CHAPTER 2 : PROVISION OF MUNICIPAL SERVICES TO CUSTOMERS OTHER THAN INDIGENT CUSTOMERS**Part 1: Application for Municipal Services****Application for Services and Agreements**

2.1 A customer wanting to qualify as an indigent customer must apply for services as set out in Chapter 4 below.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

2.2 A customer who requires the provision of municipal services must apply for the service from the municipality. The application for the provision of municipal services must be made in writing on the prescribed application form.

2.3 By completing the prescribed application form (available at municipality) for the provision of municipal services the customer of services enters into an agreement with the municipality. Such agreement does not constitute a credit facility envisaged in terms of Section 8(3) of the National Credit Act (NCA) but shall be incidental credit as envisaged in terms of Section 4(6)(b) of the NCA, to which the NCA will only apply to the extent as stipulated in Section 5 of the NCA.

2.4 If, at the commencement of these by-laws or at any other time, municipal services are provided and received and no written agreement exists in respect of such services, it shall be deemed that -

- a) An agreement in terms of sub-section 2.8 exists, and
 - b) The level of services provided to that customer are the level of service elected,
- until such time as the customer enters into an agreement in terms of sub-section 2.2.

2.5 The municipality must on application for the provision of municipal services inform the applicant of the then available levels of services and the then applicable tariffs and or charges associated with each level of service.

2.6 The municipality is only obliged to provide a specific level of service requested by the applicant if the service is currently being provided and if the municipality has the resources and capacity to provide such a level of service.

2.7 The customer may at any time apply to alter the level of service elected in terms of the agreement entered into, in which event the municipality may approve such application if it has the capacity and resources to provide such requested level of service and that any costs and expenditure associated with altering the level of service is paid for by the customer.

2.8 An application for services submitted by a customer and approved by the municipality shall constitute an agreement between the municipality and the customer, and such agreement shall take effect on the date referred to or stipulated in such agreement. Existing customers may be required to complete application forms from time to time, as determined by the Municipal Manager.

2.9 In completing an application form for municipal services the municipality will take reasonable measures to ensure that the document and the process interaction with the owner, customer or any other person making such an application are understood by the owner, customer or any other person and advise him or her of the option to register as an indigent customer. It is the customer's responsibility to ensure that the postal address and other contact details are correct and in the case of any changes the municipality must be notified in writing.

2.10 In cases of illiterate or similarly disadvantaged persons, the municipality must take reasonable steps to ensure that the person is aware of and understands the content of the application form and shall assist him or her in completing such form.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

2.11 Municipal services rendered to a customer are subject to the provisions of these by-laws, any other applicable by-laws and the conditions contained in the agreement.

2.12 The municipality may undertake an investigation into the creditworthiness of commercial customers, and may impose specific additional conditions on such customers, subject to the provisions of these by-laws.

2.13 Service applications will be used to, inter alia, and categorize customers according to credit risk and to determine relevant levels of services and deposits required.

2.14 If the municipality –

- a) refuses an application for the provision of municipal services or a specific service or level of service,
- b) is unable to render such municipal service or a specific service or level of service on the date requested for such provision to commence, or
- c) is unable to render the municipal services or a specific service or service level,

the municipality must within 7 (seven) days, inform the customer of such refusal or inability, the reasons therefore and, if applicable, when the municipality will be able to provide such municipal services or a specific service or level of service.

2.15 Any new application for the provision of municipal services must be made by the registered owner of an immovable property.

2.16 The municipality will only entertain an application for the provision of municipal services from existing tenants of a property, or any existing customer who is not the owner of the property with the permission of the owner of the property. Such permission from the owner must be in writing and the services to the tenant or occupier will be terminated should the permission be revoked by the owner. Existing tenants of a property will be requested over a period of time to obtain the permission of the owner in order to maintain their existing service agreement.

2.17 If there is an outstanding debt on the property, this debt must be settled in full before a new application on the same property will be allowed.

2.18 If an existing tenant is guilty of non-payment, the owner will be liable for the outstanding debt, except where the property concerned is owned by the municipality. In terms of Section 102(3) of the Municipal Systems Act the municipality must provide an owner of a property in its jurisdiction with copies of accounts sent to the occupier of the property for municipal services supplied to such a property if the owner requests such accounts in writing from the municipality.

2.19 An agent with a proxy may open an account in the name of the owner.

2.20 The agreement with the municipality makes provision for the following:-

- a) An undertaking by the occupier that he or she will be liable for collection costs including administration fees, interest, disconnection and reconnection costs, and any other legal costs occasioned by his or her failure to settle accounts by the due date on an attorney/ client basis.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

- b) An acknowledgement by the occupier that accounts will become due and payable by the due date notwithstanding the fact that the owner did not receive the account.
- c) That the onus will be on the occupier to ensure that he or she received an account before the due date.
- d) The municipality undertakes to do everything in its power to deliver accounts timeously.

2.21 The application for the provision of municipal services shall be made at least fourteen (14) days prior to the date on which the services are required to be connected.

2.22 On receipt of the application for provision of municipal services, the municipality will cause the reading of metered services linked to the property to be taken on the working day preceding the date of occupation.

2.23 The first account for services will be rendered after the first meter reading cycle to be billed following the date of signing the service agreement.

Special agreements for Municipal Services

3. The municipality may enter into a special agreement for the provision of municipal services with an applicant –

- a) within the area of supply, if the service applied for necessitates the imposition of conditions not contained in the prescribed form or these by-laws,
- b) receives subsidised services, or
- c) if the premises to receive such services are situated outside the area of supply, provided that the municipality having jurisdiction over the premises has no objection to such special agreement. The obligation is on the customer to advise the municipality having jurisdiction of such special agreement.

Change in the purpose for which municipal service are used

4. Where the purpose for the extent to which any municipal service used is changed the onus and obligation is on the customer to advise the municipality of such change and to enter into a new agreement with the municipality.

Termination of Agreements for Municipal Services

5.1 A customer may terminate an agreement for municipal services by giving at least 21 (twenty one) days written notice to the municipality.

5.2 The municipality may terminate an agreement for municipal services by giving at least 21 (twenty one) days written notice to the customer where –

- a) municipal services were not utilised for a consecutive 2 (two) months period and no arrangement to the satisfaction of the municipality for the continuation of the agreement was made,

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

b) the premises occupied or owned by a customer have been vacated and no arrangement for the continuation of the agreement was made.

5.3 A customer shall remain liable for all arrears and applicable charges payable in respect of municipal services provided notwithstanding the termination of the agreement for municipal services in terms of sub-sections 5.1 and 5.2.

Property developments

6.1 A property developer must on the provision of infrastructure through which municipal services will be provided inform the municipality, in writing, of the details of the municipal services to be provided through the infrastructure and the details of all measuring devices that are installed.

6.2 A property developer who fails to comply with the provisions of the sub-section 6.1 shall be liable for the payment of all applicable charges that would have been payable by customers in respect of municipal services used or consumed.

Part 2: Applicable Charges**Applicable charges for municipal services**

7.1 All applicable charges payable in respect of municipal services, including but not limited to the payment to the payment of connection charges, fixed charges additional charges or interest must be set by the municipal council in accordance with –

- a) its Rates and Tariff policy,
- b) any by-laws in respect thereof, and
- c) any regulations in terms of national or provincial legislation.

7.2 Applicable charges may differ between different categories of customers, users of services and levels of services, quantities of services, infrastructure requirements and geographic areas.

Availability charges for Municipal Services

8. The municipal council may, in addition to the tariffs or charges prescribed for municipal services actually provided, levy a monthly fixed charge, annual fixed charge or a single and final fixed charge where municipal services are available, whether or not services are consumed or not.

Subsidised Services

9.1 The municipal council may, from time to time subject to principles of sustainability and affordability, by public notice, implement subsidies for basic levels of municipal services, as determined by the municipal council.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

9.2 The municipal council may in implementing subsidies differentiate between different types of domestic customers, types and levels of services, quantities of services, geographic areas and socio-economic areas.

