CHAPTER 2: LOCAL WASTE PLAN

Principles of a Local Waste Plan

2. (1) The Council has the responsibility to ensure that all waste generated within the municipal area is-

(a) collected, disposed of or recycled in accordance with this By-law; and

(b) that such collection, disposal or recycling takes account of the waste management hierarchy set out in sub-section (2) below.

(2) The underlying principle of these By-laws is to establish a waste management hierarchy in the following order of priority:

(a) Avoidance, waste minimisation and waste reduction;

(b) re-use;

(c) recycling, reprocessing and treatment; and

GREATER TUBATSE MUNICIPALITY

(d) disposal.

(3) Any authorised official must, as far as reasonably possible, take into account the hierarchy specified in sub-section 2(1) (b) above.

Main Objectives of a Local Waste Plan

3. (1) The main objects of this By-law is to—

(a) regulate the collection, disposal, treatment and recycling of waste by establishing a system to ensure that the collection, disposal, treatment or recycling of waste is done in a manner that would not cause harm to human health or damage to the environment, and in particular, without—

(i) risk to water, air, soil, plants or animals;

(ii) causing nuisance through noise or odours; or

(iii) adversely affecting rural or urban areas or areas of special interest;

(b) regulate the provision of municipal services by service providers and commercial services by licensees; and

(c) enhancing sustainable development.

(d) establish an-integrated network of waste handling and waste disposal facilities to ensure that—

(i) comprehensive and adequate municipal and commercial services are established within the municipal area;

(ii) the disposal of waste occurs at accessible waste disposal facilities; and recycling of waste;

(e). encourage waste separation to facilitate re-use and recycling;

(f). promote and ensure an environmentally responsible municipal service and commercial service;

(g). promote the effective resourcing, planning and delivery of municipal and commercial services;

Scope of a Local Waste Plan

4. A local waste plan includes but is not limited to the following matters:

(a) population and development profile within the municipal area;

(b) an assessment of all significant sources and generators of waste within the municipal area;

(c) an assessment of the quantities and classes of waste currently generated and projected to be generated within the municipal area;

(d) an assessment of the existing markets for each waste category;

(e) an assessment of the existing options for waste reduction, management and disposal within the municipal area;

(f) an assessment of the number of persons within the municipal area who are not receiving municipal services and proposed strategies and targets for providing these services to such persons;

GREATER TUBATSE MUNICIPALITY

- (g) proposed strategies and targets for managing and reducing waste in the municipal area and for the efficient disposal of waste that cannot be re-used or recycled;
- (h). strategies for waste education and initiatives for separating waste at its source;
- (i) strategies for raising awareness of waste management issues;
- (j) strategies for establishing the information system described in Chapter 3 of this by-law;
- (k).an implementation programme that identifies the required time-frames, resources and responsibilities;
- (l).the most appropriate methods and technologies are used in order to ensure a high level of protection for and prevention of damage to the environment and harm to human health;
- (m).promote the re-use a for achieving these strategies and targets;
- (n).a mechanism for monitoring performance in light of these targets and strategies;
- (o).current and anticipated waste collection, transportation, transfer and disposal costs;
- (p).a consideration of how the local waste plan relates to other relevant plans of the Municipality;
and
- (q).any other matters required by any other legislation, regulation or guidelines.

Requirements for Preparation of a Local Waste Plan

5. If the municipality prepares a local waste plan, it must, subject to any other legislation—

- (a) take into consideration any integrated development plan or land development objectives of the Municipality, and the requirements of any national or provincial legislation or policy;
- (b) take reasonable steps to bring its draft local waste plan to the notice of the local community by—
 - (i) inviting comment on it from members of the local community;
 - (ii) allowing not less than two months for submitting such comments;
 - (iii) and considering comment received before finalising the local waste plan;
- (c) send copies of the draft local waste plan to the competent national authority and neighbouring Municipalities for their information; and
- (d) send a copy of the draft local waste plan to the Province in which the municipality is situated for comment(s) and finalise the local waste plan after considering such comment(s).

CHAPTER 3**WASTE MANAGEMENT INFORMATION SYSTEM****Establishment of an Information System**

GREATER TUBATSE MUNICIPALITY

6.

- (1). The municipality may establish and maintain a waste management information system in terms of this chapter to record how waste is managed within the municipality.
- (2). A decision to establish a waste management information system in terms of subsection 0 must be published by a notice in the Provincial Gazette and will come into operation on a date announced in the notice which must not be less than 3 months from the date of its publication.

Purpose of the Information System

7. (1) The purpose of an information system is for the municipality to—
- (a). record data relating to the implementation of the local waste plan, if any, and the management of waste in the municipality;
 - (b). record information held by the municipality in relation to any of the matters referred to in subsections 9(2) (a)–(h);
 - (c). furnish information upon request or as required by law to the provincial or national government;
 - (d). gather information and undertake strategic planning regarding potential and actual waste generators, service providers and licensees;
 - (e). provide information to waste generators, service providers, licensees and the local community in order to—
 - (i). facilitate monitoring of the performance of the municipality, service providers and licensees, and, where applicable, waste generators;
 - (ii). stimulate research; and
 - (iii). assist the municipality to achieve the main objects of these By-laws.

Content of the Information System

- (8).
- (1). An information system established by the Municipality may include any information relating to or connected to the management of waste within the municipality.
 - (2). The local community is entitled to reasonable access to the information contained in the information system, subject to any limitations imposed by law.
 - (3). In giving effect to the right in subsection (2), the municipality must—
 - (a) at the request of a member of the local community, provide information contained in

GREATER TUBATSE MUNICIPALITY

the information system;

(b) take steps to ensure that the information provided is in a format appropriate for lay readers; and

(c) may impose a fee for providing such information in order to cover the cost of providing the information requested.

Provision of Information

9.

(1) The municipality may, subject to the provisions of any other law including the common law, require any waste generator, licensee, service provider or person involved in or associated with the provision of municipal services or commercial services within the municipality to furnish information to the municipality that may reasonably be required for the information system.

(2) The information referred to in subsection (1) may concern—

(a) significant sources of waste generation and the identification of the generators of waste;

(b) quantities and classes of waste generated;

(c) waste handling, waste treatment and waste disposal facilities;

(d) population and development profiles;

(e) reports on progress in achieving any waste management targets;

(f) the management of radioactive waste;

(g) markets for waste by class of waste or category; and

(h) any other information required by legislation, regulation or guidelines.

(3) The municipality may, at its sole discretion, determine when and how often information must be furnished.

CHAPTER 4**BASIC MUNICIPAL SERVICES*****Part I: Providing Access to Basic Municipal Services*****The Provision of Basic Municipal Services**

GREATER TUBATSE MUNICIPALITY

10.

