**“30.160 Computerised backups**

(1) The holder of a bookmaker or totalisator operator licence shall make a daily backup in duplicate of all operational data contained in its approved wagering record keeping system pertaining to all contingencies on which betting of any nature is offered.

(2) One monthly copy of all operational data, including the system, databases, events and logs must be retained for a period of five (5) years or such other period, pending any investigation, as the Board may require.

(3) One copy of the backups contemplated in this Rule shall be retained in a secure place separate from the main server.

(4) The holder of a bookmaker or totalisator operator licence shall record within the computerised backups or personal files as the case may be the personal details of all players and holders of bookmaker or totalisator operator licences with whom the bookmaker has laid bets on account, credit or take-back bets, containing, at a minimum  
=

(a) in the case of a legal person –

- (i) the name of the entity;
- (ii) the registration number of the entity;
- (iii) the registered trading address of the entity;
- (iv) the telephone number at which the entity can be reached;
- (v) the code or abbreviation used for the identification of such entity by the bookmaker (where applicable); and
- (vi) the account number used in respect of such entity; or

(b) in the case of a natural person –

- (i) the name and surname of the person;
- (ii) a copy of the personal identification document, drivers licence or passport of the person;
- (iii) the residential address of the person substantiated by supporting documentation;
- (iv) the telephone number at which the person can be reached;
- (v) the code or abbreviation used for the identification of such person by the bookmaker (where applicable); and
- (vi) the account number used in respect of such person.

(5) Restoring or replacing the wagering record keeping system, server or database is prohibited without the approval from the Board, which may be required in a prescribed format.

### **30.170 Computerised wagering systems: General controls**

(1) For all computerised wagering systems, a personnel access list shall be maintained which shall include, at a minimum, the following information –

- (a) employee name;
- (b) employee identification number (or equivalent);
- (c) a list of functions assigned to the employee or equivalent means of identifying same; and
- (d) proof of prior authorisation of access and/or access privileges by management personnel.

(2) An audit trail shall be maintained of all changes made to any individual's access to

the system, which shall contain the following minimum information –

- (a) the name of the person who performed the change;
- (b) the name of the person whose access was changed;
- (c) the nature of the change of access;
- (d) the date and time of the change;
- (e) a computer generated sequential number and/or date and time or equivalent means of identifying same as approved by the Board;
- (f) if access rights are amended as a result of a system upgrade, these changes shall be documented; and
- (g) proof of prior authorisation of change of access and/or access privileges by management personnel.

(3) User identity in respect of passwords shall be controlled as follows –

- (a) each user shall have his or her own individual password. Provided that where systems with controls substituting passwords, such as biometric controls, have been approved, this paragraph will not apply, on condition that the licensee incorporates controls relating to access to the biometric system in its internal control procedures;
- (b) passwords shall be changed at least monthly; and
- (c) the system shall preclude an individual from using the same password for more than one month in every twelve months.

(4) Usernames shall be controlled as follows –

- (a) no generic identification (usernames) shall be allowed, unless user access is restricted to inquiry-only functions; and
- (b) the system shall be updated to change the status of employees whose services have been terminated, from active to inactive, within three (3) days of such termination of services.

### **30.180 Wagering system access by the Board**

- (1) The Board shall be provided with remote access to the wagering system of the licensee.
- (2) Prior to effecting any changes to the remote access, the licensee shall notify the Board in writing of such changes.
- (3) After effecting any changes to the remote access, the Board shall be provided with new remote access rights within three (3) days of implementation thereof.”.
