6. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the council, these bylaws will prevail.

NYANDENI MUNICIPALITY RATES BY LAW

INTRODUCTION:

The municipality needs a reliable source of revenue to provide basic services and perform its functions. Property Rates remain a major source of income to the municipality. The revenue from rates is used to finance services that benefit the community as a whole as opposed to individual households. These include installing and maintaining streets, roads, lights, storm water drainage, developing and operating parks, recreational facilities and cemeteries. It also provides funds for municipal administration.

To ensure that property rating in Nyandeni Municipality is carried out in a fair, consistent, considerate and controlled manner, this rate policy is developed in accordance with the provisions of the Local Government: Municipal Property Rates Act, (Act 6 of 2004).

INTERPRETATIONS:

DEFINITIONS:

“Act” means the Local Government Municipal Property Rate Act, 2004 (Act No. 6 of 2004);

“Agricultural Purposes” in relation to the use of a property, excludes the use of a property for the purpose of eco-tourism or for the trading in or hunting of game;

“Business” means the activity of buying, selling or trade in goods or services and includes any office or other accommodation on the same erf, the use of which is incidental to such business, with exclusion of the business of mining, agriculture, farming, or inter alia, any other business consisting of cultivation of soils, the gathering in of crops or the rearing of livestock or consisting of the propagation and harvesting of fish or other aquatic organism.

“Industrial” means a branch of trade or manufacturing, production assembling or processing of finished or partially finished products from raw materials or fabricated part, on so large scale that capital and labour are significantly involved.

“Residential” means a suite of rooms which forms a living unit that is exclusively used for human habitation purposes, or a multiple number of such units on a property, excluding a hotel, commune, boarding and under taking, hostels and place of instruction.

“State-owned properties” means properties owned by the State, which are not included in the definition of public service infrastructure in the Act. These state-owned properties are classified as follows:

- (a) State properties that provide local services.
- (b) State properties that provide regional/municipal district-wide/metro-wide services.
- (c) State properties that provide provincial/national services.

“Vacant land” means a land where no immovable improvements have been erected.

PROPERTIES TO BE VALUED:

All properties shall be valued except those described in section 7(2) (a) (iii) and (iv) of Act 6 of 2004.

Section 7(2) (a) (iii) refers to a right registered against property in the name of a person excluding mortgage bond registered against the property and

Section 7 (2) (a) (iv) refers to properties in respect of which it is impossible or unreasonably difficult to establish a market value because of legally insecure tenure resulting from past racially discriminatory laws of practices. This shall include all homestead located on communal land.

PROPERTIES TO BE RATED:

All properties contained in the valuation roll shall constitute the subject of rating subject to the provisions of section 17 (1) of the Municipal Property Rates Act. In terms of the sub section described supra, the following exclusions are provided:

OTHER IMPERMISSIBLE RATES:

17. (1) A municipality may not levy a rate-
- (a) on the first 30% of the market value of public service infrastructure;
 - (b) on any part of the seashore as defined in the Seashore Act, 1935 (Act No. 21 of 1935);
 - (c) on any part of the territorial waters of the Republic as determined in terms of the Maritime Zones Act, 1994 (Act No. 15 of 1994);
 - (d) on any islands of which the state is the owner, including the Prince Edward Islands referred to in the Prince Edward Islands Act, 1948 (Act No. 43 of 1948)
 - (e) on those parts of a special nature reserve, national park or nature reserve within the meaning of the Protected Areas Act, or of a national botanical garden within the meaning of the National Environmental Management: Biodiversity Act, 2004, which are not developed or used for commercial, business, agricultural or residential purposes;
 - (f) on mineral rights within the meaning of paragraph (h) of the definition of "property" in section 1;
 - (g) on a property belonging to a land reform beneficiary or his or her heirs, provided that this exclusion lapse ten years from the date on which such beneficiary's title was registered in the office of the Registrar of Deeds;
 - (h) on the first R15 000 of the market value of a property assigned in the valuation roll or supplementary valuation roll of a municipality to a category determined by the municipality-
 - (i) for residential properties; or
 - (ii) for properties used for multiple purposes, provided one or more companies of the property are used for residential purpose; or
 - (i) on a property registered in the name of and used primarily as a place of public worship by a religious community, including an official residence registered in the name of that community which is occupied by an office-bearer of that community who officiates at services at that place of worship.
2. (a) The exclusion from rates of a property referred to in subsection (1) (e) lapses if the declaration of that property as a special nature reserve, national park, nature garden, is withdrawn in terms of the applicable Act mentioned in that subsection.
- (b) If the property in respect of which the declaration is withdrawn is privately owned, the owner, upon withdrawal of the declaration, becomes liable to the municipality concerned for any rates that, had it not been for subsection (1) (e), would have been payable on the property during the period commencing from the effective date of the current valuation roll of the municipality. If the property was declared as a protected area after the effective date of the current valuation roll, rates are payable only from the date of declaration of the property.
- ©The amount for which an owner becomes liable in terms of paragraph (h) must be regarded as rates in arrears, and the applicable interest on that amount is payable to the municipality.
- (d) Paragraphs (b) and (c) apply only if the declaration of the property was withdrawn because of –
- (i) a decision by the private owner for any reason to withdrawn from the agreement concluded between the private owner and the state in terms of the Protected Areas Act, and in terms of which the private owner initially consented to the property being declared as a protected area; or
 - (ii) a decision by the state to withdrawn from such agreement because of a breach of the agreement by the private owner.
3. The Minister, acting with the concurrence of the Minister of Finance, may from time to time by notice in the Gazette, increase the monetary threshold referred to in subsection (1)(h) to reflect inflation.
4. The Minister may, by notice in the Gazette, lower the percentage referred to in subsection (1)(a), but only after consultation with-
- (a) relevant Cabinet members responsible for the various aspects of public service infrastructure;
 - (b) organized local government; and
 - (c) relevant public service infrastructure entities.
5. (a) The exclusion from rates of a property referred to in subsection (1)(i) lapses if the property-
- (i) disposed of by the religious community owning it; or
 - (ii) is no longer used primarily as a place of public worship by a religious community or, in the case of an official residence contemplated in that subsection, is no longer used as such as official residence.
- (b) If the exclusion from rates of a property used as such an official lapses, the religious community owning the property becomes liable to the municipality concerned for any rates that, had it not been

for subsection (1)(i), would have been payable on the property during the period of one year preceding the date on which the exclusion lapsed.

© The amount for which the religious community becomes liable in terms of paragraph (b) must be regarded as rates in arrears, and the applicable interest on that amount is payable to the municipality.

WITHDRAWAL OF EXCLUSIONS:

Where a property owned by a religious body ceased to be used as a place of worship or as an accommodation used by a full time employee of the religious organization, such a property shall be deemed as a rateable property from the date it ceased to be used as a place of worship or as a residence of a full time employee.

Where a portion of a property owned and utilized by a religious body is leased, rate shall be payable on pro rata basis.

Properties excluded from rating on the basis that they are nature conservation areas or botanical gardens shall be rated effective from the date of deproclamation.

THE GUIDING PRINCIPLES:

The policy has been developed on the basis of two principles namely, Equity and Affordability.

EQUITY:

All Rate Payers with similar properties shall be treated in a similar way.

AFFORDABILITY:

The ability of a person to pay rates shall be taken into consideration. Consequently, Municipality shall provide relief in the form of Reduction, Rebate and Exemptions.

DIFFERENT CATEGORY OF PROPERTY:

For the purpose of administering property rating within the local authority area, the municipality shall categorize property by their use. In this regard, property is categorized as Special Residential, General Residential, Agricultural land for Farming, Agricultural land for Trading, Agricultural land for Eco-Tourism, Industrial, Commercial, Business and Government. Vacant land shall be categorized on the basis of their zoning.

Where a residential property is used for any purpose other than private resident, it shall be considered as belonging to the category of use.

GOVERNMENT:

Government properties are further divided into those for local use, District/Regional use and National use.

DIFFERENTIAL RATING:

Different rates shall be applied to different category of property. The choice of rate shall take into consideration socio economic objectives of the municipality. Rates shall be charged at the following ratios.

Special Residential		1
General Residential		1.3
Industrial		1.2
Agricultural land for Farming		1.0
Agricultural land for Eco-Tourism	1.3	
Agricultural land for Trading		1.3
Business		1.5
Government property used by local people only	1.5	
Government property serving communities in 1.6		
Nyandeni and neighboring municipalities		
Government properties that serves national interest	1.8	
Public Service Infrastructure		0.25

MULTIPLE USE PROPERTIES:

Properties used for multiple purposes shall be rated on the basis of their dominant use.

PAYMENT OF RATES:

Rate shall be payable on all property at the applicable rates based on the values reflected in the valuation roll except where the municipality grants reduction, rebate or exemption.

GRANTING RELIEF FROM THE PAYMENT OF RATES:

Relief shall be granted on the basis of reduction, rebate and exemption.

REDUCTION:

Reduction shall be granted only in the event of a natural disaster resulting in total or partial destruction of the property. The municipality shall on receipt of application from the affected Ratepayer, grant a reduction on the value of the property.

The reduction granted shall be a proportion of the value of the property equivalent to the ratio of the damage to the total value of the property. Such a relief shall be granted for the unexpired term of the financial year.

The property shall immediately be placed on the list for the next additional valuation. The valuation shall be carried out if even the property is repaired.

REBATES:

Rebate shall be granted to the indigent and the unemployed. Where a person is declared as an indigent in terms of the indigent policy, the person shall on application to the council, be granted a rebate on a sliding scale. The Scale shall be as follows:

INCOME**REBATE**

Government shall be granted a rebate of 20% on all government properties.

Rebate shall be granted to all properties not enjoying all municipal services as indicated below:

Refuse removal	7.5 %
Water	7.5 %
Electricity	7.5 %
Street	7.5 %

Where the facility is available but has not been connected by the Ratepayer, the facility shall be deemed to be on the property.

Where as a result of a natural disaster the infrastructure of the area is damaged, council may grant rebate to the property owner equivalent to the rebate granted for the non existence of such a service.

Public benefit organizations operating from the municipality for the benefit of people in other municipal areas shall be granted rebate on a sliding scale. The size of rebate shall be determined by the extent to which people in the municipal area benefits from their operations vis-à-vis service to other areas.,

EXEMPTION:

A person registered as an indigent by the municipality shall be exempted from payment of rates. Properties owned by community benefit organizations located in the municipality for the benefit of people in the municipality only shall be granted exemption.

PAYMENT OF FLAT RATE:

Owners of low cost houses may be levied a flat amount, which amount shall not exceed the amount they would have been paid after the R15 000 exclusion if a flat rate has not been applied.

Notwithstanding the above, any low cost houses leased or improved shall be excluded from the flat rate and be treated as if it is not a low cost property.

PERIOD OF RATE:

Rate shall be imposed on annual basis and it shall be from 1st July to 30th June of the following year.

RATES:

Rate shall be an amount of cents in a rand. A rate is levied by municipality by resolution passed by the Municipal Council with a supporting vote of a majority of its members.

PUBLICATION OF RESOLUTION:

The Municipality shall publish the rate tariff in the provincial gazette. Whenever council passes resolution with regard to rate tariff, the Municipal Manager shall without delay conspicuously display copies of the resolution for a period of 30 days at the Municipalities head and satellite offices and libraries. Municipality shall publish in a newspaper circulating in the municipal area stating that:

- (i) a resolution levying rate on property has been passed by the council and
- (ii) the resolution is available at the municipality head and satellite offices and libraries for public inspection during official hours.
- (iii) Municipality shall place a copy of resolution on the official website.

SPECIAL RATING AREA:

Municipality may from time to time create special rating areas to raise funds to address infrastructure needs. Before declaring any part of the municipality as a special rating area for the purpose of levying additional rates, the municipality shall consult the local community and agree on the boundary delimiting the special rating area and the improvement or service to be provided.

The municipality shall during consultation, obtain the consent of majority of the members of the local community in the proposed special rating area. The municipality shall keep separate accounting records on funds raised through additional rating.

The municipality may establish a committee made up of representatives of the affected community to form consultative body to assist the municipality in implementing the improvement programme.

Rates may be recovered from Tenants or Agents in terms of section 28 and 29 of the Municipal Property Rates Act.
OR

Municipality may exercise the option of attaching properties of defaulting property owners after due legal processes.

- (1) The council has the responsibility to ensure that all waste generated within the council is-
- (a) collected, disposed of or recycled in accordance with these By-laws; and
 - (b) that such collection, disposal or recycling takes account of the waste management hierarchy set out in subsection 2 below.
- (2) The underlying principle of these By-laws is to establish a waste management hierarchy in the following order of priority:
- (a) avoidance, waste minimisation and waste reduction;
 - (b) re-use;
 - (c) recycling, reprocessing and treatment; and
 - (d) disposal.

3. MAIN OBJECTS

- (1) The main objects of these By-laws are-
- (a) the regulation of the collection, disposal and recycling of waste;
 - (b) the regulation of the provision of council services by service providers and commercial services by licensees; and
 - (c) enhancing sustainable development.
- (2) In pursuing the main objects of these By-laws, and in particular the object set out in subsection (1)(a), the council must-
- (a) endeavour to ensure that local communities are involved in the development of local waste plans;
 - (b) endeavour to minimise the consumption of natural resources;
 - (c) promote the recycling and reuse of waste;
 - (d) encourage waste separation to facilitate re-use and recycling;

- (e) promote the effective resourcing, planning and delivery of council services and commercial services;
- (f) endeavour to achieve integrated waste planning and services on a local basis;
- (g) promote and ensure environmentally responsible council services and commercial services; and
- (h) endeavour to ensure compliance with the provisions of these By-laws.

4. DUTY OF CARE

- (1) Every person has a duty to manage any waste generated by his activities or the activities of those persons working under his discretion in such a manner that the waste does not cause harm to human health or damage to the environment. In particular-
 - (a) no person may engage in council services or commercial services in a manner that results in, or creates a risk of harm to human health or damage to the environment, except insofar as such risk of harm or damage is an unavoidable aspect of the council services or waste management service and has been authorised by the council; and
 - (b) every person who generates waste or engages in council services or commercial services must take all reasonable measures to prevent any other person from contravening subsection (1)(a) above in relation to that waste.
- (2) Without limiting its generality, subsection (1) applies to an owner of land, premises or equipment, a person in control of land, premises or equipment or a person who has a right to use the land, premises or equipment on which or in which-
 - (a) any activity or process is or was performed or undertaken; or
 - (b) any other situation exists, which causes, or is likely to cause, harm to human health or damage to the environment.
- (3) Any person subject to the duty imposed in subsection (1) may be required by the council or an authorised official to take measures to ensure compliance with the duty.
- (4) The measures referred to in subsection 3 that a person may be required to undertake include-
 - (a) investigation, assessment and evaluation of the impact that their activities, the process or a situation have on the environment;
 - (b) informing and educating employees about the environmental risks of their work and the manner in which their tasks must be performed in order to avoid causing damage to the environment;
 - (c) ceasing, modifying or controlling any act, process, situation or activity which causes damage to the environment
 - (d) containing or preventing the movement of pollutants or other causes of damages to the environment;
 - (e) eliminating or mitigating any source of damage to the environment; or
 - (f) rehabilitating the effects of the damage to the environment.

CHAPTER 2

 - (b) causing nuisance through noise or odours; or
 - (c) adversely affecting rural or urban areas or areas of special interest;
- (3) Establishing an integrated network of waste handling and waste disposal facilities to ensure that –
 - (a) comprehensive and adequate council services and commercial services are established within the council;
 - (b) the disposal of waste occurs at accessible waste disposal facilities; and
 - (c) the most appropriate methods and technologies are used in order to ensure a high level of protection for and prevention of damage to the environment and harm to human health;
 - (d) encouraging the minimization or reduction of waste;
 - (e) promoting the recovery of waste by means of recycling or re-use through proven alternative technology; and
 - (f) any other object which would enhance sustainable development.

