In my capacity as Designated Officer for the uMlalazi Municipality, appointed in terms of section 1 of the Development Facilitation Act, 1995 (Act No. 67 of 1995), under powers vested in me by section 33 (4) of the Act, I hereby give notice that the Development Tribunal has approved the development of 368 freestanding erven, 132 residential units on 4 medium density residential housing erven, 8 access erven, a community facility, and a conservation area on the Remainder of the Farm Balcomb No. 15241 (Portion 7 of the Farm Balcomb No. 15241 to be redesignated Erf 1 Mthunzini Estate and the remainder of the Farm Balcomb no 15241), uMlalazi Municipality, Province of KwaZulu-Natal, subject to the following conditions of establishment relating to land use management, the suspension of restrictive conditions and the application of laws

- (a) the amendment of the Mtunzini Town Planning Scheme-
  - (i) by the extension thereof to include the land development area;
  - (ii) by the layout of the land development area in accordance with the Plan No. 2495/5, dated 20 September 2006;
  - (iii) by the insertion after the definition of "32. Garage" in Table A of the following definition-  
"33. Access Erf" means an erf held in private ownership and maintained by a home owner's association (H.O.A) which provides access to erven owned by members of the H.O.A and may include entrance gates and associated administration buildings;
  - (iv) by the insertion after clause 3.14 of the clause 3.15 contemplated in Schedule 1;
  - (v) by the insertion after "Use Zone: Special Zone 1" in Table C of "Use Zone: Mthunzini Estate" contemplated in Schedule 2;
  - (vi) by the insertion after "Density Zone: Special Zone 1" in Table D of "Density Zone: Mthunzini Estate" contemplated in Schedule 3;
  - (vii) by the zoning of the land development area as "Mthunzini Estate";
- (b) the suspension of the following conditions of title from Deed of Transfer T 13194/87 pertaining to the Remainder of the farm Balcomb No. 15241-
  - (i) condition A.1 that reserves roads, railways, railway stations, telephone lines, thoroughfares, outspans, watercourses, drains, reservoirs and dams existing on the land; and
  - (ii) condition A.2 that reserves the right of the State to collect materials for the construction of infrastructure;
  - (iii) condition A.3. that empowers the South African Railways and Harbours Administration to expropriate without compensation any portion of the land occupied by it at the time of the deed;
  - (iv) condition A.4 that creates the right to construct roads, railways, railway stations, telephone lines, reservoirs and dams on the land;
- (c) the suspension of the following conditions of title from Deed of Transfer T06 15022 pertaining to Portion 7 of the Remainder of the farm Balcomb No. 15241-
  - (i) condition A.1 that reserves roads, railways, railway stations, telephone lines, thoroughfares, outspans, watercourses, drains, reservoirs and dams existing on the land; and
  - (ii) condition A.2 that reserves the right of the State to collect materials for the construction of infrastructure;
  - (iii) condition A.3. that empowers the South African Railways and Harbours Administration to expropriate without compensation any portion of the land occupied by it at the time of the deed;
  - (iv) condition A.4 that creates the right to construct roads, railways, railway stations, telephone lines, reservoirs and dams on the land;
- (d) the suspension of the following laws-
  - (i) the suspension of sections 11, 12, 16-28, 33, 35, 36, 44, 45, 47bis and 67 of the Town Planning Ordinance, 1949, (Ordinance No. 27 of 1949), for the duration of the township establishment process during which a holding zone of agriculture shall apply. Upon the opening of the township register for each phase of the development the Ordinance will again become operative with the exception of section 28(1) which shall only become applicable after transfer of the last erf in the township; and
  - (ii) the Subdivision of Agricultural Land Act, 1970 (Act No. 70 of 1970).

**SCHEDULE 1****3.15 SPECIAL ZONE : MTHUNZINI ESTATE****3.15.1 Land Use**

The purposes for which buildings may be erected and used and land may be used are set out in column 1 of Table C.

**3.15.2 Subdivision of Land****3.15.2.1 Minimum erf size**

- (i) No erf within the Special Zone: Mtunzini Estate shall be less than 1000m<sup>2</sup> in extent.
- (ii) No mini-sub within a Medium Density Housing site shall be less than 200m<sup>2</sup> in extent.

