Cape as areas where adapted light delivery vehicles may be used for public passenger road transport services, subject to the conditions set out in the schedule hereto.

---

**GLORIA BARRY****M E C: FOR ROADS AND TRANSPORT**

## **SCHEDULE**

1. A light Delivery Vehicle may be used for public passenger road transport service in rural and farming areas, where -
  - (a) A district or local municipality has made a recommendation to the Department of Roads and Transport such a recommendation is based the Municipality's Integrated Transport Plans (ITP); and
  - (b) There is no appropriate public transport available in that area.
2. The vehicle must meet the requirements set out in the regulations issued in terms of the National Road Traffic Act, 1996 (Act 93 of 1996), as amended.
3. The canopy of the vehicle must be made of material in compliance with SABS 1708:2003.
4. Passengers must be separated from goods and luggage by making use of a trailer or roof carriers or appropriate space must be provided therefor.
5. A Light Delivery Vehicle to be used for public passenger road transport service must be issued with an Operating License before it operates.

All Light Delivery Vehicles used for public passenger transport service in the Province of the Eastern Cape have a period of six (6) calendar months from the date of publication hereof to comply with this notice.
