**(4) STORMWATER DRAINAGE AND STREET CONSTRUCTION**

(a) The township owner shall, on request by the Local Authority, submit for its approval a detailed scheme complete with plans, sections and specifications, prepared by a professional Engineer, who shall be a member of the South African Association of Consulting Engineers or SABTACO, for the collection and disposal of storm water throughout the township by means of properly constructed works and for the construction, surfacing, kerbing and channelling of the streets therein together with the provision of such retaining walls as may be considered necessary by the Local Authority. Furthermore, the scheme shall indicate the route and gradient by which each erf gains access to the street on which it abuts.

- (b) The township owner shall, when required to do so by the Local Authority, carry out the approved scheme at his/her own expense on behalf of and to the satisfaction of the Local Authority under the supervision of the appointed Professional Engineer and shall, for this purpose, provide financial guarantees to the Local Authority as determined by it.
- (c) The township owner shall be responsible for the maintenance of the streets and storm water drainage system to the satisfaction of the Local Authority until the streets and storm water drainage system have been constructed as set out in sub-clause (b) above.
- (d) Should the township owner fail to comply with the provisions of (a), (b) and (c) hereof the Local Authority shall be entitled to do the work at the cost of the township owner.

**(5) OBLIGATIONS IN REGARD TO ESSENTIAL SERVICES**

The township owner shall, within such period as the Local Authority may determined, fulfil obligations in respect of the provision of water, electricity and sanitary services and the installation of systems, therefore, as previously agreed upon between the township owner and the Local Authority.

**(6) REMOVAL OR REPLACEMENT OF MUNICIPAL SERVICES**

If, by reason of the establishment of the township, it becomes necessary to remove or replace any existing municipal services, the costs thereof shall be borne by the township owners. The township owners shall consult the Local Authority before any existing municipal service(s) need to be replaced or removed.

**(7) ENDOWMENT**

The township owner shall, in terms of Section 98(2) and (3) of the Town Planning and Townships Ordinance, 1986 (Ordinance 15 of 1986), pay a lump sum endowment to the Local Authority for the provision of the land for parks (public open spaces)

**(8) ACCEPTANCE AND DISPOSAL OF STORM WATER**

The township owner shall arrange for the drainage of the township to fit in with those adjacent public roads, for all storm water running off or being diverted from the roads to be received and disposed of.

**(9) ACCESS**

Ingress and egress to and from the township shall be to the satisfaction of the Executive Director: Roads, Transport and Civil Works Department.

**(10) SOIL CONDITIONS**

Proposals to overcome detrimental soil conditions to the satisfaction of the Local Authority shall be contained in all building plans submitted for approval and all buildings shall be erected in accordance with the precautionary measures accepted by the Local Authority.

**(11) DEMOLITION OF BUILDINGS AND STRUCTURES**

The township owner shall at his own expense cause all existing buildings and structures situated within the building line reserves, side spaces or other common boundaries to be demolished to the satisfaction of the Local Authority when required by the Local Authority to do so.

**(12) PRECAUTIONARY MEASURES**

The township owner shall at his own expense, make arrangements with the Local Authority in order to ensure that the recommendations as laid down in the geotechnical report are complied with and, when required, engineering certificates for the foundations of the structures are submitted.

**(13) REMOVAL OF LITTER**

The township owner shall at his own expense cause all litter within the township area to be removed to the satisfaction of the Local Authority, when required by the Local Authority to do so.

**(14) SPECIAL CONDITIONS**

- (a) The erven shall be consolidated via a consolidation diagram.
- (b) The township owner shall ensure that a legal body, albeit a "Home Owners Association" and/or Body Corporate, is established.
- (c) The said Home Owners Association/Body Corporate shall be in addition to such other responsibilities as may be determined by the developer, also be responsible for the maintenance of the intercom and access control relating to the property.
- (d) In the event of a Sectional Title development include:
  - i) In the event that the development of any erf within the township shall constitute a development within the ambit of the Sectional Titles Act, 1986 (Act 95 of 1986), then and in such event the conditions contained herein and in conflict with the provisions of the Sectional Titles Act, 1986 shall be read as pro-non-scripto.
  - ii) The township owner shall at his own cost and within six months from the date of publication of the Section 103 notice, cause Erven 2921 and 2922 in the township to be consolidated.

