PROVINCIAL NOTICE

[No. 33 of 2013]

FREE STATE PROVINCIAL TREASURY

DIVISION OF REVENUE ACT, 2013: BUDGET ALLOCATION FOR PROVINCIAL ROAD MAINTENANCE

The receiving officer of the Department of Police, Roads and Transport, hereby publish, in terms of section 13(1)(a) of the Division of Revenue Act, 2013, the allocation for all the projects funded for the maintenance of the roads. These allocations are in line with the Appropriation Act, 2013 (Act No. 1 of 2013).

The project list for road maintenance is set out in **Schedule A** (Infrastructure Enhancement allocation), **Schedule B** (Road Maintenance Grant), and **Schedule C** (EPWP).

Schedule 4A: Provincially/ Nationally assigned function allocations to Department

Schedule 4A: Budget allocation for Road Maintenance

**PROVINCIAL ALLOCATIONS TO POLICE, ROADS AND TRANSPORT IN TERMS OF
INFRASTRUCTURE – ROAD MAINTENANCE**

The following table relates to the allocation of a portion of the Police, Roads and Transport allocation earmarked for road maintenance infrastructure delivery, of which the conditions are set out in Appendix A.

Transferring department	Type of Allocation	Name of Allocation	Purpose	Column A	Column B	
				2013/14	Forward Estimates	
					2014/15	2015/16
Provincial Treasury (PT)	General Infrastructure allocation to Police, Roads and Transport	Infrastructure Enhancement Allocation (IEA)	To assist in acceleration of construction, maintenance and rehabilitation of new and existing infrastructure	382 992	404 225	436 775
National Department of Transport (DoT)	Transport Grant	Provincial Roads Maintenance Grant (PRMG)	To supplement provincial investment for preventative, routine, emergency maintenance and road rehabilitation of provincial road networks; ensure all roads are classified as per RISFSA and the Road Classification and Access Management (RCAM) guidelines by end of the 2013/14 and implement and maintain road asset management systems. It further supplement provincial projects for the repairs of roads and bridges damaged by the natural disaster.	1 130 462	1 179 270	1 456 183
	Public Works Grant	Expanded Public Works Programme Integrated Grant for Provinces (EPWP)	To incentivise Police, Roads and Transport to expand work creation efforts through the use of labour intensive delivery methods in terms of road maintenance and the maintenance of buildings as well as low traffic volume roads and rural roads.	3 000		
TOTAL INFRASTRUCTURE ALLOCATION EARMARKED				1 516 454	1 583 495	1 892 958

Appendix A:**Framework for Earmarked allocation to Police, Roads and Transport**

This appendix provides a brief description of the framework for the Infrastructure Allocations earmarked in the 2013 Appropriation Bill (Bill nr 1 of 2013). The following key areas for these allocations are considered:

- Purpose and measurable objectives
- Conditions
- Reason not incorporated in equitable share
- Monitoring mechanisms
- The projected life
- 2013 MTEF allocation
- Review of User Asset Management Plans (U-Amp) for 2013/14
- Project list

The attached framework is not part of the Appropriation Bill, but is published in order to provide more information to Parliament, legislatures, municipal councils, officials in all three spheres of government and the public.

Infrastructure Enhancement Allocation	
Transferring Department	<ul style="list-style-type: none"> • Provincial Treasury
Purpose	<ul style="list-style-type: none"> • Assist in acceleration of construction, maintenance and rehabilitation of new and existing infrastructure in Police Roads & Transport. • Enhance capacity to deliver on infrastructure exclusively for provincial related projects other than the municipalities and national government.
Measurable objectives/ outputs	<ul style="list-style-type: none"> • Number of roads constructed and maintained. • Number of weighbridges and roads upgraded
Conditions	<ul style="list-style-type: none"> • Department is required to submit detailed business plans and or feasibility studies prior to the implementation of the project/programme where applicable. • The Infrastructure Enhancement Allocation must only be utilized for infrastructure purposes, for the projects approved in the provincial department's project list. • In instances where department has utilized these funds for purposes other than stipulated in this framework and failed to inform the Provincial Treasury accordingly, the expenditure will be treated as unauthorized. • Changes to the approved infrastructure list must be signed off by the affected MEC(s) and approval will be granted by the MEC for Finance and the following process must be followed: <ul style="list-style-type: none"> ~ Approved amendment by the Departmental HOD be submitted to Provincial Treasury as per SRM circular 1 of 2008. ~ The amendment(s) must be submitted to Provincial Treasury for analysis and the creation of the changes in SCOA ~ Provincial Treasury will provide the final approval as soon as signed by the MEC for Finance.

Schedule 4A: Provincially/ Nationally assigned function allocations to Department

	<p style="text-align: center;">~ Provincial Treasury will communicate the response to the department within 14 days.</p> <ul style="list-style-type: none"> • Department must conduct site visits together with the Provincial Treasury on quarterly basis. • Department must attend Provincial Infrastructure Progress Review meetings. • Department must report all infrastructure expenditure funded by this grant through Project and Asset Segment in the SCOA. • Department must maintain up to date databases of all contracts that are funded by this grant that is compliant with the Register of Projects and i-Tender system. Non-compliance with this requirement may result in the withholding of funds. • Submission of draft U-Amp, which include organizational support plan for 2014/15 in the prescribed format by 31 July 2013, or any other date as determined by Provincial Treasury. • Submission of quarterly performance reports as well as report on physical progress with implementation of infrastructure projects to the Provincial Treasury within 30 days after the end of each quarter. • Submission of monthly expenditure reports required in terms of section 40(4)(c) of the Public Finance Management Act to the Provincial Treasury. Reported information should cover the full infrastructure budget in the department, not only these allocations. • Submission of a performance report on infrastructure spending 30 days after year end in the format determined by National Treasury (refer to Division of Revenue Bill 2013, (Bill nr. 1 of 2013) section 11(4)(a) and (b)). • Any earmarked allocation or a portion thereof, which is not spent at the end of the financial year must revert to Provincial Revenue Fund (PRF). Unspent funds must be surrendered to the Provincial Treasury by the 31 May each year or any other date as determined by Provincial Treasury.
<p>Reason not incorporated in equitable share</p>	<ul style="list-style-type: none"> • These allocations ensure that department gives priority to infrastructure maintenance, rehabilitation, upgrading, construction, support and accelerated and shared growth initiatives in line with Government priorities.
<p>Monitoring mechanisms</p>	<ul style="list-style-type: none"> • Department is required to submit detailed monthly and quarterly reports which capture the full details of the projects including the allocation for the year, capacity to deliver, the expenditure for the period in question and on outputs achieved. • Department should conduct regular site visits to revenue projects together with Provincial Treasury. • Provincial Treasury reserves the right to withhold or suspend departmental allocations in cases where department fail to adhere to conditions.
<p>Projected life</p>	<ul style="list-style-type: none"> • To be reviewed every year
<p>MTEF allocation</p>	<ul style="list-style-type: none"> • IEA: 2013/14: R382.992 million; 2014/15: R404.225 million; 2015/16: R436.775 million
<p>Process for approval of 2013/14 business plans</p>	<ul style="list-style-type: none"> • U-Amp are drafted according to prescribed format • Draft U-Amp for department that is targeted by the allocation are submitted to Provincial Treasury by 31 August 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. • Provincial Treasury reviews plans and give feedback to department: 31 October 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. • Final approval of provincial U-Amp by Provincial Treasury: 1 April 2014