**3.15.2.2 Street frontage and depth proportions**

- (i) Except in special circumstances the minimum frontage for all erven shall be 18 metres (or 8m for a mini-sub erf within a Medium Density Site) and the width of the access way for a "hatchet shaped" erf shall be a minimum of 4 metres throughout its length.
- (ii) Where an erf is of an irregular shape or occurs in a cul-de-sac or change of road direction, the frontage on the street may, with the authority of the local authority, be less than 18 metres or (8m mini-sub) provided the proportion of the erf is in conformity with the ratio provision set out in Clause 3.15.2.2 (iii) and provided also that the frontage on the street is not less than 4 metres.
- (iii) Except in special circumstances the depth of an erf in relation to the frontage shall not exceed the ratio of 3 to 1 in proportion. An erf of irregular shape should be capable of containing within its boundaries a rectangle not exceeding the ratio 3 to 1 in proportion, having an area of 75 percent of the minimum prescribed area.

### 3.15.2.3 Panhandle or hatchet-shaped subdivision

- (i) The area of the erf does not include the area of the access strip or road.
- (ii) The access strip or road may not exceed 40 metres in length, provided that the local authority may under exceptional circumstances, and its sole discretion approve a maximum length in excess of 40 metres.
- (iii) The access strip or road giving access to the erf shall have a minimum width of not less than 4 metres, provided that on any application before it the local authority may require a greater width than the minimum herein prescribed.
- (iv) The access strip or road shall at all times be kept in a dust free condition and be maintained to the satisfaction of the local authority; provided that if so required by the local authority such access strip shall be hardened, surfaced or paved to the satisfaction of the local authority.

### 3.15.3 Additional Residential Units

No additional self-contained residential units shall be permitted on any erf within the Special Zone: Mthunzini Estate.

### 3.15.4 Building Lines

- (i) All erven in the Special Zone: Mthunzini Estate shall be subject to a 5 metre building line.
- (ii) Within a Medium Density Housing Site, a building line does not apply to the dwelling unit curtilages, except along external street frontages of the Medium Density Housing site, where the building line shall be 5m.
- (iii) Where a building line is laid down no building other than boundary walls, fences, pergolas or architectural and garden features, shall be erected between the building line and the street line. Where a new road or road widening is required, the building line is to be set back so as to take into consideration any such new road or widening.
- (iv) Notwithstanding the provisions of the above clauses, in the cases of swimming pools the building line may be relaxed by of the local authority to no less than 1 metre; provided that where a pool is to be constructed so that any portion of it is within 5 metres of a road boundary such pool shall be screened to the satisfaction of the local authority.

### 3.15.5 Side and Rear Space

- (i) No building or portion of a building intended to be used for the purpose of a residential building, duplex flat, maisonette, semi-detached house, or terraced house shall be erected nearer 4,5 metres to any such boundary.
- (ii) Within a Medium Density Housing site, side and rear space requirements do not apply to dwelling unit curtilages, or mini -subs except along the side and rear boundaries of the Medium Density Housing site where the minimum side and rear space shall be 4,5m
- (iii) The local authority may authorise the erection of single storey outbuildings on the side and rear boundaries of erven provided the owners of properties contiguous to the affected boundaries have indicated in writing that they would have no objection to such authorisation.
- (iv) The local authority may permit in any zone any building to be erected closer to any boundary than the distances specified in this clause if on account of the siting of existing buildings or the shape, size or levels of the erf, the enforcement of this clause will, in the opinion of the local authority, render the development of the erf unreasonably difficult. In considering any application under this sub-clause the local authority shall have due regard to any possible detrimental effect on adjoining properties.

### 3.15.6 Coverage, Floor Area Ratio and Height

- (i) The maximum permitted coverage, floor area ratio and height are as set out in column 1 of Table D. The coverage control shall be calculated in respect of the total the Medium Density Housing site area and not in respect of each individual mini-sub.
- (ii) In calculating the permissible floor area from the floor area ratio the following floor areas may be excluded:
  - (a) Garages, carports, swimming pools, squash courts and tennis courts where they are for private use only.
- (iii) Only roofed or covered areas are included in the coverage.

### 3.15.7 Special Consent

- (i) The purposes for which buildings may be erected and used and land may be used only with the special consent of the local authority are as set out in column 2 of Table C.
- (ii) Wherever the local authority grants its special consent for, or the Appeals Board authorises the erection of a building or the use of land for any particular purpose or purposes, such building shall not be extended nor shall such land be used for any other purpose or purposes, including those listed in column 1 of the Table C, without the further special consent of the local authority.
- (iii) Any building which requires the special consent of the local authority shall not exceed the density provisions set out in Table D for the zone in which such building is situated.