6. SCOPE, PREPARATION AND AMENDMENT OF THE LOCAL WASTE PLAN

- (1) The local waste plan includes but is not be limited to the following matters -
 - (a) population and development profiles within the council;
 - (b) an assessment of all significant sources and generators of waste within the council;
 - (c) an assessment of the quantities and classes of waste currently generated and projected to be generated within the council;
 - (d) an assessment of the existing markets, council services, commercial services and waste handling and waste disposal facilities for each waste category;
 - (e) an assessment of the existing options for waste reduction, management and disposal within the council;

- (f) an assessment of the number of persons within the council who are not receiving council services and proposed strategies and targets for providing these services to such persons;
 - (g) proposed strategies and targets for managing and reducing waste in the council and for the efficient disposal of waste that cannot be re-used or recycled;
 - (h) strategies for waste education and initiatives for separating waste at its source;
 - (i) strategies for raising awareness of waste management issues;
 - (j) strategies for establishing the information system as required in section 7;
 - (k) an implementation programme that identifies the required time-frames, resources and responsibilities for achieving these strategies and targets;
 - (l) a mechanism for monitoring performance in light of these targets and strategies;
 - (m) current and anticipated waste collection, transportation, transfer and disposal costs;
 - (n) a consideration of how the local waste plan relates to other relevant plans for the council; and
 - (o) such other matters as may be required by any other legislation, regulation or guidelines.
- (2) In preparing the local waste plan, the Council must -
- (a) take into consideration any integrated development plan or land development objectives of the council, and the requirements of any national or provincial legislation or policy;
 - (b) consult with the local community, as required by the Systems Act;
 - (c) take reasonable steps to bring its draft local waste plan to the notice of the local community by inviting comment thereon from members of the local community. Not less than two months must be allowed for submitting such comments, and the finalisation of the local waste plan must be after considering any comment received from the local community;
 - (d) send copies of the draft local waste plan to the Minister of Environmental Affairs and the Minister of Water Affairs and Forestry, and neighbouring Municipalities for their information; and
 - (e) send a copy of the draft local waste plan to the Eastern Cape Province for comment and finalise the local waste plan after considering such comment.
- (3) The council may amend the local waste plan from time to time and must review the plan at least every five years. Such amendments or reviews must be conducted in consultation with the local community.
- (4) The council must publish a report once a year on the implementation of the plan. The report must include-
- (a) a description of activities and measures taken to achieve the objects of the plan;
 - (b) an indication of whether the objects of the plan are being achieved, and if not, an explanation of problems which have undermined the achievement of the objects;
 - (c) details of convictions under these By-laws; and

- (d) a description of significant incidents of dumping.

PART II: INFORMATION SYSTEM

7. ESTABLISHMENT OF AN INFORMATION SYSTEM

- (1) The council must establish and maintain an information system which records how waste is managed within the council.
- (2) The information system may include any information relating to or connected to the management of waste within the council.
- (3) Details regarding the implementation of the information system will be set out in the local waste plan referred to in section 5.
- (4) The local community is entitled to reasonable access to the information contained in the information system, subject to any limitations imposed by law. In giving effect to this right, the council must –
 - (a) at the request of a member of the local community, provide information contained in the information system;
 - (b) take steps to ensure that the information provided is in a format appropriate for lay readers; and
 - (c) may impose a fee for providing such information in order to cover the cost of providing the information requested.

8. PURPOSE OF THE INFORMATION SYSTEM

- (1) The purpose of the information system is for the council to –
 - (a) record data relating to the implementation of the local waste plan and the management of waste in the council;
 - (b) record information held by the council in relating to any of the matters referred to in subsections 6(1)(a)-(j);
 - (c) furnish information upon request or as required by law to provincial and national government;
 - (d) gather information regarding potential and actual waste generators, service providers and licensees;
 - (e) provide information to waste generators, service providers, licensees and the local community in order to –
 - (i) facilitate monitoring of the performance of the council, service providers and licensees, and, where applicable, waste generators;
 - (ii) stimulate research; and
 - (iii) assist the council to achieve the main objects of these By-laws.

9. PROVISION OF INFORMATION

- (1) The council may, subject to the provisions of any other law including the common law require any waste generator, licensee, service provider or person involved in or

associated with the provision of council services or commercial services within the council to furnish information to the council that may reasonably be required for the information system. Such information may concern -

- (a) significant sources of waste generation and the identification of the generators of waste;
 - (b) quantities and classes of waste generated;
 - (c) management of waste by waste generators;
 - (d) waste handling and waste disposal facilities;
 - (e) population and development profiles;
 - (f) reports on progress in achieving and waste management targets;
 - (g) the management of radioactive waste;
 - (h) any information which has been compiled in accordance with subsection 8(1)(e);
 - (i) markets for waste by class of waste or category; and
 - (j) any other information required by legislation, regulation or guidelines.
- (2) The council may, at its discretion, determine when and how often information must be furnished.

10. MANNER OF ENGAGING IN WASTE MINIMIZATION INITIATIVES

Notwithstanding the need to promote waste minimization recycling and reuse of water, no person may undertake waste minimization initiatives in such a manner that is likely to cause or to increase the risk of harm to human health or damage to the environment.

CHAPTER 3

COUNCIL SERVICES NYANDENI MUNICIPALITY

PART I: PROVIDING ACCESS TO COUNCIL SERVICES

11. DUTY TO PROVIDE ACCESS TO COUNCIL SERVICES

- (1) The council has an obligation to the local community to progressively ensure efficient, affordable, economical and sustainable access to council services.
- (2) This duty is subject to -
 - (a) the obligation of the local community to pay the prescribed fee, for the provision of council services, which must be priced in accordance with any nationally prescribed norms and standards for rates and tariffs; and
 - (b) the right of the council to differentiate between categories of users and geographical areas when setting service standards and levels of service for the provision of council services. In exercising the right in this subsection, the council must comply with national legislation and have regard to the factors set out in subsection 3.

- (3) The council must take the following factors into account in ensuring access to council services;
 - (a) the waste management hierarchy set out in section 2;
 - (b) the need to use resources efficiently;
 - (c) the need for affordability;
 - (d) the requirements of operational efficiency;
 - (e) the requirements of equity; and
 - (f) the need to protect human health and the environment.

12. THE PROVISION OF COUNCIL SERVICES

- (1) The council must as far as reasonably possible and subject to the provisions of these By-laws -
 - (a) provide for the collection of domestic waste, business waste and dailies on a regular basis, which in the case of dailies requires collection on a daily basis; and
 - (b) provide recycling facilities,
 - at a cost to end users determined in accordance with the prescribed fee promulgated by the Council.
- (2) In relation to council services, the council may determine -
 - (a) the quantities of waste that will be collected;
 - (b) which residential or commercial premises require council services more frequently than the regular collection services for reasons of health, safety and environmental protection;
 - (c) the maximum amount of waste that may be placed for collection without the provision of an additional service or the imposition of an additional tariff; and
 - (d) specify requirements for the provision of waste storage areas and access to such areas in respect of new premises which are constructed after the commencement of these By-laws.
- (3) The council may provide, or require the generator of the waste to provide, an approved receptacle for the storage of domestic waste, business waste and dailies pending collection. Where such receptacle is provided by the council, it remains the property of the council.
- (4) in providing council services, the council or service provider may determine or designate -
 - (a) collection schedules;
 - (b) locations for placing approved receptacles for collection,
 - (c) which types of waste generated by the occupier of any premises are recyclable waste and determine the conditions for their storage or collection; and
 - (d) which waste items are unsuitable for collection.
- (5) The council or service provider may require a generator of dailies and business waste to compact that portion of the waste that is compactable. Such a requirement may be

imposed where the quantity of dailies of business waste generated on premises requires daily removal of more than the equivalent of eight 240-litre bins and where, in the opinion of the council or service provider, the major portion of such waste is compactable. The occupier of premises may elect to compact any volume of such waste and place it into an approved receptacle or wrapper approved by the council or service provider: Provided that-

- (a) the capacity of the wrapper must not exceed 85 litres and the mass of the wrapper and contents must not exceed 35 kilograms;
 - (b) after the waste has been compacted and put into the wrapper, it must be placed in the approved receptacle and must be stored so as to prevent damage to the wrapper or any nuisance arising until collected; and
- (6) Any approved receptacle used in terms of subsection 3 may be collected, emptied and returned to the premises by the council or service provider at such intervals as it may deem necessary.
 - (7) The council or service provider may review any decisions taken in terms of subsection 4 at any time.
 - (8) The council or services provider must notify all generators of domestic waste, business waste and dailies of any decisions taken in terms of subsections (4) or (5) in writing.

PART II: USING COUNCIL SERVICES

13. OBLIGATIONS OF GENERATORS OF DOMESTIC WASTE, BUSINESS WASTE AND DAILIES

- (1) Any person generating domestic waste, business waste and dailies (other than waste which has been designated by the council as recyclable) must place domestic waste, business waste and dailies in an approved receptacle.
- (2) No person may allow an animal in his control to interfere with, overturn or damage a receptacle, which has been placed for collection.
- (3) The occupier of premises must ensure that -
 - (a) no hot ash, unwrapped glass or other domestic waste, business waste and dailies which may cause damage to approved receptacles or which may cause injury to the council or service provider's employees while carrying out their duties in terms of these By-laws, is placed in approved receptacles before suitable steps have been taken to avoid such damage or injury;
 - (b) no material, including any liquid, which by reason of its mass or other characteristics is likely to render such approved receptacles unreasonably difficult for employees of the council or service provider to handle or carry, is placed in such receptacles;
 - (c) every approved receptacle on the premises is kept closed save when waste is being deposited in it or discharged from it, and every approved receptacle is kept in a clean and hygienic condition;
 - (d) the approved receptacle delivered by the council is not used for any purpose other than the storage of domestic waste, business waste and dailies and, in particular, that no fire may be lit in a bin or container;
 - (e) the approved receptacle is placed outside the entrance to the premises before a time and on a day of the week specified by the council or service provider by notice to the owner or occupier of the premises, except where, on written application to the council, the council has indicated in writing that it is satisfied

that a person is physically infirm or otherwise incapable of complying with the notice; and

- (f) the approved receptacle, placed in accordance with subsection (3)(e) must be undamaged and properly closed so as to prevent the dispersal of its contents.
- (4) The owner or occupier of premises must provide space and any other facilities deemed necessary by the council or service provider on the premises for the storage of approved receptacles.
- (5) The space provided in terms of subsection (4) must -
 - (a) be in such a position on the premises as will allow the storage of approved receptacles without their being visible from a street or public place;
 - (b) where dailies are generated on the premises -
 - (i) be in such a position as will allow the collection and removal of such waste by the council or service provider's employees without hindrance; and
 - (ii) be not more than 20m from the entrance to the premises used for the collection of waste by the council or service provider;
 - (c) be so located as to permit convenient access to and egress from such space for the council or service provider's waste collection vehicles;
 - (d) comply with any further reasonable requirements imposed by the council or service provider by notice to the owner or occupier of the premises; and
 - (e) be constructed in accordance with the requirements of any applicable building regulations.
- (6) The occupier of premises must place or cause the approved receptacles to be placed in the space provided in terms of subsection (5) and must at all times keep them there, save that—
 - (a) in the case of buildings erected, or buildings, the building plans of which have been approved, prior to the coming into operation of these By-laws, or
 - (b) in the event of the council or service provider in terms of sub-section (5)(b)(ii);

the council or service provider may, having regard to the avoidance of nuisance and the convenience of collection of waste, indicate a position within or outside the premises where the approved receptacles must be placed for the collection and removal of such waste and such receptacles must then be placed in such position at such times and for such period as the council or service provider may require.

14. THE PRESCRIBED FEE FOR COUNCIL SERVICES

The council may either levy rates on property or determine tariffs (or both) for the provision of council services.

15. LIABILITY TO PAY FOR COUNCIL SERVICES

- (1) The owner of premises is liable to the council to pay the prescribed fee for the provision of council services, and is not entitled to exemption from the liability to pay the prescribed fee by reason of his not making use, or of making a partial or limited use, of council services regardless of whether the council provides such services directly or through a service provider.
- (2) The prescribed fee becomes due and payable on the same date as the general assessment rate levied.

CHAPTER 4

COMMERCIAL SERVICES

PART I: PROVISION OF COMMERCIAL SERVICES BY LICENSEES AND FLOW CONTROL

16. PROVISION OF COMMERCIAL SERVICES BY LICENSEES

- (1) Save in the case of garden waste, only a licensee may provide commercial services.
- (2) Any person requiring commercial services must satisfy himself that the contractor is licensed to collect and dispose of the category of waste that has been generated and must take reasonable steps to ensure that the relevant waste is collected and disposed of in terms of these By-laws.

17. PROVISION FOR COUNCIL CO-ORDINATION OF WASTE DISPOSAL

The council may direct, by a notice published in the Eastern Cape Provincial Gazette, that a category of waste be disposed of at a particular depot or disposal site. No person may dispose of such waste other than as specified in the notice gazette under this section or as specified by the council under other empowering legislation prior to the coming into operation of these By-laws.

PART II: BUSINESS, INDUSTRIAL AND RECYCLABLE WASTE

18. STORAGE OF BUSINESS, INDUSTRIAL AND RECYCLABLE WASTE

- (1) The owner or occupier of premises on which business, industrial or recyclable waste is generated must ensure that until such time as such waste is collected by licensee from the premises on which it was generated –
 - (a) the waste is stored within a bulk container or other approved receptacle; and
 - (b) no nuisance, including but not limited to dust, is caused by the waste in the course of generation, storage, or collection.

19. COLLECTION AND DISPOSAL OF INDUSTRIAL, BUSINESS AND RECYCLABLE WASTE

- (1) The owner or occupier of premises generating business, industrial and recyclable waste must ensure that –
 - (a) The container in which the waste is stored may not be kept in a public place except as required for collection;
 - (b) The waste is collected by a licensee within a reasonable time after the generation thereof; and
 - (c) That the service rendered by the licensee must only be in respect of that portion of the business, industrial or recyclable waste authorized in its license.
- (2) A licensee must dispose of business, industrial or recyclable waste at a waste handling facility or waste disposal facility designated by the council as a waste disposal facility for that purpose in terms of section 18 over and in accordance with the provisions of section 19.

PART III: GARDEN WASTE AND BULKY WASTE**20. STORAGE, COLLECTION AND DISPOSAL OF GARDEN WASTE AND BULKY WASTE**

- (1) The owner or occupier of the premises on which garden waste is generated may compost garden waste on the property, provided that such composting does not cause a nuisance.
- (2) The occupier of the premises on which garden waste is generated and not composted or on which bulky waste is generated must ensure that such waste is collected and disposed within a reasonable time after the generation thereof.
- (3) Any person or licensee may remove garden waste and bulky waste, provided that once such waste has been collected from the premises on which it was generated, it is deposited at a garden waste handling facility in accordance with the provisions of section 28.
- (4) At the written request of the occupier of premises the council or service provider may, in its sole discretion, deliver an approved receptacle for the purpose of storing garden waste in addition to any approved receptacle delivered to the premises for the storage of domestic waste. The provisions contained in section 13, read with the necessary changes, must apply, to an approved receptacle delivered in terms of this section but which is to be used for the storage of garden waste.
- (5) Where, in the course of providing council services, the council or the service provider providing the service, is of the opinion that it would cause inconvenience to members of the public not, at the same time, to remove garden and bulky waste, the council or service provider may remove such waste if such waste has been placed in an approved receptacle referred to in section 13 in the space designated for domestic waste, in which event the tariff for domestic waste, read with the necessary changes, must apply.

PART IV: BUILDING WASTE**21. GENERATION OF BUILDING WASTE**

- (1) The owner or occupier of premises on which building waste is to be generated must notify the council, in writing, of the intention to generate building waste and of the proposed manner for its removal and disposal at least 14 days prior to the intended generation of such waste.
- (2) The owner or occupier of such premises must ensure that –
 - (a) until disposal, all building waste, together with the containers used for the storage collection or disposal thereof, is kept on the premises on which the waste was generated;
 - (b) the premises on which the building waste is generated does not become unsightly or cause a nuisance as a result of accumulated building waste;
 - (c) any building waste which is blown off the premises is promptly retrieved; and
 - (d) pursuant to any instructions from the council, any structure necessary to contain the building waste is constructed.

22. STORAGE OF BUILDING WASTE

- (1) The owner or occupier of premises may apply to the council for written consent to place an approved receptacle for the storage and collection of building waste in the road reserve for the period of such consent.
- (2) Any consent given in terms of subsection (1) may be subject to such conditions as the council may consider necessary.
- (3) Every approved receptacle, authorised in terms of subsection (1) and used for the removal of building waste, must –
 - (a) Have clearly marked on it the name, address and telephone number of the person in control of such approved receptacle;
 - (b) Be fitted with reflecting chevrons or reflectors which must completely outline the front and the back thereof; and
 - (c) Be covered at all times other than when actually receiving or being emptied of such waste so that no displacement of its contents can occur.

23. COLLECTION AND DISPOSAL OF BUILDING WASTE

- (1) The owner or occupier of premises on which building waste is generated must ensure that the waste is disposed of by a licensee.
- (2) All building waste must be disposed at a waste disposal facility designated for that purpose by the council in terms of a notice under section 17, unless the council has given written consent for the building waste to be used for the purpose of land reclamation or for recycling.

PART V: SPECIAL INDUSTRIAL, HAZARDOUS OR HEALTH CARE RISK WASTE**24. GENERATION OF SPECIAL INDUSTRIAL, HAZARDOUS OR HEALTH CARE RISK WASTE**

- (1) No person may carry on an activity which may cause special industrial, hazardous or health care risk waste to be generated, without notifying the council, prior to the generation of such waste, of the composition of such waste, the estimated quantity generated, the method of storage, the proposed duration of storage, the manner in which it will be collected and disposed, and the identity of the licensee removing such waste: Provided that where such waste is being generated as a result of activities which commenced prior to the commencement of these By-laws, the generator must notify the council within 6 months of the commencement of these By-laws.
- (2) If so required by the council, the notification referred to in subsection (1) may be substantiated by an analysis of the composition of such waste certified by an appropriately qualified industrial chemist.
- (3) The person referred to in subsection (1) must notify the council in writing of any changes occurring with respect to the generation, composition, quantity and method and location of disposal of the special industrial, hazardous, or health care risk waste.

25. STORAGE OF SPECIAL INDUSTRIAL, HAZARDOUS OR HEALTH CARE RISK WASTE

- (1) Any person carrying on an activity which may cause special industrial, hazardous or health care risk waste must ensure that the special industrial, hazardous or health care risk waste generated on the premises is kept and stored thereon until it is collected from the premises.

- (4) Neither the Council nor a councillor official, officer or employee of the Council shall be liable for any loss of or damage to any goods removed and impounded in terms of this section.

9. DISPOSAL OF IMPOUNDED GOODS

- (1) Any perishable goods removed and impounded in terms of section 8 (2) may at any time after impoundment thereof be sold or destroyed by the Council and in the case of a sale of such goods the proceeds thereof less any expenses incurred by the Council in connection with the removal, impoundment and sale of such goods, shall, upon presentation of the relevant receipt issued in terms of section 8 (3)(a), be paid to the person who was the owner of such goods when such goods were impounded. If such owner fails to claim the said proceeds within three months of the date on which such goods were sold, such proceeds shall be forfeited to the Council.
- (2) The owner of any goods (other than perishable goods), dealt with by the Council in terms of sub section 1, impounded in terms of section 8(2) who wishes to claim the return of such goods shall, within a period of one month of the date of the impoundment of such goods, apply to the Council and shall present the relevant receipt issued in terms of section 8(3)(a), failing which such goods may be sold by the Council and in the event of sale of such goods the provisions of sub section 9(1) relating to the proceeds of a sale shall apply.
- (3) If the owner of any goods impounded in terms of section 8(2) claims the return of such goods from the Council and such owner is unable or refuses to refund any expenses incurred by the Council in connection with the removal and impoundment of such goods, such goods may be sold by the Council and proceeds of any sale of such goods less any such expenses and the cost of such sale shall be paid to such owner.
- (4) In the event of the proceeds of any sale of goods contemplated by this section not being sufficient to defray any expenses incurred by the Council in connection with the removal, impoundment and sale of such goods, the owner of such goods shall remain liable for so much of such expenses as is not defrayed by the proceeds of the sale of such goods.

10. GENERAL OFFENCE AND PENALTIES

- (1) Any person who-
 - (a) contravenes or fails to comply with any provision of these bylaws;
 - (b) ignores, disregards or disobeys any notice, sign or making displayed or erected for the purpose of these bylaws;
 - (c) contravenes or fails to comply with any approval or condition granted or imposed in terms of these bylaws;
 - (d) for the purpose of these bylaws make a false statement knowing it to be false in a material respect or deliberately furnishes false or misleading information to an authorized official or officer; or
 - (e) threatens, resists, interferes with or obstructs an authorized official, officer or employee of the Council in the performance of his powers, duties or functions under these bylaws, shall be guilty of an offence and on conviction be liable to a fine of five hundred Rand or imprisonment for a period not exceeding three months.

- (2) When an employee of a street trader performs any act or is guilty of any omission which constitutes an offence under these bylaws the employer shall be deemed to have performed the act or to be guilty of the omission himself and he can prove that-
1. in performing the act or being guilty of the omission the employee was acting without his knowledge or permission;
 2. all reasonable steps were taken by him to prevent the act or omission; and
 3. it was not within the scope of the authority or the course of the employment of the employee to perform an act of the kind in question.
- (3) The fact that an employer issued instructions forbidding any act or omission referred to in sub section (2) shall not of itself be accepted as sufficient proof that he took all steps referred to in paragraph (b) of that sub section.
- (4) When an employer is by virtue of the provisions of sub section (2) liable for anything done or omitted by his employee, then that employee shall also be liable to prosecution for the offence.

11. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the Council, these bylaws will prevail.

- (2) Special industrial, hazardous or health care risk waste stored on premises must be stored in such a manner that it does not become a nuisance or cause harm to human health or damage to the environment, and in accordance with the requirements of any applicable building regulations or additional by-laws.
- (3) Special industrial, hazardous or health care risk waste must be stored in an approved receptacle for a period not exceeding any maximum period stipulated by the council before collection.
- (4) The council may enact additional by-laws providing guidelines for the management of health care risk waste.

26. COLLECTION AND DISPOSAL OF SPECIAL INDUSTRIAL, HAZARDOUS OR HEALTH CARE RISK WASTE

- (1) Only licensees may transport special industrial, hazardous and health care risk waste and must do so in accordance with the requirements of the council, stipulated as license conditions or in additional by-laws, in respect of the type of vehicle, the markings and manner of construction of such vehicle, procedures for safety and cleanliness, and documentation relating to the source, transportation and disposal of such waste, and the requirements of any other legislation.
- (2) A licensee licensed to collect and dispose of special industrial, hazardous or health care risk waste, must inform the council at those intervals the council may stipulate in the license or elsewhere, about the removal of special industrial, hazardous or health care risk waste, the date of such removal, the quantity, the composition of the waste removed and the facility at which the waste has been disposed.
- (3) A licensee must dispose of special industrial, hazardous or health care risk waste at a waste disposal facility designated by the council as a waste disposal facility for that purpose.

CHAPTER 5

TRANSPORTATION AND DISPOSAL OF WASTE

27. TRANSPORTATION OF WASTE

- (1) Notwithstanding the provisions of any other legislation, no person may –
 - (a) Operate a vehicle for the conveyance of waste upon a street unless the vehicle has a body of adequate size and construction for the type of waste being transported;
 - (b) Fail to maintain the vehicles used for the conveyance of waste in a clean, sanitary and roadworthy condition at all times;
 - (c) Cause or permit any waste being transported in or through the council to become detached, leak or fall from the vehicle transporting it, except at a waste disposal facility;
 - (d) Knowingly dispose waste at a waste disposal facility that is not permitted to accept such waste.

28. DISPOSAL OF WASTE

- (1) Waste generated within the council must be disposed of at a waste disposal facility that has been permitted to accept and dispose of such waste in terms of section 17 and in accordance with the provisions of any other law regulating the disposal of waste.

-
- (2) No person may burn waste either in a public or private place except at an authorized incinerator operated by a licensee, or other than at a place designated by the council for such purpose.
 - (3) Notwithstanding the provisions of subsection (1), any person may dispose of those forms of recyclable waste specified by the council in a notice in terms of section 17 or elsewhere at designated garden waste handling facilities, but may do so only if all such waste is brought to the facility in vehicles able to carry a maximum load of one tone or less.
 - (4) The disposal of waste at any waste disposal facility may, in addition to any conditions imposed by a competent authority, be subject to such conditions as the council may from time to time specify, including the hours of opening and closing, the nature of the waste which may be disposed of, the position in any such waste disposal facility in which the waste may be placed and any other matters which the council considers necessary to ensure the environmentally sound management of waste.
 - (5) Every person who enters a waste disposal facility must –
 - (a) Enter the waste disposal facility at an access point determined by the operator of the waste disposal facility;
 - (b) On request, provide the council or the operator of the waste disposal facility with any information regarding the composition of the waste; and
 - (c) Follow all instructions issued by the operator of the waste disposal facility in regard to access to the actual place where, and the manner in which, the waste should be deposited.
 - (6) No person may –
 - (a) Bring any liquor or intoxicating or narcotic substance onto a waste disposal facility or enter such facility in an intoxicated state;
 - (b) Enter a waste disposal facility for any purpose other than the disposal of waste in terms of these By-laws, unless authorized to do so by the operator of the waste disposal facility or the council and then only at such times and on such conditions as the council or operator may from time to time determine;
 - (c) Dispose of waste at a waste disposal facility which is not permitted for such waste; or
 - (d) Light any fire upon or near any disposal area without authorization.
 - (7) Any person who contravenes subsection 28(6) will be liable for all reasonable costs incurred by the council in removing or otherwise dealing with waste improperly disposed of at a waste disposal facility.
 - (8) The operator of the waste disposal facility may at any time require a vehicle or a container on a vehicle that has entered the waste disposal facility for the purposes of disposing waste to be weighed at a weighbridge.
 - (9) The council, the operator of the waste disposal facility, an authorized official or any other persons duly authorized by the council may, at a waste disposal facility, inspect the content and nature of waste to be disposed of or processed and may take samples and test any waste found on any vehicle to ascertain its composition.
 - (10) Any person contravening any of the provisions of this section may be refused entry or be removed from a disposal waste disposal facility.

CHAPTER 6

SERVICE PROVIDERS

29. AGREEMENT, DELEGATION AND CONSUMER CHARTER

- (1) The council may discharge any of its obligations under section 12 of these By-laws by entering into a service delivery agreement with a service provider or service providers in terms of the Systems Act.
- (2) Subject to the provisions of the Systems Act or any other legislation, the council may assign to a service provider any power enjoyed by the council under these By-laws: Provided that the assignment is required for the service provider to discharge an obligation under its service delivery agreement.
- (3) Any reference in these By-laws to "council or service provider" should be read as the "council" if the council has not entered into a service delivery agreement, and should be read as "service provider" if the council has entered into a service delivery agreement.
- (4) Service providers must provide services in accordance with a consumer charter which must be drawn up in consultation with the council and which must –
 - (a) Accord with the provisions of these By-laws;
 - (b) Be accessible to the public;
 - (c) Establish the conditions of the service including collection times; and
 - (d) Provide for the circumstances in which council services may be limited.

CHAPTER 7

LICENSEES

PART I: REGISTRATION

30. REGISTRATION REQUIREMENTS

- (1) Any person who provides or intends to provide commercial services within the council must register with the council.
- (2) Registration must be by written notification to the council, and must specify –
 - (a) The name and the residential and postal address of the person providing commercial services, and if a company or close corporation, its registration number, names of its directors or members and the address of its registered head office;
 - (b) The nature of the waste management service provided or intended to be provided by the person;
 - (c) The scope of the service, which must specify the number of clients served or intended to be served at the time of registration, the geographical areas of operation and the actual or intended capital expenditure involved, or to be involved, in rendering the service; and

- (d) The disposal facilities it owns or intends to utilize for the disposal of waste it collects or generates.
- (3) The council must provide proof of registration specifying the name and the residential and postal address of the registered person and describing the nature of the commercial services provided or intended to be provided by that person.
- (4) Where a person has registered in terms of subsection (1) and the person –
 - (a) Acquires a firm providing commercial services;
 - (b) Merges with other persons providing commercial services;
 - (c) Changes ownership;
 - (d) Changes juristic nature
 - (e) Changes the nature of the commercial services it provides;
 - (f) Intends to cease providing such services;
 - (g) Is involved in winding-up proceedings; or
 - (h) Increase its gross revenue or client base in excess of 25%,

Then that person must notify the council of that occurrence and, save in the circumstances set out in subsections (4)(f) or (g), re-register in accordance with the provisions of subsection (1).

31. LICENSE REQUIREMENTS

- (1) Subject to section 35, no person may provide commercial services without having first obtained a license.
- (2) Licenses issued under these By-laws –
 - (a) Are personal to the licensee and incapable of cession or assignment without the prior written consent of the council;
 - (b) Are valid for the period stipulated in the license, which period may not exceed five years, and may, upon application in terms of these By-laws, be renewed by the council for further periods; and
 - (c) May be suspended or revoked by the council, if the licensee is in breach of any of the provisions of these bylaws or any term stipulated in the license.

32. LICENSE APPLICATION

- (1) Applications for a license to provide commercial services must be in writing on a form prescribed by the council. The form must specify the information to be included in the application and the time available for making the application, which period must not be less than two months in duration.
- (2) The council must consider each application, having regard to the following:
 - (a) The financial, technical and managerial competency and experience of the applicant;
 - (b) The environmental, health and safety record of the applicant;
 - (c) The nature of the waste management service to be provided; and
 - (d) Any other factors which the council considers relevant.

- (3) After considering the application in terms of subsection (2), the council must -
 - (a) Approve the application by issuing a license subject to terms and conditions; or
 - (b) Reject the application, which rejection must be accompanied by reasons.

33. LICENSE TERMS AND CONDITIONS

- (1) When issuing a license in terms of section 32, the council may, subject to the provisions of subsection (2), impose any license conditions it deems reasonably necessary.
- (2) Licenses issued by the council must –
 - (a) Described the geographical area of operation of the licensee;
 - (b) Specify the license period and the procedure for any license renewal;
 - (c) Specify the category or categories of waste the licensee may manage;
 - (d) Contain a requirement that the licensee must comply with these By-laws, and applicable provincial and national legislation;
 - (e) Require the licensee to keep monthly records in respect of –
 - (i) the quantities of waste received, the location of the sources generating the waste, the identity of the generator and, where the licensee manages different categories of waste, the quantity of each category managed;
 - (ii) emission levels where the licensee manages a licensed incinerator;
 - (iii) any activity related to the achievement of local, provincial or national targets where such targets have been determined, and must include the results of monitoring such activity;
 - (iv) any waste minimization or recycling activities in which the licensee is involved;
 - (v) consumer supply figures; and
 - (vi) complaints received by the public;
 - (f) Require the licensee to have the appropriate property and liability insurance for any waste disposal or handling facilities owned by it in accordance with an insurance programme approved by the council under the license, which approval may not subject the council to any liability if the insurance programme proves inadequate;
 - (g) Permit the licensee to conduct any other business activity not regulated in the license, provided that any such business activity does not conflict with or adversely affect the licensee's obligations under the license, these By-laws or any other law, and provided that such activities are separately accounted for;
 - (h) Stipulate procedures for amendment of the license;
 - (i) Stipulate circumstances under which the license may be revoked or suspended by the council and set out an appeals procedure;
 - (j) Prescribed the payment of a license fee;

- (k) Require the licensee to take reasonable steps to prevent his employees from committing any act or omission in the course of their employment that may cause harm to humans or damage to the environment;
- (l) Require the licensee to ensure compliance with these By-laws and conditions by its employees, agents and sub-contractors, and ensure that sub-contractors are licensed to store, collect, transport and dispose of any waste stream that they have been contracted to manage; and
- (m) Contain any other term or condition that the council considers relevant.

34. PROHIBITED CONDUCT

- (1) Licensees may not:
 - (a) cease operations at a waste disposal facility without a closure plan approved by DWAF and the Department of Environmental Affairs and Tourism or any other competent authority;
 - (b) abandon a waste disposal facility or waste handling facility;
 - (c) operate in contravention of the terms and conditions of their license;
 - (d) fail or refuse to give information, or give false or misleading information when required to do so in terms of these By-laws;
 - (e) fail to take all reasonable steps to prevent an act or an omission by an employee where the employee is or was acting on behalf of the licensee, when such an act or omission would constitute an offence if it were the act or omission of a licensee;
 - (f) dispose of any health care risk waste otherwise than by incineration, unless prior consent has been obtained from the DWAF; or
 - (g) dispose of hazardous or special industrial waste otherwise than by disposing of it at a waste disposal facility which has been permitted for the disposal of this category of waste.

35. TRANSITIONAL PROVISIONS AND EXEMPTIONS

- (1) Any person lawfully providing commercial services within the council at the time an application for a license is made, may continue to provide commercial services while the license application is being considered by the council.
- (2) A council may at its sole discretion, and having regard to the main object of these By-laws and its local waste plan, exempt any form of commercial service from the provisions of Chapter 7 of these By-laws and must indicate the terms and scope of any exemption in a notice published in the Eastern Cape Provincial Gazette.

CHAPTER 8

LITTERING, DUMPING AND ABANDONED ARTICLES

36. DUTY TO PROVIDE FACILITIES FOR LITTER

- (1) The council, or owner in the case of privately owned land, must take reasonable steps to ensure that sufficient approved receptacles are provided for the discarding of litter by the public, in any place to which the public has access.

