ECOMIMIC DEVELOPMENT

INVITATION TO TENDER

SECTOR DEVELOPMENT: AGRIBUSINESS PROJECTS (REF ZNT1004/2005)

The Sector Development Programme is one of a range of government interventions to encourage growth and development in the first economy, while closing the gap between the first and second economy through entrepreneurial training, improvement of labour and market opportunities and intelligence, and the facilitation of Broad-based Black Economic Empowerment. Through improving the global competitiveness of identified sectors the facilitation of new investment and encouraging empowerment the Sector Development Programme aims to provide strategic support services which impact on the growth of lead sectors of the economy. The Agri-Business unit is committed to encouraging the development of export-led "new economy" pilot projects in the Province's marginalized rural areas. With a specific focus on the Agro-Processing and Biotechnology Clusters, the unit aims to initiate pilot projects that are implemented in close partnership with sister Departments, and interested parties such as Municipalities and Development Agencies that are committed to Black Economic Empowerment, and the improved competitiveness of our rural areas.

The unit would therefore like to invite Service Providers (individual firms / consultants or a consortium of firms) encompassing the combination of rural economic development specialists, agri-business specialists and consulting commercial producers to tender for the following projects:

Project	Description
1. Processing and Marketing of Fruit-based Products	The Department of Economic Development wishes to augment the establishment of tree crops in the Zululand District Municipality with the parallel development and piloting of processing facilities and skills development in the processing and marketing of value-added products from the community orchards. The project also wishes to expand the concept of value adding of fruit processing to other areas of KZN.

Service providers will be selected primarily on the basis of the experience or service excellence they can provide, their commitment to Black Economic Empowerment (i.e. support of SMME's and PDI's), their previous track record, and the competitiveness of their proposal.

Tenderers must (1) be registered with the Provincial Treasury Service Providers Database, and (2) strictly abide by the requirements of the KZN Procurement Act (No. 3 of 2001) and Regulations - more particularly in terms of Declarations and the submission of an original Tax Clearance Certificate. A Provincial Treasury Service Providers Database number must be provided as part of the Tender documentation, together with a completed ZNT30 Form (preference points application).

Terms of Reference for the above projects and Provincial Treasury Forms are available from the Procurement Officers: Ms. Samke Khanyile Tel.: (031) 3105515, Fax: (031) 3105423. Technical enquiries should be made to the **Project Manager: Agri-Business, Mrs Rene Ford** via phone (031) 310 5320, Fax: (031) 3105419 or email (fordr@ecotour1.kzntl.gov.za).

Four sealed copies of the tender clearly marked "**Agri-Business Tenders**" and addressed to the **Project Manager: Agribusiness** must be submitted to the **DED Procurement Office, 1st Floor, The Marine, 22 Gardiner Street, Durban.**

The closing date for tenders is the 2005-09-06 at 11:00 sharp.

E-mailed, telefaxed or late tenders will not be accepted. Tenders submitted without the basic requirements or clear evidence of Provincial Treasury Database Registration (Database Number) will be immediately disqualified.

Tenders are valid for a period of 12 (twelve) months, and the KwaZulu-Natal Department of Economic Development and Tourism reserves the right not to accept the lowest tender or any tender it receives.

"TOGETHER, BUILDING A WINNING PROVINCE"

No. 1263, 2005

21 July 2005

ECONOMIC DEVELOPMENT

INVITATION TO TENDER

ECONOMIC INFORMATION MANAGEMENT: RESEARCH PROJECTS (REF. ZNT 1003/2005)

The Department of Economic Development is committed to promoting and facilitating economic development in the Province of Kwa-Zulu Natal, and to ensure that by the 2014, the Province will boast a thriving, dynamic and globally competitive economy, that will house dynamic, industrial and service sectors that will provide sustainable employment opportunities and better quality of life for the inhabitants. For the department to support, monitor and

evaluate the attainment of its objectives, it needs amongst other things, sectoral economic data, statistics and information resources covering various economic indicators at district level. The Economic Information Management (EIM) Sub-Programme of the Department of Economic Development is intended to be a "one stop economic information house" that stores in electronic format, economic data, statistics, publications and other relevant information for use by the department's staff and management. Furthermore it will serve as a conduit for the dissemination of research undertaken by the EIU and will provide readily accessible information to EIU staff to guide policy and strategy formulation. The EIU will supply this information. The key objectives are to —

- To be the repository of all relevant economic information
- To analyse and continually update economic data
- To undertake research, the strategic formulation of which will affect the activities of the Department and the province
- To provide inter and intra departmental support in areas of research
- To provide detailed regular updated information on this province's core economic sectors
- To keep abreast of national policy trends and analyse implications for the Department

The EIM sub-Programme is implementing a range of projects in each of the sectors and is inviting service providers (individual firms / consultants or a consortium of firms) to tender for the respective projects.

Project	Description
Economic Baseline Study of ten Districts in KwaZulu-Natal	The aim of this project is the analysis of the socio-economic and business profiles of ten districts in KwaZulu-Natal in order to establish a set of baseline data against which the Department of Economic Development can measure the outcomes of economic development projects and programmes. In addition to serving as a monitoring and assessment tool, the baseline study will also inform the development of focused strategies for sectoral or value chain interventions in each district.
Study of micro-finance lending to small informal businesses and sole proprietors / traders in KwaZulu-Natal	The primary aim is to conduct a study of both informal and formal micro-finance activity in the KwaZulu-Natal economy, both in rural areas and in urban centres, that will provide evidence of the relative dependence on micro-finance on the full spectrum of small informal businesses, sole proprietors and traders.

Service providers will be selected primarily on the basis of service excellence they can provide, their commitment to Black Economic Empowerment (i.e. support of SMME's and PDI's), their knowledge of the area, and the competitiveness of their proposal. Both projects fit within the **80/20-preference principal of the PPPFA.**

Tenderers must (1) be registered with the Provincial Treasury Service Providers Database, and (2) strictly abide by the requirements of the KZN Procurement Act (No. 3 of 2001) and Regulations - more particularly in terms of Declarations and the submission of an original Tax Clearance Certificate. A Provincial Treasury Service Providers Database number must be provided as part of the Tender documentation, together with a completed ZNT30 Form (preference points application).

Terms of Reference for the above projects and Provincial Treasury Forms are available from the Procurement Officers: Ms. Mathombi Khoza, Tel.: (031) 310 5341, or Ms Sisima Mkhize Tel.: (031) 310 5360, Fax: (031) 3105423.

Technical enquiries regarding these projects should be made to the **Manager: EIM: Mr. Nisaar Mahomed** via phone (031) 3105349, fax: (031) 3105442 or email (mahomed@ecotour1.kzntl.gov.za).

For each tender, six sealed copies of the tender clearly marked "**EIM Tenders**" and addressed to the **Manager: Economic Information Management** must be deposited into the tender box situated at the foyer on the **1st Floor, The Marine, 22 Gardiner Street, Durban.**

The closing date for tenders is the 2005-08-26 at 11:00 sharp.

Emailed, telefaxed or late tenders will not be accepted. Tenders submitted without the basic requirements or clear evidence of Provincial Treasury Database Registration (Database Number) will be immediately disqualified.

Tenders are valid for a period of 12 (twelve) months, and the KwaZulu-Natal Department of Economic Development reserves the right not to accept the lowest tender or any tender it receives.
