## MEMORANDUM ON THE OBJECTS OF GAUTENG HOUSING BILL, 1998

### 1. Background

- 1.1 The national housing law lays down general principles and provides certainty in regard to the functions of the three spheres of Government in respect of housing development. It also makes provision for the transfer of certain functions, assets and liabilities, and for the establishment of new financing and institutional arrangements within Provincial Governments. The Gauteng Housing Bill seeks to enhance that national law and to make all the necessary provincial legislative arrangements for the implementation of that law .
- 1.2 Housing is a functional area of concurrent national and provincial legislative competence as defined under schedule 4 of the Constitution. In view of the demand for suitable housing and tenure types in the Province, the Provincial Government wishes, through the Gauteng Housing Bill, to create an appropriate legal framework within which to develop and regulate housing in the Province.

### 2. Objectives of the Bill

#### 2.1 Fulfilling national requirements

The Bill aims to set in place all the legislative provisions required for the implementation of the Housing Act, No. 107 of 1997 including the establishment of a provincial housing fund, the establishment of appropriate institutional arrangements to replace the Provincial Housing Board established under the Housing Arrangements Act, No. 155 of 1993, and the establishment of procedures for the accreditation of local authorities.

#### 2.2 Institutional arrangements

Section 8(13) of the Housing Act provides that any Provincial Housing Board established under the Housing Arrangements Act, No. 155 of 1993, may be abolished by a law of the relevant

provincial legislature and that that law must provide for the performance of the functions of the PHB under new arrangements. The Gauteng Housing Bill makes provision for the abolition of the Gauteng Provincial Housing Board and the establishment of the Gauteng Provincial Housing Advisory Board, the Gauteng Provincial Housing Consultative Forum, and the Management Committee through which National Housing Programmes will be managed in future.

### **2.3 Establishing a regulatory framework**

The Bill empowers the Member of the Executive Council responsible for Housing to promulgate regulations on all matters, which may be necessary to develop and regulate housing in the Province. Present circumstances necessitate a range of regulatory measures to assist the Provincial Government in fulfilling its housing mandate. Key measures include the promulgation of:-

- procedures for accrediting Local Authorities to, in the first instance, receive transfer of housing assets and liabilities and, in the second instance, adopt functions in regard to national housing programmes;
- regulations to promote the establishment and empowerment of social housing institutions, and to control and monitor the activities of such institutions in the Province;
- regulations to ensure the good management of existing rental housing in the Province , and to promote the delivery of rental and other social housing types through new housing policy;

## MEMORANDUM OOR DIE OOGMERKE VAN DIE GAUTENG BEHUISINGSWETSONTWERP, 1998

### 1. Achtergrond

- 1.1 Die nasionale behuisingswet stel algemene beginsels en bied sekerheid met betrekking tot die funksies van die drie sfere van regering ten opsigte van behuisingsontwikkeling. Dit maak ook voorsiening vir die oordrag van sekere funksies, bates en aanspreeklikhede, en vir die instelling van nuwe finansierings- en institusionele reëlings binne provinsiale regerings. Die Gauteng Behuisingswetsontwerp is daarop gemik om daardie nasionale wet aan te vul en om al die nodige provinsiale wetgewende maatreëls vir die implementering van daardie wet te tref.
- 1.2 Behuising is 'n funksionele gebied van konkurrente nasionale en provinsiale wetgewende bevoegdheid soos omskryf in Bylae 4 van die Grondwet. In die lig van die vraag na geskikte behuising en tipes grondbesit in die Provinsie wil die Provinciale Regering, deur middel van die Gauteng Behuisingswetsontwerp, 'n geskikte wetlike raamwerk skep waarbinne behuising in die Provinsie ontwikkel en gereguleer kan word.

### 2. Oogmerke van die Wetsontwerp

#### 2.1 **Voldoening aan nasionale vereistes**

Die Wetsontwerp is daarop gemik om al die wetgewende bepalings in te stel wat nodig is vir die implementering van die nasionale Behuisingswetsontwerp, Nr 107 van 1997 insluitende die instelling van 'n provinsiale behuisingsfonds, die instelling van geskikte institusionele reëlings vir die vervanging van die Provinciale Behuisingsraad ingestel by die Wet op Behuisingsreëlings, Nr 155 van 1993, en die instelling van procedures vir die akkreditering van plaaslike owerhede.

#### 2.2 **Institusionele reëlings**

Artikel 8(13) van die Behuisingswetsontwerp bepaal dat enige provinsiale behuisingsraad ingestel ingevolge die Wet op Behuisingsreëlings, Nr 155 van 1993, afgeskaf kan word by 'n wet van die betrokke provinsiale wetgewer en dat daardie wet voorsiening moet maak vir die funksies van die PBR onder nuwe reëlings. Die Gauteng Behuisingswetsontwerp maak voorsiening vir die afskaffing van die Gauteng Behuisingsraad en die instelling van die Gauteng Provinciale Behuisingsadviesraad, die Gauteng Provinciale Raadplegende Behuisingsforum en die Bestuurskomitee, waardeur nasionale behuisingsprogramme in die toekoms bestuur sal word.

#### 2.3 **Instelling van 'n reguleringsraamwerk**

Die Wetsontwerp stel die Lid van die Uitvoerende Raad verantwoordelik vir behuising in staat om regulasies uit te vaardig oor alle aangeleenthede wat nodig kan wees om behuising in die Provinsie te ontwikkel en te reguleer. Huidige omstandighede vereis 'n verskeidenheid reguleringsmaatreëls om die Provinciale Regering by te staan om sy behuisingsmandaat ten uitvoer te bring. Sleutelmaatreëls sluit in die promulgering van -

- procedures vir die akkreditering van plaaslike owerhede om, in die eerste plek, die oordrag van behuisingsbates en -aanspreeklikhede te ontvang en, in die tweede plek, funksies met betrekking tot nasionale behuisingsprogramme aan te neem;
- regulasies om die instelling en bermagtiging van maatskaplike behuisingsinstellings te bevorder, en om die bedrywighede van sulke instellings in die Provinse te beheer en te moniteer;
- regulasies om die goeie bestuur van bestaande huurbewoning in die Provinse te verseker, en om die lewering van huur- en ander tipes maatskaplike bewoning te bevorder deur nuwe behuisingsbeleid;
- regulasies met betrekking tot sekerheid van titel; en