**B. CONDITIONS OF TITLE**

- (1) All erven shall be subject to the following conditions, imposed by the local authority in terms of the provisions of the town Planning and Townships Ordinance, 1986:
  - (a) The erven are subject to a servitude, 2m wide, in favour of the local authority, for sewerage and other municipal services, along any two boundaries other than a street boundary, and in the case of a panhandle erf, an additional servitude for municipal services 2m wide across the access portion of the erf if and when required by the local authority: Provided that the local authority may dispense with any such servitude.

- (b) No building or other structure shall be erected within the aforesaid servitude area and no large-rooted trees shall be planted within the area of such servitude or within 2m thereof.
- (c) The local authority shall be entitled to deposit temporarily on the land adjoining the aforesaid servitude such material as may be excavated by it during the course of the construction, maintenance or removal of such sewerage mains and other works as it, in its discretion may deem necessary and shall further be entitled to reasonable access to the said land for the aforesaid purpose subject to any damage done during the process of construction, maintenance or removal of such sewerage mains and other works being made good by the local authority.

**D. CONDITIONS TO BE INCORPORATED IN THE TOWN PLANNING SCHEME IN TERMS OF SECTION 125 OF ORDINANCE 15 OF 1986, IN ADDITION TO THE PROVISIONS OF THE TOWN PLANNING SCHEME IN OPERATION**

**(1.1) GENERAL CONDITIONS**

- (a) Except with the written consent of the Local Authority, and subject to such conditions as it may impose, neither the owner nor any other person shall:-
  - (i) save and except to prepare the erf for building purposes, excavate any material therefrom;
  - (ii) sink any wells or boreholes thereon or abstract any subterranean water therefrom; or
  - (iii) make or permit to be made, upon the erf for any purposes whatsoever, any bricks, tiles or earthenware pipes or other articles of a like nature.
- (b) Where, in the opinion of the Local Authority, it is impracticable for storm water to be drained from higher-lying erven direct to a public street, the owner of the lower-lying erf shall be obliged to accept and/or permit the passage over the erf of such storm water.

Provided that the owners of any higher-lying erven, the storm water from which is discharged over any lower-lying erf, shall be liable to pay a proportionate share of the cost of any pipeline or drain which the owner of such lower-lying erf may find necessary to lay or construct for the purpose of conducting the water so discharged over the erf.
- (c) The siting of buildings, including outbuildings, on the erf and entrances to and exits from the erf to a public street system shall be to the satisfaction of the Local Authority.
- (e) The main building, which shall be a completed building and not one which has been partly erected and is to be completed at a later date, shall be erected simultaneously with, or before, the outbuildings.
- (f) No materials or goods of any nature whatsoever shall be dumped or placed within the building restriction area along any street, and such area shall be used for no other purpose than the laying out of lawns, gardens, parking or access roads: provided that if it is necessary for a screen wall

to be erected on such boundary this condition may be relaxed by the Local Authority subject to such conditions as may be determined by it.

- (g) A screen wall or walls shall be erected and maintained to the satisfaction of the Local Authority as and when required by it.
- (h) If the erf is fenced such fence and the maintenance thereof shall be to the satisfaction of the Local Authority.
- (i) The registered owner is responsible for the maintenance of the whole development on the erf. If the Local Authority is of the opinion that the erf or any portion of the development, is not being satisfactorily maintained the Local Authority shall be entitled to undertake such maintenance at the cost of the registered owner.

**(1.2) "SPECIAL" FOR RESIDENTIAL 3**

Erven 2921 and 2922 are subject to the following conditions:

- (a) The property and the buildings erected thereon or to be erected thereon, shall be used solely for the purposes of dwelling units.
- (b) The density of the development will be determined by the submission of a Site Development Plan and related development controls.
- (c) The height of buildings shall not exceed 2 storeys.
- (d) The F.A.R (floor area ratio) shall be limited to 1.0
- (e) The total coverage of all buildings erected on the erf shall not exceed 50% of the area of the site
