NOTICE 5810 OF 2001

NOTICE OF INTENTION TO CLOSE PUBLIC PRE-PRIMARY SCHOOLS IN GAUTENG

1 After a lengthy consultation process with the Gauteng Education and Training Council and other stakeholders in early childhood development (ECD), including pre-primary school governing bodies and their associations, the Gauteng ECD policy has been finalised and is in effect.

2 The ECD policy contemplates the closure of existing public pre-primary schools as a prerequisite for the successful transformation of the entire ECD sector in Gauteng.

3 In accordance with this policy, I, Ignatius Jacobs, Member of the Executive Council for Education, hereby give notice of my intention to close the public pre-primary schools listed in the Schedule to this notice on 31 December 2001.

4 The reasons for my intention to close the schools are as follows:

4.1 The existing public pre-primary model is not appropriate for all children in Gauteng and is not replicable for all;

4.2 The public pre-primary schools in the province are located in historically advantaged suburbs and therefore are not accessible to all;

4.3 The schools were inherited from the former Transvaal Education Department (TED) and originally served only white children. While the schools now enrol children of all races they still serve only a small minority of pre-school children in Gauteng. The vast majority of children have no access to ECD services at all;

4.4 Gauteng at present has approximately 1 million children under the age of six, whereas public pre-primary schools in the province have never served more than approximately twelve thousand children at any given time;

4.5 The provincial government cannot justify these provisioning imbalances within the ECD sector;

4.6 The budgeted salary for the ECD sector in the province annually stands at approximately R48 million, which could be used to reach out to more needy children in the form of subsidies to ECD services.

5 The ECD policy contemplates a number of reconstruction options for former public pre-primary schools after closure. These options are:

5.1 **Establishment as a public primary school**

The former public pre-primary school can be established as a public primary school;

5.2 **Transfer to existing public primary school**

The buildings and facilities of the former public pre-primary schools can be transferred to an existing public primary school;

5.3 **Privatisation**

The buildings and facilities of the former public pre-primary schools can be leased for purposes of the provisioning of private ECD services;

5.4 **Closure without another option**

In the event that none of the above options are preferred, the building and facilities of the former public pre-primary school will be made available to the district manager for any other required educational use.

6 I hereby invite affected school governing bodies, communities and any other interested persons to make written representations to me regarding my intention to close the schools. Written representations should be forwarded to me at the following address within 30 days of this notice:

Member of the Executive Council for Education

Gauteng Province

Mr Ignatius Jacobs

7 Officials of the Gauteng Education Department have already engaged individually with public pre-primary schools in the province regarding their preferred reconstruction options in the event that their schools should be closed. Written representations should indicate preferred reconstruction options in the event that I should decide to close the schools.

8 I also invite:

KENNISGEWING 5810 VAN 2001

KENNISGEWING VAN DIE VOORNEME OM OPENBARE PREPRIMÊRE SKOLE IN GAUTENG TE SLUIT

1. Na afloop van 'n lang raadplegingsproses met die Gautengse Onderwys- en Opleidingsraad en ander belanghebbendes by vroeëkinderontwikkeling ("Early Childhood Development" oftewel ECD), insluitende die beheerliggame van preprimêre skole en hulle verenigings, is Gauteng se beleid ten opsigte van vroeëkinderontwikkeling gefinaliseer en van krag.

2. Die ECD-beleid beoog die sluiting van bestaande openbare preprimêre skole as 'n voorvereiste vir die suksesvolle transformasie van die hele ECD-sektor in Gauteng.

3. In ooreenstemming met hierdie beleid, gee ek, Ignatius Jacobs, Lid van die Uitvoerende Raad belas met Onderwys, hiermee kennis van my voorneme om die openbare preprimêre skole in Gauteng wat in hierdie Bylae ingesluit is op 31 Desember 2001 te sluit.

4. Die redes vir my voorneme om die skole te sluit is soos volg:

   4.1 Die bestaande openbare preprimêre-model is nie vir alle kinders in Gauteng geskik nie en dieselfde model kan ook nie vir almal net so herhaal word nie.

   4.2 Die openbare preprimêre skole in die provinsie is geleë in histories bevoordeelde voorstede en is derhalwe nie vir almal toeganklik nie.

   4.3 Die skole is van die voormalige Transvaalse Onderwysdepartement (TOD) geërf en het oorspronklik slegs aan wit kinders diens gelewer. Terwyl die skole nou kinders van alle rasse inskryf, lewer hulle steeds slegs diens aan 'n klein minderheid voorskoolse kinders in Gauteng. Die oorgrote meerderheid kinders het hoegenaamd geen toegang tot ECD-dienste nie.

   4.4 Gauteng het tans ongeveer 1 miljoen kinders onder die ouderdom van ses jaar, terwyl openbare preprimêre skole in die provinsie nooit op enige gegewe tydstip aan meer as ongeveer twaalfduisend kinders diens gelewer het nie.

   4.5 Die provinsiale regering kan nie hierdie wanbalans in voorsiening in die ECD-sektor regverdig nie.

   4.6 Die bedrag wat vir salarisse in die ECD-sektor in die provinsie begroot word, is jaarliks ongeveer R48 miljoen, wat gebruik sou kon word om na

meer behoeftige kinders uit te reik in die vorm van subsidies aan ECD-dienste.

5. Die ECD-beleid beoog 'n aantal opsies vir die voormalige openbare preprimêre skole na die sluiting daarvan. Hierdie opsies is die volgende:

5.1 Vestiging daarvan as 'n openbare primêre skool

Die voormalige openbare preprimêre skool kan as 'n openbare primêre skool gevestig word.

5.2 Oorplasing daarvan na 'n bestaande openbare primêre skool

Die geboue en fasiliteite van die voormalige openbare preprimêre skole kan na 'n bestaande openbare primêre skool oorgeplaas word.

5.3 Privatisering

Die geboue en fasiliteite van die voormalige openbare preprimêre skole kan verhuur word vir die doeleindes van die voorsiening van private ECD-dienste.

5.4 Sluiting sonder enige ander opsie

In die geval waar geeneen van die bogenoemde opsies verkies word nie, sal die gebou en fasiliteite van die voormalige openbare preprimêre skool aan die distriksbestuurder beskikbaar gestel word vir enige ander verlangde opvoedkundige gebruik.

6. Ek rig hiermee 'n uitnodiging aan die beheerliggame van openbare preprimêre skole wat daardeur geraak word, gemeenskappe wat deur hierdie skole gedien word en enige ander belangstellende persone om skriftelike voorleggings aan my te rig met betrekking tot my voorneme om hierdie skole te sluit. Skriftelike voorleggings moet binne 30 dae na hierdie kennisgewing aan die volgende adres gerig word:

Lid van die Uitvoerende Raad belas met Onderwys
Gauteng-provinsie
Mnr. Ignatius Jacobs

FAKS: (011) 355-0542

7. Beamptes van die Gautengse Departement van Onderwys het ook reeds individueel met openbare preprimêre skole in die provinsie gesprek gevoer met betrekking tot hulle voorkeur ten opsigte van herkonstruksie-opsies in die geval waar hulle skole gesluit sou word. Skriftelike voorleggings moet die voorkeur ten opsigte van herkonstruksie-opsies aandui in 'n geval waar ek sou besluit om die skole te sluit.

8. Ek rig ook 'n uitnodiging aan:

8.1 die beheerliggame van die openbare preprimêre skole wat daardeur geraak word om 'n vergadering by te woon ten einde my voorneme om die skole te sluit te bespreek, en om voorleggings te maak. Besonderhede ten opsigte van dié vergadering is soos volg:
