GENERAL NOTICE

NOTICE 1317 OF 2005

CITY OF JOHANNESBURG

Assessment Rates

In terms of Section 10G(7)(e) of the Local government Transition Act, 1993 (Act 209 of 1993) as amended, it is hereby notified that the City has, in terms of Section 11(3)(i) and 75A(1) and (2) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended, read with Section 10(7)(a)(i) and (b)(ii) of the Local Government Transition Act, 1993 (Act 209 of 1993) as amended, amended its Tariffs of Charges for Assessment rates with effect from 1 July 2005

1. That a general rate of 11,32 cents in the Rand be hereby levied in terms of Section 21 of the Local Authorities Rating Ordinance, 1977 ("the Ordinance") read with Section 10G(7)(a)(i) of the Local Government Transition Act 209 of 1993 ("the LGTA"), for the year 1 July 2005 to 30 June 2006 by the City of Johannesburg Metropolitan Municipality (The Council) on the site value of land or on the site value of a right in land within the area of jurisdiction of the Council as appearing in the respective valuation rolls.
2. That the rates so levied in terms of Paragraph 1 above shall become due and payable in twelve equal instalments on fixed days for twelve consecutive months, these being the 12th day of each month.
3. That in terms of the provisions of Section 10G (7)(b)(iii) of LGTA interest be charged on assessment rates not paid on or before the fixed days, at the rate determined by the Council from time to time.
4. That in terms of Section 21(4) of the Ordinance, the Council grants the following rebates on the general rate levied for the financial year 2005/2006 to any owner of rateable property in the following circumstances:
 - 4.1 subject to the Premier granting approval in terms of Section 21(5) of the Ordinance, a rebate of 58% be applicable in respect of such property where it is used for the sole purpose of accommodating not more than two dwelling units, whether contained in one or more buildings, which units are used solely for residential purposes within the area of jurisdiction of the Council;
 - 4.2 subject to the Premier granting approval in terms of Section 21(5) of the Ordinance, a rebate of 58% be applicable in respect of such property where it is used for the sole purpose of accommodating three or more dwelling units which units are separately owned in terms of the Sectional Titles Act 95 of 1986, whether contained in one or more buildings, which units are used solely for residential purposes within the area of jurisdiction of the Council; and
 - 4.3 a rebate of 40% be applicable in respect of property which is used for the sole purpose of accommodating three or more dwelling units, whether contained in one or more buildings, which units are used solely for residential purposes and where the supplying of food or meals is not included in the terms of occupation, irrespective of whether the accommodation provided consists of single rooms, or of dwelling units comprising more than one room, or of both and such dwelling units fall within the area of the jurisdiction of the Council.
5. The definition of residential purposes in respect of Paragraphs 4.1, 4.2 and 4.3 above shall include the practice, subject to the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted.
6. The rebates referred to in paragraphs 4.1, 4.2 and 4.3 above shall not apply to any rateable property consisting of an erf capable of being independently alienated without the consent of the Council which does not accommodate a dwelling unit or room but is used in connection with such dwelling unit or room.
7. That in terms of Section 21(4) of the Ordinance, the Council grants a rebate of 40% from 1 July 2005 to 30 June 2006 in respect of properties which are used for the purpose of accommodating three or more dwelling units, situated within the Inner City Townships listed in Annexure A, irrespective of whether contained in one or more buildings, where a minimum of 80% of the floor space on the property is used for residential accommodation and where the supplying of food or meals is not included in the terms of occupation and irrespective of whether the accommodation provided consists of single rooms or of dwelling units comprising more than one room or of both single rooms and such dwelling units, the remaining 20% component being applied to retail type services to the public; Provided that:
 - 7.1 this mixed-use residential rebate shall only apply upon successful application by a property owner; and
 - 7.2 a qualifying property owner submits an annual application for the renewal of the rebate during May of each calendar year.
8. That in terms of Section 32(1)(b) of the Ordinance and upon application, the Council grants, subject to the approval of the Premier, a remission of 40% to persons in need of assistance who qualify for such remission in terms of the following terms and criteria:
 - 8.1 the applicant is the registered owner of a property who personally occupies such property and who:
 - 8.1.1 is a male, not less than 60 years of age as at 1 July 2005;
 - or
 - 8.1.2 is a female, not less than 60 years of age as at 1 July 2005, or a female less than 60 years of age as at that date but whose husband is not less than 60 years of age as at that date;
 - or
 - 8.1.3 is a person in receipt of a disability allowance from the State;
 - 8.2 the applicant is:
 - 8.2.1 the surviving spouse of the registered owner if such surviving spouse complies with the requirements 8.1.1 to 8.1.3 above and is the occupier of the property in question, provided that the Executor of the deceased registered owner's estate certifies in writing that transfer of the property is due to be given to the applicant.
 - or
 - 8.2.2 the registered usufructuary who is resident on and has beneficial use of the whole of the property, and complies with requirements 8.1.1 to 8.1.3 above.