- (2) The council, or owner of privately owned land, must ensure that all approved receptacles installed on the premises for the collection of litter are -
 - (a) maintained in good condition;
 - (b) suitably weighted and anchored so that they cannot be inadvertently overturned;
 - (c) constructed in such a manner as to ensure that they are weatherproof and animal proof;
 - (d) of suitable size to contain all litter likely to be generated on the premises and by the users thereof;
 - (e) placed in locations convenient for the use by users or occupants of the premises to discourage littering or the unhealthy accumulation of waste; and
 - (f) emptied and cleansed periodically or when full. The emptying and cleansing of approved receptacles must be sufficiently frequent as to ensure that no receptacle or its contents may become a nuisance or provide reasonable grounds for complaint.
- (3) In any public place where an approved receptacle has been placed for the depositing of litter, the council may put up notices about littering.

37. PROHIBITION OF LITTERING

- (1) No person may -
 - (a) cause litter;
 - (b) sweep any waste into a gutter, onto a road reserve or onto any other public place;
 - (c) disturb anything in, or remove anything from any receptacle which has been placed for the purposes of collecting litter in such a manner as to cause the contents of the receptacle to spill or fall onto the ground around it; and
 - (d) allow any person under his control to do any of the acts contemplated in paragraphs (a), (b) or (c) above.
- (2) Notwithstanding the provisions of subsection (1), the council, or owner in the case of privately owned land to which the public has access, must within a reasonable time after any litter has been discarded, dumped or left behind, remove such litter or cause it to be removed. For the purposes of this section, a reasonable time may mean that period of time before the litter becomes a nuisance or cause for complaint.
- (3) No person may dump waste.
- (4) Any article, other than a motor vehicle deemed to have been abandoned in terms of section 114 of the Road Traffic Act, 1989 (Act 29 of 1989), which, in the light of such factors as the place where it is found, the period it has been lying at such place and the nature and condition of such article, is reasonably regarded by the council as having been abandoned, may be removed and disposed of by the council as it may deem fit.
- (5) The council may remove and dispose of any article which is chained or fastened to any pole, parking meter or any other property belonging to the council, without authorization as it may deem fit.

CHAPTER 9
ADMINISTRATIVE ENFORCEMENT PROVISIONS

PART 1: APPOINTMENT OF AUTHORISED OFFICIALS

39. APPOINTMENT OF AUTHORIZED OFFICIALS

- (1) The council shall appoint authorized officials who shall be vested with the power to -
 - (a) Discharge the council's right of access to premises in terms of section 101 of the Systems Act;
 - (b) issue an enforcement notice under section 44;
 - (c) impose an infringement notice in terms of section 45; and
 - (d) exercise the powers of an authorized official in terms of the provisions of any other applicable law.
- (2) An authorized official is not a peace officer within the meaning of the Criminal Procedure Act and has no powers of arrest in respect of any offence created in these by-laws.
- (3) In appointing an authorized official, the council shall have regard to:
 - (a) a person's technical understanding and experience of matters related to waste management; and
 - (b) any other factor that may be relevant to supervision and enforcement of these by-laws, whether technical or administrative.
- (4) An authorized official may be an employee of the council or any service provider of the council: Provided that, in the latter case, there is no conflict of interest between the person's duty as an authorized official and as an employee of the service provider.
- (5) Upon appointment, authorized officials shall be issued with a means of identification by the council (hereinafter called "an identification") which shall state the name and function of the authorized official, and must include a photograph of the officer. An authorised official, acting within the powers vested in him by these by-laws, is required to present identification on demand by a member of the local community.

PART II: POWERS OF AUTHORISED OFFICIALS

40. POWERS TO EXECUTE WORK AND INSPECT VEHICLES AND PREMISES

- (1) In addition to the powers an authorized official has as an authorized representative of the council under section 101 of the Systems Act or any other legislation, an authorized official, may
 - (a) enter any land or premises to execute work or conduct an inspection; and

- (b) may search any vehicle or other mode of conveyance with the consent of the owner or person in charge of the vehicle.
- (2) A search conducted in terms of these By-laws must be conducted in a manner that conforms to the requirements of the Bill of Rights and any other law and, in particular, must be conducted with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (3) To the extent that access to premises does not fall within the scope of section 101 of the Systems Act or any other legislation, an authorized official who has reasonably grounds to suspect that there is an environmental emergency and that any delay in obtaining a search warrant will cause serious harm to human health or damage to the environment may, without warrant, enter and search any premises associated with the emergency: Provided that the entry and search be conducted in conformity with the requirements of the Bill of Rights and any other law, and in particular, with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (4) Where, in the opinion of an authorized official, any search of a vehicle, as contemplated in these By-laws, gives rise to the reasonable apprehension that the presence of waste in or on the vehicle is a serious and immediate danger to human health or to the environment, the authorized official may seize that vehicle in order to prevent, or where that is impossible, to mitigate harm to human health or damage to the environment.
- (5) In the event of the seizure of any vehicle under subsection (4), the council must-
 - (a) forthwith take steps to dispose of such waste in order to prevent, and where that is impossible, to mitigate, harm to human health or damage to the environment; and
 - (b) return the said vehicle, within 48 hours after disposing of such waste, to the control of the licensee or person from whose possession or control it was taken.

41. POWERS TO QUESTION

- (1) In order to monitor or enforce compliance with these By-laws, the authorized official, may, subject to the requirements of the Bill of Rights, and any other law including the common law, require a licensee or any other person to disclose information, either orally or in writing, and either alone or in the presence of witnesses, on any matter to which these By-laws relate, require that the disclosure be made on oath or affirmation.
- (2) An authorized official may be accompanied by an interpreter and any other person reasonably required to assist the authorized official in conducting the inspection.
- (3) An authorised official must, on request, provide his identification as an authorized official.

42. SUPERVISION OF LICENSEES

- (1) Authorised officials must inspect the workplace of a licensee not less than twice a year, and an authorized official is entitled to enter the workplace of a licensee for this purpose.
- (2) Such an inspection must be conducted in conformity with the requirements of the Bill of Rights, and any other law, and in particular, an authorized official in conducting an inspection under subsection (1) must do so with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.

- (3) If an authorized official is of the opinion, after such an inspection, that a licensee is complying with these By-laws, he may, subject to the provisions of subsection (2), issue the licensee with a certificate confirming compliance, which must state -
 - (a) the name and residential and postal address of the licensee;
 - (b) the time, date and scope of the inspection; and
 - (c) any remarks which in the opinion of the authorized official may be relevant.
- (4) If a licensee fails to obtain a certificate confirming compliance at three inspections over a period of two years, the authorized official may recommend that the council review the license, and should there be reasonable grounds, the council may revoke the license in terms of subsection 31(2)(c): Provided that the consecutive inspections occur at not less than four month intervals.
- (5) Authorised officials must keep a register recording each inspection that has been undertaken.

43. SUPERVISION OF OWNERS AND OCCUPIERS

Owners and occupiers must keep their premises clean and free from any waste which in the opinion of an authorized official is likely to cause a nuisance, harm to human health or damage to the environment, and must take reasonable steps to prevent an employee acting in the course of their employment, from committing an act or omission that may cause a nuisance, harm to human health or damage to the environment.

PART III: ENFORCEMENT AND INFRINGEMENT NOTICES

44. ENFORCEMENT NOTICES

- (1) If, in the opinion of the authorized official, a person is -
 - (a) causing a nuisance, harm to human health or damage to the environment; or
 - (b) as licensee, is failing to comply with the terms of a license granted in terms of these By-laws; or
 - (c) as owner or occupier, has failed to satisfy an obligation in terms of section 43 of these by-laws; or
 - (d) the authorized official may issue or cause to be issued on that person an enforcement notice in terms of this section.
- (2) An enforcement notice issued under this section must state -
 - (a) the name and also the residential and postal address, if either or both of these be known, of the affected person;
 - (b) the nature of the nuisance, harm to human health or damage to the environment that the affected person is causing or is likely to cause;
 - (c) the steps required to forestall or remediate the nuisance, harm to human health or damage to the environment in sufficient detail to enable compliance with the enforcement notice;
 - (d) that the affected person must not later than 21 calendar days from the date on which the enforcement notice is issued take steps to comply with the notice;

- (e) that failure to comply with the requirements of the enforcement notice within the period contemplated in paragraph (d) may result in civil liability; and
 - (f) that written representations may be made to the council in accordance with section 47, or a designated committee or internal functionary to which powers under these By-laws have been delegated, at a specified place, within 21 calendar days of receipt of the notice.
- (3) If an affected person fails to comply with an enforcement notice, the council or anyone authorized by the council, may perform the steps required in the enforcement notice, provided that council does so in conformity with the requirements of the Bill of Rights and any other law, in particular, an authorized official must act with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
 - (4) Where the council incurs any expenditure as a result of performing such steps, the council may recover any reasonable expenditure from the person who failed to act as directed or, where criminal proceedings have not been instituted, by means of civil proceedings.
 - (5) Any licensee which commits an offence in terms of subsection 1(1)(b) and has, within the last five years, been convicted of the same offence, may be declared a serial offender under that By-laws and have its license revoked immediately.

45. INFRINGEMENT NOTICES

- (1) If, in the opinion of the authorized official, a person is -
 - (a) Contravening subsections 34(1)(a) – (g), 37(1)(a) – (d), 38(1) – (5), 44(1)(a) – (c) of these By-laws; or
 - (b) allowing waste other than domestic waste or dailies to remain uncollected,
 the authorized official may serve or cause to be served on that person an infringement notice in terms of this section instead of a notice contemplated in section 56 of the Criminal Procedure Act.
- (2) The infringement notice must -
 - (a) specify, at the time when the notice is issued, the name and also the residential and postal address, if either or both of these be known, of the person on whom the infringement notice is served;
 - (b) state the particulars of the infringement;
 - (c) specify the amount of the penalty payable in respect of that infringement and the place where the penalty may be paid which penalty may not exceed R5000,00 (five thousand rand); and
 - (d) inform the person on whom the infringement notice is served that, not later than 28 calendar days after the date of service of the infringement notice, he may -
 - (i) pay the penalty; or
 - (ii) inform the council in writing that he elects to be tried in court on a charge of having committed an offence under section 51.
- (3) Where a person makes an election under subsection (2)(d)(ii), the procedure set out in section 46 applies.

46. COMPLAINTS

Any person may lodge a complaint with an authorized official, or through any other channel established by the council, that any other person is causing harm to human health or damage to the environment by engaging in council services or commercial services, in which event the authorized official, unless he has reasonable grounds to believe that the complaint is frivolous or an abuse of the main objects of these By-laws set out in section 3, must investigate the complaint and must, if he is satisfied that such harm is or is likely to be caused, issue an enforcement notice or infringement notice, whichever be appropriate.

47. REPRESENTATIONS

- (1) Any affected person may make representations to the council, or a designated committee or internal functionary of the council to which the council has delegated its powers, in the manner specified in the enforcement notice.
- (2) Representations must be made by submitting a sworn statement or affirmation to the council, designated committee or internal functionary within 21 calendar days of the service of the notice.
- (3) Any representation not lodged within 21 calendar days must not be considered, save where the affected person has shown good cause and the council, the designated committee or internal functionary condones the late lodging of the representation.
- (4) The council, or designated committee or internal functionary, must duly consider the representations and any response thereto by an authorized official or any other person, if there be such a response; and may, on its own volition, conduct any further investigations to verify the facts if that, in its opinion, is necessary. If the council, or designated committee or internal functionary, should conduct any further investigations, the results of such investigation must be made available to the affected person, who must be given an opportunity of making a further response if he so wishes, and the council, or designated committee or internal functionary, must also consider such further response.
- (5) After the council, or designated committee or internal functionary, is satisfied that the requirements of subsection (4) have been satisfied, the council, or designated committee or internal functionary, must make an order in writing and give a copy of it to the affected person setting out its findings. Such an order may -
 - (a) confirm, alter or set aside in whole or in part, an enforcement notice; and
 - (b) must specify the period within which the affected person must comply with any order made by it.
 - (c) If the enforcement notice is confirmed, in whole or in part, or is altered but not set aside, the council, or designated committee or internal functionary, must inform the affected person that he may elect to be tried in court, or must discharge the obligations set out in the enforcement notice.
- (6) If the affected person elects to be tried in court, he must notify the council, or designated committee or internal functionary of his election within seven calendar days, and on receipt of such notification by the council, or designated committee or internal functionary the provisions of section 48 apply.
- (7) If the affected person does not elect to be tried in court, he must discharge his obligations under the enforcement notice within the prescribed manner and time.
- (8) If the affected person lodges a representation or elects to be tried in Court, any requirement in terms of section 44 of these By-laws requiring compliance with an enforcement notice, may be suspended unless, in the opinion of the council, the affected person has caused an environmental emergency in which event and without derogation from any right that the affected person may have, or may in the future have, at common law or under any other law, to any relief of whatever nature, the affected

person must immediately comply with any such requirement on being ordered, orally or in writing, by the council to do so.

- (9) If there is an environmental emergency and if the affected person, despite receiving a lawful order made in terms of subsection (8), fails to comply with such an order, the council may itself cause the environmental emergency to be stopped, reversed or abated, in which event the council may institute civil proceedings for the recovery of any reasonable and necessary expenditure which it has incurred or may incur in effecting such a stoppage, reversal or abatement.

CHAPTER 10

JUDICIAL ENFORCEMENT PROVISIONS

48. SERVICE OF DOCUMENTS AND PROCESS

For the purposes of the service of any notice, order or other document relating to non-payment for the provision of council services, the address of the owner of the premises on which domestic waste and dailies is generated is deemed to be the place for service of documents and process of such owner.

49. SERVICE OF NOTICES

- (1) Where any notice or other document is required by these By-laws to be served on any person other than for the purpose of criminal proceedings -
- (a) it must be served on him personally, failing which if it be served on any member of his household, 16 years or older, who signs for the receipt of such notice at his place of residence or business; and
 - (b) if sent by registered post to the person's address as contemplated in section 48, it constitutes service in terms of section 7 of The Interpretation Act, 1957 (Act 33 of 1957).

50. TRIAL

If a person who elects to be tried in court in terms of subsection 47(6) or 47(8), notifies the council of his election, the authorized official must within 10 calendar days take all necessary steps, as envisaged in the Criminal Procedure Act, in order to secure the attendance and prosecution of the accused, in which event the enforcement notice or infringement notice must be cancelled.

51. OFFENCES AND PENALTIES

Any person, including an affected person or licensee, who -

- (a) contravenes or fails to comply with any provisions of these By-laws;
- (b) fails to comply with any notice issued in terms of these By-laws; or
- (c) fails to comply with any lawful instruction given in terms of these By-laws, or
- (d) who obstructs or hinders any authorized representative or employee of the Council in the execution of his or her duties under these By-laws, is guilty of an offence and liable on conviction to a fine or in default of payment to imprisonment for a period not exceeding 6 months.

CHAPTER 11
GENERAL PROVISIONS

52. OWNERSHIP

- (1) The person holding the permit to operate a waste disposal facility is deemed to be the owner of the waste disposed at that facility.
- (2) Such operator has a right of recourse against -
 - (i) any person that causes waste to be disposed at the waste disposal facility where that person knowingly and without the knowledge of the operator disposes waste that that facility is not permitted to accept; and
 - (ii) any waste generator that knowingly puts waste out for collection that is not of the category being collected.

53. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the council, these bylaws will prevail.

BYLAWS RELATING TO THE REMOVAL OF REFUSE FOR NYANDENI MUNICIPALITY

1. DEFINITIONS

“authorized official” means an official of the Council to whom it has delegated a duty, function or power under these bylaws in relation to the exercise or performance of that duty, function or power and includes any employee acting under the control and direction of such official;

“Council” means the Council of the Nyandeni Municipality and its successors in law, and includes the Executive Committee or any other body acting by virtue of any power delegated to it in terms of legislation, as well as any official to whom the Executive Committee has delegated any powers and duties with regards to these bylaws;

“refuse receptacle” means any receptacle, complying with the South African Bureau of Standards' specifications, for holding refuse;

“refuse bag” means a durable refuse bag suitable to be placed in a refuse receptacle;

“refuse of any nature” means all types of refuse including domestic refuse, garden refuse, commercial refuse, industrial refuse, special refuse or bulk refuse; and

“special refuse” means any refuse requiring special handling treatment and / or disposal procedures, and includes abattoir waste, minerals, oil, sludges, sand, stone excavated soils, builders' rubble, hazardous or radio-active waste, and medical waste, and any other matter so deemed by the Council from time to time.

