1 Nature and Environmental Conservation Ordinance (19/1974) and Problem Animal Control Ordinance (26/1957): Bisho/King William's Town: Determination of 2015 hunting season and daily bag limits	3	3331

PROCLAMATION

by the

MEC for Economic Development, Environmental Affairs and Tourism

No. 1, 2015

1. I, Sakhumzi Somyo, Member of the Executive Council for Economic Development, Environmental Affairs and Tourism (DEDEAT), acting in terms of section 78 and 79 of the Nature and Environmental Conservation Ordinance, 1974 (Ordinance No. 19 of 1974), and Section 18 of the Problem Animal Control Ordinance, 1957 (Ordinance 26 of 1957) hereby determine for the year 2015 the hunting season and the daily bag limits, as set out in the second and third columns, respectively, of Schedule 1, hereto in the Magisterial Districts of the Province of the Eastern Cape of the former Province of the Cape of Good Hope and in respect of wild animals mentioned in the first column of the said Schedule 1, and I hereby suspend the enforcement of sections 29 and 33 of the said Ordinance to the extent specified in the fourth column of the said Schedule 1, in the district and in respect of the species of wild animals and for the periods of the year 2015 indicated opposite any such suspension in the first and second columns, respectively, of the said Schedule 1.
2. In terms of Section 29 (e), during the period between one hour after sunset on any day and one hour before sunrise on the following day, subject to the provisions of this ordinance, I prohibit hunting at night under the following proviso, that anyone intending to hunt at night for management purposes by culling any of the listed unrestricted species or hunting black-backed jackal and caracal, in accordance with the ordinance, must apply to DEDEAT for a permit [see attached copy on pages 11 & 12], and must further notify the relevant DEDEAT office OR Local SAPS, during office hours, prior to such intended hunt.
3. In terms of 33 (1), no person shall without a permit, use any motor vehicle or aircraft to hunt any wild animal or to hunt, disturb, drive or stampede any wild animal or animals for the purpose of filming or photographing such hunt, disturbance, drive or stampede or for any other purpose whatsoever. This thus includes game counts done by any aircraft
4. In terms of Section 79 (f), subject to the provisions of this ordinance, I restrict the live transport of any wild animal/s, excluding birds, to the period 01 March to 31 October 2015.
5. In terms of Section 82 (1) (b), subject to the provisions of this ordinance, I prohibit the use of dogs in the hunting of any wild animal/s in any fenced area of 200 hectares or less in respect of which the operation of section 29 (l) has been suspended by proclamation under section 79 (b), without a permit issued in terms of the Nature and Environmental Conservation Ordinance, 1974 (Ordinance No. 19 of 1974).
6. Hunting for the purpose of this proclamation does not include live capture of the following species: **Kudu, Bushbuck, Common duiker, Grey Rhebuck, Steenbuck, Mountain Reedbuck and Eland**
7. Should any person, for any reason whatsoever, hunt any wild animal/s in contravention to the provisions of this ordinance, such person must notify the nearest DEDEAT office, in the form of a sworn statement, within 24 hours of such contravention having taken place.
8. Please note that any **protected** species, NOT listed in this proclamation, may only be hunted by means of a permit e.g. klipspringer and all Threatened or Protected Species.
9. This proclamation remains effective until a new proclamation has been gazetted, in the absence of a new proclamation, the year shall be deemed to be the present year.

ADDENDUM HUNTING PROCLAMATION: 2015

EXTRACTS FROM NATURE AND ENVIRONMENTAL CONSERVATION ORDINANCE 19 OF 1974

HUNTING SEASON FOR WILD ANIMALS

78. The MEC may by proclamation in respect of the province or any area therein specified in such proclamation
- (a) each year determine the period in such year during which a species of protected wild animal specified in such proclamation may be hunted under the authority of a permit or license referred to in section 27(1)(a).
79. The MEC may by proclamation in respect of the province or any area therein specified in such proclamation and either indefinitely or for a specified period –
- (a) Determine the number of any species of protected wild animal specified in such proclamation which may subject to the provisions of this ordinance be killed, captured or caught;
- (b) if in his opinion it is necessary or desirable in the interests of nature and environmental conservation and subject to such conditions as he may deem fit suspend the operation of any provision of section 29 or of any other provision of this ordinance in so far as such provision relates to any species of fauna or flora specified in such proclamation;
- (c) Notwithstanding anything to the contrary contained in this ordinance, prohibit, control or restrict the hunting of wild animals or any species of wild animal;
- (f) Prohibit, restrict or regulate the transport of any wild animal specified in such proclamation.
82. (1) (b) The MEC may make regulations regulating and restricting the use of dogs in the hunting of any wild animal in any area in respect of which the operation of section 29 (l) has been suspended by proclamation under section 79 (b),

Section 42 of the Regulations (Provincial Notice No. 955 of 1975) state:

No owner of land in an area in which the application of section 29 (l) of the ordinance has been suspended by proclamation under section 79 (b) of the ordinance may permit the use of more than **eight dogs over the age of one year and four dogs under the age of one year** in any particular hunt on such land.