- 8.3 as at 1 July 2005 and at all times thereafter up to and including the date of application, the property shall have been used for the sole purpose of accommodating not more than two dwelling units which shall have been used solely for residential purposes (including the practice, subject to compliance with the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted); Provided that:
- 8.3.1 should there be two dwelling units on such property and the applicant has occupied only one of them from 1 July 2005 to the date of application (inclusive) solely for residential purposes (including the practice, subject to compliance with the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted), the remission shall be 50% of that allowable in terms of this paragraph.
- 8.3.2 should the property cease to be used during the 2005/2006 financial year for the purpose set out in this paragraph, the whole remission shall lapse and the amount thereof shall forthwith become due and payable by the applicant to the City of Johannesburg.
- 8.4 the improved municipal value of the property shall not exceed R500 000.
- 8.5 an applicant's average gross monthly income from all sources, inclusive of that of his/her spouse, based on the year ending 30 June 2005 shall not exceed R4 500,00
- 8.6 in the case of joint ownership of a property, no remission shall be granted unless every joint owner complies, mutatis mutandis, with the provisions of paragraph 8.1 provided that the provisions of this paragraph shall not apply to married or previously married joint owners, where one of the joint owners complies with the provisions of paragraph 8.1.
- 8.7 in the case of a body corporate no remission shall be granted unless every sectional title holder in the scheme complies, mutatis mutandis, with the provisions of paragraph 8.1.
- 8.8 an application for remission shall be accompanied by an affidavit verifying such particulars as the Council may require, and a person to whom a remission has been granted shall upon request made on behalf of the Council, furnish such further and/or fresh particulars the Council may require from time to time.
9. That, subject to the approval of the Premier, a remission of 40% be granted in terms of section 32(1)(c) of the Ordinance to occupiers of any Council-owned property who comply with the provisions of paragraphs 8.1.1, 8.1.2, 8.1.3, 8.6, and 8.7, which remission shall be calculated after deduction of any rebate contemplated in Paragraph 4 above.
10. That, subject to the approval of the Premier, the Council in terms of Section 32 (1) (c), of the Ordinance, remits in full the assessment rates payable where a domestic property value is less than R20 001 in terms of the valuation roll or a provisional supplementary valuation roll implemented on or after 1 July 2005.
11. That the Council approves that grants-in-aid in respect of properties referred to in Section 32(A)(1) of the Ordinance be continued: Provided that:
- 11.1 the relevant beneficiary organisation proves that it continues to comply with the conditions of the Council applicable to such grants-in-aid; and
- 11.2 applications for grants in aid have been approved in terms of the Council's Social Funding Policy.
12. That, in respect of properties referred to in section 32 A(1) of the Ordinance which do not qualify for a grant-in-aid in terms of the Council's Social Funding Policy referred to in paragraph 11 above, the Council grants a rebate of 58% in terms of Section 21(4) of the Ordinance from 1 July 2005 to 30 June 2006, subject to the approval of the Premier in terms of Section 21(5).
- 13 That, subject to the approval of the Premier, the Council in terms of Section 32(1)(c) of the Ordinance remits in whole the amount levied as rates on land used for the provision of Council administered old-aged housing schemes.
3. That a general rate of cents in the Rand be hereby levied in terms of Section 21 of the Local Authorities Rating Ordinance, 1977 ("the Ordinance") read with Section 10G(7)(a)(i) of the Local Government Transition Act 209 of 1993 ("the LGTA"), for the year 1 July 2005 to 30 June 2006 by the City of Johannesburg Metropolitan Municipality (The Council) on the site value of land or on the site value of a right in land within the area of jurisdiction of the Council as appearing in the respective valuation rolls.
4. That the rates so levied in terms of Paragraph 1 above shall become due and payable in twelve equal instalments on fixed days for twelve consecutive months, these being the 12th day of each month.
- 3 That in terms of the provisions of Section 10G (7)(b)(iii) of LGTA interest becharged on assessment rates not paid on or before the fixed days, at the rate determined by the Council from time to time.
- 4 That in terms of Section 21(4) of the Ordinance, the Council grants the following rebates on the general rate levied for the financial year 2005/2006 to any owner of rateable property in the following circumstances:
- 4.1 subject to the Premier granting approval in terms of Section 21(5) of the Ordinance, a rebate of 58% be applicable in respect of such property where it is used for the sole purpose of accommodating not more than two dwelling units, whether contained in one or more buildings, which units are used solely for residential purposes within the area of jurisdiction of the Council;
- 4.2 subject to the Premier granting approval in terms of Section 21(5) of the Ordinance, a rebate of 58% be applicable in respect of such property where it is used for the sole purpose of accommodating three or more dwelling units which units are separately owned in terms of the Sectional Titles Act 95 of 1986, whether contained in one or more buildings, which units are used solely for residential purposes within the area of jurisdiction of the Council; and
- 4.3 a rebate of 40% be applicable in respect of property which is used for the sole purpose of accommodating three or more dwelling units, whether contained in one or more buildings, which units are used solely for residential purposes and where the supplying of food or meals is not included in the terms of occupation, irrespective of whether the accommodation provided consists of single rooms, or of dwelling units comprising more than one room, or of both and such dwelling units fall within the area of the jurisdiction of the Council.

5. The definition of residential purposes in respect of Paragraphs 4.1, 4.2 and 4.3 above shall include the practice, subject to the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted.
6. The rebates referred to in paragraphs 4.1, 4.2 and 4.3 above shall not apply to any rateable property consisting of an erf capable of being independently alienated without the consent of the Council which does not accommodate a dwelling unit or room but is used in connection with such dwelling unit or room.
7. That in terms of Section 21(4) of the Ordinance, the Council grants a rebate of 40% from 1 July 2005 to 30 June 2006 in respect of properties which are used for the purpose of accommodating three or more dwelling units, situated within the Inner City Townships listed in Annexure A, irrespective of whether contained in one or more buildings, where a minimum of 80% of the floor space on the property is used for residential accommodation and where the supplying of food or meals is not included in the terms of occupation and irrespective of whether the accommodation provided consists of single rooms or of dwelling units comprising more than one room or of both single rooms and such dwelling units, the remaining 20% component being applied to retail type services to the public; Provided that:
 - 7.1 this mixed-use residential rebate shall only apply upon successful application by a property owner; and
 - 7.2 a qualifying property owner submits an annual application for the renewal of the rebate during May of each calendar year.
8. That in terms of Section 32(1)(b) of the Ordinance and upon application, the Council grants, subject to the approval of the Premier, a remission of 40% to persons in need of assistance who qualify for such remission in terms of the following terms and criteria:
 - 8.1 the applicant is the registered owner of a property who personally occupies such property and who:
 - 8.1.1 is a male, not less than 60 years of age as at 1 July 2005;

or
 - 8.1.2 is a female, not less than 60 years of age as at 1 July 2005, or a female less than 60 years of age as at that date but whose husband is not less than 60 years of age as at that date;

or
 - 8.1.3 is a person in receipt of a disability allowance from the State;
 - 8.2 the applicant is:
 - 8.2.1 the surviving spouse of the registered owner if such surviving spouse complies with the requirements 8.1.1 to 8.1.3 above and is the occupier of the property in question, provided that the Executor of the deceased registered owner's estate certifies in writing that transfer of the property is due to be given to the applicant.

or
 - 8.2.2 the registered usufructuary who is resident on and has beneficial use of the whole of the property, and complies with requirements 8.1.1 to 8.1.3 above.
 - 8.3 as at 1 July 2005 and at all times thereafter up to and including the date of application, the property shall have been used for the sole purpose of accommodating not more than two dwelling units which shall have been used solely for residential purposes (including the practice, subject to compliance with the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted); Provided that:
 - 8.3.1 should there be two dwelling units on such property and the applicant has occupied only one of them from 1 July 2005 to the date of application (inclusive) solely for residential purposes (including the practice, subject to compliance with the relevant provisions of any applicable town planning scheme in operation, by any occupant of a dwelling unit of a profession or occupation which in terms of the relevant town planning scheme, is not prohibited or restricted), the remission shall be 50% of that allowable in terms of this paragraph.
 - 8.3.2 should the property cease to be used during the 2005/2006 financial year for the purpose set out in this paragraph, the whole remission shall lapse and the amount thereof shall forthwith become due and payable by the applicant to the City of Johannesburg.
 - 8.4 the improved municipal value of the property shall not exceed R500 000.
 - 8.5 an applicant's average gross monthly income from all sources, inclusive of that of his/her spouse, based on the year ending 30 June 2005 shall not exceed R4 500,00
 - 8.6 in the case of joint ownership of a property, no remission shall be granted unless every joint owner complies, mutatis mutandis, with the provisions of paragraph 8.1 provided that the provisions of this paragraph shall not apply to married or previously married joint owners, where one of the joint owners complies with the provisions of paragraph 8.1.
 - 8.7 in the case of a body corporate no remission shall be granted unless every sectional title holder in the scheme complies, mutatis mutandis, with the provisions of paragraph 8.1.
 - 8.8 an application for remission shall be accompanied by an affidavit verifying such particulars as the Council may require, and a person to whom a remission has been granted shall upon request made on behalf of the Council, furnish such further and/or fresh particulars the Council may require from time to time.
9. That, subject to the approval of the Premier, a remission of 40% be granted in terms of section 32(1)(c) of the Ordinance to occupiers of any Council-owned property who comply with the provisions of paragraphs 8.1.1, 8.1.2, 8.1.3, 8.6, and 8.7, which remission shall be calculated after deduction of any rebate contemplated in Paragraph 4 above.
10. That, subject to the approval of the Premier, the Council in terms of Section 32 (1) (c), of the Ordinance, remits in full the assessment rates payable where a domestic property value is less than R20 001 in terms of the valuation roll or a provisional supplementary valuation roll implemented on or after 1 July 2005.

11. That the Council approves that grants-in-aid in respect of properties referred to in Section 32(A)(1) of the Ordinance be continued: Provided that:
 - 11.1 the relevant beneficiary organisation proves that it continues to comply with the conditions of the Council applicable to such grants-in-aid; and
 - 11.2 applications for grants in aid have been approved in terms of the Council's Social Funding Policy.
12. That, in respect of properties referred to in section 32 A(1) of the Ordinance which do not qualify for a grant-in-aid in terms of the Council's Social Funding Policy referred to in paragraph 11 above, the Council grants a rebate of 58% in terms of Section 21(4) of the Ordinance from 1 July 2005 to 30 June 2005, subject to the approval of the Premier in terms of Section 21(5).
13. That, subject to the approval of the Premier, the Council in terms of Section 32(1)(c) of the Ordinance remits in whole the amount levied as rates on land used for the provision of Council administered old-aged housing schemes.
14. That in terms of Sections 21, 21A(1) and 75(3)(a), (b) and(c) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended, read with Section 10G(7)(c) of the Local Government Transition Act, 1993 (Act 209 of 2003) and Sections 22(a)(i) and (ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) as amended, the City of Johannesburg:
 - (1) displays a copy of the resolution and notice in the manner prescribed;
 - (2) seeks to convey to the local community by means of radio broadcast covering the area of the City, the information contemplated in Section 75A(3)(c) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended; and
 - (3) publishes the notice in the manner prescribed and invites the local community to submit written comments or representations in respect of the amended assessment rate tariff.
15. That, if no objections are received, the amended assessment rate tariff be published in the Provincial Gazette and be effective from 1 July 2005.
16. That a copy of the notice referred to in Paragraph 14(3) above be sent forthwith to the MEC for Local Government as well as the National and Provincial Treasury in terms of Section 75 A (4) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended, read with Section 10G (7) (e) of the Local Government Transition Act, 1993 (Act 209 of 1993) as amended and Section 22(b)(i) and (ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003).
17. That a copy of the finally approved amended assessment rate tariff be sent forthwith to the National and Provincial Treasury in terms of Section 24(3) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003).

 - (vi) Change over from Two-Part Flat Tariff to Life line Tariff and vice versa is allowed and shall only be implemented after the required change over fee is received and shall only be phased in with the commencement of next billing cycle.
 - (vii) If a customer chooses to change over from the Two-Part flat or Life line tariff to the Two-Part seasonal tariff he is obliged to remain on the two-part seasonal tariff for a minimum period of 12 months before he qualifies to migrate to another tariff option.
 - (viii) Prepaid domestic customers would automatically qualify for Life Line Tariff.
Cost of migration between tariffs as per clause 5
- 1.2 Grant to Customers on the Life Line tariff
- (i) Customers choosing the Lifeline Tariff are entitled to a quota 50kWh of free electricity per month as a grant, providing that they are legally connected.
 - (ii) Customers which have been disconnected are not entitled to the free allocation during the period of disconnection. A free allocation is equal to 50 kWh per month or equal to the actual reading if the consumption is less than 50 kWh.
 - (iii) Billed customers will receive the grant as a credit equal to the monetary value of 50kWh on an average per billing cycle.
 - (iv) Prepaid domestic customers must collect their free allocations from any one of the City Power vending stations. Free allocations not claimed in a month will be forfeited.
 - (v)
 - (vi) Town house complexes, flats, cluster developments and the similar are also entitled to the free allocation providing that they are on the life line tariff and that an affidavit undersigned by the Body Corporate or Management Consultancy declaring the number of units in use in the complex must be submitted.
 - (vii)
 - (viii) Free allocations are not redeemable for cash.

2. Agricultural Users

- (a) (i) ff applicable to property or portions zoned for agricultural purposes, with a maximum demand of 40 kVA. Any connection exceeding 40 kVA or a connection for business purposes on a property or portions zoned for

4. Large Power Users

4.1 Demand Tariffs

(a) This item shall be applicable to Business consumers as contemplated in item 1.1 with supply capacities exceeding 100 kVA and shall, on application, be available to all consumers with supply exceeding 100 kVA. Subject to the provision of clauses (b) and (c), consumption of electricity shall be charged as follows:

- (i) Service Charge:
 For:
- | | |
|---------------------------------|--------------------|
| a) Low voltage kVA customers | R 340.67 per month |
| b) Medium voltage kVA customers | R 681.35 per month |
- (ii) Energy Charge (Subject to a seasonal change):
 For:
- | | |
|------------------------------------------|---------------------|
| a) Low voltage kVA customers (Summer) | 14,57 cents per kWh |
| b) Low voltage kVA customers (Winter) | 21,93 cents per kWh |
| c) Medium voltage kVA customers (Summer) | 13,59 cents per kWh |
| d) Medium voltage kVA customers (Winter) | 20,46 cents per kWh |
- (iii) Demand Charge:
 For:
- | | |
|------------------------------------------|-----------------|
| a) Low voltage kVA customers (summer) | R 48.50 per kVA |
| b) Low voltage kVA customers (winter) | R 50.00 per kVA |
| c) Medium voltage kVA customers (summer) | R 46.00 per kVA |
| d) Medium voltage kVA customers (Winter) | R 48.00 per kVA |
- (iv) Reactive Energy Charge:
 3,54 cents per kVAh supplied in excess of 30% (0,96PF) of kWh recorded during the entire billing period. The excess reactive energy is determined using the billing period total.

