Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- ☐ Single notice, single email – with proof of payment or purchase order.
- ☐ All documents must be attached separately in your email to GPW.
- ☐ 1 notice = 1 form, i.e. each notice must be on a separate form
- ☐ Please submit your notice **ONLY ONCE**.
- ☐ Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- ☐ The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

Erven may not be alienated or transferred into the name of a purchaser prior to the Local Authority certifying that sufficient guarantees/ cash contributions in respect of the supply of services by the township owner have been submitted or paid to the said Local Authority.

2. CONDITIONS TO BE COMPLIED WITH BEFORE THE ERVEN IN THE TOWNSHIP BECOME REGISTRABLE

2.1 INSTALLATION OF INTERNAL AND EXTERNAL SERVICES

A certificate issued in terms of section 82 of the Town Planning and Townships Ordinance (Ordinance 15 of 1986) must be lodged with the first transfer or with any other act of registration such as the issuing of a Certificate of Title.

The township applicant shall install and provide internal engineering services in the township as provided for in the services agreement.

The Local Authority shall install and provide external engineering services for the township as provided for in the services agreement.

2.2 THE DEVELOPER'S OBLIGATIONS

2.2.1 PROVISION OF ENGINEERING DRAWINGS

The developer must submit to the City of Tshwane Metropolitan Municipality complete engineering drawings in respect of internal sewers and sewer connection points and complete engineering drawings in respect of the internal road and storm water sewers as well as water and electricity services, prior to the commencement of the construction of the said services.

The detail design drawings will only be evaluated after the required Services Reports has been approved.

The Developer must obtain a way-leave from the Municipality prior to commencement of construction work, if such work will be done on Municipal property.

2.2.2 PROVISION OF A CERTIFICATE BY A PROFESSIONAL ENGINEER

Before any erf is transferred, the City of Tshwane Metropolitan Municipality must be provided with a certificate by a Professional Engineer for water, sewerage, electricity, and the internal road and storm water sewers, in which it is certified that the internal engineering services have been completed and that the engineers accept liability for the services. The City of Tshwane Metropolitan Municipality may at its own discretion allow an exception in respect of the internal road and storm water sewers. If this is the case, the developer must give the City of Tshwane Metropolitan Municipality an undertaking that the developer will complete this service on or before a certain date and must provide the City of Tshwane Metropolitan Municipality with a guarantee issued by a recognized financial institution.

No building plans will be approved before the services are completed and (if applicable) taken over by the divisions of the Public Works and Infrastructure Development Department.

2.2.3 MAINTENANCE PERIOD AND GUARANTEE

A maintenance period of 12 (twelve) months commences on the date on which the council has certified that the provisions of Section 82 (1)(b)(ii)(cc) of the Town-Planning and Townships Ordinance 15 of 1986 has been complied with and when the last of the internal engineering services (i.e. water, sewerage, electricity), and the road and storm water sewers have been completed.

A maintenance guarantee must be issued for the said period by a recognized financial institution, in respect of poor workmanship and/or materials with regard to the civil engineering services and the electricity services, which guarantee must be issued in favour of the Municipality for an amount that is equal to 10% of the contract cost of the civil services and 10% of the contract cost of the electrical services, before the commence date of the contract. and proof of this must be submitted to the City of Tshwane Metropolitan Municipality.

2.2.4 COMPLETION OF THE SCHEME

The developer remains liable for the development of the entire scheme in accordance with the approved site development plan, provided that the scheme may also be developed in phases with the consent of the City of Tshwane Metropolitan Municipality, and provided further that the entire development takes place under the supervision of one architectural firm. If another architect or architectural firm is appointed at any stage during the execution of the scheme, the City of Tshwane Metropolitan Municipality must be notified of this without delay.