2. DISPOSAL OF REFUSE

1.
 - (a) No person may dispose or allow the disposal of refuse of any nature in any way other than as prescribed in these bylaws without the written approval of the authorized official.
 - (b) No person may accumulate, store or allow the accumulation or storage of refuse of any nature on any property other than as prescribed in these bylaws without the written approval of the authorized official.
 - (c) The authorized official may direct the occupier or owner of a property on which refuse of any nature is found to be accumulating or person deemed to be responsible for the disposal of refuse of any nature on any public place or vacant land to deal with the refuse as directed and any person failing to comply with such directive will be guilty of an offence.
 - (d) In the event of the person directed to remove refuse in terms of paragraph (c) failing to deal with such refuse in the manner and within the time frame directed, the authorized official may arrange for the removal of such refuse and the Council may recover all costs in this regard from such person.
2.
 - (a) The Council may arrange for the removal of all or a portion of any refuse from premises situated on properties within its area of jurisdiction.
 - (b) The Council may introduce the different levels of refuse removals services in different service areas within the Councils' area of jurisdiction.
 - (c) Where the Council selects not to render a removal service in respect of bulk garden refuse, industrial refuse or special refuse, the Council may direct the occupier or owner, as the case may be, in writing to arrange at his/her own cost for the removal of such refuse and the disposal thereof at a dump site approved by the Council.
 - (d) Should the owner or occupier fail to comply with a directive as contemplated in clause (c), the authorised official may arrange for the removal of such refuse and recover the costs thus incurred from the occupier or owner as the case may be.

3. (a) For the purposes of these bylaws, the Council may raise-
- (i) an annual levy against the owner; and/or
 - (ii) a monthly charge payable by the occupier, on all premises in the service area which shall be payable regardless of whether or not the refuse removal service is actually utilized; and/or
 - (iii) recover the levy for the service through the sale of municipal refuse bags;
 - (iv) A fee per service; and/or
 - (v) A deposit for any permit issued in terms of these bylaws.
- (b) The Council may differentiate in the levy, charge or fees between the different refuse removal service levels rendered in the respective service areas.
- (c) In a service area where a compulsory service has been introduced by the Council, the levy or monthly charge shall be payable by the occupier or owner, as the case may be, regardless of whether or not the refuse removal service is actually utilized.

3. CARE OF RECEPTACLES AND THE USE OF DISPOSAL BAGS

- (a) Every owner or occupier, as the case may be, shall, where the services introduced for the service area so requires, provide and maintain, on the premises, a refuse receptacle in such condition as not to cause or constitute a nuisance, and shall cause all commercial and domestic refuse accumulated on such premises to be deposited therein;
- (b) Every owner or occupier, as the case may be, shall, where the service introduced for the service area so requires, utilize standard plastic disposal bags or municipal refuse bags, as the case may be, for refuse removal;
- (c) Every owner or occupier shall keep such bags in such condition as not to cause or constitute a nuisance and shall cause all commercial and domestic refuse accumulated on such premises to be deposited therein.
- (d) Every owner or occupier, as the case may be, shall cause every receptacle to be continuously covered, save when refuse is being deposited in or removed therefrom.
- (e) No person other than an authorized official or employees of the council, shall interfere with or remove, from any premises, any refuse receptacle except to facilitate the removal of such refuse.

4. SEPARATE REFUSE RECEPTACLES REQUIRED FOR EACH TRADE, BUSINESS OR FLAT

- (a) Where more than one trade, business or occupation is carried on in one building, or where a building is divided into separately occupied flats or suites of apartments, the owner or occupier, as the case may be, of each business premise, separate flat or suite of apartments, shall provide and maintain separate refuse receptacles in respect of each such trade or business, flat or suite of apartments.
- (b) The authorized official may waive or vary the requirements of this bylaw by reducing the number of refuse receptacles required in terms of paragraph (a) of this bylaw, provided such waiver or variation shall, in no way, affect the liability of such occupier or owner to pay for the individual services mentioned in paragraph (a).

5. PROVISION OF EXTRA REFUSE RECEPTACLES

In the event of the authorized official being satisfied that the accumulation of refuse on any premises is too large to be dealt with by the normal removal service in the area, the owner or occupier of such premises, as the case may be, shall, if so required by the authorized official, provide and maintain one or more extra receptacles and shall be liable for payment of the

prescribed levy or fee proportionate to the number and type of receptacles required by the authorized official.

6. BIN AREA TO BE PROVIDED

- (a) The authorized official may direct the owner of any property on which more than one tenant or owner is accommodated to provide a bin area of a suitable size and construction on the property for the temporary storage of any refuse generated or accumulated on the property and must make suitable arrangements for the removal of all refuse from such bin area and removal therefore as prescribed in these laws.
- (b) The owner of any property on which a bin area has been provided for the temporary storage or refuse of any nature must keep such bin area in a sanitary condition at all times.

7. LOCATION OF REFUSE RECEPTACLES OR BAGS FOR REMOVAL

The owner or occupier, as the case may be, shall-

- (a) in a service where a standard plastic disposal bag(s) or municipal refuse bags are used place them on the street verge or pavement on the collection day;
- (b) in a service area where refuse receptacles or other approved receptacles are used, place such receptacles on the street verge or pavement on the morning of the collection day; and
- (c) if the refuse concerned is bulk refuse, individual or special refuse, it shall be placed in such a position as the authorized official may determine and direct from time to time, in order to facilitate the removal of such refuse.

8. LIQUID WATER MATTER

No person shall, at any time or under any circumstances, deposit or cause or permit to be deposited any liquid waste matter of any kind in any refuse receptacle or refuse bag.

9. REMOVAL OF INDUSTRIAL, SPECIAL AND BULK REFUSE

- (a) The owner or occupier, as the case may be, of any premises on which industrial, special or bulk refuse is produced or accumulated, shall package and deal with such refuse in a manner which the authorized official may determine and direct from time to time.
- (b) Should the owner or occupier fail to deal with such industrial, special bulk refuse as directed, the authorized official may arrange for the removal of such refuse, and recover the costs thus incurred from the occupier or owner as the case may be.

10. PROVISION FOR THE SELF-DISPOSAL OF DOMESTIC REFUSE

- (a) Notwithstanding the foregoing provisions of these bylaws, owners or occupiers of premises whose boundary line is situated more than 100 m from any road traversed by any refuse removal vehicle provided by the Council, may apply to the authorized official for authority to bury their refuse on their premises, on the grounds of inaccessibility, in pits constructed at their expense to the satisfaction of the authorized official. All owners or occupiers, to whom authority is given in terms of this bylaw, shall be exempted from charges levied by the Council in respect of the refuse removal service, save that the Council is empowered to levy a charge for the processing of any application received, and for regular inspections of the pit which shall be stated in the Council's tariff of charges.
- (b) The authorized official may grant or refuse an application in his discretion and in granting such an application may impose such conditions as to the location and the digging of the pit, the disposal of the refuse therein and the measures to be taken to prevent any nuisance or health hazard which may emanate therefrom, as he may deem fit: provided that the authorized official shall not refuse an application unless he

has reasonable grounds for believing that the proposed pit will constitute a nuisance or health hazard or a source of pollution of any river, stream or water supply.

- (c) In granting such an application, the authorized official shall issue to the applicant a certificate on which any conditions imposed by him in terms of these bylaws shall be endorsed. The abovementioned certificate shall be valid for such period as the authorised official may determine or until its withdrawal or cancellation, whichever is the earlier.
- (d) The authorized official may, at any time, by notice in writing, alter, amend or vary any condition endorsed on any certificate issued in terms of these bylaws or issue any written instruction to the holder of such a certificate to do or perform any act, matter or thing regarding a pit, the digging of a new pit or the disposal or handling of the refuse therein.
- (e) Should the holder of the certificate issued in terms of these bylaws fail to comply with any of the conditions endorsed thereon or with any written instruction from the authorized official issued in terms of these bylaws, the authorized official may, by notice in writing to the holder, require him to comply with any such conditions within such period as he may determine, upon the failure of such holder to comply with the terms of such notice, the authorized official may cancel or withdraw his certificate in which event such holder shall be obliged to revert to the use of the refuse removal service provided by the Council, subject to the conditions pertaining thereto.
- (f) The continued disposal of refuse in a pit after the cancellation of a certificate issued in terms of these bylaws shall be an offence and render the offender liable to prosecution.
- (g) The provision of this section of the bylaws shall not apply to the self-disposal of refuse where such self-disposal forms part of the service introduced by the Council in a service area.

11. GARDEN REFUSE

- (a) No person may place, store or dump any garden refuse or allow any person to do so, on any road, verge, public or private open space without the written approval of the authorized official having been obtained.
- (b) The authorized official may, subject to such conditions as it may deem fit, issue a permit to allow the temporary storage of garden refuse, on the verge or other suitable place for a limited period of time on payment of the deposit laid down in the Council's Tariff of Charges.
- (c) Should any person fail to comply with the conditions of any permit issued in terms of these bylaws for the temporary storage of garden refuse the deposit paid will be forfeited to Council and the authorized official may arrange for the removal of such refuse and the person to whom the permit was issued will be liable for all costs incurred for the removal of all the garden refuse on the spot indicated on the said permit.
- (d) The Council may establish or approve garden refuse, transfer sites where garden refuse may be deposited for removal or landfill purposes subject to such conditions and on such days and during such hours as the Council may determine and displayed by notice on site.
- (f) No person may enter upon a site established or approved by the Council in terms of these bylaws for the disposal of garden refuse at any time other than the days and time indicated on the notice displayed or dispose of any refuse other than organic garden refuse on such site.

12. TARIFF OF CHARGES

The tariff of charges approved by the Council for refuse removal services in effect on the date of publication of these bylaws will remain effective until amended by the Council from time to time.

13. OFFENCES AND PENALTIES

- (a) Any person who-
 - (i) contravenes any provision of these bylaws, which contravention is not expressly stated to be an offence;
 - (ii) contravenes any condition or restriction imposed upon the granting of any application, approval, authority, consent or permission in terms of these bylaws; or
 - (iii) fails to comply with the terms of any notice served upon him or instruction to him in terms of these bylaws, shall be guilty of an offence.
- (b) Any person who contravenes any of these bylaws shall be guilty of an offence and liable, upon conviction, to a fine-
 - (i) not exceeding one thousand rands (R1 000) or imprisonment for a period not exceeding one year or both such fine and imprisonment in the case of a first conviction, and
 - (ii) in the case of a second or subsequent conviction for the same offence, a fine not exceeding two thousand rands (R2 000) or imprisonment for a period not exceeding two years or both such fine and imprisonment.

14. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the council, these bylaws will prevail.

- (a) providing, in conjunction with other applicable legislation, an effective legal and administrative framework within which the Council can –
 - (i) manage and regulate activities that have the potential to impact adversely on public health; and
 - (ii) require premises to be properly maintained and managed; and
- (b) clearly defining the rights and obligations of the Council; and the public in relation to this purpose.

CHAPTER II

PUBLIC HEALTH PRINCIPLES

3. PRINCIPLES

- (1) Every person has a constitutional right to an environment that is not harmful to their health or well-being and to have access to sufficient water and the Council has a constitutional duty to strive, within its financial and administrative capacity, to promote a safe and healthy environment.
- (2) The risk of a public health hazard occurring, continuing or recurring must be eliminated wherever reasonably possible, and if it is not reasonably possible to do so, it must be reduced to a level acceptable to the Council.
- (3) Any person who owns or occupies premises in Nyandeni area must ensure that it is used for and maintained in a manner that ensures that public health hazards and public health nuisances do not occur on the premises.
- (4) Any person who wishes to undertake an activity that creates a risk to public health that is more than trivial or insignificant must –
 - (a) take all reasonable measures to eliminate that risk, and if that is not reasonably possible, to reduce the risk to a level acceptable to the Council; and
 - (b) bear the costs of taking those measures and of any reasonable costs incurred by the Council in ensuring that the risk is eliminated or reduced to an acceptable level.
- (5) The Municipality has the right to enforce law to people who do not comply with prevention of communicable diseases e.g. dog vaccination, or slaughtering unhealthy animals.
- (6) In dealing with matters affecting public health the Council must –
 - (a) adopt a cautious and risk adverse approach
 - (b) prioritise the collective interests of the people of the Nyandeni area, and of South Africa, over the interests of any specific interest group or sector of society;
 - (c) take account of historic inequalities in the management and regulation of activities that may have an adverse impact on public health and redress these inequalities in an equitable and non-discriminatory manner;
 - (d) adopt a long-term perspective that takes account the interests of future generations; and

- (e) account of, and wherever possible without compromising public health, minimise any adverse effects on other living organisms and ecosystems.

4. APPLICATION OF PRINCIPLES

The public health principles set out in section 3 must be considered and applied by any person—

- (a) exercising a power or function or performing a duty under these By-laws;
- (b) formulating or implementing any policy that is likely to have a significant effect on, or which concerns the carrying on of activities likely to impact on, public health in the Nyandeni area; or
- (c) exercising a public power or function or performing a public duty in the Nyandeni area that is likely to have a significant effect on public health in the Nyandeni area.

CHAPTER III PUBLIC HEALTH HAZARDS

5. PROHIBITION ON CAUSING A PUBLIC HEALTH HAZARD

- (1) No person may create a public health hazard anywhere in the Nyandeni area.
- (2) Every owner or occupier of premises must ensure that a public health hazard does not occur on the premises.
- (3) An owner or occupier of premises creates a public health hazard if -
 - (a) the premises are infected with pests or pests are breeding in large numbers on the premises;
 - (b) there are conditions on the premises that are conducive to the spread of a communicable disease;
 - (c) there are unsanitary conditions in any part of the premises; or
 - (d) any water supply for domestic consumption on the premises is unsafe for human consumption.
- (4) Any person that contravenes or fails to comply with subsections (1) or (2) commits an offence.

6. DUTY TO REPORT

- (1) The owner or occupier of premises who knows of a public health hazard on the premises must within 24 hours of becoming aware of its existence -
 - (a) eliminate the public health hazard; or
 - (b) if the owner or occupier is unable to comply with subsection (a), take reasonable steps to reduce the risk to public health and report the existence of the public health hazard to the Council.
- (2) An owner or occupier who does not comply with subsection (1) commits an offence.

CHAPTER IV

PUBLIC HEALTH NUISANCES

7. PROHIBITION ON CAUSING A PUBLIC HEALTH NUISANCE

- (1) The owner or occupier of premises creates public health nuisance anywhere in the Nyandeni area.
- (2) Every owner or occupier of premises must ensure that a public health nuisance does not arise on the premises.

A: General Nuisances

An owner or occupier of premises creates public health nuisance –

- (1) any stream, pool, marsh, ditch, gutter, watercourse, cistern, water closet, earth closet, urinal, cesspool, cesspit, drain, sewer, dung pit, slop tank, ash heap so foul or in such a state or so situated or constructed as to be offensive or to be injurious or dangerous to health;
- (2) any stable, kraal, shed, run or premises used for the keeping of animals or birds and which is so constructed, situated, used or kept as to be offensive or is injurious or dangerous to health;
- (3) any accumulation of refuse, offal, manure or other matter, which is offensive or is injurious or dangerous to health;
- (4) any public building which is so situated, constructed, used or kept as to be unsafe or to be injurious or dangerous to health;
- (5) any building is erected on a premises without first removing or decontaminating in an approved manner, any faecal, animal or vegetable waste disposed of on the premises.
- (6) any occupied dwelling for which no proper and sufficient supply of pure water is available within a reasonable distance;
- (7) any factory or industrial or business premises not kept in a cleanly state and free from offensive smells arising from any drain, water closet, earth closet, urinal or any other source, or not ventilated so as to destroy or render harmless and inoffensive as far as practicable any gasses, vapours, dust or other impurities generated or so overcrowded or so badly lighted or ventilated as to be injurious or dangerous to the health of those employed therein or thereon;
- (8) any factory or industrial or business premises causing or giving rise to smells or effluvia which are offensive or which are injurious or dangerous to health;
- (9) any area of land kept or permitted to remain in such a state as to be offensive; or
- (10) any other activity, condition or thing declared to be a nuisance by the Minister in terms of the provisions of section 39 (2) of the Health Act No. 63 of 1975.