### 3.15.8 Non permissible uses

The purposes for which buildings may not be erected and used and land may not be used are set out in column 3 of Table C.

### 3.15.9 Parking

- (i) For every dwelling unit there shall be provided one garage. The garage may not be erected before the building is erected.
- (ii) For every dwelling unit within a Medium Density Housing site, there shall be provided 1 garage or carport for each dwelling unit. In addition there shall be provided a suitable area for visitors parking at a rate of 1 car space for every 2 units, provided that the additional car spaces are not placed on the private open area.
- (iii) All vehicle parking spaces, access and manoeuvring areas, shall be permanently hardened, paved or sealed and maintained in a dust-free condition to the satisfaction of the local authority.
- (iv) Every parking space required in terms of this Scheme shall be clearly marked and defined to the satisfaction of the local authority.
- (v) Provided that an except with the express approval of the local authority.
  - (a) the vehicular access/exit to a site shall be restricted to not more than one combined vehicular access/exit each per site per street abutting the site.
  - (b) The vehicular access/exit to a site shall be restricted to a maximum width of 7,5 metres where it crosses the street boundary.
  - (c) No vehicular crossing over the pavement shall be located nearer than 5 metres to any street corner (i.e. the point of intersection of two street boundaries).

### 3.15.10 Advertising

No sign or advertisement or hoarding exceeding 0,2m<sup>2</sup> may be erected. No advertisements shall be displayed or hoardings erected without the written authority of the local authority.

### 3.15.11 Exemptions

- (i) Nothing in this Scheme shall prohibit or restrict the letting of part of a dwelling house, provided that, in Special Zone Mthunzini Estate, no part of any dwelling house nor any additional freestanding building which may be erected for use in conjunction with such dwelling house may be used as a separate dwelling unit unless such building or part thereof complies with clause 3.15.3
- (ii) Nothing in this Scheme shall prohibit or restrict the practice of any profession or occupation in a dwelling unit, provided that the person practising such profession or occupation shall reside in the dwelling unit concerned; and provided further that there is no public display of goods, no sign larger than 0,2m<sup>2</sup> affixed to the premises and the formal authority of the local authority has been applied for and obtained; and the local authority shall take into consideration the nature of the profession or occupation in relation to the character of the area and the number of persons to be employed and shall impose whatever conditions it considers necessary

to protect the amenities of the neighbourhood or it may call on the applicant to apply for Special Consent provided that if it is subsequently found that there is, in fact, an interference with the amenities of the neighbourhood the local authority may impose further conditions or call on the occupant to cease the practice.

(iii) No nursery garden shall be permitted in this zone.

### 3.15.12 Application procedure, design and layout of medium density housing development

3.15.12.1 The applicant shall submit to the local authority for its approval:

- (i) a layout plan or plans showing, where applicable:
  - (a) the position, dimensions and materials to be used in the construction of all roads, driveways, parking areas, squares and pedestrian access ways, if any;
  - (b) the boundaries of all dwelling unit curtilages, private open areas and common open spaces;
  - (c) the position, nature, extent and levels of all proposed and existing buildings on the site and adjoining sites;
  - (d) the proposed landscaping of the site;
  - (e) the proposed private open space;
  - (f) the position and nature of recreation facilities, if any;
  - (g) the position and extent of all utility areas.
- (ii) a set of sketch drawings prepared by an architect at a scale of 1:100 showing the plans, sections and elevation of each type of structure within the proposed development and particulars of the materials and colours to be used for the exterior wall finishes and roof of roofs; together with both front and rear elevations of each typical group of dwelling units at a scale of 1:100 or 1:200.
- (iii) A table indicating:
  - (a) the total area of the site;
  - (b) the total number of dwelling units;
  - (c) the total floor area;
  - (d) the total number of car parking spaces provided for visitors and for residents;
  - (e) the extent of the usable common land, the smallest private open area, the smallest dwelling unit curtilage and the smallest utility area;
  - (f) the areas of public open space and other public uses where applicable; and
- (iv) any other documents which the local authority may reasonably require.

3.15.12.2 (i) the following minimum areas per dwelling unit shall apply to a Medium Density Housing site:

- (a) Private Open Area - 30m<sup>2</sup>
- (b) Usable Common Open Space - 50m<sup>2</sup>
- (c) Utility Area - 15m<sup>2</sup>