PROVINCIAL NOTICE

[No. 34 of 2013]

FREE STATE PROVINCIAL TREASURY

**DIVISION OF REVENUE ACT, 2013: BUDGET ALLOCATION FOR PROVINCIAL EDUCATION
INFRASTRUCTURE**

The receiving officer of the Department of Education, hereby publish, in terms of section 13(1)(a) of the Division of Revenue Act, 2013, the allocation for all the projects funded for education infrastructure. These allocations are in line with the Appropriation Act, 2013 (Act No. 1 of 2013).

The project list for Education Infrastructure is set out in **Schedule A** (Infrastructure Enhancement allocation and Equitable share), **Schedule B** (Education Infrastructure Grant), and **Schedule C** (EPWP Integrated grant).

BUDGET ALLOCATION FOR EDUCATION INFRASTRUCTURE

PROVINCIAL ALLOCATIONS TO EDUCATION IN TERMS OF INFRASTRUCTURE

The following table relates to the allocation of a portion of the allocation earmarked for Education Infrastructure delivery, of which the conditions are set out in Appendix A.

Transferring department	Type of Allocation	Name of Allocation	Purpose	Column A	Column B	
				2013/14	Forward Estimates	
					2014/15	2015/16
Provincial Treasury (PT)	General Infrastructure allocation to Education	Infrastructure Enhancement Allocation (IEA)	To assist in acceleration of construction, maintenance and rehabilitation of new and existing infrastructure	14 850	16 660	16 490
Provincial Education	Education Infrastructure	Equitable share supplement to EIG	<ul style="list-style-type: none"> • To help accelerate construction, maintenance, upgrading & rehabilitation of new & existing infrastructure • To enhance capacity to deliver infrastructure 	34 315	27 877	18 426
National Basic Education	Education Infrastructure	Education Infrastructure Grant (EIG)	<ul style="list-style-type: none"> • To help accelerate construction, maintenance, upgrading & rehabilitation of new & existing infrastructure • To enhance capacity to deliver infrastructure 	468 931	572 856	804 746
National Public Works	Public Works Grant	Extended Works Public Works (EPWP) Integrated Grant	To incentivise Education to expand work creation efforts through use of labour intensive delivery methods maintenance of school buildings	3 000		
TOTAL INFRASTRUCTURE ALLOCATION EARMARKED				521 096	617 393	839 662

Appendix A:

Framework for Earmarked allocation to Education

This appendix provides a brief description of the framework for the Infrastructure Allocations earmarked in the 2013 Appropriation Bill (Bill nr 1 of 2013). The following key areas for these allocations are considered:

- Purpose and measurable objectives
- Conditions
- Reason not incorporated in equitable share
- Monitoring mechanisms
- The projected life
- 2013 MTEF allocation
- Review of User Asset Management Plans (U-Amp) for 2013/14
- Project list

The attached framework is not part of the Appropriation Bill, but is published in order to provide more information to Parliament, legislatures, municipal councils, officials in all three spheres of government and the public.

Infrastructure Enhancement Allocation	
Transferring Department	<ul style="list-style-type: none"> • Provincial Treasury
Purpose	<ul style="list-style-type: none"> • Assist in acceleration of construction, maintenance and rehabilitation of new and existing infrastructure in Department of Education. • Enhance capacity to deliver on infrastructure exclusively for provincial related projects other than the municipalities and national government.
Measurable objectives/ outputs	<ul style="list-style-type: none"> • Number of buildings constructed and maintained. • Number of properties upgraded and maintained.
Conditions	<ul style="list-style-type: none"> • Department is required to submit detailed business plans and or feasibility studies prior to the implementation of the project/programme where applicable • The Infrastructure Enhancement Allocation must only be utilized for infrastructure purposes, for the projects approved in the provincial department's project list. • Department must report all infrastructure expenditure funded by this grant through Project and Asset Segment in the SCOA. • Department must maintain up to date databases of all contracts that are funded by this allocation that is compliant with the Register of Projects and i-Tender system. Non-compliance with this requirement may result in the withholding of this allocation. • In instances where department has utilized these funds for purposes other than stipulated in this framework and failed to inform the Provincial Treasury accordingly, the expenditure will be treated as unauthorized. • Changes to the approved infrastructure list must be signed off by the affected MEC(s) and approval will be granted by the MEC for Finance and the following process must be followed: <ul style="list-style-type: none"> ~ Approved amendment by the Departmental HOD be submitted to Provincial Treasury as per SRM circular 1 of 2008. ~ The amendment(s) must be submitted to Provincial Treasury for analysis and the creation of the changes in SCOA ~ Provincial Treasury will provide the final approval as soon as signed by the MEC for Finance. ~ Provincial Treasury will communicate the response to the department within 14 days. • Submission of draft U-Amp, which include organizational support plan for 2014/15 in the prescribed format by 31 July 2013, or any other date as determined by Provincial Treasury. • Submission of quarterly performance reports as well as report on physical progress with implementation of infrastructure projects to the Provincial Treasury within 30 days after the end of each quarter. • Submission of monthly expenditure reports required in terms of section 40(4)(c) of the Public Finance Management Act to the Provincial Treasury. Reported information should cover the full infrastructure budget in the department, not only these allocations. • Submission of a performance report on infrastructure spending 30 days after year end in the

	<p>format determined by National Treasury (refer to Division of Revenue Bill 2013, (Bill nr. 1 of 2013) section 11(4)(a) and (b)).</p> <ul style="list-style-type: none"> Any earmarked allocation or a portion thereof, which is not spent at the end of the financial year, must revert back to Provincial Revenue Fund (PRF). Unspent funds must be surrendered to the Provincial Treasury by 31 May each year or any other date as determined by Provincial Treasury.
Reason not incorporated in equitable share	<ul style="list-style-type: none"> These allocations ensure that department gives priority to infrastructure maintenance, rehabilitation, upgrading, construction, support and accelerated and shared growth initiatives in line with Government priorities.
Monitoring mechanisms	<ul style="list-style-type: none"> Department are required to submit detailed monthly and quarterly reports which capture the full details of the projects including the allocation for the year, capacity to deliver, the expenditure for the period in question and on outputs achieved. Department should conduct regular site visits to revenue projects together with Provincial Treasury. Provincial Treasury reserves the right to withhold or suspend departmental allocations in cases where department fail to adhere to conditions.
Projected life	<ul style="list-style-type: none"> To be reviewed every year
MTEF allocation	<ul style="list-style-type: none"> IEA: 2013/14: R14.852 million; 2014/15: R16.660 million; 2015/16: R16.490 million
Process for approval of 2013/14 business plans	<ul style="list-style-type: none"> U-Amp are drafted according to prescribed format Draft U-Amp for department that is targeted by the allocation is submitted to Provincial Treasury by 31 August 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. Provincial Treasury reviews plans and give feedback to department: 31 October 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. Final approval of provincial U-Amp by Provincial Treasury: 1 April 2014