B: Pest Control

An owner or occupier of premises creates public health nuisance –

- (1) waste or plant matter is left or kept in a manner that attracts rodents or other pests to the premises;
- (2) flies are being attracted, or can breed, in significant numbers because -

- (a) insufficiently rotted manure or any other organic material is being kept or used; or
 - (b) any other substance that attracts flies is used or kept other than for the purposes of trapping or killing flies;
- (3) mosquitoes can breed in significant numbers because -
 - (a) containers in which mosquitoes can breed, such as bottles, crockery, and tins, have been left or are kept on the premises;
 - (b) tanks, barrels, and similar containers in which mosquitoes can breed are not fitted with mosquito-proof covers or mosquito wire gauze screens in a manner that prevents mosquitoes gaining access to water contained in them;
 - (c) gutters and down pipes are sagging or clogged so that stagnant water can accumulate in them; or
 - (d) approved measures have not been taken to prevent mosquitoes breeding in ponds, excavations or wells.
- (4) The following measures are deemed to be approved measures for the purposes of paragraph 7B (3) (d) -
 - (a) draining accumulated water at least once every seven days;
 - (b) covering accumulated water with oil at least once in every seven days; and
 - (c) in the case of wells, providing a mosquito-proof cover and a pump.

C: Air pollution

An owner or occupier of premises creates public health nuisance –

- (1) any waste is burned outside except in an approved appliance;
- (2) ash, grit, soot or smoke is emitted from any chimney on the premises in a manner or quantity that is sufficient to have an adverse impact on health; or
- (3) the erection or destruction of a building or structure causes dust to be discharged into the surrounding atmosphere in a manner or quantity that is sufficient to have an adverse impact on public health.

CHAPTER V

POTENTIALLY HAZARDOUS USES OF PREMISES

8. DUTY TO LIST POTENTIALLY HAZARDOUS USES

If the Council reasonably believes that any premises in the Nyandeni area have been, or are likely to be, used from time to time for a purpose or in a manner that has caused, or is likely to cause, a public health hazard or to create a public health nuisance unless reasonable measures are taken to avoid the risk or to reduce it to an acceptable level, the Council must list the activity in a Schedule to these bylaws and must prescribe measures that must be taken to avoid the risk or reduce it to a level acceptable to the Council.

9. SCHEDULED USES

- (1) Any person who uses premises in a manner or for a purpose listed in the Schedule referred to in section 8 must comply with each of the provisions set out in the schedule relating to that use unless that person has been granted an exemption under section 10 from complying with any provision.

- (2) Any person who uses premises in a manner or for a purpose that is listed in Schedule Two must obtain a permit under section 11 before commencing the use and must comply with the terms and conditions of the permit.

10. EXEMPTION CERTIFICATE

- (1) Any person who wants to undertake a scheduled use on any premises but wishes to be exempted from complying with one or more of the requirements of the relevant schedule, may apply to the Council in accordance with section 13 for an exemption certificate.
- (2) The Council may grant an exemption certificate, with or without conditions, if an environmental health officer is satisfied that -
 - (a) the measures taken to avoid or reduce the risk to public health arising from the scheduled use are equivalent to or better than the measures required by the relevant schedule; and
 - (b) the scheduled use for which the exemption is required is not likely to cause a public health hazard or a public health nuisance.

11. PUBLIC HEALTH PERMITS

- (1) Any person who wants to undertake a scheduled use that is listed in Schedule Two must apply in writing to the Council in accordance with section 13 for a public health permit.
- (2) The Council may issue a public health permit to the owner or occupier of any premises within the area of its jurisdiction if an environmental health officer is satisfied that the use for which the permit is required is not likely to cause a public health hazard or a public health nuisance.
- (3) A public health permit -
 - (a) must be issued subject to conditions aimed at reducing the risk to public health created by the scheduled use, to a level acceptable to the Council;
 - (b) may exempt the permit holder from complying with one or more of the provisions of the relevant schedule, if the person authorised to issue the permit reasonably believes that the permit requires the permit holder to take measures to avoid or reduce the risk to public health arising from the activity that are equivalent to, or better than, the measures required by the relevant schedule; and
 - (c) may approve any measure or material in connection with the activity authorised by the permit that must be approved in terms of these By-laws.

12. APPROVAL OF MEASURES AND MATERIALS

- (1) The Council may approve any object or material used, or any measure taken, in specified circumstances as being adequate to eliminate the risk of any public health hazard or public health nuisance occurring, continuing or recurring, or to reduce that risk to a level acceptable to the Council.
- (2) An object, material or measure referred to in subsection (1) may be approved by the Council in -
 - (a) a public health permit; or
 - (b) guidelines prescribed by the Council in terms of subsection (3).
- (3) The Council may publish guidelines in the Provincial Gazette which describe -

- (a) appropriate measures that can be taken and objects and materials that can be used, to eliminate the risk of any public health hazard or public health nuisance occurring, continuing or recurring, or to reduce that risk to a level acceptable to the Council; and
- (b) the circumstances in which taking these measures or using these materials or objects is acceptable to the Council.

13. APPLICATION PROCEDURE

- (1) Any person that wants to obtain a permit or an exemption certificate must apply to the Council in writing in a form stipulated by the Council, prior to undertaking the relevant scheduled use.
- (2) When the Council receives an application for a permit or an exemption certificate it must ensure that the relevant premises are inspected by an environmental health officer as soon as reasonably possible.
- (3) Before deciding whether or not to approve an application referred to in subsection (1) the Council –
 - (a) must ensure that any persons in the vicinity of the premises whose health or wellbeing may be affected if the premises are used for a scheduled use, have been consulted and have had an opportunity to make representations; and
 - (b) may request the applicant to provide any further information which the Council considers relevant to enable him or her to make a properly informed decision.
- (4) In deciding whether or not to issue a permit or an exemption certificate, and what terms and conditions, if any, to include in it, the Council must apply the public health principles set out in section 3.

14. GENERAL TERMS APPLICABLE TO PERMITS AND CERTIFICATES

- (1) A permit or an exemption certificate –
 - (a) is not transferable from one person to another; and
 - (b) applies only to the premises specified in her permit or certificate.
- (2) Every permit or exemption certificate –
 - (a) must specify the address and other relevant details regarding the location of the premises concerned;
 - (b) must describe the premises concerned;
 - (c) must describe the activity concerned;
 - (d) may specify terms and conditions; and
 - (e) must indicate when it expires.
- (3) The Council may charge applicants a prescribed fee for considering and granting the permit or exemption certificate.
- (4) The Council may refuse to consider an application until it has been provided with the information that it reasonably requires to make an informed decision and until the prescribed fee (if any) has been paid.

15. SUSPENSION, CANCELLATION AND AMENDMENT OF PERMITS AND OF EXEMPTION CERTIFICATES

- (1) An environmental health officer may by written notice to the holder of a permit or exemption certificate, suspend, amend or cancel the permit or certificate.
- (2) An environmental health officer may suspend or cancel a permit or exemption certificate with immediate effect if –
 - (a) the environmental health officer reasonably believes that it is urgently necessary to do so to eliminate or to reduce a significant risk to public health posed by a public health hazard or a public health nuisance; and
 - (b) the holder of the permit or certificate fails to comply with a compliance notice that states that the permit or certificate may be suspended or cancelled without further notice if the holder fails to comply with the compliance notice.
- (3) An environmental health officer may suspend or cancel a permit or exemption certificate after giving the holder a reasonable opportunity of making representations as to why the permit or exemption certificate should not be suspended or cancelled if–
 - (a) the environmental health officer reasonably believes that it is desirable to do so to eliminate or reduce the risk to public health posed by a public health hazard or a public health nuisance; or
 - (b) the holder of the permit or certificate fails to comply with a compliance notice.
- (4) An environmental health officer may amend a permit or exemption certificate by endorsing the permit or certificate or by written notice to the holder, if the environmental health officer reasonably believes that it is necessary to do so to protect public health or to take account of changed circumstances since the permit or exemption certificate was issued.

CHAPTER VI:**IMPLEMENTATION AND ENFORCEMENT****16. APPOINTMENT AND IDENTIFICATION OF ENVIRONMENTAL HEALTH OFFICERS**

- (1) The Council must issue an identity card to each environmental health officer.
- (2) The identity card must –
 - (a) contain a recent photograph of the environmental health officer;
 - (b) be signed by the environmental health officer; and
 - (c) identify the person as an environmental health officer.
- (3) The environmental health officer must display his or her identity card so that it is clearly visible or produce it at the request of any person in relation to whom the environmental health officer is exercising a power under these By-laws.
- (4) If, for any reason, it is not practicable to comply with subsection (4), the environmental health officer must produce the identity card for inspection by the person entitled to see it at the first reasonable opportunity.

17. GENERAL POWERS OF AN ENVIRONMENTAL HEALTH OFFICER

- (1) An environmental health officer may, for the purposes of implementing or administering any power or duty under these By-laws-

- (a) exercise any power afforded to such officer in terms of these By-laws or any other applicable legislation;
- (b) issue a compliance notice in terms of section 20 requiring any person to comply with the provisions of these By-laws;
- (c) issue a prohibition notice in terms of section 21 prohibiting any person from conducting an activity;
- (d) undertake measures in terms of section 23 to remove, reduce and/or minimise any public health nuisance;
- (e) apply to the magistrate's court in terms of section 19 for a demolition order;
- (f) issue:
 - (i) a public health permit in terms of section 11;
 - (ii) an exemption certificate in terms of section 10.
- (g) cancel, suspend or amend any permit or exemption certificate in terms of section 15; or
- (h) enter and inspect premises in terms of section 18;

18. REGULATORY INSPECTIONS

- (1) An environmental health officer may, subject to subsection (3) –
 - (a) enter and inspect any premises;
 - (b) question any person on the premises;
 - (c) inspect any relevant document;
 - (d) copy any document referred to in subsection (c) or if necessary remove the document to make a copy of it;
 - (e) take any sample that the environmental health officer considers necessary for examination or analysis;
 - (f) monitor and take readings or make measurements; and
 - (g) take photos or make audio-visual recordings of anything or any person, process, action or condition on or regarding any premises.
- (2) An environmental health officer who removes anything other than a substance contemplated in subsection 2(e) from any premises being inspected must –
 - (a) issue a receipt for it to the owner, occupier or person apparently in control of the premises; and
 - (b) return it as soon as practicable after achieving the purpose for which it was removed.
- (3) An environmental health officer may conduct an inspection of any premises –
 - (a) with a written authorisation issued by a magistrate in terms of section 24; or
 - (b) without a written authorisation in the circumstances listed in section 25.

19. DEMOLITION ORDER

- (1) If the Council believes that a public health hazard would be eliminated or a public health nuisance would be significantly reduced by demolishing a building or other

structure, it may, subject to the provisions contained in any other law, apply to any court having jurisdiction for an order directing any person to demolish the building or structure or authorising the Council to do so and to recover the costs of doing so from the owner or the occupier of the premises, or from both.

- (2) The Council may not apply to court in terms of subsection (1) unless it has given the owner and the occupier of the premises not less than fourteen day's notice in writing of its intention to make the application.

20. COMPLIANCE NOTICE

- (1) If an environmental health officer, after inspecting premises, reasonably believes that a public health hazard or public health nuisance exists on the premises or that the premises are being used for a scheduled use in contravention of these By-laws, the environmental health officer may serve a compliance notice on one or more of the following persons:
- (a) the owner of the premises;
 - (b) the occupier of the premises;
 - (c) any person apparently in charge of undertaking the scheduled use on the premises.
- (2) A compliance notice must state –
- (a) why the environmental health officer believes that these By-laws is being contravened;
 - (b) the measures that must be taken –
 - (i) to ensure compliance with these By-laws; or
 - (ii) to eliminate or minimise any public health nuisance;
 - (c) the time period within which the measures must be taken;
 - (d) the possible consequences of failing to comply with the notice; and
 - (e) how to appeal against the notice.
- (3) If a person fails to comply with a compliance notice that requires a particular action be taken, the Council may -
- (a) take the required action specified in the compliance notice; and
 - (b) recover, as a debt, from the person to whom the notice was given, the costs and expenses reasonably incurred in taking the required action.

21. PROHIBITION NOTICE

- (1) An environmental health officer may, after inspecting premises, serve a prohibition notice prohibiting the premises from being used for specified purposes and requiring measures to be taken to ensure that this occurs, on one or more of the following persons:
- (a) the owner or occupier of the premises if the environmental health officer reasonably believes that the premises are being used for a purpose or in a manner that is causing a public health hazard or a public health nuisance;
 - (b) any person who is carrying on an activity or using premises for a purpose or in a manner that the environmental health officer reasonably believes is causing a public health hazard or a public health nuisance; or

- (c) a person on whom a compliance notice was served if the environmental health officer reasonably believes that that person has not complied with the compliance notice.
- (2) The environmental health officer must give the person on whom he or she intends serving a prohibition notice a reasonable opportunity to make representations before serving the notice unless the environmental health officer reasonably believes that the delay in doing so would significantly compromise public health, in which case the person on whom a prohibition notice is served must be given reasonable opportunity to make representations why it should be withdrawn.
- (3) A prohibition notice must state –
 - (a) the reasons for serving the notice;
 - (b) whether or not the Council will withdraw the notice if certain measures are taken, and if so, the measures that must be taken;
 - (c) the possible consequences of failing to comply with the notice; and
 - (d) how to appeal against the notice.
- (4) Unless a prohibition notice provides otherwise, it comes into effect when it is served under subsection (1) and remains in force until it is withdrawn.
- (5) The environmental health officer must as soon as possible affix a copy of the notice in a conspicuous position on the premises.
- (6) It is a defence for anyone charged with failing to comply with a prohibition notice to prove that
 - (a) he or she did not know of the existence of the prohibition order and could not reasonably be expected to have known of its existence; and
 - (b) he or she had complied with the prohibition notice within 48 hours of the time that the notice was affixed to the premises in terms of subsection (5).

22. WITHDRAWAL OF PROHIBITION NOTICE

- (1) An environmental health officer must, within 48 hours of receiving a written request for the withdrawal of a prohibition notice, carry out an investigation of the premises.
- (2) After completing the investigation the environmental health officer must inform the person on whom the prohibition notice was served or that person's agent in writing, whether or not the prohibition has been removed or the prohibition order withdrawn.
- (3) The Council may charge the owner or occupier of any premises where an investigation is carried out in terms of subsection (1), a prescribed fee for undertaking the investigation.

23. MUNICIPAL REMEDIAL WORK

- (1) The Council may enter any premises and do anything on the premises that it reasonably considers necessary –
 - (a) to ensure compliance with these By-laws or with any compliance notice or prohibition notice;
 - (b) to reduce, remove or minimise any public health nuisance; or
 - (c) to reduce, remove or minimise any significant public health hazard.
- (2) The Council may only enter premises to take measures under this section -
 - (a) with a written authorisation issued by a magistrate in terms of section 24; or

- (b) without a written authorisation in the circumstances listed in section 25.

24. PROCEDURE TO UNDERTAKE REGULATORY INSPECTION OR REMEDIAL WORK WITHOUT A WRITTEN AUTHORISATION

- (1) A magistrate may issue a written authorisation to enter and execute work or conduct an inspection of any premises, if, from information of oath, there are reasonable grounds to believe either –
 - (a) that, in the interests of the public, it is necessary to execute work or obtain information that cannot be obtained without entering the premises; or
 - (b) that there is non-compliance with the terms of these By-laws.
- (2) A written authorisation in terms of subsection (1) must be issued at any time and must specifically –
 - (a) identify the premises that may be entered and worked on or inspected; and
 - (b) identify the authority entitled to enter and execute work or conduct the inspection.
- (3) A written authorisation issued in terms of subsection (2) is valid until –
 - (a) it is carried out;
 - (b) it is cancelled by the person who issued it or, in that person's absence, by a person with similar authority;
 - (c) the purpose for which it was issued has lapsed; or
 - (d) three months have passed since the issuing date.
- (4) A written authorisation in terms of subsection (1) may only be carried out between 07h00 and 19h00, unless the magistrate who issues it states in writing that it may be carried out at a different time reasonable in circumstances.
- (5) Before commencing any work or conducting an inspection, any person who carries out a written authorisation must either –
 - (a) if the owner of or a person apparently in control of the premises is present –
 - (i) identify themselves and explain their authority to that person or furnish proof of their authorisation; and
 - (ii) hand a copy of the written authorisation to that person.
 - (b) if the owner or person apparently in control of the premises is absent or refuses to accept a copy, attach a copy of the written authorisation to the premises in a prominent place.
- (6) Any inspection conducted or work undertaken in terms of this section must be conducted with strict regard to decency and order, including –
 - (a) a person's right to, respect for and protection of his or her dignity;
 - (b) the right of a person to freedom and security; and
 - (c) the right of a person to his or her personal privacy.

