- (6) The Association shall be responsible for the payment of all Council services, if any, used in connection with the proposed restriction of access (e.g. electricity, water, sewerage, etc.).
- (7) A new traffic study shall be conducted at the cost of the Association and be submitted to the Council 3 months after the restriction of the area has been approved and implemented.
- (8) The Council reserves the right to cancel this approval or to take the necessary corrective measures at the Association's cost, to mitigate the negative impact should the traffic study in 7 above indicate a deterioration of the existing operating conditions of traffic in the area.

(12) Any damage caused to the services of the Council as a result of the closure of the area referred to above shall be for the account of the Association.

(13) The Association shall obtain a public liability policy in the amount of R2 000 000,00 per incident fully paid up in advance for two years in order to protect the Council's and the Association's interest in this matter.
