“IMPORTANT NOTICE to all SUBSCRIBERS of the *Provincial Gazette*:

As you are aware, the *Provincial Gazettes* are now available *online* and *free of charge* at:

<http://www.lawsoc.co.za/kznprovince/index.htm>.

The Chief Directorate: State Law Advisory Services (CD: SLAS) in the Office of the Premier has, in the interest of improving service delivery to the citizens of KwaZulu-Natal, formed a strategic partnership with the KwaZulu-Natal Law Society to make the *Provincial Gazettes* and Legislation of the KwaZulu-Natal Provincial Government available to the public *online* and *free of charge* in the three official languages of the Province (isiZulu, English and Afrikaans).

The CD: SLAS hereby demonstrates its commitment to —

- * the mainstreaming and institutionalising of *Batho Pele* (improved service delivery in a people-centric public service culture) and the KZN Citizen's Charter;
- * the concept of multilingualism espoused in section 6 of the Constitution, 1996; and
- * the concept of e-Government.

This will also effect savings for the Provincial Government —

- * by reducing the number of hard copies of *Provincial Gazettes* and Legislation which will have to be printed; and
- * by reducing postage costs attendant to the mailing of hard copies to subscribers.

It would therefore be appreciated if ALL SUBSCRIBERS who still wish to receive *hard copies* of the *Provincial Gazette* indicate expressly whether they wish to *renew* their subscription to receive hard copies.