PROVINCIAL EDUCATION INFRASTRUCTURE GRANT FRAMEWORK	
Transferring Department	National Basic Education (Vote 15)
Strategic Goal	To supplement provinces to fund provincial education infrastructure
Purpose	<ul style="list-style-type: none"> • To help accelerate construction, maintenance, upgrading and rehabilitation of new and existing infrastructure in education • To enhance capacity to deliver infrastructure in education • To address damage to infrastructure caused by floods in January and February 2011
Measurable objectives/ Outputs	<ul style="list-style-type: none"> • Improved service delivery by provincial department as a result of an improved and increased stock of schools infrastructure • Aligned and coordinated approach to infrastructure development at the provincial level • Improved education infrastructure expenditure patterns • Improved response to the rehabilitation of school infrastructure affected by disasters • Improved rates of employment and skills development in the delivery of infrastructure
Outputs	<ul style="list-style-type: none"> • Number of new schools and additional education spaces, education support spaces, administration as well as equipment and furniture • Number of existing school infrastructure upgraded and rehabilitated • Number of new and existing schools maintained • Number of work opportunities created
Priority outcome(s) of government that this grant primarily contributes to	Outcome 1: Improved quality of basic education
Details contained in the business plan	<p>This grant uses an User-Asset Management Plan (U-AMP) which contains the following:</p> <ul style="list-style-type: none"> • Demand and need determination • Education infrastructure improvement priorities and targets • Current performance of education infrastructure • Project portfolio • U-amp improvement plan • Project lists for 2014/15 and 2015/16 • Financial summary • Organisational and support plan
Conditions	<ul style="list-style-type: none"> • Provinces must indicate the number of vacancies and positions filled and report expenditure for all posts funded fully or partially by this conditional allocation. This fund is allocated until 2014/15 financial year • Provinces must report all infrastructure expenditure partially or fully funded by this grant through the Project and Asset Segment in the Standard Chart of Accounts • Provinces must maintain up to date databases of all contracts that are fully or partially funded by this grant that is compliant with the Register of Projects and i-Tender system. Non-compliance with this requirement may result in the withholding of this grant • The flow of the first installment of the grant depends upon receipt of the approved and signed off tabled U-AMPs with prioritised project lists for the 2013 MTEF not later than 10 April 2013 to Department of Basic Education (DBE) and the relevant provincial treasuries • The flow of the second installment depends upon receipt, by DBE, of the approved and signed off: <ul style="list-style-type: none"> - 2012/13 fourth quarter infrastructure reports captured on the Infrastructure Reporting Management (IRM) - National Education Infrastructure Management System (NEIMS) assessment forms for the fourth quarter of 2012/13 financial year not later than 19 April 2013

PROVINCIAL EDUCATION INFRASTRUCTURE GRANT FRAMEWORK

	<ul style="list-style-type: none"> • The flow of the third installment is dependent upon receipt by DBE of the approved and signed off: <ul style="list-style-type: none"> - Draft U-AMP for 2014/15 including the initial list of prioritised projects. The 2014/15 project list must be drawn from the prioritised project list for the MTEF tabled in 2013/14. Changes to the MTEF prioritised list of projects must be motivated to the DBE - Quarterly infrastructure reports for the first quarter of 2013/14 financial year captured on the IRM - NEIMS assessment forms for the first quarter of 2013/14 not later than 26 July 2013 • The flow of the fourth installment is conditional upon the submission of the approved and signed off: <ul style="list-style-type: none"> - Quarterly infrastructure reports for the second quarter of 2013/14 financial year captured on the IRM - NEIMS assessment forms for the second quarter of 2013/14 - Submission of the Infrastructure Programme Management Plan (IPMP) accompanied by the comprehensive maintenance plan to be implemented in 2014/15 financial year not later than 25 October 2013 - Submission to DBE of the implementation plans for schools affected by disasters in the 2011/12 financial year by 6 November 2013 • The flow of the fifth installment is conditional upon the submission of the approved and signed off: <ul style="list-style-type: none"> - Quarterly infrastructure reports for the third quarter of 2013/14 financial year - NEIMS assessment forms for the third quarter of 2013/14. The submission is to be made to DBE not later than 24 January 2014 - The progress reports on the implementation of the programme for the schools affected by disasters in 2011/12 should be submitted to DBE not later than 17 January 2014 • Client department must enter into Service Delivery Agreements (SDAs) with their Implementing Agents. The development or review of the SDA should continue in parallel with the development of the IPMP • Provincial Education Capacity Plans aligned to the Infrastructure Delivery Improvement Plan (IDIP) human resources strategy must be approved by the DBE • All immovable asset management and maintenance responsibilities as prescribed by the Government Immovable Asset Management Act of 2007 (GIAMA) and the Infrastructure Delivery Management Toolkit must be adhered to • Provincial education department (PEDs) must provide school governing bodies with maintenance guidelines to conduct minor maintenance • PEDs must establish and maintain updated immovable asset registers • PEDs must provide all the necessary equipment and furniture in the spaces provided • Minor maintenance function must be budgeted and planned for at the provincial level and carried out through the district offices for non section 21 schools. A monitoring and evaluation tool must be developed by PEDs for maintenance in section 21 schools that receive a budget through the section 21 school's allocation for maintenance • Funds have been added to this grant for the repair of infrastructure damaged by floods in January and February 2011. Provisional allocations have been made for 2013/14 for the same purpose in the provinces listed below. Should the cost of repairing the affected infrastructure exceed the amounts earmarked below provinces may not fund this shortfall out of their remaining allocation of this conditional grant. The following amounts per province must be used for the repair of infrastructure damaged by the natural disaster declared in Government Gazette 33949 and as assessed by the National Disaster Management Centre: - Free State R6 million -
Allocation criteria	<ul style="list-style-type: none"> • Allocations for 2013/14 are based on historical division within the previous infrastructure grant for provinces • Allocation criteria for 2014/15 will change as new allocation criteria will be developed during 2013/14 and therefore the allocations for 2014/15 and 2015/16 are subject to revision
Reason not	<ul style="list-style-type: none"> • Funding infrastructure through a conditional grant enables the national department to ensure the delivery

