(2) The register must be available for public inspection during office hours at the address supplied by the Municipality for that purpose, and must also be displayed on the official website of the Municipality.

(3) The Municipality must review the register at least annually and update Part A and Part B thereof in accordance with the provisions of section 23(5) of the Municipal Property Rates Act.

Multiple entries in the valuation roll

10.(1) On application, unregistered long leases on land owned by the State or a State Entity may, at the discretion of the Head of department, be valued and rated per lease boundary, the costs of which shall be borne by the Applicant.

(2) Notwithstanding such valuation and rating, the owner of the land shall remain responsible for the rates on such land.

Publication and inspection of valuation roll

11.(1) The municipal valuer must submit the certified valuation roll to the Municipal Manager, and the Municipal Manager must, within 21 days of receipt of the roll –

(4) The Municipal Manager must inform the Council of any matter reflected in, or omitted from, the roll that affects the interests of the Municipality.

Supplementary valuation roll

12.(1) The Municipality must, whenever necessary, cause a supplementary valuation roll to be made or prepared in respect of any rateable property due to any one or more of the reasons listed in section 78(1)(a) to (g) of the Municipal Property Rates Act.

(2) The question as to whether an exceptional reason exists to justify the revaluation of a property in terms of section 78 of the Municipal Property Rates Act is in the sole discretion of the Municipality.

(3) In the event of the market value of a rateable property having substantially increased or decreased for any reason after the last general valuation thereof, the owner of the property concerned must notify the Municipality in writing or in electronic format of the change in the market value of the property concerned.

(4) An administrative error in the valuation of any property does not necessitate the preparation of a supplementary valuation roll, nor does it absolve the person liable for the payment of rates in respect of such property by the due date.

CHAPTER 4 QUERIES, OBJECTIONS AND APPEALS

Queries

13.(1) The Municipality may establish a process for the determination of valuation queries and charge a fee in terms of the Tariff Policy for attending to such queries.

(3) Once certified, the valuation roll becomes final for the period for which it is in force, subject to the right of appeal in terms of section 54 of the Municipal Property Rates Act.

(4) The mere lodgement of an objection in terms of this section does not constitute a dispute as contemplated in section 102(2) of the Systems Act between the Municipality and the objector concerned.

Right of appeal

15.(1) Any person, including the Municipality, who is aggrieved by a decision taken by the municipal valuer in terms of section 15 of this By-law has a right of appeal under section 54 of the Municipal Property Rates Act.

(2) An appeal lodged in terms of section 54 of the Municipal Property Rates Act does not defer a person's liability for payment of rates beyond the date determined by the Municipality for payment.

(3) The lodgement of an appeal in terms of section 54 of the Municipal Property Rates Act does not constitute a dispute as contemplated in section 102(2) of the Systems Act between the Municipality and the appellant concerned.

(4) The provisions of this section must not be interpreted to prevent the municipal valuer from reviewing the objection outcome with any appellant based on the additional evidence provided by the appellant concerned to the municipal valuer.

(5) Any person may, with the written consent of the municipal valuer, withdraw an appeal lodged by such person in terms of subsection (1).
