Information

from Government Printing Works

Our pricing is designed to save you money!

GPW's pricing strategy is based on how you, the customer, submits your notice request.

By submitting your notice request (Adobe Form plus proof of payment – 2 separate attachments) via the **electronic email channel**, you will qualify for a **25% discount**. We encourage you to reap this benefit by submitting your request to submit.egazette@gpw.gov.za.

If however, you opt to submit your notice through one of the **manual submission channels** (via walk-in; fax; scanned image), you will be required to pay the **full price**. This is due to manual capturing that is required, i.e.– additional people to be assigned to the task.

The new Adobe forms can be found on our website www.gpwonline.co.za under the eGazette Services page. You will need to register on the website to access this page. Alternatively, contact the eGazette Contact Centre on 012-748 6200 for assistance.