PROVINCIAL EDUCATION INFRASTRUCTURE GRANT FRAMEWORK

Incorporated in equitable share	and maintenance of education infrastructure in a coordinated and efficient manner and consistent with national norms and standards for school building
Past performance	<p>2011/12 audited financial outcomes (2011/12 Annual Report)</p> <ul style="list-style-type: none"> • A total of R425.256 million was allocated which consist of the main allocation of R418.776 million and a additional R6.480 million was allocated for schools affected by disasters. • An amount of R420.881 million (99%) was spend at the end of 2011/12 on the grant
	<p>2011/12 service delivery performance (2011/12 Annual Report)</p> <ul style="list-style-type: none"> • 6 Special schools upgraded; 1 unacceptable structures/schools upgraded; 18 schools renovated; 9 of hostels upgraded/renovated; 29 schools provided with fences; 31 schools provided with mobile units
Projected life	<ul style="list-style-type: none"> • Education is a key government priority and given the need to continually maintain school infrastructure and ensure that norms and standards are maintained the grant will remain in place until at least the end of the 2013 MTEF
MTEF allocation	<ul style="list-style-type: none"> • Grant, of which <ul style="list-style-type: none"> - Infrastructure: R460.931 million (2013/14), R562.856 million (2014/15) & R804.746 million (2015/16) - Capacity, IDMS post (Compensation) – R8.00 million (2013/14), R10.000 million (2014/15) • Equitable Share supplement <ul style="list-style-type: none"> - R34.315 million (2013/14), R27.877 million (2014/15) & R18.426 million (2015/16)
Payment schedule	<ul style="list-style-type: none"> • 12.5 per cent: 19 April 2013, 12.5 per cent: 24 May 2013, 25 per cent: 23 August 2013, 25 per cent: 8 November 2013, and 25 per cent: 31 January 2014
Responsibilities of the transferring national officer	<p>Responsibilities of the national department</p> <ul style="list-style-type: none"> • DBE will visit selected infrastructure sites in provinces • DBE and National Treasury will support provinces to improve infrastructure delivery capacity and systems • DBE must provide guidance to provinces in planning and prioritisation and evaluate Infrastructure Plans and prioritised projects that provinces develop and submit • DBE to report on quarterly performance on infrastructure delivery to the Council of Education Ministers (CEM) and to National Treasury • Submit quarterly performance reports to National Treasury and National Council of Provinces within 45 days after the end of each quarter
Responsibilities of the and receiving officer in provincial department	<p>Responsibilities of the provincial department</p> <ul style="list-style-type: none"> • Provincial department must establish committees with the relevant implementing agents and hold monthly meetings that are minuted to review progress on the IPMP and Infrastructure Programme Implementation Plans (IPIP). Consult with the relevant municipality on the development of the Integrated Development Plans (IDPs) to ensure integrated planning of basic services and school sporting facilities • Compile and submit comprehensive projects progress report to DBE, Provincial Treasury and National Treasury • PEDs must table infrastructure plans together with draft strategic and annual performance plans • PEDs must submit to DBE and National Treasury prior to 3 September 2013 or another day • agreed in writing by DBE and National Treasury, approved organisational structures which are in compliance with any directives by the Minister for the Public Service and Administration relevant to infrastructure delivery in the sector
Process for approval of 2014/15 business plans	<ul style="list-style-type: none"> • Submission of draft U-AMPs and prioritised list of projects for 2014/15 by PEDs to DBE by 26 July 2013, or a later date as may be determined by DBE • Submission of IPMPs for 2014/15 by client department to implementing agents by 3 September 2013 • Implementing department(s) or agent(s) must submit the IPIP for 2014/15 to client department by 29 November 2013 • Submission of progress report on implementation of programme for schools affected by disaster by 17 January 2014

Expanded Public Works Programme (EPWP)	
Transferring Department	National Public Works (Vote 7)
Receiving Department	Education
Strategic goal	To provide Expanded Public Works Programme (EPWP) funding to expand job creation efforts in specific focus areas, where labour intensive delivery methods can be maximised
Purpose	To incentivise provincial department to expand work creation efforts through the use of labour intensive delivery methods in the following identified focus areas, in compliance with the EPWP guidelines: <ul style="list-style-type: none"> • School maintenance and the maintenance of education buildings • Other economic and social infrastructure
Outcome statements	<ul style="list-style-type: none"> • Improved quality of life of poor people and increased social stability through engaging the previously unemployed in paid and productive activities • Reduced levels of poverty • Contribute towards increased levels of employment • Improved opportunities for sustainable work through experience and learning gained
Measurable objectives/ Outputs	<ul style="list-style-type: none"> • Increased number of people employed and receiving income through the EPWP • Increased average duration of the work opportunities created
Priority outcome(s) of government that this grant primarily contributes to	Outcome 4: Decent employment through inclusive economic growth
Details contained in the business plan	The grant uses a national implementation plan which outlines the following: <ul style="list-style-type: none"> • planned EPWP projects per sector and per province (including the project budgets, planned outputs and full-time equivalent jobs target) • coordinating and/or governance structures that will support implementation
Conditions	<ul style="list-style-type: none"> • Eligible provincial department must submit a final EPWP project list to the national Department of Public Works (DPW) by 30 April 2013 • EPWP projects must comply with the project selection criteria determined in the EPWP grant manual, the EPWP guidelines set by DPW and the ministerial determination • Eligible provincial department must sign a funding agreement, with their final EPWP project list attached, with the DPW before the first grant disbursement • Provincial department must report quarterly on all EPWP projects via DPW's EPWP reporting system Reports must be loaded on the EPWP reporting system within 22 days of the end of every quarter in order for progress to be assessed • Provincial department must maintain beneficiary and payroll records as specified in the audit requirements in the EPWP grant manual • The EPWP grant cannot be used for departmental personnel costs; however, a maximum of 5 per cent of the grant can be used to fund contract based capacity required to manage data capturing and on-site

