LOCAL AUTHORITY NOTICE 1205

DECLARATION AS AN APPROVED TOWNSHIP

In terms of section 103 of the Town Planning and Townships Ordinance, 1986 (Ordinance 15 of 1986), the City of Johannesburg Metropolitan Municipality declares **Alveda Extension 2** to be an approved township subject to the conditions set out in the Schedule hereto.

SCHEDULE

STATEMENT OF THE CONDITIONS UNDER WHICH THE APPLICATION MADE BY THE NEW HOUSING COMPANY (HEREINAFTER REFERRED TO AS THE APPLICANT/TOWNSHIP OWNER) UNDER THE PROVISIONS OF CHAPTER III OF THE TOWN PLANNING AND TOWNSHIPS ORDINANCE, 1986 (ORDINANCE 15 OF 1986), FOR PERMISSION TO ESTABLISH A TOWNSHIP ON PORTIONS 192 AND 198 OF THE FARM OLIFANTSVLEI 327 IQ HAS BEEN GRANTED.

1. CONDITIONS OF ESTABLISHMENT

(1) Name

The name of the township shall be Alveda Extension 2.

(2) Design

The township shall consist of erven and streets as indicated on General Plan S.G. No. 6979/2003.

(3) Provision and installation of services

(a) The township owner shall make the necessary arrangements with the local authority for the provision and installation of water, electricity and sanitation as well as the construction of roads and stormwater drainage in the township, to the satisfaction of the local authority.

(b) The township owner shall submit at its own costs, a detailed sewerage scheme for the township, to the satisfaction of the local authority, for consideration and approval.

(c) The township owner shall, at its own costs, acquire and register, to the satisfaction of Johannesburg Roads Agency (Pty) Ltd and the local authority, servitudes of right of way in favour of the local authority, over Portions 115 and 117 of the farm Olifantsvlei 327 IQ.

(4) Removal or replacement of existing services

Should it as a result of the establishment of the township, be necessary to remove or replace any existing municipal, TELKOM and/or ESKOM services, such removal or replacement shall be done at the costs of the township owner.

(5) Acceptance and disposal of stormwater

The township owner shall arrange for the drainage of the township to fit in with that of the adjacent roads and all stormwater running off or being diverted from the road shall be received and disposed of.

(6) Provincial Government

(a) Should the development of the township not been completed by 10 November 2008, the application shall be resubmitted to the Department of Public Transport, Roads and Works (Gauteng Provincial Government) for reconsideration.

(b) If however, before the expiry date of the mentioned period, circumstances change in such a way that roads and/or PWV routes under the control of the said Department are affected by the proposed layout of the township, the township owner shall resubmit the application for the purpose of fulfilment of the requirements of the controlling authority in terms of the provisions of Section 11 of Act 21 of 1940, as amended.

(c) The township owner shall erect a 1,8m high solid wall along the boundaries of the erven abutting Road K130 and/or PWV 16. The erection of such a wall shall be done to the satisfaction of said Department and/or the local authority and shall be maintained by the registered owner, to the satisfaction of the said department and/or local authority.

(d) The township owner shall be responsible for the costs to provide and erect acoustic screening in the form of noise barriers along the boundaries of the erven abutting Road K130 and/or Road PWV 16.

(7) Access

No access to or egress from the township shall be permitted via Road K130 and/or Road PWV 16 along the lines of no access as indicated on the approved layout plan of the township.

(8) Demolition of buildings and structures

The township owner shall at his own costs cause all existing buildings and structures situated within the building line reserves, side spaces or over common boundaries to be demolished to the satisfaction of the local authority when the local authority requires it.

(9) Disposal of existing Conditions of Title

All erven shall be made subject to existing conditions and servitudes, if any, excluding the following:

- (i) which only affects Erven 38 to 40 and Erf 733:

The perpetual right of way servitude A83/1970 in favour of the City Council of Johannesburg registered in terms of Deed of Servitude 669/1971S.

- (ii) which only affects Erven 39 to 45 and Erven 64 to 66:

The perpetual right of way servitude A80/1970 in favour of the City Council of Johannesburg registered in terms of Deed of Servitude K1923 /1975S.

- (iii) which only affects Erven 66 to 70:

The perpetual right of way servitude A78/1970 in favour of the City Council of Johannesburg registered in terms of Deed of Servitude K1619 /1974S.

- (iv) which only affects Erf 70, Erf 71 and Erven 85 to 88:

The perpetual right of way servitude A81/1970 in favour of the City Council of Johannesburg registered in terms of Deed of Servitude K2224 /1974S.

- (v) which only affects Erven 88 to 92:

The perpetual right of way servitude A82/1970 for sewer services and/or stormwater drains with ancillary rights in favour of the City Council of Johannesburg registered in terms of Deed of Servitude K1577 /1974S.

- (vi) which only affects Erf 733:

Power line servitudes, 22m wide, vide diagram S.G. No. 3384/2004.