25. PROCEDURE TO UNDERTAKE REGULATORY INSPECTION OR REMEDIAL WORK WITHOUT A WRITTEN AUTHORISATION

- (1) An environmental health officer may enter and execute work or conduct inspections of premises without authorisation –

- (a) with the consent of the owner, occupier or person apparently in control of the premises;
 - (b) on a routine basis no more frequently than 6 (six) times during a 12 (twelve) month period where the environmental health officer reasonably believes that the premises are being used for a scheduled use and the purpose of the inspection is to determine whether or not the scheduled use complies with the provisions of these By-laws;
 - (c) where a compliance notice relating to the premises has been issued in terms of section 20, and the purpose of the inspection is to determine whether or not the notice has been complied with;
 - (d) where the owner or occupier of the premises has failed to comply with a compliance notice, issued in terms of section 20, or a prohibition notice, issued in terms of section 21, directing that relevant measures be taken; or
 - (e) the environmental health officer has reasonable grounds to believe that a public health hazard or public health nuisance exists on the premises and that the delay in obtaining written authorisation -
 - (i) may defeat the purpose of the inspection; or
 - (ii) is likely to endanger public health.
- (2) Before inspecting any premises or commencing any work in terms of this section, persons undertaking the inspection or commencing the work must identify themselves and explain their authority to the person apparently in control of the premises or the person who gave them permission to enter.
 - (3) Any inspection undertaken or work commenced in terms of this section must be carried out at a reasonable time, taking into account the circumstances of the specific situation.
 - (4) Any inspection conducted or work undertaken in terms of this section must be conducted with strict regard to decency and order, including -
 - (a) a person's right to, respect for and protection of his or her dignity;
 - (b) the right of a person to freedom and security; and
 - (c) the right of a person to his or her personal privacy.

26. COST ORDERS

- (1) The Council may recover any costs reasonably incurred by it in taking measures under section 23 from any person who was under a legal obligation to take those measures, including –
 - (a) a person on whom a compliance notice or a prohibition notice that required those steps to be taken, was served;
 - (b) the owner or occupier of the premises; or
 - (c) any person responsible for creating a public health hazard or a public health nuisance.
- (2) The municipal manager may issue a cost order requiring a person who is liable to pay costs and expenses incurred by the Council in terms of subsection (1) to pay those costs by a date specified in the order.
- (3) The person on whom a cost order has been served may, within 20 days of the order being served, appeal against the order in terms of section 27.

CHAPTER VII APPEALS

27. APPEALS

- (1) A person whose rights are affected by a decision taken by any authorised official under these By-laws, may appeal against the decision by giving written notice of the appeal and reason to the municipal manager within 21 days of the date of the notification of the decision.
- (2) The municipal manager must promptly submit the appeal to the appropriate appeal authority mentioned in subsection (4).
- (3) The appeal authority must consider the appeal, and confirm, vary or revoke the decision, but no such variation or revocation of a decision may detract from any rights that may have accrued as a result of the decision.
- (4) When the appeal is against a decision taken by –
 - (a) a staff member other than the municipal manager, the municipal manager is the appeal authority; or
 - (b) the municipal manager, the executive mayor is the appeal authority.
- (5) An appeal authority must commence with an appeal within six weeks and decide the appeal within a reasonable period.

3. ESTABLISHMENT OF POUND

- (1) The municipality may establish a pound at any convenient place within its area of jurisdiction and, whenever the municipality deems it necessary, may disestablish such pound.
- (2) The municipality shall give notice of the establishment of a pound, or the disestablishment thereof, by publishing a notice in at least two newspapers circulating in the area of jurisdiction of the municipality.

4. DETENTION AND REMOVAL OF ANIMALS

- (1) Any animal -
 - (a) found trespassing on land; or
 - (b) straying or wandering unattended in a public road or other public place,may be detained and removed to a pound by the owner of such land, an official of the municipality, a member of the South African Police Services or the pound manager.
- (2) Any person who has detained an animal for the purpose of impounding shall -
 - (a) remove such animals to a pound within 24 hours after seizure; and
 - (b) ensure that proper care is taken of the seized animal until the animal is received at the pound.

5. RECEIPT OF ANIMALS

- (1) Any person removing an animal to the pound shall provide the pound manager with –
 - (a) his or her name and permanent residential address;
 - (b) the time and place of detention; and
 - (c) the capacity in which he or she detained the animal.
- (2) The pound manager shall, upon receipt of a detained animal –
 - (a) record the particulars furnished in terms of section 5(1) and enter the same in a book maintained for the purpose;
 - (b) furnish the person delivering the animal with a receipt reflecting –
 - (i) his or her name;
 - (ii) a description of the animal; and
 - (iii) the date and time of receipt of the animal at the pound; and
 - (c) keep a copy of each receipt issued in terms of section 5(2)(b).
- (3) No person shall release or attempt to release, otherwise than in accordance with these bylaws, any animal which has been received at a pound.

6. CARE OF ANIMALS

- (1) The pound manager shall take proper care of any animal impounded in terms of these bylaws.
- (2) The pound manager shall not use or cause or permit to be used any animal impounded in terms of these bylaws.
- (3) In the event of the injury or death of any impounded animal, the pound manager shall record the cause of such injury or death and shall retain any veterinary certificate issued.
- (4) The pound manager shall keep records of any expense incurred in respect of an impounded animal.

7. RELEASE OF ANIMALS

The pound manager shall release an impounded animal to any person who has –

- (1) satisfied the pound manager that he or she is the owner of the impounded animal;
- (2) paid the conveyance and pound fees prescribed by resolution of the council of the municipality from time to time; and
- (3) paid any veterinary or other expenses incurred in the impounding of the animal.

8. REGISTER OF ANIMALS

- (1) The municipality shall keep a register in which is recorded –
 - (a) a description, including any distinctive brands or markings, of any animal within its area of jurisdiction; and

- (b) the name and address of the owner of such animal.
- (2) The owner of an animal kept within the municipality's area of jurisdiction shall-
 - (a) ensure that the animal is distinctively branded, where the animal has no existing distinctive brand or marking; and
 - (b) register such animal with the municipality; and
 - (c) inform the municipality of the death of any such animal or any change of address of the owner.

9. DISPOSAL OF ANIMALS

- (1) The pound manager may sell by public auction and for cash any impounded animal –
 - (a) which is listed in the register of animals referred to in section 8 and whose owner has been given 10 day's notice to remove the impounded animal; and
 - (b) which is not listed in the register of animals, which has not been claimed within 30 days of being impounded, and in respect of which –
 - (i) the municipality has taken all responsible steps to locate and notify the owner;
 - (ii) the owner has not been located or, despite having been given 10 day's notice, has failed to removed the impounded animal; and
 - (iii) 10 day's prior notice of the proposed sale has been given in terms of section 9(2).
- (2) The sale of an impounded animal shall be advertised by placing a notice on a public notice board at a place designated by the municipality for that purpose -
 - (a) describing the animal, its sex, its approximate age and any particular brands or marks; and
 - (b) stating that the animal will be sold by public auction not claimed within 10 days.
- (3) The proceeds of any sale shall be applied in defraying the fees and expenses referred to in section 7 and the balance, if any, shall be forfeited to the municipality if not claimed within three months by a person who establishes to the satisfaction of the pound manager that he or she is the owner of the impounded animal.
- (4) If the pound manager is for any reason unable to sell any impounded animal or if, in the opinion of the pound manager the animal is so dangerous, vicious, diseased or severely ill or in such a physical condition that it ought to be destroyed, the pound manager may cause the animal to be destroyed subject to any applicable law relating to the protection of animals or otherwise dispose of the animal in a manner approved by the municipality.
- (5) Any shortfall between the proceeds of sale, if any, and the fees and expenses referred to in section 7, or the costs of destruction as contemplated in clause 9(4), may be claimed by the municipality from the owner.

10. INDEMNITY

The municipality, the pound manager and any officer, employee, agent or councilor of the municipality shall not be liable for the death of or injury to any animal arising as a result of its detention, impounding or release, or arising during its impoundment.

11. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the council, these bylaws will prevail.

Any person making use of parking ground or parking bay must pay the prescribed fees.

CHAPTER 1 TICKET-CONTROLLED PARKING GROUND

3. CONDITIONS OF PARKING IN A TICKET-CONTROLLED PARKING GROUND

- (1) No person may park a vehicle or cause or permit a vehicle to be parked or allow it to be or to remain in a parking ground, wherein parking is controlled by the issue of tickets –
- (a) except in a parking bay and in compliance with such directions as may be given by an authorised official or where no such bay has been marked, except in a place indicated by the authorised official;
 - (b) after an authorised official has indicated to the person that the parking ground is full; or
 - (c) after the expiry of the parking period.
- (2) (a) No person may remove or cause or permit the removal of any vehicle in a parking ground unless –
- That person has produced to the authorised official a ticket authorising him or her to park in the parking ground which was issued to such person upon entering or leaving the parking ground; and
- That person has paid to the authorised official the prescribed fee;
- and if the person fails to produce a ticket authorising the person to park in such parking ground, the person shall be deemed to have parked the vehicle from the beginning of a period as prescribed until the time the person wants to remove the vehicle and he or she shall be charged accordingly.
- (b) (i) No person may, after failing to produce a ticket, remove or cause or permit the removal of any vehicle parked in the parking ground until that person has produced other proof, to the satisfaction of an authorised official, of his or her right to remove such vehicle.
 - (ii) The authorised official must require the person referred to in subparagraph (i) to complete and sign such an indemnity form as is prescribed by Council, which will have the effect of indemnifying the Council against claims of whatever nature by any person relating to the removal of that vehicle.
 - (iii) The authorised official may require such person to furnish such security as the prescribed by the Council.
- (3) The provisions of sub-section (2) (a) does not apply where the prescribed fees were paid upon entering the parking ground and the person who paid such fees produces the required ticket to the authorised official on demand.
- (4) Where a vehicle has not been removed from a parking ground by the end of the parking period for which the prescribed fee has been paid, a further charge as prescribed is payable for the next parking period.

4. MECHANICAL PARKING GROUNDS

- (1) Where the actual parking of a vehicle is effected wholly or partly by means of a mechanical device in a parking ground, an authorised official may, if parking bays are available, issue to a person who wants to park a vehicle at the parking ground, a ticket in terms of which the Council authorises the parking of such vehicle in that parking ground.
- (2) No vehicle parked in a parking ground referred to in subsection (1) may be removed by any person unless –

- (a) Payment of the prescribed fee is made to the authorised official; and
 - (b) That person has produced to the authorised official the ticket issued to him or her in terms of subsection (1) or failing the production of such ticket the provisions of section 3 (2) (b) will apply with the necessary changes.
- (3) No person who has caused a vehicle to be parked in a parking ground referred to in subsection (1) may allow it to remain therein after expiry of the parking period.

5. MONTHLY TICKETS

- (1) Notwithstanding anything to the contrary contained in these By-laws, the Council may in respect of any parking ground controlled by the issue at the prescribed fee a ticket which entitles the holder for one calendar month or any lesser period stated therein, to park a vehicle in that ground at the times stated in the ticket, if parking bays are available.
- (2) The Council may issue to any of its officials a ticket, which entitles the holder, when using a vehicle regarding the business of the Council, to park it in a parking ground specified, if space in the parking ground is available.
- (3) A ticket issued in terms of subsection (1) or (2) may not be transferred to any other person or be used in respect of any vehicle other than the specified vehicle, without the prior written permission of the Council.
- (4) A ticket issued in terms of subsection (1) or (2) must be affixed by the holder of the ticket to the vehicle in respect of which it is issued in such manner and place that the written or printed text is readily legible from the outside of the vehicle.

6. VEHICLES OF EXCESSIVE SIZE

Unless a road traffic sign displayed at the entrance to a parking ground indicates otherwise, no vehicle, which together with any load, exceeds 5m in length, may be parked in a parking ground.

CHAPTER 2

PARKING METER PARKING GROUNDS

7. PLACE OF PARKING

No person may park or cause or permit to be parked any vehicle or allow a vehicle to be or remain in a parking ground otherwise than a parking bay.

8. CONDITIONS OF PARKING

- (1) No person may park a vehicle to be parked in a parking bay unless a coin or other prescribed object is forthwith inserted -
 - (a) into the meter allocated to such parking bay; or
 - (b) If the meter controls more than one parking bay, in the meter controlling such bays as indicated by markings or signs on the road or sidewalk;

and that meter is put into operation in accordance with the instructions appearing thereon so that the meter registers and visibly indicates the parking period appropriate to the inserted coin or other prescribed object.

Provided that –

- (i) subject to subsection (4), a person may, without such payment, park a vehicle in a vacant parking bay for such part of any period as the parking meter may indicate to be unexpired; and

- (ii) where a person has ascertained that the parking meter in any parking bay is not operating properly he or she must, subject to subsection (5), be entitled to leave a vehicle in that bay without inserting a coin or other prescribed object.
- (2) The insertion of a coin or other prescribed object into a parking meter will entitle the person inserting it to park a vehicle in the appropriate parking bay for the period corresponding with the payment so made.
- (3) The period during which a vehicle may be parked in a parking bay and the coin or other prescribed object to be inserted in respect of such period into the parking meter allocated to any such bay, must be in accordance with the charge as prescribed and the periods be clearly indicated on the parking meter itself.
- (4) Subject to the provisions of subsection (5) no person may either with or without the insertion of an additional coin or other prescribed object into a parking meter leave a vehicle in a parking bay after the expiry of a period as indicated by the parking meter or return the vehicle to that bay within fifteen minutes after that expiry, or obstruct the use of that bay by any other person.
- (5) If the Council displays in a parking bay, a sign prescribing a maximum period for continuous parking which differs from that specified by the parking meter, any person may, subject to the provisions of subsection (1) and (3), park a vehicle in that bay for the period so prescribed or for any shorter period, but no person may park a vehicle for any period in excess of the prescribed period.

9. OFFENCES RELATING TO PARKING METERS

No person may –

- (a) insert or attempt to insert into a parking meter a coin or object except
 - (i) a coin of South African currency of a denomination as prescribed;
 - (ii) an object, which is prescribed as another method of payment.
- (b) insert or attempt to insert into a parking meter any false or counterfeit coin or prescribed object or any foreign object;
- (c) tamper with, damage, deface or obscure a parking meter;
- (d) in any way whatsoever cause or attempt to cause a parking meter to record the passage of time otherwise than by the insertion of a coin or other prescribed object;
- (e) jerk, knock, shake or interfere with a parking meter which is not working properly or at all in order to make it do so or for any other purpose;
- (f) remove or attempt to remove or obscure a parking meter or any part thereof from the post or other fixture to which it is attached.

10. PROOF OF TIME

The passage of time as recorded by a parking meter is for the purpose of these By-Laws and in any proceedings arising from the enforcement of these By-laws, deemed to be correct and may constitute evidence on the face of it of the time that the vehicle has been parked in a parking bay.

CHAPTER 3

PAY AND DISPLAY PARKING AREAS

11. PARKING

- (1) No person may park or cause or permit to be parked any vehicle or allow a vehicle or remain in a pay and display parking area unless immediately upon entering such area-
- (a) the person purchases a ticket issued by means of a pay and display machine in that parking area in accordance with the instructions displayed on, or within a distance of not more than 1,5m of such machine; and
 - (b) the person displays such ticket by affixing it to the inside of the driver's side of the front windscreen of the vehicle in such a manner and place that the information printed on the ticket by the pay and display machine is readily legible from the outside of the vehicle.
- (2) (a) the period during which a vehicle may be parked in a pay and display parking area and the coin or other prescribed object to be inserted in respect of such period into the pay and display machine.
- (b) No person may allow a vehicle to remain in a pay and display parking area after the expiry of the departure time indicated on the ticket.

12. OFFENCES RELATING TO PAY AND DISPLAY MACHINES

No person may –

- (a) insert or attempt to insert into a pay and display machine, a coin or other prescribed object which is false or counterfeit or any object other than a coin of South African currency or other prescribed object;
- (b) jerk, knock, shake or in any way interfere with, or damage or deface a pay and display machine;
- (c) remove or attempt to remove a pay and display machine or any part thereof from its mounting.

13. PROOF OF DATE AND TIME OF DEPARTURE

The date or day and time of departure as recorded by a pay and display machine is taken on the face of it to be correct evidence of date or day and time, unless the contrary is proved.

CHAPTER 4

MISCELLANEOUS

14. CLOSURE OF PARKING GROUNDS

Notwithstanding anything to the contrary contained in these By-laws, the Council may at any time close any parking ground or portion thereof temporarily or permanently and must indicate the fact and the period of such closure by a road traffic sign displayed at the entrance to the ground closed or at the portion closed, as the case may be.

