Mr. D. Pillay
Chief Executive Officer

1. BACKGROUND

In terms of the Public Finance Management Act section 51 a), an Accounting Authority for a public entity must ensure that a public entity has and maintains

- I. Effective, efficient and transparent systems of financial and risk management and control.
- II. A system of internal audit under the control and direction of an audit committee complying with and operating in accordance with regulations and instructions prescribed in terms of sec 76 and 77

2. CURRENT STATUS

The Internal Audit Activity has just been established at the entity and has appointed Chief Audit Executive, namely Mr. O Seseane. The Auditor General of South Africa (AGSA) raised an exception regarding the Effectiveness and capacity of the Internal Audit Activity and Audit Committee during the 2014-15 audit, in terms of the Activity fulfilling its legislative mandate.

3. AUDIT AND RISK COMMITTEE (ARC)

During the meeting that was held in 04 November 2015, the Audit & Risk Committee made a recommendation that the Internal Audit Activity be co-sourced (i.e. services of Internal Auditors be sourced from external service providers to the Internal Audit Activity while the entity get itself in a position to appoint permanent officials).

4. SERVICES REQUIRED

The entity hereby invites firms/service providers who have experience and expertise in Internal Auditing to second at least two officials to the Internal Audit Activity of Free State Tourism Authority. At least one Partner/Director/Senior Official must always be available for meetings or any other item that might be related to Management, Board and or Audit & Risk Committee.

5. SCOPE OF WORK

The appointed service provider will work in close collaboration with the Manager Internal Audit, in line with approved audit plans.

1. Review current internal audit charter and working documents to ensure compliance to IIA standards and applicable legislations governing internal audit / internal audit activity;
2. Review of the current internal audit methodologies and other internal audit working documents;
3. Assist with the development of the audit program / objectives and system descriptions including a three year strategic audit plan (which will also include the annual plan);
4. Any other internal audit activity that might be required / requested by the Board, Audit & Risk Committee or the entity.
5. Perform audits in accordance with the internal audit plan which must include:
 - o Risk based reviews,
 - o Corporate governance reviews,
 - o IT Audits,
 - o Audit of performance against pre-determined objectives, and
 - o Follow-up reviews
6. The scope and objectives of internal audit will vary from year to year dependent upon the responsibilities assigned to it by management and/or the Audit Committee. As such:
 - a. Emphasis must rotate,
 - b. Scope may be modified, and
 - c. Matters of special audit emphasis must be proposed as circumstance dictate
7. Planned work may be varied on the basis of findings which may result in extension of the coverage to address all pertinent matters.

Liaise with external auditors to ensure the coordination between internal audit and external audit.

6. DELIVERABLES

At the commencement of each audit, an audit plan memorandum must be prepared that must:

- o Outline the detailed control objectives,
- o Approach, and
- o Timing

A written report must be prepared at the conclusion of each audit which must:

- o State the objectives and scope of work performed,
- o Conclusions reached,
- o Make appropriate and relevant recommendations, and
- o Acknowledge the action taken/proposed by management

Meet with relevant managers and stakeholders to discuss reports.

Issue interim reports where necessary to alert management to the need to take immediate action to correct serious weaknesses in performance or control or where there is a significant modification to the scope of audit work.

Prepare summary reports that must be presented to the audit committee which must include:

- o Progress achieved against the annual operational plan, and

Summary of critical issues arising from completed work.

7. EXPERIENCE OF INTERNAL AUDITORS

Officials to be seconded to this project must hold a degree / BTech in Internal Audit/Accounting, or any other qualification relevant to Internal Control Environment, and have at least three-year experience in the industry.

Service Providers which will second Certified Internal Auditors or any other certification related to the industry to the project will be given priority depending on the cost thereon. Curriculum Vitae's of candidates to be seconded to the project must be submitted together with the proposal. Please take note that candidates / officials to be seconded to this project might be interviewed by the Audit and Risk Committee (its delegate) or the entity to determine the necessary skills and competence required.

8. DURATION

The duration of the project is expected to be approximately in line with the financial year ending March 2016. Depending on when the entity makes permanent appointments within the Internal Audit Activity, the contract may be extended accordingly on a month to month basis.

9. SUBMISSION OF PROPOSAL

Proposal clearly showing the cost must be marked for the attention of the Chief Executive Officer and be deposited in the tender box situated at the entity offices in Bloemfontein as follows:

Co-Sourcing Internal Audit Function
99 President Reitz Street,
1st Floor, Koupis Building
Bloemfontein,
9986.

CLOSING DATE

Proposal must be submitted **on or before 11H00 on 11 December 2015**. No late; faxed; and e-mailed proposals will be accepted.