Expanded Public Works Programme (EPWP)	
	<p>management costs related to the use of labour intensive methods</p> <ul style="list-style-type: none"> • The EPWP grant can only be utilised for EPWP purposes, for the projects approved in each provincial department's EPWP project list • To receive the first planned grant disbursement, eligible provincial department must: <ul style="list-style-type: none"> - Submit a final EPWP project list by 30 April 2013 - Sign a grant agreement with DPW before the first grant disbursement • Subsequent grant disbursements are conditional upon eligible provincial department: <ul style="list-style-type: none"> - Reporting on EPWP performance quarterly within the required timeframes - Implementing their approved EPWP project list as planned towards the agreed job creation targets To
Allocation criteria	<ul style="list-style-type: none"> • To be eligible for an EPWP grant allocation in the 2013/14, a provincial department must have reported EPWP performance (in either the infrastructure or environment and culture sector) by 22 October 2012 • The EPWP grant allocations are based on: EPWP performance in the past 18 months; the potential of provincial department to create work with their baseline budgets; the need for EPWP work in an area indicated by levels of unemployment, poverty and service backlogs; and a capacity allocation to support provincial department to meet the EPWP reporting requirements
Reason not incorporated in equitable share	<ul style="list-style-type: none"> • This grant is intended to fund expansion in specific focus areas as well as incentivise increased EPWP performance. The grant is based on performance, the potential to expand and the need for EPWP work in key geographic regions
Past performance	<p>2011/12 audited financial outcomes</p> <ul style="list-style-type: none"> • The department only received funding in 2012/13
Projected life	<ul style="list-style-type: none"> • Grant scheduled to continue until the end of the 2013/14 financial year, subject to review. The allocations for 2014/15 and 2015/16 are provisional and subject to cabinet's decision on the continuation of the programme beyond 2014
MTEF allocation	<p>Three installments per annum (15 May 2013, 15 August 2013 and 15 November 2013)</p> <ul style="list-style-type: none"> • 40 per cent of the allocation will be disbursed on 15 May 2013 • A further two payments of 30 per cent each are planned for 15 August 2013 and 15 November 2013
Responsibilities of the transferring national officer	<p>Responsibilities of the national department</p> <ul style="list-style-type: none"> • Determine eligibility and set grant allocations and FTE targets for eligible provincial department • Publish on the EPWP website all documents relevant for provincial department to understand and implement the grant, including a grant manual, the relevant EPWP guidelines and the ministerial determination • Support provincial department, in the manner agreed to in the funding agreement to: identify suitable EPWP projects, develop EPWP project lists in accordance with the EPWP project selection criteria, apply the EPWP project selection criteria and EPWP guidelines to project design, report using the EPWP reporting system • Monitor the performance and spending of provincial department and assess progress towards implementing their EPWP project lists • Disburse the grant to eligible provinces • Report quarterly to National Treasury on progress against FTE targets and spending against the grant allocation • Conduct data quality assessments on a continuous basis to support good governance and identify areas for administrative improvement • Manage the EPWP coordinating structures to support implementation, identify blockages and facilitate innovative solutions • Support the sector to collect the required data, align monitoring and reporting frameworks and to report on key outputs on the EPWP web-based system

Expanded Public Works Programme (EPWP)	
Responsibilities of the and receiving officer in provincial department	Responsibilities of the provincial department <ul style="list-style-type: none"> • Sign the standard funding agreement with DPW agreeing to comply with the conditions of the grant before receiving any grant disbursement • Agree on the areas requiring technical support from DPW upon signing the grant agreement • Report on all EPWP projects into the EPWP reporting system and update progress quarterly in accordance with the reporting requirements and timelines stipulated in the grant agreement • Provincial department must maintain beneficiary and payroll records as specified in the audit requirements in the EPWP grant manual, and make these available to DPW for data quality assessment tests
Process for approval of 2013/14 business plans	<ul style="list-style-type: none"> • Provincial department must report on performance of EPWP projects for the 2012/13 financial year by 22 April 2013; or report on second quarter 2013/14 performance by 22 October 2013 to be eligible for a grant allocation • Provincial department must submit draft 2014 EPWP project lists to DPW by the end of April 2014 • Eligible provincial department must sign the standard funding agreement with an approved 2014 EPWP project list by the end of April 2014

PROVINCIAL NOTICE

[No. 35 of 2013]

FREE STATE PROVINCIAL TREASURY

DIVISION OF REVENUE ACT, 2013: BUDGET ALLOCATION FOR PROVINCIAL HEALTH INFRASTRUCTURE

The receiving officer of the Department of Health, hereby publish, in terms of section 13(1)(a) of the Division of Revenue Act, 2013, the allocation for all the projects funded for the building of Health infrastructure. These allocations are in line with the Appropriation Act, 2013 (Act No. 1 of 2013).

The project list for building of health infrastructure is set out in **Schedule A** (Infrastructure Enhancement Allocation), **Schedule B** (Health Facility Revitalisation Grant) and **Schedule C** (EPWP).

Schedule 5A: Specific – Purpose Allocations to Provinces

**PROVINCIAL ALLOCATIONS TO HEALTH IN TERMS OF INFRASTRUCTURE – HEALTH
INFRASTRUCTURE CONSTRUCTION AND MAINTENANCE**

The following table relates to the allocation of a portion of the Health allocation earmarked for health infrastructure delivery, of which the conditions are set out in Appendix A.

Transferring department	Type of Allocation	Name of Allocation	Purpose	Column A	Column B	
				2013/14	Forward Estimates	
					2014/15	2015/16
Provincial Treasury	General Infrastructure Allocation to Health	Infrastructure Enhancement Allocation (IEA)	To assist in acceleration of construction, maintenance and rehabilitation of new and existing infrastructure	19 800	24 500	24 250
National Department of Health (NDoH)	Health Grant	Health Facility Revitalisation Grant	To help accelerate construction, maintenance, upgrading and rehabilitation of new and existing infrastructure in health including health technology, organisational systems and quality assurance; supplement expenditure on health infrastructure delivered through public-private partnerships; to enhance capacity to deliver infrastructure in health	538 962	554 950	589 840
	Public Works Grant	Expanded Public Works Programme Integrated Grant for Provinces (EPWP)	To incentivise Health to expand work creation efforts through the use of labour intensive delivery methods in terms of hospital maintenance	3 249		
TOTAL INFRASTRUCTURE ALLOCATION				562 011	579 450	614 090

Appendix A:

Framework for Earmarked allocation to Health

This appendix provides a brief description of the framework for the Infrastructure Allocations earmarked in the 2013 Appropriation Bill (Bill nr 1 of 2013). The following key areas for these allocations are considered:

- Purpose and measurable objectives
- Conditions
- Reason not incorporated in equitable share
- Monitoring mechanisms
- The projected life
- 2013 MTEF allocation
- Review of User Asset Management Plans (U-Amp) for 2013/14
- Project list

The attached framework is not part of the Appropriation Bill, but is published in order to provide more information to Parliament, legislatures, municipal councils, officials in all three spheres of government and the public.

Infrastructure Enhancement Allocation	
Transferring Department	<ul style="list-style-type: none"> • Provincial Treasury
Purpose	<ul style="list-style-type: none"> • Assist in acceleration of maintenance, upgrading and renovation of existing Health infrastructure.
Measurable objectives/ outputs	<ul style="list-style-type: none"> • Number of hospitals, clinics, CHC and laundries maintained, renovated and refurbished in 2013/14. • Progress achieved with regard to upgrading of Bophelo House. • Progress on construction of New Qwa Qwa Laundry.
Conditions	<ul style="list-style-type: none"> • Department is required to submit detailed business plans and or feasibility studies prior to the implementation of the project/programme where applicable. • The Infrastructure Enhancement Allocation must only be utilized for infrastructure purposes, for the projects approved in the provincial department's project list. • In instances where department has utilized these funds for purposes other than stipulated in this framework and failed to Inform the Provincial Treasury accordingly, the expenditure will be treated as unauthorized. • Changes to the approved infrastructure list must be signed off by the affected MEC(s) and approval will be granted by the MEC for Finance and the following process must be followed: <ul style="list-style-type: none"> ~ Approved amendment by the accounting officer must be submitted to Provincial Treasury as per SRM circular 1 of 2008. ~ The amendment(s) must be submitted to Provincial Treasury for analysis and creation of changes in SCOA. • Department must conduct site visits together with the Provincial Treasury on quarterly basis. • Department must attend Provincial Infrastructure Progress Review meetings. • Department must report all infrastructure expenditure funded by this grant through Project and Asset Segment in the SCOA. • Department must maintain up to date databases of all contracts that are funded by this grant that is compliant with the Register of Projects and i-Tender system. Non-compliance with this requirement may result in the withholding of funds. • Submission of draft U-Amp, which include organizational support plan for 2014/15 in the prescribed format by 31 July 2013, or any other date as determined by Provincial Treasury. • Submission of quarterly performance reports (financial and physical) to Provincial Treasury within 30 days after the end of each quarter. • Submission of monthly expenditure reports required in terms of section 40(4)(c) of the Public Finance Management Act to Provincial Treasury. • Any unspent funds must be surrendered back to Provincial Treasury by the 31 May each year or any other date as determined by Provincial Treasury.

