The Transferee for itself and its successors in title or assigns declares itself to be fully acquainted with the fact that the property has been undermined by mining operations conducted on or under the surface of the farm Vlakfontein 130 IR, District Brakpan, and hereby acknowledges that RAND SELECTION CORPORATION LIMITED and the holders of the mining title underlying, adjoining or adjacent to the property, and their respective successors in title and assigns shall not be liable nor held responsible for any damage sustained by the Transferee or any other person as a result of injury to persons or property or any erections or improvements upon the property caused by subsidence, settlement, shocks or cracking and whether arising directly or indirectly from mining operations in the past, present or future or as a result of any cause whatever.

## 2. CONDITIONS OF TITLE

### 2.1 CONDITIONS OF TITLE IMPOSED BY THE LOCAL AUTHORITY IN TERMS OF THE PROVISIONS OF THE TOWN-PLANNING AND TOWNSHIPS ORDINANCE, 1986 (ORDINANCE 15 OF 1986):

#### 2.1.1 ALL ERVEN

- (a) As this erf is situated in the vicinity of land which may be undermined and which may be liable to subsidence, settlement, shock and cracking due to past, present or future mining operations, the owner of this erf accepts all liability for any damages thereto or any structure thereon which may result from such subsidence, settlement, shock or cracking.
- (b) As this erf forms part of an area which may be subject to dust pollution and odours as a result of the presence of the Rietfontein Landfill Site in the vicinity of the township, the owner of this erf accepts that inconvenience with regard to dust pollution and odours as a result thereof, may be experienced.
- (c) Where, in the opinion of the Municipality, it is impracticable for stormwater to be drained from higher-lying erven direct to a public street, the owner of the lower-lying erf shall be obliged to accept and / or permit the passage over the erf of such stormwater; provided that the owners of any higher-lying erven, the stormwater from which is discharged over any lower-lying erf, shall be liable to pay a proportionate share of the cost of any pipeline or drain which the owner of such lower-lying erf may find necessary to lay or construct for the purpose of conducting the water so discharged over the erf.

- (d) (i) The erf is subject to a servitude, 2m wide, in favour of the Municipality, for sewerage and other municipal purposes, along any two boundaries other than a street boundary and in the case of a panhandle erf, an additional servitude for municipal purposes 2m wide across the access portion of the erf when required by the Municipality: Provided that the Municipality may dispense with any such servitude.
- (i) No building or other structure shall be erected within the aforesaid servitude area and no large-rooted trees shall be planted within the area of such servitude or within 2m thereof.
- (ii) The Municipality shall be entitled to deposit temporarily on the land adjoining the aforesaid servitude such material as may be excavated by it during the course of the construction, maintenance or removal of such sewerage mains and other works as it, in its discretion, may deem necessary and shall further be entitled to reasonable access to the said land for the aforesaid purpose, subject to any damage done during the process of the construction, maintenance or removal of such sewerage mains and other works being made good by the Municipality.

#### 2.1.2 ERF 4407

The registered owner of the erf shall be responsible for the maintenance and repair of a fence or physical barrier along the erf boundary abutting Provincial Road K161. Should the need arise for acoustic screening along the said road, the registered owner of the erf shall be responsible for the construction, maintenance and repair of such acoustic screen and the cost thereof shall be borne by the registered owner of the erf.
