DEPARTMENT OF ECONOMIC AND DEVELOPMENT TRADE AND LOGISTICS

(Ref.: Bid No.: 05DED/2006)

The Trade and Logistics Sub-programme of the Department of Economic Development is a programme within the Trade and Sector Development Programme. The sub-programme was established with the overall aim of strengthening trade and logistics capabilities of KwaZulu-Natal through continuous engagement with other relevant government departments and the business community in order to jointly identify hindrances to trade and work together towards facilitating efficient trade.

The focus of the Logistics component of the sub-programme is on identifying logistics challenges that impact negatively on efficient trade, particularly for prioritised sectors, which include Agribusiness, Arts and Craft, Clothing and Textile, as well as Wood and Wood Products. It is the aim of this Component to work together with key stakeholders and role players in the area of freight logistics, to effectively respond to identified challenges and develop strategies aimed at enhancing global competitiveness of local enterprises and supporting the provincial objective of promoting KZN as the gateway to the African continent.

Bid Number	Sector Development Project Title	Description
xxxxxx	Viability assessment of options to improve logistics for rural enterprises in KwaZulu-Natal	<p>The aims and objectives of the project are —</p> <ul style="list-style-type: none"> • to undertake a study that will contribute to an understanding of logistics needs of rural enterprises in terms of infrastructure, operations and services; • to understand current and projected future spatial patterns of economic activity requiring various logistics solutions; • to identify potential solutions and determine the most viable solutions; • to identify potential partners and outline their roles in responding to identified challenges; • to map out the role of DED in addressing identified challenges; and • to establish approach to roll-out through the most viable options, in partnership with other role players.

Technical enquiries should be made to the Project Manager: Trade and Logistics, Tangkiso Parkies on (031) 3105300, or email: parkiest@kznded.gov.za.

For each bid, four sealed copies of the application, clearly marked "Sector Development" and the project title, addressed to Supply Chain Management, Department of Economic Development, must be deposited into the bid box at the 1st Floor, The Marine, 22 Gardiner Street, Durban.

Service providers for all these projects will be selected primarily on the basis of service excellence they can provide, their commitment to Black Economic Empowerment (i.e. support of SMMEs and PDIs), their knowledge of the area, and the competitiveness of their proposal. All proposals will be evaluated on an 80:20 preference point system.

Applicants must (1) be registered with the Provincial Treasury Service Providers Database, and (2) strictly abide by the requirements of the KZN Supply Chain Management Framework – more particularly in terms of Declarations and the submission of an original Tax Clearance Certificate. A Provincial Treasury Service Providers Database number must be provided as part of the documentation, together with a completed ZNT 30 form (preference points application).

Terms of reference for the above projects and Provincial Treasury Forms are available from the SCM Practitioners, Ms Samke Khanyile, Telephone: (031) 3105515 or e-mail: khanyilesr@kznded.gov.za or Ms Mathombi Khoza, Telephone: (031) 3105341, e-mail: khozam@kznded.gov.za, Fax: (031) 3105418.

The closing date for applications is 5 February 2007, at 11:00.

E-mailed, telefaxed or bids submitted late will not be accepted. Bids submitted without the basic requirements or clear evidence of Provincial Treasury Database Registration (Database Number) will be immediately disqualified.

Bids are valid for a period of 12 (twelve) months, and the KwaZulu-Natal Department of Economic Development reserves the right not to accept the lowest bids or any bid it receives.
