NOTICE 7468 OF 2001

NOTICE IN TERMS OF THE SCHOOL EDUCATION ACT, No. 6 OF 1995

NOTICE OF CLOSURE OF PUBLIC PRE-PRIMARY SCHOOLS IN GAUTENG

I, Ignatius Patrick Jacobs, Member of the Executive Council for Education, Gauteng Province, hereby declare that the public pre-primary schools listed in the Schedule shall be closed with effect from 31 January 2002.

The reasons for the closure are the following:

(i) The existing public pre-primary model is not appropriate for all children in Gauteng and is not replicable for all.

(ii) The public pre-primary schools in the province are located in historically advantaged suburbs and therefore are not accessible to all.

(iii) The schools were inherited from the former Transvaal Education Department (TED) and originally served only white children. While the schools now enrol children of all races they still serve only a small minority of pre-school children in Gauteng. The vast majority of children have no access to ECD services at all.

(iv) Gauteng at present has approximately 1 million children under the age of 6, whereas pre-primary schools in the province have never served more than approximately 12 000 children at any given time.

(v) The provincial government cannot justify these provisioning imbalances within the ECD sector.

(vi) The budgeted salary for the ECD sector in the province annually stands at approximately R48 million, which could be used to reach out to more needy children in the form of subsidies to ECD services.

The governing body of any public pe-primary school which is aggrieved by this declaration may within 30 days after receiving notice of it, appeal to the Executive Council, in writing, setting out the grounds of the appeal.

The Gauteng Department of Education will, as soon as reasonably practicable interact with the governing bodies of those public primary schools who have indicated that they wish to opt for the privatisation reconstruction option following closure.

I P JACOBS
Member of the Executive Council for Education