15. DEFECTIVE VEHICLES

No person may park or cause or permit any vehicle to be parked or to be or remain in any parking ground which is mechanically defective or for any reason incapable of movement but no offence is committed if a vehicle which, after having been parked in a parking ground,

develops a defect which immobilises it and the person in control of it proves that he or she took reasonable steps to have the vehicle repaired or removed within a reasonable time.

16. PARKING OF A VEHICLE IN PARKING GROUND

No person may park or cause or permit any vehicle other than a vehicle as defined in the National Road Traffic Act, 1996 (Act No. 93 of 1996) to be parked or to be or remain in any parking ground.

17. CLEANING AND REPAIR OF VEHICLE

No person may in any parking ground clean, wash, work on or effect repairs except minor emergency repairs, to any vehicle or any part thereof except with the prior written consent of the Council.

18. PARKING ACCORDING TO INSTRUCTION

No person may in any parking ground park a vehicle otherwise than in compliance with an instruction or direction given by an authorised official or introduce or remove a vehicle otherwise than through an entrance thereto or exit there-from demarcated for that purpose.

19. TAMPERING WITH VEHICLES

- (1) No person may in any parking ground without reasonable cause or without the knowledge and consent of the owner or person in lawful control of a vehicle, enter or climb upon such vehicle or set the machinery in motion or in any way tamper or interfere with its machinery or any other part of it or with its fittings, accessories or contents.
- (2) No person may in any parking ground –
 - (a) Park any vehicle so that any part of it extends across any white line forming a boundary of a parking bay or that it is not entirely within the confines of such a bay;
 - (b) Do any act or introduce anything which obstructs or is likely to obstruct the movement of persons and vehicles;
 - (c) With intent to defraud the Council forge; imitate, deface, mutilate, alter or make any mark upon any ticket issued in terms of these By-laws authorising him or her to do so.

20. PERSONS PROHIBITED FROM BEING IN PARKING GROUND

No person may enter or be in a parking ground otherwise than for the purpose of parking a vehicle therein or lawfully removing it there-from unless authorised thereto by the Council.

21. ABANDONED VEHICLES

- (2) The Council must take all reasonable steps to trace the owner of a vehicle removed in terms of subsection (1) and if, after the lapse of ninety (90) days from the date of its removal the owner or person entitled to its possession cannot be found, the vehicle may, subject to the provisions of subsection (3), be sold by the Council at a public auction.
- (3) Fourteen (14 days' prior notice of an auction sale to be held in terms of subsection (2) must be published in at least two (2) newspapers circulating within the municipal area of the Council, but the sale may not proceed if at any time before the vehicle is sold,

such vehicle is claimed by the owner or any person authorised by the owner or otherwise lawfully entitled to claim the vehicle and all prescribed fees payable in respect thereof in terms of these By-laws and all costs referred to in subsection (4) is paid to the Council.

- (4) The proceeds of a sale concluded in terms of this section must be applied first in payment of the fees referred to in subsection (3) and to defray the following-
- (a) The costs incurred in endeavouring to trace the owner in terms of subsection (2);
 - (b) The costs of removing the vehicle, publishing in two (2) newspaper, and effecting the sale of the vehicle;
 - (c) The costs of keeping the vehicle in the pound which must be calculated at the prescribed rate and any balance of the proceeds must be paid to the owner of the vehicle or any person lawfully entitled to receive it upon that person establishing his or her right thereto to the satisfaction of the Council and if no claim is established within one (1) year of the date of the sale, the balance will be forfeited to the Council.

22. REFUSAL OF ADMISSION

An authorised official may refuse to admit into a parking ground a vehicle, which is by reason of its length, width or height likely to cause damage to persons or property or to cause an obstruction or undue inconvenience.

23. MEDICAL PRACTITIONER EXEMPT

A medical practitioner is exempt **from** paying the prescribed fees, while the vehicle used by that practitioner is parked to enable him or her to perform professional duties at any place other than a consulting room or similar place and while a form or token issued by the South African Medical Council for that purpose is displayed on the windscreen of the vehicle concerned in a conspicuous manner.

24. OFFENCES AND PENALTIES

Any person who –

- (a) contravenes or fails to comply with any provisions of these By-laws;

- (3) (a) A library membership card must be issued to each member authorizing that member to borrow from the library such quantity of library materials as may be determined by the Council from time to time.
- (b) Additional membership cards, entitling the member to borrow further quantities of library material may be issued to a member in the discretion of a librarian.
- (4) A membership card is valid from its date of issue to the date of expiry stated thereon and the membership of a person to whom such a card has been issued lapses after the expiry of that period, unless it is renewed prior to the expiry date.
- (5) A member who wishes to cancel his or her membership of the library must –
 - (a) notify a librarian in writing;
 - (b) return the membership card or cards in his or her name; and
 - (c) simultaneously return all borrowed library material in his or her possession to a librarian.
- (6) if library material is not returned in terms of section 3(5)(c), such person will be liable in terms of Section 8(2), with such adjustments as may be necessary.
- (7) When a member changes his or her address, the member must notify the librarian thereof within thirty (30) days after the change has taken place.
- (8) When a membership card is lost, the member must forthwith notify a librarian in writing, and -
 - (a) the librarian must, on payment of the prescribed fee, issue a duplicate card;
 - (b) should a lost membership card subsequently be found by the member, any duplicate card must be returned to a librarian immediately;
 - (c) despite the provisions of section 8(1), the member is not liable in terms of that section for any library material borrowed against the lost membership card after the date of such notice.

4. LOAN OF LIBRARY MATERIAL

- (1) Library material which is not available for removal from library on loan in any reference of special library will be determined by the librarian and a notice specifying such material must be displayed at the inquiry desk of each library.
- (2) (a) Library material borrowed from a library is the responsibility of the member against whose membership card it was borrowed.
- (b) If a member borrows material from a library, that member must ascertain whether or not the material is visibly damaged, and if so, must draw a librarian's attention to the damage and that librarian shall record particulars of the damage on the date sheet and sign it.

- (c) When a member returns damaged library material, he or she will be responsible for making good the damage, or paying the prescribed fee in respect of damaged library material, as the case may be, unless the damage was previously recorded as contemplated in paragraph (b) hereof.
- (d) No person may be in possession of library material outside a library unless it has been lent out to him or her in terms of a membership card.
- (3) A librarian may refuse to make damaged material available for borrowing, but where such material is made available for borrowing, the particulars of the damage must first be recorded in terms of section 4(2)(b).
- (4) A member may, upon payment of the prescribed fee, request that any library material not available -
 - (a) at any particular library, but which is available through another library operated by the Council;
 - (b) in the library, but is available from another Library;be obtained from such source and made available or loaned, as the case may be, to him or her.
- (5) The loan of audiovisual-material or items from Student Service must be subject to the payment of the prescribed charge.
- (6) Library material bearing the distinguishing insignia of the Council or its predecessors or the insignia of the Eastern Cape Provincial Government, with no indication that it has been officially discarded or sold, remains the property of the Council or of the Eastern Cape Provincial Government, as the case may be.

5. RETURN OF LIBRARY MATERIAL

A member must return borrowed library material not later than the last day of the lending period provided that -

- (a) If it is not required by any other member, the librarian may then extend the lending period of any library material for a further lending period;
- (b) a member who has failed to return library material by the end of the lending period allowed by a librarian may not keep it for more than seven (7) days after receipt of a written notice from a librarian that such library material is to be returned to that library.

6. OVERDUE LIBRARY MATERIAL

- (1) If a member does not return library material borrowed against a membership card within the applicable period stated in section 5(a), he or she is liable for payment to the Council of the prescribed fees for every week or portion thereof during which the member fails to return library material, unless -
 - (a) good cause, which may include serious illness, is shown to the satisfaction of a librarian;
 - (b) the return date falls within a National Library Week or other period when the library in question is closed to the public for any reason;
 - (c) any other period of grace lawfully given;
- (2) Every librarian must ensure that the rules and fees for overdue and lost library material are displayed at a prominent place in such library.
- (3) The Council may institute legal action to retrieve outstanding library material, and any prescribed fees or damages payable in connection therewith from a member.

7. RESERVATION OF LIBRARY MATERIAL

A member may reserve library material, provided that -

- (a) payment of the prescribed fee therefore is made in advance;
- (b) no library material will be held in reserve for a period longer than the period specified by the librarian or his or her authorized representative.

8. LOST AND DAMAGED LIBRARY MATERIAL

- (1) It must be stated on membership cards that if a member damages or loses library material, the member will be liable in terms of subsection (2) for payment to the Council of the prescribed fee therefore.
- (2) Library material not returned within one hundred (100) days from the date of borrowing must be regarded as lost, and the member who borrowed it last will immediately become liable for the replacement cost or fee prescribed in lieu thereof, at the discretion of the librarian.
- (3) The particulars of a member who has failed to return library material outstanding for a period longer than that stated in subsection (2) must, in the event of failure by the Council to retrieve such library material from the member, despite reasonable efforts to do so, be entered on a central register of unreturned library material, together with the details of the material in question, the unpaid prescribed fees fines due thereon, and the like, and such particulars must be circulated to all libraries operated by the Council, and the member's privilege of borrowing material from the library must be suspended until such library material is returned to a library or is paid for in full as prescribed.
- (4) Despite the other provisions of the section, lost or damaged library material remains the property of the Council or the Eastern Cape Provincial Government, as the case may be, even if the prescribed fee in respect thereof or the replacement cost, as the case may be, have been paid to the Council.
- (5) If damaged library material returned by a member is found to be repairable, the member must pay the repair or binding charge incurred by the Council, before being permitted to borrow any further library material.

9. HANDLING OF LIBRARY MATERIAL

A member who has borrowed library material or is using library material in the library is obliged to -

- (a) keep such library material in a clean condition;
- (b) prevent such library material from being damaged in any way;
- (c) ensure that such library material is not mutilated, defaced, marked, creased or damaged;
- (d) ensure that no part of such library material, or any protective coverings or any identification thereof as the property of the Council or the Eastern Cape provincial Government, as the case may be is removed;
- (e) ensure that any such library material is not lent to any unauthorized person.

10. EXPOSURE OF LIBRARY MATERIAL TO NOTIFIABLE AND INFECTIOUS DISEASES

- (1) No person known by him or her to be suffering from a notifiable medical condition as proclaimed in terms of section 45 of the Health Act, No 63 of 1977 may borrow or handle library material, and no member may allow any other person suffering from such a notifiable medical condition to handle or come into contact with library material

lent to that member if such handling would expose others to the danger of infection or any form of health hazard.

- (2) The provisions of subsection (1) apply also to any person supervising or in charge of a child known by such person to be suffering from such a notifiable medical condition.
- (3) A notice with examples of notifiable medical conditions must be displayed at a prominent place in a library.
- (4) Any person in possession of library material which to that person's knowledge has been exposed to a notifiable medical condition, must immediately advise a librarian that such library material has been so exposed.

11. LIBRARY MATERIAL FOR SPECIAL PURPOSES

- (1) Specialised library material may be used only in areas of a library specifically demarcated for that purpose, and no such material may not be removed from the part of a library without the permission of a librarian.
- (2) No person in possession of library material drawn from the reference section of a library may keep it for longer than ten (10) minutes after a librarian has requested its surrender.

12. REPRODUCTION OF LIBRARY MATERIAL AND OBJECTS AND USE OF FACSIMILE FACILITIES

- (1) Any person may use the facsimile and photocopier facilities of a library subject to -
 - (a) payment of the prescribed fee;
 - (b) the furnishing by him or her of a declaration in writing, if requested by a librarian, that the purpose for which the photocopy photographic reproduction is needed falls within the exceptions to the protection of literary, dramatic, musical and artistic works specified in the Copyright Act, 1965, as amended, and any subsequent amending or replacement legislation.
- (2) A librarian must display the relevant sections of such legislation in a prominent place in the library in question.
- (3) The permission of a librarian must be obtained before any library material or object in the library is reproduced by means of a photograph, motion picture, transparency or any other means.
- (4) In granting or refusing permission in terms of sub-section (2), a librarian may take cognizance of the possibility of damage being caused to such material or object as a result of it being handled for the purposes of making the reproduction, and may impose such conditions as may be reasonably necessary to prevent damage being caused to the material.

13. LIBRARY HOURS

The hours as determined by the Council during which any library will be open to the public must be displayed on a notice at or near the entrance to the library concerned and must state -

- (a) the days on and hours during which the library will open and close; and

- (b) the hours during which the use of such library or any section thereof will be restricted to adults or children.

14. HIRE AND USE OF AUDITORIA AND LECTURE ROOMS OR LIBRARY SPACE FOR EXHIBITIONS, FILMING OR PROGRAMMING

- (1) The Council may hire out to members or other persons, any auditorium, lecture room or other area within a library complex against the payment of the prescribed fee therefore, for the purpose of holding a lecture, debate or presentation or staging of an exhibition or filming or programming a sequence of scenes requiring a library background or which incorporates the use of library material.
- (2) Application for the hire of any such facilities must be made in writing to the librarian.
- (3) Despite the provisions of section 14(1), such facilities may be made available without charge -
 - (a) to organizations supporting the provision of library services;
 - (b) for such specific activities as the Council may from time to time either generally or specifically determine.

15. INTERNET VIEWING STATIONS

Any person may utilize the internet viewing stations of a library, where such facilities are made available by the Council, provided that he or she -

- (a) pays the prescribed fee therefore;
- (b) obtains prior permission being obtained from a librarian;
- (c) observes the maximum period of use as determined by a librarian;
- (d) abstains from loading personal software on to any hardware comprising an internet viewing station;
- (e) agrees to and does bear the cost of repairing any damage caused intentionally or negligently to the internet equipment while being operated by him or her;
- (f) agrees to and does observe the Council's policy on e-mail and internet usage, which must be displayed at each station.

16. HIRING OF MULTIMEDIA LIBRARY SPACE

- (1) A multimedia library may be made available to any person applying therefore against payment in advance of the prescribed fee.
- (2) Any person who or body which wishes to hire a multimedia library must make an advance reservation with the librarian in charge thereof.
- (3) The hiring of a multimedia library shall be subject to such conditions as the librarian may determine.

17. PERFORMING ARTS LIBRARY

- (1) All printed music must be made available for loan free of charge to registered adult members and organizations.
- (2) Material not for loan may be determined by the Performing Arts Librarian in his/her discretion.

- (3) Orchestral and bulk vocal scores may be made available for loan only to orchestras, school libraries and choirs upon written application and against payment of the prescribed fee.

18. POSITIONING OF BY-LAWS AND NOTICES IN A LIBRARY

- (1) A copy of these By-laws must be available for inspection and a notice to that effect must be displayed at a prominent place in every library and be brought to the attention of library users where necessary.
- (2) There must be displayed in every library a notice to the effect that neither the Council, nor any of its office bearers or employees are liable for any loss or injury sustained by any person using premises or library material.

19. CONDUCT IN THE LIBRARY

- (1) Any person who -
 - (a) conducts or engages in excessively loud conversation in any part of a building housing a library in a manner which causes or is likely to cause annoyance to any other person in that library; or
 - (b) uses abusive or otherwise objectionable language or behaviour or behaves in a disorderly manner in a library; or
 - (c) hampers, disturbs, obstructs or harasses any other person in the legitimate use of a library; or
 - (d) damages any part of a library building or its contents; or
 - (e) furnishes a false name or address to a librarian for the purpose of entering any part of that library or for obtaining any benefit or privilege; or
 - (f) enters or remains in the library while knowingly suffering from any notifiable medical condition or while under the influence of intoxicating liquor or habit-forming drugs; or
 - (g) smokes, eats, drinks, sleeps in any part of a library where these activities are forbidden; or
 - (h) contravenes any other provision of these By-laws;

may be ordered by a librarian to leave that library, and if he or she refuses to do so, may be removed from such library by the use of reasonable and necessary force.

- (2) Any person who, despite being ordered to desist there from, persists in conduct of any kind referred to in section 19(1)(a) or (b), is guilty of an offence and on conviction liable to imprisonment for a period not exceeding 6 months, or to a fine in lieu thereof or to both such fine and imprisonment.

20. LIABILITY FOR LOSS OR INJURY

- (1) The Council is not responsible for any damage to, loss or theft of any items brought into a library building by members of the public.
- (2) The Council is not liable for any claim for person injury sustained by any member of the public whilst on any library premises or whilst using any library material.

21. CONFLICT OF LAWS

If there is any conflict between these bylaws and any other bylaws of the council, these bylaws will prevail.