Schedule 5A: Specific – Purpose Allocations to Provinces

<p>Reason not incorporated in equitable share</p>	<ul style="list-style-type: none"> • The allocation is earmarked for infrastructure enhancement and thus augments allocations from national sphere of government.
<p>Monitoring mechanisms</p>	<ul style="list-style-type: none"> • Department will submit monthly and quarterly reports on spending and physical progress to Provincial Treasury. • Quarterly site visits will be performed by the department and Provincial Treasury to assess progress made. • Provincial Treasury reserves the right to withhold or suspend departmental allocations in cases where department fail to adhere to conditions.
<p>Projected life</p>	<ul style="list-style-type: none"> • To be reviewed every year
<p>MTEF allocation</p>	<ul style="list-style-type: none"> • IEA: 2013/14: R19.800 million; 2014/15: R24.500 million; 2015/16: R24.250 million
<p>Process for approval of 2013/14 business plans</p>	<ul style="list-style-type: none"> • U-Amp are drafted according to prescribed format • Draft U-Amp for department that is targeted by the allocation is submitted to Provincial Treasury by 31 August 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. • Provincial Treasury reviews plans and give feedback to department: 31 October 2013 or a date to be determined by the Provincial Treasury as per provincial budget process. <p>Final approval of provincial U-Amp by Provincial Treasury: 1 April 2014</p>

SCHEDULE A: Infrastructure Enhancement Project List

Infrastructure Enhancement Allocation														
1. New and Replacement Assets														
Name of Project / Programme	District	Municipality	Type of infrastructure	Brief need / proposed outcome	Project duration		Budget Programme	EPWP Budget for current financial year	Total Original Project Cost R'(000)	Professional Fees 2013/14 (R'000)	Construction Fees 2013/14 (R'000)	Medium-term estimates

Health Facility Revitalization Grant	
Transferring department	<ul style="list-style-type: none"> Health (Vote 16)
Strategic goal	<ul style="list-style-type: none"> To enable provinces to plan, manage, maintain and transform health infrastructure in line with national and provincial policy objectives
Grant purpose	<ul style="list-style-type: none"> To help accelerate construction, maintenance, upgrading and rehabilitation of new and existing infrastructure in health including: health technology, organisational design (OD) systems and quality assurance (QA) Supplement expenditure on health infrastructure delivered through public-private partnerships To enhance capacity to deliver health infrastructure The Hospital Revitalisation component funds construction, upgrading or replacement of hospitals The Nursing Colleges and Schools component funds the upgrading of nursing colleges and schools The Health Infrastructure component funds improvements in all health facilities
Outputs	<ul style="list-style-type: none"> Number of health facilities, planned, designed, constructed, equipped, operationalised and maintained
Conditions	<p>The grant has three components: 1) Hospital Revitalisation, 2) Health Infrastructure and 3) Nursing Colleges and Schools</p> <p>Hospital Revitalisation component:</p> <ul style="list-style-type: none"> With the exception of funding for costs incurred for planning, all new projects commencing construction in 2013/14 must have business cases and Project Execution Plans (Project Briefs) approved before funds can be released for such projects All the new projects should follow peer review stages as per prescribed formats incorporated in the Project Implementation Manual (PIM) <p>Nursing Colleges and Schools component:</p> <ul style="list-style-type: none"> With the exception of funding for costs incurred for planning, all new projects commencing construction in 2013/14 must have an IPIP approved before funds can be released for such projects <p>General conditions for all components:</p> <ul style="list-style-type: none"> Provincial Department of Health (PDH) must submit 2013/14 AIP signed-off by the head of department (HOD) by 30 April 2013 to the national Department of Health (DoH) for approval Provinces must implement projects in line with the approved AIP, as guided by PIM The 2013/14 MTEF project list as captured in the IPMP and AIP should comply with the following allocations: <ul style="list-style-type: none"> minimum of 25 per cent of the grant allocation for maintenance of infrastructure minimum of 25 per cent of the grant allocation for rehabilitation, refurbishment and repair, upgrades and additions of infrastructure maximum of 50 per cent of the grant allocation should be allocated for new and replacement infrastructure Province may deviate from these allocation conditions if approval from DoH is obtained by 30 April 2013 Department must submit the organisational structure of their infrastructure unit to DoH and National Treasury within 14 days of the Act taking effect. This structure is subject to the written approval of DoH and review Prior to 30 September 2013, provinces must appoint public servants to their infrastructure units at Head Office or at maintenance hubs/workshops for facilities that are in line with the infrastructure delivery functions of the sector. Up to a maximum of R16 million of this grant may be utilised for compensation and goods and services for the newly appointed staff Provinces must maintain up to date databases (Project Management Information System (PMIS), Infrastructure Reporting Model (IRM) and Register of Projects) of all contracts that are fully or partially funded by this grant, as required by section 13 of the Division of Revenue Act. The utilisation of PMIS is compulsory and must contain the latest project information IRM infrastructure reports should be submitted by the 15th of every month to DoH The quarterly manual reporting should be in place until the PMIS is up and running and it should be submitted to DoH 15 days after the end of each quarter The provinces must convene a monthly Provincial Progress Review Committee with all Implementing Agents (IAs) for monitoring and oversight of the performance of all funded projects The flow of the second instalment depends on the receipt by DoH of fourth quarter infrastructure reports for the 2012/13 financial year captured on the IRM and the Planning IRM by 22 April 2013. These reports must be submitted to both Provincial Treasury and DoH The flow of the third instalment is dependent upon receipt by DoH by 22 July 2013 of the: <ul style="list-style-type: none"> draft 2014/15 U-AMP to be submitted to DoH and relevant Provincial Treasury by 28 June 2013

