Such amount shall be determined as prescribed in the above-mentioned regulations.

## 1.4 Disposal of existing conditions of title

All erven shall be made subject to existing conditions and servitudes, if any, including the reservation of mineral rights, but excluding condition 2 referring to the perpetual right of way servitude in favour of the Village Council of Bedfordview, which does not affect the township.

## 1.5 Removal of litter

The township owner shall, at his own expense cause all litter within the township area to be removed to the satisfaction of the City Council.

## 1.6 Access

Access to all erven in the township shall be provided to the satisfaction of the Local Authority.

## 1.7 Acceptance and disposal of stormwater

The township owner shall arrange for the drainage of the township to fit in with that of Bedfordview Extensions 421 & 235 Townships and for all the stormwater running off or being diverted from the road to be received and disposed of.

## 1.8 Removal or replacement of municipal services

1.8.1 If, for some reason due to the establishment of the township, it should become necessary to remove or replace any existing municipal services, the cost thereof shall be borne by the township owner.

1.8.2 All municipal services that cross the common boundaries between the erven shall be removed and relocated by, and at the cost of township owner, as and when required by the City Council.

## 1.9 Demolition of buildings or structures

1.9.1 The township owner shall at his own expense cause all existing buildings and structures situated within the building line reserves, side spaces, and road reserves or over the common boundaries to be demolished.

1.9.2 The township owner shall at his own expense cause all buildings on the erf that are not to be demolished to comply with the Bedfordview Town Planning Scheme, 1995, as well as the National Building Regulations, to the satisfaction of the City Council. The township owner shall at his own expense cause all buildings, which do not conform to either the Town Planning Scheme or the National Building Regulations to be demolished to the satisfaction of the City Council.

1.9.3 The township owner shall at his own expense draw up and submit acceptable building plans to the City Council, for approval in terms of the provisions of the National Building Regulations, for all buildings on the erf for which no building plans have been approved by the City Council. The township owner shall at his own expense alter the buildings to comply with the approved building plans to the satisfaction of the City Council.

1.10 Engineering services

1.10.1 The township owner is responsible for making the necessary arrangements for the provision of all engineering services and payment of external contributions in terms of the provisions of the Town Planning and Townships Ordinance, 1986 (Ordinance 15 of 1986).

1.10.2 All existing municipal services on the erven within the township shall be protected by means of suitable servitudes to the satisfaction of the Council, registered in favour of the Council, as and when required by the Council, by the owner at his own expense.

2. CONDITIONS OF TITLE

2.1 All erven are subject to a servitude, 2 metres wide, in favour of the City Council, for sewerage and other municipal purposes, and in the case of a panhandle Erf, an additional servitude for municipal purposes 2 metres wide across the access portion of the Erf, if and when required by the City Council: Provided that the City Council may dispense with any such servitudes.

2.2 No building or other structure shall be erected within the aforesaid servitude area and no large-rooted trees shall be planted within the area of such servitude or within 2 metres therefrom.

2.3 The City Council shall be entitled to temporarily deposit on the land adjoining the aforesaid servitude, such material as may be excavated by it during the course of the construction; maintenance or removal of such sewerage mains and other works being made good by the City Council.
