4634 South African Schools Act (84/1996) Merger of Orlando High School and Altem Secondary School	2	500

GENERAL NOTICE

NOTICE 4634 OF 2005
**NOTICE FOR THE MERGER OF ORLANDO HIGH SCHOOL AND
ALTEM SECONDARY SCHOOL**

1. By virtue of the power vested in me in terms of section 12A of the South African Schools Act (Act 84 of 1996) and having had due consideration to all representations, I, Angelina Matsie Motshekga, being a Member of the Executive Council responsible for Education, hereby merge Orlando High School with Altem Secondary School into a single school to be located at Orlando High School premises and relocate Job Rathebe Primary School to the premises of Altem Secondary School.

2. The decision was taken after due consideration of the following factors -
 - The submissions forwarded to my office subsequent to the notice of proposed merger issued by myself dated 6 May 2005 ;
 - The Optimal usage of state resources. The learner numbers of the merged school (i.e. 741) occupying Orlando Secondary premises would result in a 73% occupancy rate. If the merged school was located in Altem, the occupancy rate would be only 52%.
 - The new National Curriculum Statements in 2006. The merged school will, together with the two existing Secondary Schools in the area, (one of which is an all girls' school) cater for diverse curriculum offerings each with specialization in different learning fields;