Schedule 5A: Specific – Purpose Allocations to Provinces

	<ul style="list-style-type: none"> - first draft 2014/15 IPMP including the initial list of prioritised projects captured as well as the first quarter 2013/14 quarterly infrastructure report - signed-off first quarter 2013/14 quarterly infrastructure report captured on IRM and PMIS; and a signed off report from the Construction Industry Development Board (CIDB) register of projects showing at least 50 per cent of contracted projects; and operational maintenance plans, including Health Technology (HT), for every project reaching practical completion stage during quarter 2 - 2014/15 project list, which must be drawn from the prioritised project list for the MTEF tabled in 2013/14. Changes to the MTEF prioritised list of projects must be motivated to DoH • The flow of the fourth instalment is conditional upon the receipt by DoH by 28 October 2013 of the: <ul style="list-style-type: none"> - signed off quarterly infrastructure reports for the second quarter captured on the IRM and the PMIS - operational maintenance plans including HT for every project, excluding maintenance projects, reaching practical completion stage during quarter 3 to DoH and relevant Provincial Treasury • The flow of the fifth instalment is dependent upon receipt by DoH by 20 January 2014 of the: <ul style="list-style-type: none"> - draft IPIPs from the relevant implementing agents for the 2014/15 projects - revised IPMP (second draft) incorporating the realistic cash flows for 2014 MTEF and detailed AIP Annual Implementation Plans for the 2014/15 financial year • In instances where the capacity of the Provincial Public Works Department is deemed insufficient, Provincial Health Department will be entitled to engage alternative Implementing Agents, provided that Supply Chain Management processes as prescribed in the Treasury Regulations for appointment of Service Providers are followed and that the implementing agent is registered in the Public Finance Management Act as a Schedule 2 or 3 entity • Provincial Health department must enter into Service Delivery Agreements (SDAs) with their implementing agents. The development or review of the SDA should continue in parallel with the development of the IPMP and IPIP • Appropriately qualified built environment representatives from the provincial department' Infrastructure Units must assist in the procurement of professional service providers and contractors by its implementing agent, through representation as a member on the Specification, Evaluation and Adjudication Committees of the implementing agent • All PDH must submit a procurement plan as per Infrastructure Delivery Management System (IDMS) for infrastructure compiled by the implementing agent and for health technology projects and submit to Provincial Treasury and DoH by the 22 April 2013 for the 2013/14 financial year • All the new Hospital Revitalisation projects for 2014/15 should follow Peer Review stages as per prescribed formats incorporated in the PIM
<p>Reasons not incorporated in equitable share</p>	<ul style="list-style-type: none"> • Funding infrastructure through a conditional grant enables the national department to ensure the delivery and maintenance of health infrastructure in a coordinated and efficient manner, consistent with national norms, standards and guidelines for health facilities
<p>Past performance</p>	<p>2011/12 audited financial outcomes</p> <ul style="list-style-type: none"> • Hospital Revitalisation component: allocated and transferred R4 554 million (including rollovers). Of the total transferred, R4 194 million (92 per cent) was spent • Health Infrastructure component: Allocated and transferred R1 781 million (including rollovers). Of the total transferred, R1 654 million (93 per cent) was spent • Nursing Colleges and Schools component: no reporting information available as the grant started in 2012/13 <p>2011/12 service delivery performance</p> <ul style="list-style-type: none"> • Hospital Revitalisation component: The following facilities were completed: Germiston hospital; Moses Kotane hospital; Vryburg hospital and Khayelitsha hospital • Health Infrastructure component: A total of 266 projects were completed. These included new facilities, renovations, upgrading, additions and replacements at clinics, Community Health Centres and hospitals • Nursing Colleges and Schools component: no reporting information available as the grant started in 2012/13
<p>Projected life</p>	<ul style="list-style-type: none"> • Health is a key government priority and given the need to continually maintain health infrastructure and ensure that norms and standards are maintained, the grant will remain in place until at least the end of the 2013 MTEF
<p>MTEF allocations</p>	<ul style="list-style-type: none"> • HFRG: 2013/14: R538.962 million, 2014/15: R554.950 million and 2015/16: R589.840 million
<p>Responsibilities of the Provincial department (FSDoH)</p>	<p>Responsibilities of the provincial department</p> <ul style="list-style-type: none"> • Provincial Department must establish committees with the relevant IAs and hold monthly meetings (that are minuted) to review progress on the IPMP, IPIP and IDMS • Compile and submit comprehensive project progress reports to DoH, Provincial Treasury and National Treasury

Schedule 5A: Specific – Purpose Allocations to Provinces

	<ul style="list-style-type: none"> • Provinces must submit to DoH monthly and quarterly reports for all projects funded in the 2013/14 financial year in this grant through the PMIS and IRM. The total monthly expenditure on the PMIS and IRM must reconcile to the basic accounting system • Submit reports for each of the three grant components and for the total grant • Submit quarterly performance reports on approved template until such time the PMIS is up and running • PDHs must align infrastructure plans (U-AMP and IPMP) with their respective Service Transformation Plans, Strategic Plans and Annual Performance Plans • All projects in retention must be closed within 12 months of works completion • Adhered to all immovable asset management and maintenance responsibilities as prescribed by the Government Immovable Asset Management Act of 2007 and the Provincial IDMS
<p>Process for approval of the 2014/15 business plans</p>	<ul style="list-style-type: none"> • Submission of draft 2014/15 UAMP to be submitted to DOH by 28 June 2013 • Submission of first draft IPMPs for 2014/15 by PDH to Implementing Agents by 3 September 2013 • Implementing Department(s) or Agent(s) must submit the first draft IPIP for 2014/15 to PDH by 29 November 2013 • Submission of the first draft AIP by 20 January 2014 • Submission of the final IPMP, U-AMP and IPIP for 2014/15 by PDHs to DoH by 28 February 2014 • Submission of final budget allocations for 2014/15 by PDH to IAs by 28 February 2014