9.3 Public notice in terms of sub-section 9.1 must contain at least the following details applicable to a specific subsidy –

- a) The domestic customers that will benefit from the subsidy.
- b) The type, level and quantity of municipal service that will be subsidised.
- c) The area within which the subsidy will apply.
- d) The rate (indicating the level of subsidy).
- e) The method of implementing the subsidy.
- f) Any special terms and conditions that will apply to the subsidy.

9.4 If a domestic customer's consumption or use of a municipal service is –

- a) Less than the subsidised service, the unused portion may not be accrued by the customer and will not entitle the customer to a payment or a rebate in respect of the unused portion.
- b) In excess of the subsidised service, the customer will be obliged to pay for such excess consumption at the applicable rate.

9.5 A subsidy implemented in terms of sub-section 9.1 may at any time, after reasonable notice, be withdrawn or altered at the sole discretion of the municipal council.

Commercial customers shall not qualify for subsidised services.

Subsidised services shall be funded from the portion of revenue raised nationally that is allocated to the municipality and if such funding is insufficient the services may be funded from revenue raised through rates, fees and charges in respect of municipal services.

Subsidized services may include electricity, water, sewerage, refuse removal and assessment rates and any consumption service charges.

Indigent subsidies

10.1 The purpose of the indigent subsidy is to provide funding for a basic level of services to qualifying households with a total gross income level which is below a determined amount, and according to further specified criteria as determined by the municipal council from time to time.

10.2 The source of funding of the indigent subsidy is that portion of the equitable share contribution to the municipality made from the national government's fiscus and as provided for in the budget. As such, the subsidy can only be credited to the qualifying customers' accounts until the amount received by the Municipality from National Government for this purpose has been exhausted, whereupon no further credits will be made, or the level of the credits reduced, until further national funds are received.

10.3 All consumers who qualify for an indigent subsidy may be placed on restricted service levels in order to limit further escalation of debt.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

10.4 Where applicable, these consumers may be exonerated from a portion of or their total arrear debt.

10.5 Where a qualifying indigent applicant customer's account is paid in full at the date of application, or regularly maintains a paid up account after receiving the subsidy, the restriction on service levels may be waived on request by such a customer.

10.6 An indigent customer must immediately request de-registration by the municipality or its authorised agent if his/her circumstances have changed to the extent that he/she no longer meet the criteria.

10.7 An indigent customer may at any time request de-registration.

10.8 A register of indigent customers will be maintained and may be made available to the general public.

Authority to recover additional costs and fees

11.1 The municipality has the authority, notwithstanding the provisions of any other sections contained in these by-laws, to recover any additional costs incurred in respect of implementing these by-laws against the account of the consumer, including but not limited to –

- a) All legal costs, including attorney and own client costs incurred in the recovery of amounts in arrears shall be against the arrears account of the customer, and
- b) The average costs incurred relating to any action taken in demanding payment from the customer or reminding the customer, by means of telephone, fax, email, letter or otherwise.

Part 3: Payment

Payment of deposits and the Screening of Customer

12.1 The municipal council may, from time to time, determine different deposits for different categories of customers, users of services, debtors, services and service standards, provided that the deposits may not be more than three times the monetary value of the most recent monthly municipal service rendered, including rates and taxes, to the premises for which an application is made. A minimum deposit of the equivalent of one month's average consumption will be required.

12.2 A customer must on application for the provision of municipal services and before the municipality will provide such services, pay a deposit, if the municipal council has determined a deposit. Deposits either in cash or any other security acceptable to the municipality may be required, and may vary according to the risk as determined by the Municipality.

12.3 The municipality may annually review a deposit paid in terms of sub-section 12.2 and in accordance with such review -

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

- a) require that an additional amount be deposited by the customer where the deposit is less than the most recent deposit determined by the municipal council, or
- b) may refund to the customer such amount as may be held by the municipality where the deposit is in excess of the most recent deposit determined by the municipal council.

