Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- ☐ Single notice, single email – with proof of payment or purchase order.
- ☐ All documents must be attached separately in your email to GPW.
- ☐ 1 notice = 1 form, i.e. each notice must be on a separate form
- ☐ Please submit your notice **ONLY ONCE**.
- ☐ Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- ☐ The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

The township shall consist of erven and streets as indicated on **General Plan SG No 1998/2006.**

2.3 STORMWATER DRAINAGE AND STREET DESIGN

- (a) The township owner shall at the request of the local government supply the local government with a detailed scheme including plans, cross sections and specifications as compiled by a civil engineer approved by the local government for the provision of a underground water drainage system. Such system must be designed in order to dispose off the runoff of a 1:10 year rainstorm and must ensure that the runoff of a 1:50 year rainstorm be guided to the nearest defined watercourse without flooding any adjacent properties. The design of the drainage system must contain and describe aspects like tar macadamization, kerbing and canalization of roads as well as the provision of retaining walls if required by the local government.

The drainage system must, where necessary, make provision for the catchment of stormwater in catchment pits from where it must be disposed of in water tight pipes in such a way that no water collections or seepage shall occur on or near the ground surface. The mentioned water pipes must be manufactured from durable material and must be approved by the local government. The scheme must also indicate the route and gradient of access to each individual erf from the adjoining street.

- (b) The township owner must construct roads according to the approved scheme at own costs and to the satisfaction of the local government, under the supervision of a civil engineer approved by the local government.
- (c) The township owner is responsible for the maintenance of streets to the satisfaction of the local government until the streets are completed according to sub clause (b) above.
- (d) The township owner must make a proportional contribution, as determined by the Director: Infrastructure Management, for the upgrading of Viljoen Road as well as the intersection of Viljoen Road with Hendrik Potgieter Drive, which will include the erection of a traffic light.
- (e) If the township owner fails to comply with the stipulations of sub clauses (a), (b) and (c) above, the local government will be entitled to do the required construction at the cost of the township owner.

2.4 SEWERAGE

The township owner must, at the request of the local government, supply the following detail regarding the sewerage system of the proposed township:

- (i) Comprehensive lay-out plans;
- (ii) Cross sections; and
- (iii) Specifications of materials and equipment to be used during the construction of such sewerage system.

The sewerage system must be designed by an approved professional engineer according to the specifications and standards laid down by the local government, to the satisfaction of the Director: Water and Sanitation.

All materials to be used with the construction of the sewerage system is subject to the approval and/or amendment of the Director: Water and Sanitation.

2.5 WATER

The township owner must, at the request of the local government submit a detailed scheme with plans, cross sections and specifications for the provision of an underground water reticulation system, for approval.

The proposed network must make provision for a pressurised water connection for each individual erf and must be designed by a professional engineer approved by the local government. All materials to be used in the proposed water network must be approved by the local government.

2.6 DISPOSAL OF EXISTING TITLE CONDITIONS

All erven must be made subject to existing conditions and servitudes, including Mineral Rights, with the exception of:-

- (a) The following conditions which must not be transferred to the erven in the township:

Conditions B(a), B(b), B(c)(i), B(c)(ii), B(d)(i) to B(d)(vi), B(e), B(f), B(g), B(h) and B(i) in Deed of Transfer No T123060/2001.

2.7 FORMATION, DUTIES AND RESPONSIBILITIES OF THE HOME OWNERS ASSOCIATION

- (a) The applicant shall legally and properly constitute a Home Owners Association prior to the transfer of any erf in the township.
- (b) All streets and internal engineering services in the township shall, prior to or simultaneously with the registration of the first erven in the township be transferred to the Home Owners Association who shall take full responsibility for the maintenance of said streets and internal engineering services in the township.
- (c) All owners of stands (or subdivided/consolidated portions thereof) in the township shall become and remain members of the Home Owners Association and shall be subject to its memorandum and articles until such owners legally cease to be owners as aforesaid.

2.8 REMOVAL OF REFUSE

The township owner must at own cost remove refuse within the township to the satisfaction of the local government, if required by the local government.

2.9 REMOVAL OR REPLACEMENT OF SERVICES

If the establishment of the township results in existing municipal, Eskom, Telkom or any other service to be removed, relocated or replaced the costs of such removal, relocation or replacement must be borne by the township owner.

2.10 ENDOWMENT

The township owner shall, in terms of the provisions of Section 98(2) read with Regulation 44 of the Town Planning and Townships Ordinance, 1986 (Ordinance 15 of 1986), pay a lump sum as endowment to the local government for the provision of land for a park / open space.

2.11 OBLIGATIONS WITH REGARD TO ENGINEERING SERVICES AND RESTRICTION REGARDING THE ALIENATION, TRANSFER, CONSOLIDATION AND/OR NOTARIAL TIE OF ERVEN

The township owner shall, within such period as the local government may determine, fulfil its obligations in respect of the provision of electricity, water and sanitary services as well as the construction of roads and stormwater drainage and the installation of systems therefor as previously agreed upon between the township owner and the local government. Erven and/or units in the township, may not be alienated or transferred into the name of a purchaser nor shall a Certificate of Registered Title be registered in the name of the township owner, prior to the local government certifying to the Registrar of Deeds that sufficient guarantees/cash contributions in respect of the supply of engineering services by the township owner, have been submitted or paid to the said local government.

2.12 REGISTRATION OF SERVITUDES

The applicant shall, at his own cost, register servitudes to provide access or protect infrastructure in the township, if required.