(b) Minimum Demand Charge Determination.

The minimum demand charge payable monthly in terms of this tariff shall be calculated using the greater of:

- (i) The measured demand;
 (ii) A demand of 70 kVA
 (iii) A demand based on the 80% average of the three highest demands recorded over the preceding 12 months.

(c) Rules applicable to this item:

- (i) Where a consumer can demonstrate a significant change in their usage of electricity a re-evaluation of the average minimum demand as determined in sub clause (b)(iii) may, on application, be undertaken once per annum.
 (ii) Consumers whose power factor is consistently below 0,96 shall be billed for reactive energy as specified in sub clause (a)(iv).

- (iii) KW discontinued
- (iv) Customers with supply agreements for a demand tariff, originally concluded before 1 July 1999, and a demand of less than 100 kVA may, until further notice, continue to be charged on this tariff. To be phased out this financial year.
- (v) 40 kVA not applicable
- (vi) Voltage Categories
 Low Voltage : < 1000 V
 Medium Voltage: ≥ 1001 V and ≤ 33 000 V
 High Voltage : ≥ 33 001 V
- (vii) The summer rate is September through to April. Both months are inclusive.(8 Months)
- (viii) The winter rate is May through to August. Both months are inclusive.(4 Months)

4.2 Time of use tariff (TOU)

- (a) This item is available provided customer meets qualifying criteria for Time Of Use (TOU), the tariff is suitable for Large Power Users (LPU) consumers as contemplated in item 4.1 who elect to reduce their demand during peak and standard periods and who can reallocate all or part of there load by load management and load shifting capability. Subject to the provisions of clauses (b) and (c)

(i) Consumption of electricity shall be charged as follows:

Supply Voltage	Service Charge	High demand					Low demand		
		Demand Charge Summer	Demand Charge Winter	Peak	Standard	Off-Peak	Peak	Standard	Off-Peak
		R/cust	R/kVA	R/kVA	c/kWh	c/kWh	c/kWh	c/kWh	c/kWh
HV	3,429.82	32.03	32.03	43.52	16.90	12.12	18.77	13.85	11.48
MV	3,069.21	33.32	34.98	48.20	18.72	13.42	20.79	15.34	12.71
LV	2,495.69	37.03	38.89	53.59	20.82	14.92	23.11	17.05	14.13

- (ii) Reactive Charge: 3,54 cents per kVAh supplied in excess of 30% (0,96PF) of kWh recorded during peak and standard periods. The excess reactive energy is determined per 30-minute integrating period and accumulated for the billing period.
- (b) Minimum Demand Charge Determination
 The peak demand charge value in terms of this tariff shall be calculated using the greater of:
 - (i) The measured peak period demand;
 - (ii) A demand of 70 kVA or 63 kW;
 - (iii) A demand based on the 80% average of the three highest demands recorded over the preceding 12 months.
- (c) Rules applicable to this item:
 - (i) A conversion fee equal to the actual cost of meter conversion and related cost Not applicable.
 A service charge which would be voltage differentiated.
 A monthly R/kVA maximum demand charge subject to the same minimum maximum demand charge as levied on the large power user tariff.
 - (ii) A R/kVAh charge for the kVAh incurred at the time the kVA was incurred. This charge should ensure correct customer behavior in terms of installing power factor correction equipment.
 - (iii) A revenue neutral conversion surcharge to limit the revenue impact on City Power in the event of customers converting to TOU pricing without shifting their loads.
 - (iii) The time of use periods will be:
 Weekdays
 PEAK : 7:00 to 10:00 and 18:00 to 20:00
 STANDARD : 6:00 to 7:00, 10:00 to 18:00 and 20:00 to 22:00

 All public holidays to be treated as Saturday with the exception of Good Friday and Christmas Day
 Seasonality will be introduced with May to August representing the winter months (4 months) and September to April the summer months (8 months).
 The demand charge payable for each kW of the maximum chargeable demand supplied during the month measured over 30-minute integrating periods during peak and standard periods taking into account clause 4.2 (b)
 - (vi) Voltage Categories
 Low Voltage : < 1000 V
 Medium Voltage: ≥ 1001 V and ≤ 33 000 V
 High Voltage : > 33 001 V

4.3 Special Pricing Agreements

Customized pricing agreements for large customers meeting City Power's and the NER's qualifying criteria are available.