The municipality reserves the right to increase deposits at any time and at the sole discretion of the municipality to a maximum of three months average consumption.

- 12.4 If a customer is in arrears, the municipality may require that the customer –
- a) pay a deposit if that customer was not previously required to pay a deposit, if the municipal council has determined a deposit; and
 - b) pay an additional deposit where the deposit paid by that customer is less than the most recent deposit determined by the municipal council.

12.5 Subject to sub-section 12.6, the deposit shall not be regarded as being in payment or part payment of an account.

12.6 If an account is in arrears, the deposit will be applied in payment or part payment of the arrears.

12.7 No interest shall be payable by the municipality on any deposit held.

12.8 The deposit, if any, is refundable to the customer on settlement of all arrears on termination of the agreement. A deposit shall be forfeited to the municipality if it has not been claimed by the customer within 12 (twelve) months of termination of the agreement.

12.9 All applicants for municipal services may be checked for credit-worthiness including checking information from banks, credit bureaus, other municipalities or municipal entities, trade creditors and employers.

12.10 Deposits can vary according to the credit-worthiness or legal category of the applicant.

Methods for determining amounts due and payable

13.1 Subject to sub-section 13.2, the municipality must in respect of municipal services that can be metered, endeavour, within available financial and human resources, to meter all customer connections and read all metered customer connections on a regular basis.

13.2 If a service is not measured, a municipality may, notwithstanding sub-section 13.1, determine the amount due and payable by a customer, for municipal services supplied to him, her or it, by –

- a) calculating the shared consumption; or if that is not possible,
- b) estimating the estimated consumption.

13.3 If a service is metered, but it cannot be read because of financial and human resource constraints or circumstances beyond the control of the municipality, and the customer is charged

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

for average consumption, the average consumption will be based on at least three consecutive months' consumption. The account following the reading of the metered consumption must state the difference between the actual consumption and the average consumption, and the resulting credit or debt adjustment. Estimates should be limited and charging of actual consumption be encouraged.

13.4 Where water supply services are provided through communal water services networks (standpipes), the amount due and payable by customers gaining access to water supply services through the communal water services networks, must be based on the shared or estimated consumption of water supplied to the water services network.

13.5 Where in the opinion of the municipality is not reasonably possible or cost effective to meter all customer connections or read all metered customer connections within a determined area, the municipal council may, notwithstanding sub-section 13.1, determine the amount due and payable by a customer for municipal services supplied to him, her or it, by –

- a) calculating the shared consumption; or if not possible,
- b) calculating the estimated consumption.

13.6 The municipality must inform customers of the method for determining amounts due and payable in respect of municipal services provided that will apply in respect of their consumption or supply zones.

13.7 Customers are entitled to request verification of meter readings and accuracy within reason, but may be held liable for the cost thereof if it is found that the readings are correct or the difference is less than ten percent, up or downwards.

13.8 Customers will on request be informed in writing of a meter replacement.

Payment for Municipal Services provided

14.1 A customer shall be responsible for payment of all municipal services charged to him, her or it from the commencement date of the agreement until his, her or its account has been settled in full and the municipality shall be entitled to recover all applicable charges due to the municipality.

14.2 If a consumer uses municipal services for the use other than that for which it is provided by the municipality in terms of an agreement and as a consequence is charged as a charge lower than the applicable charge the municipality may make an adjustment of the amount charged and recover the balance from the customer.

14.3 If amendments to the applicable charge become operative on a date between measurements for the purpose of rendering an account in respect of the applicable charges –

- a) it shall be deemed that the same quality of municipal services was provided in each period of twenty-four hours during the interval between the measurements; and
- b) any fixed charge shall be calculated on a pro rata basis in accordance with the charge that applied immediately before each amendment and such amended applicable charge.

- b) If in its opinion, undue hardship are endured by the customers affected by the declaration;
- c) On expiry of the duration specified in terms of sub-section 49.1 and 49.2.

49.6 The municipality may again request the municipal council to declare a supply zone an emergency area on a change of a declaration in terms of sub-section 49.3, if in the municipality's opinion it is required.

