Full particulars of the proposed route and station locations, plans and reports, will lay for inspection during normal office hours for a period of 21 (Twenty One) days until 29 November 2013 at the office of the IRPT Specialized Unit, First floor, Room 101, Infotech Building, 1090 Arcadia Street, Hatfield (Attention: Mr Clifford Malimabe, Tel: (012) 358 6269, Fax: 086 2604059, E-mail: cliffordma@tshwane.gov.za). The detailed information is also accessible on the www.areyenginfocus.co.za website.

Any objections to or presentations in respect of the proposed route and station determinations must be lodged with the Project Work Stream Leader at the above address in writing by not later than 29 November 2013. All objections and presentations received shall be considered to establish the validity thereof as well as any reasonable mitigating factors that may be introduced to address the objections and presentations received where after the unresolved objections and presentation shall be referred to the Mayoral Committee for a final decision. Should no objections be received, the City shall be entitled to proceed with the implementation of the proposed feeder route and stations on 29 November 2013.

Any person that cannot write and who would like to submit objections or presentations, may visit Ms Simangele Dakile during normal office hours at the office of the Project Work Stream Leader: IRPT/ BRT Infrastructure Implementation, First floor, Room 102, Infotech Building, 1090 Arcadia Street, Hatfield (Tel: 012 358 4171, Mobile: +27 73 220 4184, Fax: 086 214 4478, Email: simangeled@tshwane.gov.za), who will assist to subscribe such person's objections or presentations.
