- (2) The pound manager shall not use or cause or permit to be used any animal impounded in terms of these bylaws.
- (3) In the event of the injury or death of any impounded animal, the pound manager shall record the cause of such injury or death and shall retain any veterinary certificate issued.
- (4) The pound manager shall keep records of any expense incurred in respect of an impounded animal including, but not limited to, the feeding and veterinary care of the animal.

Release of animals

7. The pound manager shall release an impounded animal to any person who has –

 - (4) Animal collection will be during working hours only, no person will be allowed to claim stock after working hours or during weekends.

Disposal of animals

- 8(1) The pound manager may sell by public auction and for cash any impounded animal which has not been claimed within 30 days of being impounded, and in respect of which –
 - (a) the Council has taken all reasonable steps to locate and notify the owner;

(b) the owner has not been located or, despite having been given 10 day's notice, has failed to remove the impounded animal; and

(c) 10 day's prior notice of the proposed sale has been given in terms of section 8(2).

- (5) Any shortfall between the proceeds of sale, if any, and the fees and expenses referred to in section 7, or the costs of destruction as contemplated in clause 8(4), may be claimed by the Council from the owner.

Repeal of existing By-laws

11. The Council's existing Municipal Pound by-laws are hereby repealed.