Expanded Public Works Programme Integrated Grant for Provinces	
Transferring Department	<ul style="list-style-type: none"> • Public Works (Vote 7)
Receiving Department	<ul style="list-style-type: none"> • Health
Purpose	<ul style="list-style-type: none"> • To incentivize Health to expand work creation efforts through the use of labour intensive delivery methods in the following identified focus areas, in compliance with the EPWP guidelines: <ul style="list-style-type: none"> ✓ Maintenance of buildings ✓ Other economic and social infrastructure ✓ Sustainable land based livelihoods
Measurable objectives/ outputs	<ul style="list-style-type: none"> • Increased number of people employed and receiving income through the EPWP • Increased average duration of the work opportunities created
Conditions	<ul style="list-style-type: none"> • Eligible provincial department must submit a final EPWP project list to the national Department of Public Works (DPW) by 30 April 2013 • EPWP projects must comply with the project selection criteria determined in the EPWP grant manual, the EPWP guidelines set by DPW and the ministerial determination • Eligible provincial department must sign a funding agreement, with their final EPWP project list attached, with the DPW before the first grant disbursement • Provincial department must report quarterly on all EPWP projects via DPW's EPWP reporting system • Reports must be loaded on the EPWP reporting system within 22 days of the end of every quarter in order for progress to be assessed • Provincial department must maintain beneficiary and payroll records as specified in the audit requirements in the EPWP grant manual • The EPWP grant cannot be used for departmental personnel costs; however, a maximum of 5 per cent of the grant can be used to fund contract based capacity required to manage data capturing and on-site management costs related to the use of labour intensive methods • The EPWP grant can only be utilised for EPWP purposes, for the projects approved in each provincial department's EPWP project list • To receive the first planned grant disbursement, eligible provincial department must: <ul style="list-style-type: none"> ✓ submit a final EPWP project list by 30 April 2013 ✓ sign a grant agreement with DPW before the first grant disbursement • Subsequent grant disbursements are conditional upon eligible provincial department: <ul style="list-style-type: none"> ✓ reporting on EPWP performance quarterly within the required timeframes ✓ implementing their approved EPWP project list as planned towards the agreed job creation targets
Reason not incorporated in equitable share	<ul style="list-style-type: none"> • This grant is intended to fund expansion in specific focus areas as well as incentivise increased EPWP performance. The grant is based on performance, the potential to expand and the need for EPWP work in key geographic regions
Past performance	<p>2011/12 audited financial outcomes</p> <ul style="list-style-type: none"> • No incentive was given to the department 2011/12 financial years.

Schedule 5A: Specific – Purpose Allocations to Provinces

	<p>2011/12 service delivery performance</p> <ul style="list-style-type: none"> No work opportunities were reported by provincial department and no full time equivalent (FTE) jobs were reported by department (reason for not qualifying for the incentive)
Projected life	Grant scheduled to continue until the end of the 2013/14 financial year, subject to review. The allocations for 2014/15 and 2015/16 are provisional and subject to cabinet's decision on the continuation of the programme beyond 2014
MTEF allocation	<ul style="list-style-type: none"> EPWP: 2013/14: R3.249 million;
Payment schedule	<p>Three instalments per annum (15 May 2013, 15 August 2013 and 15 November 2013)</p> <ul style="list-style-type: none"> ✓ 40 per cent of the allocation will be disbursed on 15 May 2013 ✓ a further two payments of 30 per cent each are planned for 15 August 2013 and 15 November 2013
Responsibilities of the department (Health)	<ul style="list-style-type: none"> Develop and submit an EPWP project list to the national DPW by 30 April 2013 Sign the standard funding agreement with DPW agreeing to comply with the conditions of the grant before receiving any grant disbursement Agree on the areas requiring technical support from DPW upon signing the grant agreement Report on all EPWP projects into the EPWP reporting system and update progress quarterly in accordance with the reporting requirements and timelines stipulated in the grant agreement Provincial department must maintain beneficiary and payroll records as specified in the audit requirements in the EPWP grant manual, and make these available to DPW for data quality assessment tests
Process for approval of 2013/14 business plans	<ul style="list-style-type: none"> Provincial department must report on performance of EPWP projects for the 2012/13 financial year by 22 April 2013; or report on second quarter 2013/14 performance by 22 October 2013 to be eligible for a grant allocation Provincial department must submit draft 2014 EPWP project lists to DPW by the end of April 2014 Eligible provincial department must sign the standard funding agreement with an approved 2014 EPWP project list by the end of April 2014

SUBSCRIPTION: (OVER THE COUNTER / E-MAIL)

PRICE PER COPY	R 11.70
HALF-YEARLY	R 293.00
YEARLY	R 586.00

Stamps are not accepted

Closing time for acceptance of copy

All advertisements must reach the Officer in Charge of the Provincial Gazette **not later than 16:00, three working days** prior to the publication of the Gazette. Advertisements received after that time will be held over for publication in the issue of the following week, or if desired by the advertiser, will be inserted in the current issue as a "Late Advertisement". In such case the advertisement must be delivered to the Officer in Charge **not later than 08:00 on the Tuesday** preceding the publication of the Gazette and double rate will be charged for that advertisement.

A "Late Advertisement" will not be inserted as such without definite instructions from the advertiser.

Advertisement Rates

Notices required by Law to be inserted in the Provincial Gazette: **R27.90** per centimeter or portion thereof, single column.

Advertisement fees are payable in advance to the Officer in charge of the Provincial Gazette, P.O. Box 517, Bloemfontein, 9300, Tel.: (051) 403 3139.

NUMBERING OF PROVINCIAL GAZETTE

You are hereby informed that the numbering of the Provincial Gazette /Tender Bulletin and notice numbers will from 2010 coincide with the relevant financial year. In other words, the chronological numbering starting from one will commence on or after 1 April of every year.

Printed and published by the Free State Provincial Government

PROVINSIALE KOERANT
(Verskyn elke Vrydag)

Alle korrespondensie, advertensies, ens. moet aan die Beampte Belas met die Provinsiale Koerant, Posbus 517, Bloemfontein, Tel.: No. (051) 403 3139 geadresseer word. Gratis eksemplare van die Provinsiale Koerant of uitknipsels van advertensies word NIE verskaf nie.

Intekengeld (vooruitbetaalbaar)

Die intekengeld vir die Provinsiale Koerant (insluitend alle Buitengewone Provinsiale Koerante) is soos volg:

INTEKENGELD: (POS)

PRYS PER EKSEMPLAAR	R 19.80

Sluitingstyd vir die Aannee van Kopie

Alle advertensies moet die Beampte Belas met die Provinsiale Koerant bereik **nie later nie as 16:00 drie werksdae** voordat die Koerant uitgegee word. Advertensies wat na daardie tyd ontvang word, word oorgehou vir publikasie in die uitgawe van die volgende week, of as die adverteerder dit verlang, sal dit in die Koerant wat op die pers is as 'n "Laat Advertensie" geplaas word. In sulke gevalle moet die advertensie aan die Beampte oorhandig word **nie later nie as 08:00 op die Dinsdag** voordat die Koerant gepubliseer word en dubbeltarief sal vir dié advertensie gevra word.

'n "Laat Advertensie" sal nie sonder definitiewe instruksies van die Adverteerder as sodanige geplaas word nie.

Advertensietariewe

Kennisgewings wat volgens Wet in die Provinsiale Koerant geplaas moet word: **R27.90** per sentimeter of deel daarvan, enkel-kolom.

Advertensiegelde is vooruitbetaalbaar aan die Beampte belas met die Provinsiale Koerant, Posbus 517, Bloemfontein 9300, Tel.: (051) 403 3139.

NOMMERING VAN PROVINSIALE KOERANT

U word hiermee in kennis gestel dat die nommering van die Provinsiale Koerant / Tender Bulletin en kennisgewingnummers vanaf 2010 met die betrokke boekjaar sal ooreenstem. Met ander woorde, die kronologiese nommering beginnende met een, sal op of na 1 April van elke jaar begin.

Gedruk en uitgegee deur die Vrystaatse Provinsiale Regering
