### Our pricing is designed to save you money!

GPW's pricing strategy is based on how you, the customer, submits your notice request.

By submitting your notice request (Adobe Form plus proof of payment – 2 separate attachments) via the electronic email channel, you will qualify for a **25% discount**. We encourage you to reap this benefit by submitting your request to [submit.egazette@gpw.gov.za](mailto:submit.egazette@gpw.gov.za).

If however, you opt to submit your notice through one of the **manual submission channels** (via walk-in; fax; scanned image), you will be required to pay the **full price**. This is due to manual capturing that is required, i.e.– additional people to be assigned to the task.

### The new Adobe Forms on the website

The new Adobe forms can be found on our website [www.gpwonline.co.za](http://www.gpwonline.co.za) under the eGazette Services page. You will need to register on the website to access this page. Alternatively, contact the eGazette Contact Centre on 012-748 6200 for assistance.

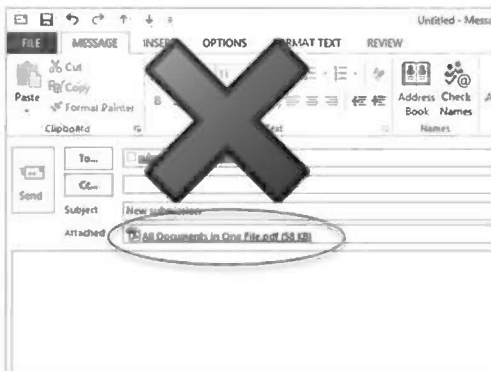

Follow these easy steps:

1. Click on the link for Gazette Services and log in to access this page.
2. Once logged in, click on the Notice Submission Forms link on the left panel of the screen.
3. Select applicable form for download under the relevant category.

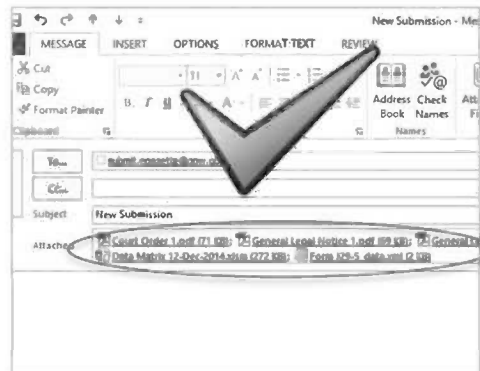

### Important information about attachments

Documents must be attached separately in your email to GPW (refer below for example). In other words, your email should have an Adobe Form plus proof of payment – 2 separate attachments – where notice content is applicable, it should also be a 3<sup>rd</sup> separate attachment.

#### Single attachment/1 PDF document

#### Multiple attachments/Separate PDF documents

**IMPORTANT NOTICE**

The Government Printing Works will not be held responsible for faxed documents not received due to errors on the fax machine or faxes received which are unclear or incomplete. Please be advised that an "OK" slip, received from a fax machine, will not be accepted as proof that documents were received by the GPW for printing. If documents are faxed to the GPW it will be the sender's responsibility to phone and confirm that the documents were received in good order.

Furthermore the Government Printing Works will also not be held responsible for cancellations and amendments which have not been done on original documents received from clients.