- (1) The municipality must take reasonable measures within its available resources progressively to ensure efficient, affordable, economical and sustainable access by the local community to basic services.
- (2) The duty referred to in sub-section (1) above is subject to-
- (a) the obligation of the members of the local community to pay the prescribed fee, for the provision of the municipal service, which must be in accordance with any nationally prescribed norms and standards for rates and tariffs; and
 - (b) the right of the Council to differentiate between categories of users and geographical areas when setting service standards and levels of service for the provision of the municipal service.
- (3) The Council must take the following factors into account in ensuring access to the municipal service:
- (a) the waste management hierarchy set out in section 2 (2);
 - (b) the need to use the resources efficiently;
 - (c) the need for affordability;
 - (d) the requirements of operational efficiency;
 - (e) the requirements of equity; and
 - (f) the need to protect human health and the environment

Requirements for Basic Services

11.

- (1) The following matters in respect of basic services shall be determined by the municipality, and the power to make a determination in this section may not be assigned to a service provider in terms of section 0)—
- (a) the quantities of waste that will be collected;
 - (b) which residential or commercial premises require basic services more frequently than the regular collection service for reasons of health, safety and environmental protection; and
 - (c) the maximum amount of waste that may be placed for collection without the provision of an additional service or the imposition of an additional tariff.
- (2) The following additional matters in respect of basic services may be determined by the municipality—
- (a) collection schedules;
 - (b) locations for placing approved receptacles for collection;

GREATER TUBATSE MUNICIPALITY

-
- (c). which types of waste generated by the occupier of any premises are separable for the purposes of recycling and determine the conditions for their separation, storage or collection; and
 - (d). which waste items are unsuitable for collection because they do not constitute domestic waste, and where such waste is determined to be unsuitable for collection, a process for the collection of these items must be recommended to the owner of the waste.
- (3) The municipality must notify in writing all generators of domestic waste, business waste and dailies of any decisions taken in terms of sections 11, and may at any time review these decisions.
 - (4) The municipality may provide, or require the generator of the waste to provide, an approved receptacle for the storage of domestic waste, business waste and dailies pending collection.
 - (5) Where a receptacle referred to in subsection 4 is provided by the municipality, it remains the property of the municipality.
 - (6). The municipality may require a generator of dailies and business waste to compact that portion of the waste that is compactable when—
 - (a). the quantity of dailies or business waste generated on premises requires daily removal of more than the equivalent of eight 240-litre bins; and
 - (b) in the opinion of the municipality, the major portion of such waste is compactable.
 - (7). The occupier of premises may elect to compact any volume of such waste and place it into a receptacle or wrapper that is approved by the municipality: Provided that—
 - (a) the capacity of the wrapper must not exceed 85 litres and the mass of the wrapper and contents must not exceed 35 kilograms; and
 - (b) after the waste has been compacted and put into the wrapper, it must be placed in the approved receptacle and must be stored so as to prevent damage to the wrapper or any nuisance arising until it is collected.

Part II: Using Basic Services**Obligations of Generators of Domestic Waste, Business Waste and Dailies**

12.

- (1). Any person generating domestic waste, business waste and dailies (other than waste which has been designated by the municipality as recyclable) must place domestic waste, business waste and dailies in an approved receptacle.
- (2) No person may allow an animal in his control to interfere with, overturn or damage a receptacle, which has been placed for collection.
- (3) The occupier of premises must ensure that—

GREATER TUBATSE MUNICIPALITY

-
- (a). no hot ash, unwrapped glass or other domestic waste, business waste and dailies, which may cause damage to approved receptacles or which may cause injury to employees of the municipality while carrying out their duties in terms of these by-laws, is placed in approved receptacles;
 - (b). no material, including any liquid, which because of its mass or other characteristics is likely to render an approved receptacle unreasonably difficult for employees of the municipality to handle or carry, is placed in a receptacle;
 - (c). every approved receptacle on the premises is kept closed except when waste is being deposited in it or discharged from it, and every approved receptacle is kept in a clean and hygienic condition;
 - (d). the approved receptacle delivered by the municipality is not used for any purpose other than the storage of domestic waste, business waste and dailies and, in particular, that no fire may be lit in a bin or container;
 - (e). the approved receptacle is placed outside the entrance to the premises before a time and on a day of the week specified by the municipality by notice to the owner or occupier of the premises, except where, on written application to the municipality, the municipality has indicated in writing that it is satisfied that a person is physically infirm or otherwise incapable of complying with the notice;
 - (f). the approved receptacle, placed in accordance with subsection 00, must be undamaged and properly closed so as to prevent the dispersal of its contents; and
 - (g). dailies are not placed in a receptacle or compactor where they are able to contaminate other waste streams.
- (4). The owner or occupier of premises must provide adequate space considered necessary by the municipality, on the premises for the storage of approved receptacles.
 - (5). The space provided in terms of subsection 4 must—
 - (a). be in such a position on the premises as will allow the storage of approved receptacles without their being visible from a street or public place;
 - (b). where dailies are generated on the premises—
 - (i). be in such a position as will allow their collection and removal by the municipality's employees without hindrance; and
 - (ii). be placed not more than 20m from the entrance to the premises used for the collection of waste by the municipality;
 - (c). be so located as to permit convenient access and egress for the municipality's waste-collection vehicles;
 - (d). comply with any further reasonable requirements imposed by the municipality by written notice to the owner or occupier of the premises; and
 - (e). be constructed in accordance with the requirements of any applicable building

GREATER TUBATSE MUNICIPALITY

regulations.

- (6). The occupier of premises must place or cause the approved receptacles to be placed in the space provided in terms of subsection 4 and must at all times keep them there, except where the municipality is unable to collect and remove waste from the space provided in terms of subsection 4.
- (7). The municipality may, having regard to the avoidance of nuisance and the convenience of collection of waste, indicate a position within or outside the premises where the approved receptacles must be placed for the collection and removal of such waste and such receptacles must then be placed in such position at such times and for such period as the municipality may require.

Liability to Pay for Basic Services

13.

- (1). The owner of premises is liable to the municipality for the payment of rates or tariffs or both for the provision of basic services, and is not entitled to exemption from the liability to make payment because no use or only partial or limited use is made of basic services.
- (2).
 - (a). A prescribed fee becomes due and payable on the due date for payment stipulated in the account.
 - (b). Non-receipt of an account does not relieve the person concerned of the liability to pay a prescribed fee before or on the due date.

CHAPTER 5**COMMERCIAL SERVICES*****Part I: Provision of Commercial Services by Licensees and Flow Control*****Provision of Commercial Services by Licensees**

14.

- (1). Except in the case of garden waste, and subject to section 29(3), only a licensee may provide commercial services.
- (2). Any person requiring commercial services must satisfy himself that the contractor is licensed to collect and dispose of the category of waste that has been generated and must take reasonable steps to ensure that the relevant waste is collected and disposed of in terms of this by-law.

Provision for Municipality Co-Ordination of Waste Disposal

15. The municipality may direct, by a notice published in the Provincial Gazette, that a category of

GREATER TUBATSE MUNICIPALITY

waste be disposed of at a particular depot or disposal site; and no person may dispose of waste other than as specified in a notice that has been gazetted under this section or as specified by the municipality under other legislation prior to the coming into operation of these by-laws.