4.4 Green Energy Tariff (Optional Tariff)

In support of the proposed Energy White Paper on Renewable Energy Policy, City Power would be offering a green energy tariff option in conjunction with the NER Green Energy Certificate process as utilized for the World Summit on Sustainable Development venues. The additional cost associated with the Green Energy Certificate would be an added cost to the current tariff being billed by the customer.

AMENDMENT OF TARIFF OF CHARGES FOR WATER SERVICES

In terms of Section 10G(7)(e) of the Local Government Transition Act, 1993 (Act 209 of 1993) as amended, it is hereby notified that the City of Johannesburg has, in terms of Sections 11(3)(i) and 75A(1) and (2) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended, read with Sections 10G(7)(a)(i) and (b)(ii) of the Local Government Transition Act, 1993 (Act 209 of 1993) as amended, amended its Tariff of Charges for Water Services with effect from 1 July 2005.

Definitions

For the purposes of this Tariff of Charges the following definitions will apply:

1. "Dwelling unit" means a room or a suite of connected rooms, including not more than one kitchen, designed for residential purposes and occupation by a single family or household, including such ablution facilities, outbuildings and servants rooms normally connected therewith;
2. "Multi-dwelling" means any arrangement of premises that comprises more than one dwelling unit which, by reason of the particular increased engineering or systemic demands accepted by the City Engineer as being required for this category of accommodation, necessitates the application of design-specific water services resources, which thereby differentiates it from a simple collection of dwelling units, and without derogating from the generality thereof, includes semi-detached houses, simplex units and townhouses, whether or not any such multi-dwelling is served by single or multiple meters;
3. "Flat" means a dwelling unit set aside in a complex that comprises more than one such dwelling units which, by reason of the particular increased engineering or systemic demands accepted by the City Engineer as being

required for this category of accommodation, necessitates the application of design-specific water services resources, which differentiates it from a simple collection of dwelling units or multi-dwelling units;

4. "Hostel" means any accommodation unit owned by the Provincial Government or a local authority referred to in General Notice No. 2133 of 2001 published in Gauteng Provincial Gazette No. 52 of 6th April 2001, (or in any legislative provision amending or taking the place of such Regulations) which, by reason of the particular increased engineering or systemic demands accepted by the City Engineer as being required for this category of accommodation, necessitates the application of design-specific water services resources, which thereby differentiates it from other forms of accommodation or dwelling units;
5. "Residential purposes" shall be deemed not to include the letting of accommodation units for any category of hotel uses, which shall be deemed to constitute use for commercial purposes.
6. "Service Level 1" shall mean a service delivery option consisting of communal water points located within 200 metres of each other, with a ventilated improved pit latrine or equivalent on-site dry sanitation system located on each site. No water and sewer connections are provided to each individual property, and no waterborne sewer system is available.
7. "Service Level 2" shall mean a service delivery option consisting of an un-metered water connection to each stand or erf with and individual yard standpipe that is purposefully not connected to any plumbing fixtures located on the property. Also provided is a pour-flush waterborne sewer connection to each erf.
8. "Service Level 3" shall mean a service delivery option consisting of a metered pressured water connection to each stand or erf that can legally be connected by the developer/owner to the dwelling (or any other point on the property). Also provided is a conventional waterborne sewer network with individual sewer connections to each erf.
9. Condominial Sewer - shall mean a sewer network that is characterised by shallow gradients and small-diameter pipes, with numerous simplified inspection features. The system is divided into a main network and the condominial branches. A block of houses is considered a customer unit by the service provider, and this customer unit connects to the main network via a single connection. Within a block of houses, the households connect up to the condominial branch individually via a house connection that forms part of their private sanitary installation.