(10) Restriction on the transfer of erven

(a) Erf 211 shall not be alienated or transferred to any purchaser, unless a 3m wide servitude for sewer purposes, had been registered over the existing sewer line on the erf, in favour and to the satisfaction of the City of Johannesburg Metropolitan Municipality.

(b) Erf 396 shall not be alienated or transferred to any purchaser other than to the Gauteng Department of Education, without proof being submitted to the local authority that a right of first refusal was granted by the township owner to the said Department, for a period of five years from date of proclamation of the township, at a purchase price that is not higher than that price at which the township owner intends to sell the erf for to the purchaser and that such right of first refusal was declined or not exercised by the said Department.

(c) The erven in the township that are affected by the proposed servitudes of right of way over Portions 115 and 117 of the farm Olifantsvlei 327 IQ, shall not be alienated or transferred unless the servitudes had been registered in favour and to the satisfaction of the local authority and Johannesburg Roads Agency (Pty) Ltd.

(11) Erven for municipal purposes

Erven 707, 730, 731, 732 and 733 shall at the cost of the township owner, be transferred to the local authority for park and/or municipal purposes.

(12) Obligations with regard to services and restriction regarding the alienation of erven

(a) The township owner shall, within such period as the local authority may determine, fulfil his obligations in respect of the provision of water, electricity and sanitary services as well as the construction of roads and stormwater drainage and the installation of systems therefore: Provided that the township owner shall be entitled to phase the development of the township, as agreed upon between the township owner and the local authority.

(b) Erven may not be alienated or be transferred into the name of a purchaser, prior to the local authority certifying that sufficient guarantees/cash contributions in respect of the supply of services by the township owner, have been submitted or paid to the said local authority: Provided that only those erven specified in the certificates to be issued by the local authority to the Registrar of Deeds, may be alienated or transferred as agreed upon between the township owner and the local authority.

2. CONDITIONS OF TITLE

The erven mentioned hereunder shall be subject to the conditions as indicated imposed by the local authority in terms of the provisions of the Town Planning and Townships Ordinance, 1986.

(1) All Erven

(a) Each erf is subject to a servitude, 2 m wide, in favour of the local authority, for sewerage and other municipal purposes, along any two boundaries other than a street boundary and in the case of a panhandle erf, an additional servitude for municipal purposes 2 m wide across the access portion of the erf, if and when required by the local authority: Provided that the local authority may dispense with any such servitude.

(b) No building or other structure shall be erected within the aforesaid servitude area and no large-rooted trees shall be planted within the area of such servitude or within 2 m thereof.

(c) The local authority shall be entitled to deposit temporarily on the land adjoining the aforesaid servitude such material as may be excavated by it during the process of construction, maintenance or removal of such sewerage mains and other works as it, in its discretion may deem necessary and shall further be entitled to reasonable access to the said land for the aforesaid purpose subject to any damage done during the process of the construction, maintenance or removal of such sewerage mains and other works being made good by the local authority.

(2) Erven 14 and 705

The erven are each subject to a 3m wide stormwater servitude in favour of the local authority, as indicated on the General Plan.

(3) Erf 396

The erf shall not be alienated or transferred to any purchaser other than to the Gauteng Department of Education, without the written approval of the local authority first having been obtained. This restriction shall only be applicable to the first transfer of the erf from the township register.

(4) Erf 680

The erf is subject to a 3m wide stormwater servitude in favour of the local authority, as indicated on the General Plan.

(5) Erf 730

No building or structure shall be erected within the 1:50 year floodline as indicated on the approved layout plan of the township. Provided that consent may be granted by the local authority to erect such buildings or structures should the local authority be satisfied that the said portion will no longer be subject to inundation.

(6) Erven 731 and 732

(a) The registered owners of the erven acknowledge that sewer mains of the City of Johannesburg Metropolitan Municipality are situated on the erven. The erven shall not be alienated, transferred, rezoned or sub-divided unless the sewer mains are protected by means of the registration of sewer servitudes in favour of the City of Johannesburg Metropolitan Municipality to the satisfaction of Johannesburg Water (Pty) Ltd.

(b) No building or structure shall be erected within the 1:50 year floodline as indicated on the approved layout plan of the township. Provided that consent may be granted by the local authority to erect such buildings or structures should the local authority be satisfied that the said portions will no longer be subject to inundation.

(7) Erf 733

(a) The registered owner of the erf acknowledges that a sewer main of the City of Johannesburg Metropolitan Municipality is situated on the erf. The erf shall not be alienated, transferred, rezoned or sub-divided unless the sewer is protected by means of the registration of a servitude in favour of the City of Johannesburg Metropolitan Municipality to the satisfaction of Johannesburg Water (Pty) Ltd.

(b) No building or structure shall be erected within the 1:50 year floodline as indicated on the layout plan of the township. Provided that consent may be granted by the local authority to erect such buildings or structures should the local authority be satisfied that the said portion will no longer be subject to inundation.

(c) The local authority shall have the right to use the vacant area of the electrical servitude in favour of ESKOM, for purposes of reinforcing the electricity network for the township.
