3536	Municipal Finance Management Act (56/2003): Recommended additional allocations for the 2008/2009 financial year.....	2	260

GENERAL NOTICE

NOTICE 3536 OF 2008**GAUTENG TREASURY**

In accordance with section 35 (c, d), and 36 (2) of the Municipal Finance Management Act, 2003 (Act no.56 of 2003). I hereby give notice of the recommended additional allocations for the 2008/09 financial year as set out in the attached schedule. These allocations will be transferred to municipalities according to the transfer mechanism as per the attached schedule and for the purposes and conditions set out therein.

P. Mashatile
MEC: Finance and Economic Affairs

Appendix A - Transferring Department: Department of Local Government

Purpose	To support municipalities with infrastructure funding to achieve the target of providing basic water supply to all households that still do not have access to basic water by December 2008;																
Measurable outputs	Water projects ring fenced for meeting the targets are completed in line the defined project scope and description and the targeted households to be serviced are actually having access to the services by December 2008																
Conditions of the grant:	The grant shall be used only for the projects submitted in terms of the municipal actions plans to meet the targets and approved by the Department.																
Allocation Criteria:	Allocations are made to municipalities according to prioritized municipal needs to address the water backlogs.																
Monitoring System:	Department has already established an internal professional project management team that would be mainly responsible to monitor the implementation of the above projects at an accelerated speed.																
Past performance:	The current funding allocations provided through the Municipal Infrastructure Grant (MIG) which is aimed at covering the capital cost of basic infrastructure for the poor is not sufficient																
Budget on which the transfer is shown	Local Government Meeting the 2008 Water Targets																
Projected life:	All the projects have a targeted completion date of Dec 2008; however, some projects might be completed earlier than the projected date.																
Reasons not included in the equitable share:	According to section 154 (1) of the Constitution, the national and provincial governments by legislative and other measures, must support and strengthen the capacity of municipalities to manage their own affairs to exercise their powers and their functions																
Capacity and preparedness of the transferring Department	The Department has enough capacity to monitor the progress on these initiatives. Additional technical support required by certain municipalities would be mobilized through the existing South African Institute of Civil Engineering and the DBSA (Siyenza Manje) programmes.																
Payment schedule:	<p>The transfer payments are to be made in three batches based on the cash flow schedules to be submitted by the municipalities:</p> <table border="1"> <thead> <tr> <th>Beneficiary Municipality</th> <th>Amount (R)</th> </tr> </thead> <tbody> <tr> <td>Emfuveni LM</td> <td>500 000</td> </tr> <tr> <td>Nokeng Tsa Taemane LM</td> <td>11 710 000</td> </tr> <tr> <td>Mogale City LM</td> <td>17 585 784</td> </tr> <tr> <td>Randfontein LM</td> <td>20 762 500</td> </tr> <tr> <td>West Rand DM</td> <td>12 147 598</td> </tr> <tr> <td>Kungwini LM</td> <td>17 834 118</td> </tr> <tr> <td></td> <td>R80 540 000</td> </tr> </tbody> </table>	Beneficiary Municipality	Amount (R)	Emfuveni LM	500 000	Nokeng Tsa Taemane LM	11 710 000	Mogale City LM	17 585 784	Randfontein LM	20 762 500	West Rand DM	12 147 598	Kungwini LM	17 834 118		R80 540 000