Part II: Business, Industrial and Recyclable Waste**Storage of Business, Industrial and Recyclable Waste**

16. The owner or occupier of premises on which business, industrial or recyclable waste is generated must ensure that until such time as such waste is collected by a licensee from the premises on which it was generated—
- (a). the waste is stored within a bulk container or other approved receptacle; and
 - (b). no nuisance or health risk of any kind whatsoever is caused by the waste in the course of generation, storage, or collection.

Collection and Disposal of Industrial, Business and Recyclable Waste

17.

- (1). The owner or occupier of premises where business, industrial and recyclable waste is generated must ensure that—
 - (a). the container in which the waste is stored is not kept in a public place except for the purpose of collection;
 - (b). the waste is collected by a licensee within a reasonable time after its generation; and
 - (c). that the service rendered by a licensee is in respect only of that portion of the business, industrial or recyclable waste authorised in its license.
- (2). A licensee must dispose of business, industrial or recyclable waste at an appropriately permitted waste handling facility or waste disposal facility; and in disposing of waste, a licensee must comply with any notice given in terms of section 26 and with the provisions of section 26.

Part III: Garden Waste and Bulky Waste**18. Storage, Collection and Disposal of Garden Waste and Bulky Waste**

- (1) The owner or occupier of the premises on which garden waste is generated may compost garden waste on the property, but may do so only if the composting does not cause a nuisance or public health risk.
- (2) The occupier of the premises on which garden waste is generated and not composted, or on which bulky waste is generated, must ensure that such waste is collected and disposed within a reasonable time after its generation.

GREATER TUBATSE MUNICIPALITY

- (3) Any person or licensee may remove garden waste and bulky waste, but may do so only if the waste is deposited at a garden waste handling facility in accordance with the provisions of section 26.
- (4) At the written request of the occupier of premises, the municipality may, in its sole discretion, deliver an approved receptacle for the purpose of storing garden waste in addition to any approved receptacle delivered to the premises for the storage of domestic waste; and the provisions contained in section 12, read with the necessary changes must apply to an approved receptacle delivered in terms of this section.
- (5) Where, in the course of providing basic services, the municipality or the service provider providing the service, is of the opinion that it would cause inconvenience to members of the public not to remove garden and bulky waste at the same time, the municipality may remove such waste, in which event the tariff for domestic waste applies.

Part IV: Building Waste**19. Generation of Building Waste**

- (1). The owner or occupier of premises on which building waste is to be generated must ensure that -
 - (a). until disposal, all building waste, together with the containers used for its storage, collection or disposal, is kept on the premises on which the waste was generated;
 - (b). the premises on which the building waste is generated does not become unsightly or cause a nuisance as a result of accumulated building waste;
 - (c). any building waste which is blown off the premises is promptly retrieved; and
 - (d). pursuant to any instructions from the municipality, any structure necessary to contain the building waste is constructed.

20. Storage of Building Waste

- (1). The municipality may establish conditions, subject to subsection (2), to place a receptacle for the storage and collection of building waste in the road reserve.
- (2). Every receptacle used for the removal of building waste, must--
 - (a). have clearly marked on it the name, address and telephone number of the person in control of such receptacle;
 - (b). be fitted with reflecting chevrons or reflectors on its front and back; and
 - (c). be covered at all times other than when actually receiving or being emptied of building waste so that no displacement of its contents can occur.

21. Collection and Disposal of Building Waste

GREATER TUBATSE MUNICIPALITY

- (1). The owner or occupier of premises on which building waste is generated must ensure that the waste is disposed of by a licensee.
- (2). All building waste must be disposed at a waste disposal facility designated for that purpose by the municipality in terms of a notice under section 15, unless the municipality has given written consent for the building waste to be used for the purpose of land reclamation or for recycling.

Part V: Special Industrial, Hazardous or Health Care Risk Waste**22.Generation of Special Industrial, Hazardous or Health Care Risk Waste**

- (1). No person may carry on an activity which may cause special industrial, hazardous or health care risk waste to be generated, without notifying the municipality in writing, prior to the generation of such waste, of the composition of such waste, the estimated quantity generated, the method of storage, the proposed duration of storage, the manner in which it will be collected and disposed, and the identity of the licensee removing such waste: Provided that where such waste is being generated as a result of activities which commenced prior to the commencement of these by-laws, the generator must give the municipality such notice within 6 months of the commencement of these by-laws.
- (2). If so required by the municipality, the notification referred to in subsection (1) must be substantiated by an analysis of the composition of such waste certified by an appropriately qualified industrial chemist.
- (3). The person referred to in subsection (1) must notify the municipality in writing of any changes occurring with respect to the generation, composition, quantity and method and location of disposal of the special industrial, hazardous, or health care risk waste.

23.Storage of Special Industrial, Hazardous or Health Care Risk Waste

- (1). Any person carrying on an activity which may cause special industrial, hazardous or health care risk waste must ensure that the special industrial, hazardous or health care risk waste generated on the premises is kept and stored, until it is collected, on the premises.
- (2). Special industrial, hazardous or health care risk waste stored on premises must be stored in a manner that does not become a nuisance or cause harm to public health or damage to the environment, and in accordance with the requirements of any applicable building regulations or additional by-laws.
- (3). Special industrial, hazardous or health care risk waste must be stored in an approved receptacle for a period not exceeding three months or any other period stipulated by the Department of Water and Environmental Affairs, the Provincial Government, or the

GREATER TUBATSE MUNICIPALITY

municipality.

- (4). The municipality may enact additional by-laws providing guidelines for the management of health care risk waste.

24. Collection and Disposal of Special Industrial, Hazardous or Health Care Risk Waste

- (1) Only a licensee may transport special industrial, hazardous and health care risk waste and must do so in accordance with the requirements of the conditions of the licence issued to him or her under Chapter 8 as well as in the relevant SANS codes, in respect of the type of vehicle, the markings and manner of construction of the type of vehicle, procedures for safety and cleanliness, and documentation relating to the source, transportation and disposal of such waste, and subject to the requirements of any other legislation.
- (2) A licensee, licensed to collect and dispose of special industrial, hazardous or health care risk waste, must inform the municipality at intervals stipulated in the licence issued under Chapter 8, of each removal of special industrial, hazardous or health care risk waste, the date of such removal, the quantity, the composition of the waste removed and the waste disposal facility at which the waste has been disposed of.
- (3) A licensee must dispose of special industrial, hazardous or health care risk waste at a waste disposal facility designated by notice by the municipality as a waste disposal facility for that purpose in terms of section 15 and in accordance with the provisions of section 26.

CHAPTER 6**TRANSPORTATION AND DISPOSAL OF WASTE****25. Transportation of Waste**

- (1). No person may—
- (a). operate a vehicle for the conveyance of waste upon a street unless the vehicle has a body of adequate size and construction for the type of waste being transported;
 - (b). fail to maintain the vehicles used for the conveyance of waste in a clean, sanitary and roadworthy condition at all times;
 - (c). fail to cover loose waste on an open vehicle with a tarpaulin or suitable net;
 - (d). cause or permit any waste being transported in or through the municipal area to become detached, leak or fall from the vehicle transporting it, except at a waste disposal facility; and
 - (e). knowingly dispose of waste at a waste disposal facility that is not permitted to accept that waste.
- (2). Subject to subsection (1), all transportation of waste must comply with the National Road

GREATER TUBATSE MUNICIPALITY

Traffic Act, 1996 (Act 93 of 1996).

26. Disposal of Waste

- (1). Waste generated within the municipal area must be disposed of at a waste disposal facility where such disposal is permitted by the Council.
- (2). In disposing of waste, licensees must comply with any notices issued in terms of section 15 and in accordance with the provisions of any other law regulating the disposal of waste.
- (3). No person may dispose of waste by burning it, either in a public or private place.
- (4). No person may incinerate waste either in a public or private place, except in an incinerator permitted by the relevant national and provincial authorities to do so, or at a place designated by the municipality for such purpose.
- (5). Notwithstanding the provisions of subsection (1), any person may dispose of those forms of recyclable waste specified by the municipality in a notice in terms of section 15 at designated garden waste handling facilities, but may do so only if the waste is brought to the facility in vehicles able to carry a maximum load of one tonne or less.
- (6). The disposal of waste at any waste disposal facility may, in addition to any conditions imposed by the competent national authority, be subject to any condition the municipality may from time to time specify, including the hours of opening and closing, the nature of the waste which may be disposed of, the manner of disposing of waste and any other matters which the municipality considers necessary to ensure the environmentally sound management of waste.
- (7). Every person who enters a waste disposal facility must—
 - (a). enter the waste disposal facility at an access point determined by the operator of the waste disposal facility;
 - (b). at the request of the operator of the waste disposal facility, provide the Council or that person with any information regarding the composition of the waste disposed of or to be disposed of; and
 - (c). comply with any instruction issued by the operator of the waste disposal facility in regard to access to, the actual place where, and the manner in which, waste should be deposited.
- (8). No person may—
 - (a). bring any liquor or intoxicating or narcotic substance on to a waste disposal facility or enter such facility in an intoxicated state;
 - (b). enter a waste disposal facility for any purpose other than the disposal of waste in terms of these by-laws, unless authorised to do so by the operator of the waste disposal facility or the municipality and then only at such times and on such conditions as the municipality or operator may from time to time determine;

GREATER TUBATSE MUNICIPALITY

-
- (c). dispose of waste at a waste disposal facility where the disposal of the waste concerned is not permitted; or
 - (d). light a fire on a waste disposal facility without the prior written consent of the operator of the waste disposal facility.
- (9). Any person who contravenes subsection (8) (c) will be liable for all reasonable costs incurred by the municipality in removing or otherwise dealing with waste improperly disposed of at a waste disposal facility.
 - (10). The operator of the waste disposal facility may at any time require a vehicle, or a container on a vehicle, that has entered the waste disposal facility for the purposes of disposing waste, to be weighed at a weighbridge.
 - (11). The municipality, the operator of the waste disposal facility, an authorised official or any other persons duly authorised by the municipality may, at a waste disposal facility, inspect the content and nature of waste to be disposed of or processed and may take samples and test any waste found on any vehicle to ascertain its composition.
 - (12). Any person contravening any of the provisions of this section may be refused entry or be removed from a waste disposal facility.
 - (13). No person may store waste for more than ninety consecutive days without a permit from the competent national authority in terms of section 20(1) of the Environment Conservation Act, 1989 (Act 73 of 1989).

CHAPTER 7

SERVICE PROVIDERS

27. Agreements and Delegations

- (1). The municipality may, subject to its responsibilities under section 81 of the Systems Act, discharge any of its obligations under section 10 of this by-law by entering into a service delivery agreement with a service provider or service providers.
- (2). Subject to the provisions of the Systems Act or any other law, the municipality may assign to a service provider any right or power enjoyed by the municipality under these by-laws whenever the assignment is required to enable the service provider to discharge an obligation under its service delivery agreement.
- (3). If a municipality has entered into a service delivery agreement with a service provider, it must publish a notice in the Provincial Gazette for the province in which it is situated listing which rights and powers of the municipality under which provisions of these by-laws have been assigned to the service provider.
- (4). Where the term "municipality" appears in a provision of this by-law listed in the notice in subsection (3) it shall be read as "service provider" in that provision.

GREATER TUBATSE MUNICIPALITY

28. Customer Charter

Service providers must provide services in accordance with a customer charter which must be drawn up in consultation with the municipality and must—

- (a). accord with the provisions of this by-law;
- (b). be accessible to the public;
- (c). establish the conditions of supplying the service; and
- (d). provide for the circumstances in which electricity services may be limited.

CHAPTER 8: LICENSEES

29. Establishment of a Licensing System

- (1). A municipality may establish a licensing system in terms of this chapter.
- (2). A decision to establish a licensing system in terms of subsection (1) must be published by a notice in the Provincial Gazette and comes into operation on the date announced in the notice which may not be less than 3 months from the date of its publication.
- (3). If a municipality has not established a licensing system, firms providing waste management services may be treated as licensees by generators of waste for the purpose of chapter 4 of this by-law.

30. Licence Requirements

- (1). If a licensing system is established in terms of section 29(1), no person may collect or transport any of the waste streams listed in subsection (2)—
 - (a). without having first obtained and being in possession of a valid licence; and
 - (b). except in properly constructed, watertight vehicles or in containers that prevent spillage of waste and are suitable for the waste stream which is being collected or transported, as specified in the National Road Traffic Act, 1996 (Act 93 of 1996).
- (2). There are seven categories of waste covered by licences issued under chapter 7 of this by-law—
 - (a). business (bulk containerised) waste;
 - (b). industrial waste;
 - (c). special industrial waste;
 - (d). hazardous waste;
 - (e). recyclable waste
 - (f). health care risk waste; and
 - (g). building waste.

GREATER TUBATSE MUNICIPALITY

-
- (3). Licences issued under this by-law—
- (a) may not be ceded or assigned without the prior written consent of the municipality;
 - (b) are valid only for the category of waste specified; and
 - (c) expire within one year of the date of issue unless extended by the municipality in terms of section 34.

31. Licence Application

- (1). An application for a licence must be in writing on a form prescribed by the municipality.
- (2). The form prescribed by the municipality must specify the information to be included in the application, as well as any necessary documentation, and the time available for making the application, which period must not, subject to section 32(8) or section 34(2), be less than two months in duration.
- (3). The information provided in the application form must include the following:
 - (a). the name and the residential and postal address of the person providing commercial services and, if the person providing commercial services is a company or close corporation, its registration number, the names of its directors or members and the address of its registered head office; and
 - (b). the nature of the commercial services to be provided or intended to be provided by the person.
- (4). The municipality must determine the fees to be imposed on each vehicle used by a person to collect or transport waste, and the application must be accompanied by the relevant fees.

32. The Licence Adjudication Panel

- (1). The municipality must appoint a panel to adjudicate licence applications on its behalf known as the Licence Adjudication Panel.
- (2). A person appointed to the panel must not be—
 - (a). an employee or director of a service provider or licensee; or
 - (b). a councillor of the municipality; and must be—
 - (c). suitably qualified to adjudicate applications in terms of this section.
- (3). Where the panel consists of two or more persons—
 - (a). the municipality must appoint one person from amongst the panel members to act as a chairperson;
 - (b). all decisions of the panel must be taken by a majority vote of panel members present and voting at the meeting at which the matter is considered;
 - (c). where there is an equality of votes, the chairperson must cast a second or casting

GREATER TUBATSE MUNICIPALITY

vote.

- (4). The panel must consider each application, having regard to the following:
 - (a). the applicant's compliance with the National Road Traffic Act, 1996 (Act 93 of 1996) and with this by-law;
 - (b). the environmental, health and safety record of the applicant;
 - (c). the nature of the commercial service to be provided; and
 - (d). any other matter which the panel considers relevant.
- (5). After considering the application in terms of subsection 4, the panel must either—
 - (a). approve the application by issuing a licence subject to any term or condition it considers appropriate; or
 - (b). refuse the application, which refusal must be accompanied by written reasons.
- (6). The panel may refuse an application only because the applicant—
 - (a). failed to submit a complete and satisfactory application to the municipality; or
 - (b). failed to comply with the standards established in these by-laws.
- (7). If the panel refuses an application for a licence, the applicant may appeal to the committee that is responsible for solid waste disposal services established in terms of section 80 of the Structures Act, or if no such committee has been established, to the municipal manager of the municipality, on the basis set out in section 50(1) to (5) of this by-law with all the changes that may be necessary to apply to those provisions.
- (8). If the panel fails to consider and grant or refuse the licence application within two months of its receipt of the application, the validity of an existing licence is automatically extended until the panel makes its decision, and the municipality must—
 - (a). inform the applicant in writing that the period for consideration is extended; and
 - (b). inform the applicant of the date by which the decision will be made.

33.Licence Terms and Conditions

- (1). When issuing a licence the municipality may, subject to the provisions of subsection (2), impose any reasonably necessary licence conditions in furtherance of national, provincial or municipal waste management policy.
- (2). Licences issued by the municipality must—
 - (a). specify the licence period and the procedure for the renewal of a licence;
 - (b). specify the category or categories of waste that the licence holder may collect and transport;
 - (c). contain a requirement that the licence holder must comply, and ensure compliance by its employees, agents and sub-contractors, with this by-law and applicable

GREATER TUBATSE MUNICIPALITY

provincial and national legislation; and

- (d). require the licence holder to keep monthly written records on a form prescribed by the municipality in respect of the quantities of each category of waste it collects and transports during the licence period, which quantities must be confirmed and verified by the municipality in any application for renewal of a licence or application for a new licence by the same contractor.
- (3). In prescribing licence conditions in terms of this section, the municipality must comply with its local waste plan if it has one.

34. Renewal of Licences

- (1). If licence holders intend to renew their licence, they must do so within two months before the expiry of an existing licence; and the panel must assess and grant or refuse the licence application within two months of the receipt of that application in accordance with section 32.
- (2). If the panel fails to consider or to grant or refuse the licence renewal application within two months, the validity of an existing licence is automatically extended until the panel makes its decision, and the municipality must—
- (a). inform the applicant in writing that the period for consideration is extended; and
- (b). inform the applicant of the date by which the decision will be made.
- (3). When considering whether to grant another licence, the panel must confirm and verify the previous records kept by the licence holder in terms of section 33(2)(d) of this by-law.

35. Display of Waste Licence

- (1). Upon issuing a licence to a contractor to collect or transport a specific category of waste, the municipality must issue to the contractor a numbered sticker for each vehicle to be used by him which shall—
- (a). confirm that the licence holder is authorised to collect or transport the category of waste specified on the sticker; and
- (b). be colour coded for easy identification of the waste stream to which the licence applies.
- (2). The contractor must affix the sticker referred to in subsection (1) to each vehicle to be utilised in providing the service and display it at all times.
- (3). A waste disposal facility is authorised and directed to admit waste to its facility for processing or disposal only from contractors who are licensed and whose vehicles display the necessary sticker as required in subsection (1) above.

GREATER TUBATSE MUNICIPALITY

36. Prohibited Conduct

Licence holders may not—

- (a). operate in contravention of the terms and conditions of their licence;
- (b). fail or refuse to give information, or give false or misleading information when required to do so in terms of this by-law; or
- (c). fail to take all reasonable steps to prevent an act or an omission by an employee acting in the course and scope of his duties which is unlawful in terms of this by-law.

37. Suspension and Revocation of Licences

- (1). A licence issued under this by-law may be suspended or revoked by the municipal manager of the municipality on the grounds that the licence holder—
 - (a). has failed to comply with the obligations set out in this by-law; or
 - (b). has failed to comply with any national or provincial legislation which regulates the collection, transportation or disposal of any waste; or
 - (c). has failed to comply with the terms of a licence and any condition set out in section 33; or
 - (d). on any other ground that the municipal manager considers relevant, and which is fair and reasonable in the circumstances.
- (2). A licence may only be suspended or revoked by the municipal manager after—
 - (a). he has given adequate notice to the licence holder in terms of section 3(2)(b)(i) of the Promotion of Administrative Justice Act, 2000 (Act 3 of 2000) that he intends to make a decision regarding the suspension or revocation of the licence; and
 - (b). after the licence holder has been given a reasonable opportunity to make representations to the municipal manager as to why its licence should not be suspended or revoked in terms of section 3(2)(b)(ii) of the Promotion of Administrative Justice Act, 2000 (Act 3 of 2000).
- (3). The length of time given to the licence holder to make representations and the nature of the representations allowed must be fair and reasonable in the circumstances, taking into account the nature and severity of the infringement, the potential risk of harm to the environment, human life or property, or any other factor relevant in the circumstances.
- (4). The municipal manager must make a decision within two weeks of receiving the representations, if any, of the licence holder, or within two weeks after the closing date for making representations specified by the municipal manager in terms of subsection 3; and must inform the licence holder of his decision within seven days of making it.

GREATER TUBATSE MUNICIPALITY

-
- (5). If a licence is suspended or revoked in terms of subsection (4), the holder of the suspended licence may appeal to the committee that is responsible for solid waste disposal services established in terms of section 80 of the Structures Act, or if no such committee has been established – to the executive committee or executive mayor of the municipality, on the basis set out in section 50 with all the necessary amendments of the wording to those provisions.
 - (6). At no time may the municipality disclose any confidential commercial information submitted as part of the licence application procedure to any other party, other than to the party who disclosed such information to the municipality.

38. Transitional Provisions and Exemptions

- (1). Any person lawfully providing commercial services within the municipality when a notice is issued in terms of section 29(2) that the municipality intends to establish a licensing system, must, if that service requires a licence, apply for a licence but may continue to provide commercial services while the licence application is being considered by the municipality, but may do so only if that person has submitted an application for a licence within three months after the section 29 notice is issued.
- (2). The municipality may, having regard to the main object of this by-law and its Local Waste Plan, exempt any form of commercial service from the provisions of Chapter 8 of this by-law and must indicate the terms and scope of any exemption in a notice published in the Provincial Gazette.

CHAPTER 9**LITTERING, DUMPING AND ABANDONED ARTICLES****39. Duty to Provide Facilities for Litter**

- (1). The municipality, or owner in the case of privately owned land, must take reasonable steps to ensure that sufficient approved receptacles are provided for the discarding of litter by the public, in any place to which the public has access.
- (2). The municipality, or owner of privately owned land, must ensure that all approved receptacles installed on the premises for the collection of litter are—
 - (a). maintained in good condition;
 - (b). suitably weighted and anchored so that they cannot be inadvertently overturned;
 - (c). constructed in such a manner as to ensure that they are weatherproof and animal proof;
 - (d). of suitable size to contain all litter likely to be generated on the premises and by the users of the receptacle;

GREATER TUBATSE MUNICIPALITY

-
- (e). placed in locations convenient for the use by users or occupants of the premises in order to discourage littering or the unhealthy accumulation of waste; and
 - (f). emptied and cleansed regularly or when full, and the emptying and cleansing of approved receptacles must be sufficiently frequent as to ensure that no receptacle or its contents may become a nuisance or health hazard or provide reasonable grounds for complaint.

40. Prohibition of Littering

(1) No person may—

- (a). cause litter;
 - (b). sweep any waste into a gutter, onto a road reserve or onto any other public place;
 - (c). disturb anything in, or remove anything from any receptacle which has been placed for the purposes of collecting litter in such a manner as to cause the contents of the receptacle to spill or fall onto the ground around it; and
 - (d). allow any person under his control to do any of the acts contemplated in paragraphs (a) or (c) above.
- (2) Notwithstanding the provisions of subsection (1), the municipality, or owner in the case of privately owned land to which the public has access, must within a reasonable time after any litter has been discarded, dumped or left behind, remove such litter or cause it to be removed; and for the purposes of this section, a reasonable time means that period of time before the litter becomes a nuisance, a health hazard or a cause for complaint.

41. Prohibition of Dumping and Abandoning Articles

- (1). No person may, without authorisation in writing by the municipal manager, deposit or permit the depositing of any waste whether for gain or reward or otherwise, upon any land or in any building of which he is the owner or occupier except when he does so in accordance with the provisions of this by-law.
- (2). Subject to any provisions to the contrary contained in this by-law, no person may leave any article, or allow any article under his control, to be left at a place with the intention of abandoning it.
- (3). No person may dump waste.
- (4). Any article, other than a motor vehicle deemed to have been abandoned in terms of regulation 320 of the National Road Traffic Act regulations, which, in the light of such factors as the place where it is found, the period it has been lying at such place and the nature and condition of such article, is reasonably regarded by the municipality as having been abandoned, may be removed and disposed of by the municipality as it may consider fit; but if the article is, in the opinion of the municipality, of significant financial value, the municipality must place a notice in a daily newspaper indicating its intention to sell the article for the best price reasonably obtainable, as well as consult with the police prior to

GREATER TUBATSE MUNICIPALITY

selling the article.

CHAPTER 10

ADMINISTRATIVE ENFORCEMENT PROVISIONS

Part I: Appointment of Authorised Officials

42. Appointment of Authorised Officials

- (1). The municipality must appoint authorised officials vested with the power to exercise the powers of an authorised official under this by-law and to discharge the municipality's right of access to premises in terms of section 101 of the Systems Act.
- (2). An authorised official is not a peace officer within the meaning of the Criminal Procedure Act, 1977 (Act 51 of 1977) and has no powers of arrest in respect of any offence created in this by-law.
- (3). In appointing an authorised official, the municipality must have regard to—
 - (a). a person's technical understanding and experience of matters related to waste management; and
 - (b). any other factor that may be relevant to supervision and enforcement of this by-law, whether technical or administrative.
- (4). An authorised official may be an employee of the municipality or any service provider of the municipality, but neither the service provider nor any of its employees may be involved in enforcing compliance with this by-law by licensees.
- (5). Upon appointment, authorised officials must be issued with a means of identification by the municipality which must state the name and function of the authorised official, and must include a photograph of the officer.
- (6). An authorised official, acting within the powers vested in him by this by-law, is required to:
 - (a). present identification on demand by any member of the public;
 - (b). liaise with or co-ordinate action with any environmental management inspector designated under the National Environmental Management Act, 1998 (Act 107 of 1998) enforcing the National Environmental Management Act, 1998 (Act 107 of 1998) or any specific environmental management Act within the municipality.

Part II: Powers of Authorised Officials

43. Powers to Execute Work and Inspect Vehicles and Premises

- (1). In addition to the powers an authorised official has as an authorised representative of the municipality under section 101 of the Systems Act or any other legislation, an authorised official, may—
 - (a). enter any land or premises to execute work or conduct an inspection; and

GREATER TUBATSE MUNICIPALITY

-
- (b). search any vehicle or other mode of conveyance with the consent of the owner or person in charge of the vehicle.
- (2). Where consent is not obtained in terms of subsection 1(b), a vehicle or other mode of conveyance may be searched or stopped and searched, only pursuant to a warrant issued in accordance with the procedure set out in section 44.
- (3). A search conducted in terms of this by-law must be conducted in a manner that conforms to the requirements of the Bill of Rights and any other law and, in particular, must be conducted with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (4). To the extent that access to premises does not fall within the scope of section 101 of the Systems Act or any other legislation, an authorised official who has reasonable grounds to suspect that there is an environmental emergency and that any delay in obtaining a search warrant will cause harm to public health or damage to the environment may, without warrant, enter and search any premises associated with the emergency: Provided that the entry and search be conducted in conformity with the requirements of the Bill of Rights and any other law, and in particular, with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (5). Where, in the opinion of an authorised official, any search of a vehicle, as contemplated in this by-law, gives rise to the reasonable apprehension that the presence of waste in or on that vehicle is a serious and immediate danger to public health or to the environment, the authorised official may seize that vehicle in order to prevent, or where that is impossible, to mitigate harm to public health or damage to the environment.
- (6). In the event of the seizure of any vehicle under subsection 5, the municipality must—
- (a). forthwith take steps to dispose of such waste in order to prevent, and where that is impossible, to mitigate, harm to public health or damage to the environment; and the cost of such disposal must be borne by the owner of the vehicle; and
- (b). return the said vehicle, within 48 hours after disposing of such waste, to the control of the licensee or person from whose possession or control it was taken.

44. Procedure for Issuing a Warrant

- (1). An authorised official may search any vehicle or other mode of conveyance if a magistrate or a justice has issued a written authorisation allowing the authorised official to do so.
- (2). A magistrate or a justice may issue a written authorisation to search any vehicle or other mode of conveyance, if, from information on oath, there are reasonable grounds to believe either—
- (a). that, in the interest of the public, it is necessary to search a vehicle or other mode of conveyance; or
- (b). that there is non-compliance with the terms of this by-law or any other law in respect of the vehicle or other mode of conveyance.

GREATER TUBATSE MUNICIPALITY

-
- (3). A written authorisation in terms of subsection (2) may be issued at any time and must specifically—
 - (a). identify the vehicle or other mode of conveyance; and
 - (b). authorise the authorised official to conduct the search of the vehicle or other mode of conveyance.
 - (4). A written authorisation in terms of subsection (2) remains valid until—
 - (a). it is carried out;
 - (b). it is cancelled by the person who issued it or, in that person's absence, by a person with similar authority;
 - (c). the purpose for which it was issued has lapsed; or
 - (d). three months have passed since it was issued.
 - (5). Before commencing any work or inspection, designated officers who carry out a written authorisation must either—
 - (a). if the owner of or a person apparently in control of the vehicle or other mode of conveyance is present—
 - (i). identify themselves and explain their authority to that person or furnish proof of their authorisation; and
 - (ii). hand a copy of the written authorisation to that person; or
 - (b). if the owner or person apparently in control of the vehicle or other mode of conveyance is absent or refuses to accept a copy, attach a copy of the written authorisation to the land or premises in a prominent and visible place.

45.Powers to Question

- (1). In order to monitor or enforce compliance with this by-law, the authorised official, may, subject to the requirements of the Bill of Rights, and any other law including the common law, require a licensee or any other person to disclose information, either orally or in writing, and either alone or in the presence of witnesses, on any matter to which this by-law relate, require that the disclosure be made on oath or affirmation, and exercise any other power of an authorised official.
- (2). An authorised official may be accompanied by an interpreter and any other person reasonably required to assist the authorised official in conducting the inspection.
- (3). An authorised official must, on request, provide his identification as an authorised official.

46.Supervision of Licensees

- (1). If a licensing system has been established in terms of section 29 of this by-law, authorised officials must inspect the workplace of a licensee not less than twice a year, and an

GREATER TUBATSE MUNICIPALITY

authorised official is entitled to enter the workplace of a licensee for this purpose.

- (2). Such an inspection must be conducted in conformity with the requirements of the Bill of Rights, and any other law and, in particular, an authorised official in conducting an inspection under subsection (1) must do so with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (3). If an authorised official is of the opinion, after such an inspection, that a licensee is complying with this by-law, he may, subject to the provisions of subsection (4), issue the licensee with a certificate confirming compliance, which must state –
 - (a). the name and residential and postal address of the licensee;
 - (b). the time, date and scope of the inspection; and
 - (c). any remarks which in the opinion of the authorised official may be relevant.
- (4). If a licensee fails to obtain a certificate confirming compliance at three inspections over a period of two years, the authorised official may recommend that the municipality review the licence, and should there be reasonable grounds, the municipality may revoke the licence in terms of section 37, but may do so only if the consecutive inspections occur at not less than four month intervals.
- (5). Authorised officials must keep a register recording each inspection that has been undertaken.

47. Supervision of Owners and Occupiers

Owners and occupiers must keep their premises clean and free from any waste which in the opinion of an authorised official is likely to cause a nuisance, harm to public health or damage to the environment, and must take reasonable steps to prevent an employee acting in the course of his employment, from committing an act or omission that may cause a nuisance, harm to public health or damage to the environment.

Part III: Enforcement Notices

48. Enforcement Notices

- (1). If, in the opinion of the authorised official, a person is—
 - (a). causing a nuisance, harm to public health or damage to the environment; or
 - (b). as licensee, is failing to comply with the terms of a licence granted in terms of this by-law; or
 - (c). as owner or occupier, has failed to satisfy an obligation in terms of section 47 of this by-law,

the authorised official may issue or cause to be issued on that person an enforcement notice in terms of this section.

GREATER TUBATSE MUNICIPALITY

-
- (2). An enforcement notice issued under this section must state—
- (a). the name and also the residential and postal address, if either or both of these be known, of the affected person;
 - (b). the nature of the nuisance, harm to public health or damage to the environment that the affected person is causing or is likely to cause;
 - (c). the steps required to forestall or remediate the nuisance, harm to public health or damage to the environment in sufficient detail to enable compliance with the enforcement notice;
 - (d). that the affected person must not later than 21 calendar days from the date on which the enforcement notice is issued take steps to comply with the notice;
 - (e). that failure to comply with the requirements of the enforcement notice within the period contemplated in paragraph (c) may result in civil and criminal liability; and
 - (f). that written representations may be made to the municipality, in terms of section 50, or a designated committee or internal functionary to which or to whom powers under this by-law have been delegated, at a specified place, within 21 calendar days of receipt of the notice.
- (3). If an affected person fails to comply with an enforcement notice, the municipality or anyone authorised by the municipality, may perform the steps required in the enforcement notice, provided that the municipality does so in conformity with the requirements of the Bill of Rights and any other law, and, in particular, an authorised official must act with strict regard to decency and order, respect for a person's dignity, freedom and security, and personal privacy.
- (4). Where the municipality incurs any expenditure as a result of performing such steps, the municipality may recover any reasonable expenditure from the person who failed to act as directed or, where criminal proceedings have not been instituted, by means of civil proceedings.
- (5). If a licensee commits an offence in terms of section 36 and has, within the last two years, been convicted of the same offence, the municipality may revoke his licence immediately.

49.Complaints

Any person may lodge a complaint with an authorised official, or through any other channel established by the municipality, that any other person is causing harm to public health or damage to the environment by engaging in basic services or commercial services, in which event the authorised official, unless he has reasonable grounds to believe that the complaint is frivolous, must investigate the complaint and may, if he is satisfied that such harm is, or is likely to be, caused, issue an enforcement notice.

50.Representations

- (1). Any affected person may make representations to the municipality, or a designated committee or internal functionary of the municipality to which the municipality has

GREATER TUBATSE MUNICIPALITY

- delegated its powers, in the manner specified in the enforcement notice.
- (2). Representations must be made by submitting a written statement that has been sworn or affirmed to the municipality, designated committee or internal functionary within 21 calendar days of the service of the notice.
 - (3). Any representation not lodged within 21 calendar days shall not be considered, except where the affected person has shown good cause and the municipality, the designated committee or internal functionary condones the late lodging of the representation.
 - (4). The municipality, or designated committee or internal functionary, must duly consider the representations and any response to them by an authorised official or any other person, if there be such a response; and may, on its own volition, conduct any further investigation to verify the facts if that, in its opinion, is necessary.
 - (5). If the municipality, or designated committee or internal functionary, should conduct any further investigations, the results of the investigation must be made available to the affected person, who must be given an opportunity of making a further response if he so wishes, and the municipality, or designated committee or internal functionary, must also consider his further response.
 - (6). After the municipality, or designated committee or internal functionary, is satisfied that the requirements of subsection (5) have been satisfied, the municipality, or designated committee or internal functionary, must make an order in writing and give a copy of it to the affected person setting out its findings. Such an order must -
 - (a). confirm, alter or set aside in whole or in part, an enforcement notice; and
 - (b). if compliance with the order (or the altered order) is required, specify the period within which the affected person must comply with any order made by it.
 - (7). If the enforcement notice is confirmed, in whole or in part, or is altered but not set aside, the municipality, or designated committee or internal functionary, must inform the affected person that he must discharge the obligations set out in the enforcement notice.
 - (8). If an affected person lodges a representation, any requirement in terms of section 48 of this by-law requiring compliance with an enforcement notice, is suspended unless, in the opinion of the municipality, the affected person has caused an environmental emergency in which event and without derogation from any right that the affected person may have, or may in the future have, at common law or under any other law, to any relief of whatever nature, the affected person must immediately comply with any such requirement on being ordered by the municipality, orally or in writing, to do so.
 - (9). If there is an environmental emergency and if the affected person, despite receiving a lawful order made in terms of subsection (8), fails to comply with it, the municipality may itself cause the environmental emergency to be stopped, reversed or abated, in which event the municipality may institute civil proceedings for the recovery of any reasonable and necessary expenditure which it has incurred or may incur in effecting such a stoppage, reversal or abatement.

GREATER TUBATSE MUNICIPALITY

Part IV: Administrative Penalties

51. Establishment of an Administrative Penalty System

- (1). The municipality may establish an administrative penalty system in terms of this part.
- (2). A decision to establish an administrative penalty system in terms of subsection (1) must be published by a notice in the Provincial Gazette and comes into operation on the date announced in the notice which may not be less than 3 months from the date of its publication.

52. Infringement Notices

- (1). If a municipality has established an administrative penalty system, an authorised official may issue an infringement notice to any person whom he believes may have committed an offence listed in Column A of Schedule 2.
- (2). The infringement notice must—
 - (a). specify, at the time when the notice is issued, the name and also the residential and postal address, if either or both of these be known, of the person on whom the infringement notice is served;
 - (b). state the particulars of the infringement;
 - (c). specify the amount of the penalty payable in respect of that infringement designated in Column B of Schedule 2;
 - (d). specify the place where the penalty may be paid; and
 - (e). inform the person on whom the infringement notice is served that, not later than 28 calendar days after the date of service of the infringement notice, he may -
 - (i). pay the penalty; or
 - (ii). inform the municipality in writing at an address set out in the notice that he elects to be tried in court on a charge of having committed an offence in terms of Chapter 10 of this by-law.
- (3). If it appears to the authorised official that an alleged offence cannot adequately be punished by the payment of an administrative penalty then the authorised official may refrain from accepting the administrative penalty and may cause civil or criminal proceedings to be brought against the alleged offender in an appropriate court in terms of Chapter 10 of this by-law if, in his opinion, there are good grounds for doing so.

53. Trial

If a person who elects to be tried in court in terms of section 52(2) (e) (ii), notifies the municipality of his election, the authorised official must, if he believes that there are sufficient grounds in law for doing so, within 10 calendar days, take all necessary steps, as envisaged in the Criminal Procedure Act, 1977 (Act 51 of 1977), in order to secure the attendance and prosecution of the accused, in which event, or in the event of his

GREATER TUBATSE MUNICIPALITY

considering that there are no grounds for taking further steps, the infringement notice is cancelled.

54. Withdrawal of Infringement Notice

- (1). Within one year after the infringement notice has been issued an authorised official may, whether or not the penalty has been paid, withdraw an infringement notice on the basis that new information has been received by the municipality or on any other good cause, by—
 - (a). sending to the alleged offender a notice in the prescribed form stating that the infringement notice has been withdrawn; and
 - (b). providing reasons to the municipal manager for the withdrawal of the infringement notice.
- (2). Where an infringement notice is withdrawn after the penalty has been paid, the amount shall be refunded.

55. Infringement Notice Not an Admission

Payment of a penalty shall not be regarded as an admission for the purposes of any proceedings, whether civil or criminal.

CHAPTER 11**JUDICIAL ENFORCEMENT PROVISIONS****56. Offences**

- (1). Subject to sub-section (2), any person who—
 - (a). contravenes or fails to comply with any provisions of this by-law, other than a provision relating to payment for basic services;
 - (b). fails to comply with any notice or order issued or condition imposed in terms of or for the purposes of this by-law;
 - (c). fails to comply with any lawful instruction given in terms of or for the purposes of this by-law, or
 - (d). who obstructs or hinders any authorised representative or employee of the municipality in the execution of his duties under this by-law,

Shall be guilty of an offence and liable on conviction to a fine or in default of payment to imprisonment for a period not exceeding 6 months and in the case of any continued offence, to a further fine not exceeding R50 or in default of payment, to imprisonment not exceeding one day for every day during the continuance of such offence after a written notice has been issued by the municipality and served on the person concerned requiring the discontinuance of such an offence.

- (2). No person shall be liable to imprisonment if he is unable to afford to pay a fine, and shall

GREATER TUBATSE MUNICIPALITY

instead be liable to a period of community service.

- (3) Any person committing a breach of the provisions of this by-law shall be liable to recompense the municipality for any loss or damage suffered or sustained by it in consequence of the breach.

CHAPTER 12: GENERAL PROVISIONS**57. Ownership**

- (1) A person holding a permit to operate a waste disposal facility is deemed to be the owner of the waste disposed at that facility.
- (2) Domestic waste belongs to the generator of that waste until such time as it is placed in a bin and placed outside of the premises with the intention that the municipality collect and dispose of that waste, at which time the waste becomes the property of the municipality.
- (3) A person who abandons an article, even if it constitutes waste under this by-law, remains liable for any damage which that article may cause, as well as the cost of removing the article, notwithstanding the fact that that person may no longer be the owner of the article.

58. Service of Documents and Process

For the purposes of the service of any notice, order or other document relating to non-payment for the provision of basic services, the address of the owner of the premises on which domestic waste and dailies is generated is the place where service of documents and process shall be made.

59. Service of Notices

- (1) Any notice, order or other document that is served on any person in terms of this by-law must, subject to the provisions of the Criminal Procedure Act 1977 (Act 51 of 1977), be served personally, failing which, it shall be regarded as having been duly served—
 - (a) when it has been left at that person's place of residence or business, or, where his household is situated in the Republic, when it has been left with a person who is apparently 16 years or older;
 - (b) if that person's address in the Republic is unknown, when it has been served on that person's agent or representative in the Republic either personally or in the manner provided by paragraphs (a), (c) or (d); or
 - (c) if that person's address and the identity or the address of his agent or representative in the Republic is unknown, when it has been posted in a conspicuous place on the property or premises, if any, to which it relates; or
 - (d) if sent by registered post, whether service by registered post is, or is not required, if effected by sending it by properly addressing, prepaying and posting a registered letter containing the notice, order or other document, and unless the contrary be proved, shall be presumed to have been effected at the time at which the letter would be delivered in the ordinary course of post.

GREATER TUBATSE MUNICIPALITY

- (2). When any notice or other document must be authorised or served on the owner, occupier or holder of any property or right in any property, it is sufficient if that person is described in the notice or other document as the owner, occupier or holder of the property or right in question, and it is not necessary to name that person.
- (3). Any legal process is effectively and sufficiently served on the Municipality when it is delivered to the municipal manager or a person in attendance at the municipal manager's office.
- (4). Any legal process is effectively and sufficiently serviced on the service provider when it is delivered to the managing director or a person in attendance at the managing director's office.

60.Short Title and Date of Commencement

This By-law shall be called the Waste Management By-Law and comes into operation on the date of publication in the Provincial Gazette.
