Government Printing Works

Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- ☐ Single notice, single email – with proof of payment or purchase order.
- ☐ All documents must be attached separately in your email to GPW.
- ☐ 1 notice = 1 form, i.e. each notice must be on a separate form
- ☐ Please submit your notice **ONLY ONCE**.
- ☐ Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- ☐ The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

GOVERNMENT PRINTING WORKS BUSINESS RULES

Government Printing Works has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic Adobe Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

1. No hand written notices will be accepted for processing, this includes Adobe forms which have been completed by hand.
2. Notices can only be submitted in Adobe electronic form format, to the email submission address submit.egazette@gpw.gov.za. All notice submissions not on Adobe electronic forms will be rejected.
3. When submitting your notice request, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email and must be attached separately. (In other words, your email should have an Adobe Form plus proof of payment/purchase order as 2 separate attachments. Where notice content is applicable, it should also be a 3rd separate attachment).
4. Notices brought to GPW by "walk-in" customers on electronic media can only be submitted in Adobe electronic form format.
5. All "walk-in" customers with notices that are not on electronic Adobe forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format. Where a customer walks into GPW with a stack of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.
6. For National or Provincial gazette notices, the following applies:
 - 6.1 These notices must be accompanied by an electronic Z95 or Z95Prov Adobe form
 - 6.2 The notice content (body copy) MUST be a separate attachment.
7. The current cut-off of all Gazette's remains unchanged for all channels. (Refer to the GPW website for submission deadlines – www.gpwonline.co.za)
8. Incorrectly completed forms and notices submitted in the wrong format will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za)
9. All re-submissions will be subject to the standard cut-off times.
10. All submissions and re-submissions that miss the cut-off will be rejected to the customer to be submitted with a new publication date.
11. The electronic Adobe form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered.
12. Requests for Quotations (RFQs) should be received by the Contact Centre at least 24 hours before the submission deadline for that specific publication.

13. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.