49.7 The provisions of sub-sections 49.1 to 49.4 apply to a request in terms of sub-section (6).

CHAPTER 6: UNAUTHORIZED SERVICES

Unauthorized services

50.1 No person may gain access to municipal services unless it is in terms of an agreement entered into with the municipality for the rendering of those services.

50.2 The municipality may, irrespective of any other action it may take against such person in terms of these by-laws by written notice order a person who is using unauthorized services to –

- a) Apply for such services in terms of sections 1 and 2; and
- b) Undertake such work as may be necessary to ensure that the customer installation through which access was gained complies with the provisions of these or any other relevant by-laws.

Interference with infrastructure for the provision of municipal services

51.1 No person other than the municipality shall manage, operate or maintain infrastructure through which municipal services are provided.

51.2 No person other than the municipality shall effect a connection to infrastructure through which municipal services are provided

Obstruction of access to infrastructure for the provision of municipal services

52.1 No person shall prevent or restrict physical access to infrastructure through which municipal services are provided.

**EMFULENI LOCAL MUNICIPALITY
DRAFT CREDIT CONTROL AND DEBT COLLECTION BYLAWS 2015/2016**

52.2 If a person contravenes sub-section 52.1, the municipality may –

- a) By written notice require such person to restore access at his or her own expense within a specified period; or
- b) If it is of the opinion that the situation is a matter of urgency, without prior notice restore access and recover the cost from such person.

Illegal re-connection

53.1 A customer whose access to municipal services have been restricted or disconnected, who intentionally unlawfully re-connects or allows another person to re-connect services or who intentionally or negligently interferes with infrastructure through which municipal services are provided, shall immediately be disconnected.

53.2 A person who re-connects to municipal services in the circumstances referred to in sub-section 53.1 shall be liable to pay for any services that he, she or it may have utilized or consumed in breach of these by-laws, notwithstanding any other actions that may be taken against such person.

53.3 The consumption will be estimated based on the average consumption of services to the specific area within which the unauthorized connection was made.

Immediate disconnections

54.1 The provision of municipal services may immediately be disconnected by the municipality if any person unlawfully and intentionally or negligently interferes with infrastructure through which municipal services are provided.

CHAPTER 7: OFFENCES**Offences**

55.1 Any person who –

- a) Obstructs or hinders the municipality in the exercising of the powers of performance of functions or duties under these by-laws;

CHAPTER 8: DOCUMENTATION**Signing of notices and documents**

56.1 A notice or document issued by the municipality in terms of these by-laws and signed by a staff member of the municipality shall be deemed to be duly issued and must on its mere production be accepted by a court as prima facie evidence

Notices and documents

57.1 Any notice or other document that is served on an owner, customer or any other person in terms of these by-laws is regarded as having been served –

- a) If it has been delivered to that person personally;
- b) When it has been left at the person's village, place of residence, or business or employment in the Republic with a person apparently over the age of sixteen years;
- c) When it has been posted by registered or certified mail to that person's last known residential address or business address in the Republic and an acknowledgement of posting thereof from the postal service is obtained;
- d) If that person's address in the Republic is unknown, when it has been served on that person's agent or representative in the Republic in the manner provided in sub-sections (a) – (c); or
- e) If that person's address and agent or representative in the Republic is unknown, when it has been posted in a conspicuous place on the property or premises, if any, to which it relates.

57.2 When any notice or other document must be authorised or served on the owner, occupier or holder of any property it is sufficient if that person is described in the notice or other document as the owner, occupier or holder of the property or right in question, and is not necessarily the name of that person.

57.3 In the case where compliance with a notice is required within a specified number of working days, such period shall be deemed to commence on the date of delivery or sending of such notice.

Authentication of documents

58.1 Every order, notice or other document requiring authentication by the municipality shall be sufficiently authenticated. If signed by the municipal manager or by a duly authorised person of the municipality; such authority being conferred by resolution of the municipality, written agreement or by a by-law.