HUNTING OF PROTECTED WILD ANIMALS

27. (1) Subject to the provisions (2) and (3) no person shall hunt any protected wild animal –
- (a) during any hunting season, unless he is the holder of a licence in the prescribed form issued to him by the Director on payment of the prescribed fee, or
- (b) at any other time unless he is the holder of a permit to do so.
27. (2) The provisions of subsection (1) (a) shall not apply to any owner of land, any relative of such owner or any full-time employee of such owner acting under the authority of such owner, in respect of any protected wild animal found on the land of such owner.

PROHIBITION ON KILLING OR CAPTURING OF WILD ANIMALS IN EXCESS OF DAILY BAG LIMIT

28. No person authorized by any provision of this ordinance to hunt any wild animal shall at any time kill or capture a greater number of any species of protected wild animal than the daily bag limit determined in respect of such species by proclamation under section 79 (a).

PROHIBITED WAYS OF HUNTING

29. No person shall, unless he is the holder of a permit authorizing him or her to do so, hunt any wild animal -
- (a) by means of fire or poison;
- (b) with the aid of artificial light;
- (c) on or from a public road;
- (d) by means of any trap;
- (e) during the period between one hour after sunset on any day and one hour before sunrise on the following day;
- (f) by means of any weapon in a public place within the jurisdiction of a local authority;
- (g) by means of a fire-arm which discharges a rim-fire cartridge of a calibre less than five comma six millimetres;
- (h) by means of a firearm that discharges more than two shots without being manually reloaded;
- (i) by means of a bow-and-arrow;
- (j) by means of a set gun or any other similar contrivance;
- (k) by means of any device that injects an intoxicating or a narcotic agent or poison into such animal;
- (l) by the use of a dog, except for the hunting of birds following or searching for any such animal which has been wounded;
- (m) in the case of birds in or upon inland waters, by the use of a boat for the purpose of chasing or killing such birds;

Provided that in respect of the hunting of -

- (i) rodents, the provision of paragraphs (a), (b), (d), (e) and (l);
 - (ii) any bird or other wild animal which is not an endangered or a protected wild animal, the provisions of paragraph (g), or
 - (iii) any such wild animal by a registered veterinary surgeon in the practice of his profession, the provisions of paragraph (k),
- shall not apply.

33 (1) No person shall without a permit, use any motor vehicle or aircraft to hunt any wild animal or to hunt, disturb, drive or stampede any wild animal or animals for the purpose of filming or photographing such hunt, disturbance, drive or stampede or for any other purpose whatsoever.

PLEASE NOTE THE FOLLOWING:

1. Definitions:

“hunt” in relation to any wild animal means by any means whatsoever to hunt or search for, to kill, capture or attempt to kill or capture, or to pursue, follow or drive with intent to kill or capture, or to shoot at, poison, lie in wait for or wilfully disturb;

“poison” means any poison, preparation or chemical substance used to catch, immobilize, sterilize, kill or physically harm a wild animal;

“trap” means any trap, springtrap, snare, gin, cage, net, pitfall or birdlime and any other device or method whatsoever which can be used or adapted for the capture of wild animals;

“wild animal” means any live vertebrate or invertebrate animal (the egg or spawn of any such animal but excluding any ostrich used for farming purposes and the egg thereof) belonging to a non-domestic species and includes any such animal which is kept or has been born in captivity.

“owner” means, in relation to land, the person in whom is vested the legal title thereto; where the legal title thereto is vested in an association of persons, whether corporate or unincorporated, the person designated in writing as the owner thereof by such association;

- 2. Springhares are classified as rodents.
- 3. No Threatened or Protected Species (TOPS), (black wildebeest, bontebok, etc.) as listed in the regulations related to the National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004), have been listed in this hunting proclamation, and may therefore only be hunted, captured or any other restricted activity may only be carried out, if you are in possession of a specific TOPS permit to perform such a restricted activity.
- 4. It is illegal to use an aircraft (helicopter) for any purpose whatsoever over public or private land, whether you have a CAE or not for the purposes as listed in regulation 33 (1) above without a permit.
- 5. No person may hunt on any land, of which he/she is not the owner, without the written permission of the owner - section 39. (1) and (2). Such written permission must reflect, the following:
 - (a) the full names and address of the owner concerned and of the person to whom it is granted, and
 - (b) the number and the species of wild animal, the date or dates and the land in respect of which it is granted, and is signed and dated by such owner.

(3) The provisions of subsection (2) shall not apply in respect of permission granted in terms of subsection (1) to any relative or full-time employee of any owner of land.
- 6. Section 40 - no person shall on land of which he is not the owner hunt any wild animal or remove any such animal or the carcass of such animal from such land without the permission of the owner of such land granted in terms of section 39.
- 7. DEDEAT office hours are as follows: Mondays-Thursdays 08:00-16:30 and Fridays 08:00-16:00
- 8. In order to comply with paragraph 2 (notification of the relevant DEDEAT office, during office hours, prior to such intended hunt) please note the contact details of the office and responsible person that must be contacted:
