337 Mpumalanga Gambling Board: Public Notice: Change of Casino Licensing Policy..... 3 2096

GENERAL NOTICE

NOTICE 337 OF 2012

PUBLIC NOTICE

CHANGE OF CASINO LICENSING POLICY

The Mpumalanga Province has been allocated four casino licences. In 1996, the Mpumalanga Gambling Board (“the Board”) adopted a policy of demarcating the Mpumalanga Province (“the Province”) into four (4) zones, with one casino licence allocated to each zone, for the purpose of the licensing of casinos. Three (3) casinos were subsequently licensed in line with this policy in Zones 1, 2, and 3. As a result of the re-demarcation of provincial borders, the re-zoning of the Province into three (3) district municipalities and different economic developmental nodes in the Province, the Board resolved to review the abovementioned policy.

After a lengthy consultation process and subsequent public consultation meetings in the Ehlanzeni, Gert Sibande and Nkangala Districts in the Province during July 2012 and having listened to the public and licensee representatives, the casino licensing policy in the Province is hereby changed as follows:

“Casino licence applications at any location within the Mpumalanga Province will be considered.”

The focus of the Board, as a regulator, as well as the Provincial Government, is for the gambling industry to succeed by creating an enabling environment that will allow the industry to grow and be sustainable.