- (2) In the case of any trade or industry in respect of which the average monthly volume of trade or industrial effluent generated during the previous half-year period was less than 100 kilolitres, the charge shall be: R7,00 per kilolitre.
- (3) In respect of domestic effluent discharged from the premises of any trade or industry for which a charge was levied in terms of (C.1) above, the charge shall be: R7,00 per kilolitre.
In the absence of direct measurement, the domestic effluent will be estimated as follows:
 - (i) 1,0 kilolitre per full-time staff member per month.
 - (ii) 4,0 kilolitre per resident per month (not included in (i) above).
 - (iii) For staff canteens: 0,15 kl per meal served per month.
(The working month will be based on a 5-day working week. In cases where the working week deviates from 5 days, a pro rata adjustment will be made).
- (4) Where the average monthly volume of trade or industrial effluent generated during the previous half-year period was more than 50 kilolitres, rebates under A above to be granted under conditions specified by the Council as follows—
 - (a) 10% if discharge occurs at specified times only;
 - (b) 15% if flow is balanced and discharged evenly over seven days at specified times only;
 - (c) 20% if effluent contains readily bio-degradable carbon beneficial to the Council's treatment processes; and
 - (d) 50% maximum if (c) occurs with (a) and (b).
- (5) For the disposal of organic industrial wastes delivered by tanker to the wastewater treatment works: R4,10 per kilogram of COD.

8	GENERAL APPLICATION PRINCIPLES		
	8.1 REBATE		
	8.1.1 If the service is utilised for a building used exclusively for residential purposes, (H4 only) the Executive Head may, in his sole discretion, limit the total amount payable in respect of 1(a),(b),2(a), 3(a)&(b), to the maximum of R3 000,00. In addition that further discretion be exercised where the informal or poor areas are concerned and have the authority to cancel or reduce an account where such request is received.		
	8.1.2 The fees payable in terms of 1(a),(b), 2(a),3(a)&(b) do not apply to veldt fires on vacant erven within the area of Jurisdiction.		
	8.1.3 The fees payable in terms of 1(a),(b),2(a),3(a) & (b) apply neither to humanitarian services, Extrication rescue, General rescue) nor Animal rescue, except where extrication rescue cost on National roads can reasonably be recovered from the National Department of Transport.		
	8.2 EXCLUSIONS		
	8.2.1 In some instances a Fire Service is rendered by means of exhibits and parades at various institutions and functions. These services are in most cases regarded as promotion, awareness and training, thus not charged for.		
	8.2.2 Joint exercises with other Emergency Services / Institutions are not charged for.		
	8.2.3 Incident reports, post-fire inspection reports, cause determination reports or generic inspection reports, requested and supplied to Governmental agencies will not be charged the tariff in terms of 5(a) & (b).		
	8.3 HIRING OUT OF VEHICLES / EQUIPMENT		
	8.3.1 The Executive Head may make vehicles / equipment available for hire under condition that if required elsewhere, such vehicles / equipment be withdrawn forthwith.		
	8.3.2 The tariffs under 1(c),(d),(e) & 2(b) be paid in advance before making such equipment available.		
	8.3.3 That the prescribed indemnity etc. be completed and signed.		
	8.4 TARIFFS FOR FLAMMABLE LIQUIDS AND HAZARDOUS SUBSTANCES.		
	8.4.1 All registration certificates and permits are renewable before or on 31 December of each year.		
	8.4.2 All fees are payable in advance.		
	8.4.3 All relevant application forms are available at City of Johannesburg Emergency Services Headquarters.		
	8.4.4 If a registration certificate / permit is refused, remedial steps must be taken within 14 days by the applicant in order for the re-inspection to be free of charge and to ensure the issuing of the relevant certificate or permit. Failing which will make the prescribed tariff again payable in full.		
	8.5 DOCUMENTATION / INFORMATION		
	8.5.1 Fees payable on request and in advance, not refundable in the event that no records are found. Written Departmental response in all instances. Duplicated or re-request will make the prescribed tariff again payable in full.		
	8.5.2 All duplicate certificate requests payable in advance.
