- 4.2 A landowner must submit an application for a license to the Departmental regional office within the municipal district where the hunting will take place, as reflected in Schedule 4.
- 4.3. Should the land/the hunting area fall within two or more regions, the landowner may only apply for a license to one of the regional offices concerned.

- 4.4 A landowner must submit the following to a designated official at the appropriate regional office when an application for a license to hunt is made; 1. Proof of ownership of land, and 2. a certified copy of the landowner's identity document.
- 4.5 If the landowner is a lessee of the land, a certified copy of the written consent from the landowner giving consent to hunt for the current hunting season must be submitted.
- 4.6 If the land owner is a tribal authority, a certified copy of the written consent from the tribal chief giving consent to hunt for the current hunting season must be submitted.
- 4.7 Designated officials must evaluate the application with due consideration given in the following:
- (a) Current information of the population density on the land;
 - (b) Landowner; track record of submitting annual hunting reports in terms of regulation 7 and general compliance with these regulations in the past.

5. Issuing of licenses to hunt game

- 5.1 Designated officials must process and communicate the outcome of the application to the landowner within ten (10) working days after receipt of the application form and supporting documents as indicated in regulation 4.
- 5.2 A landowner must collect the endorsed application form, specifying the fees payable from the regional office where the application was made.
- 5.3 A license will only be issued after the specified fees are paid.
- 5.4 Landowners may sell the right to hunt game indicated on the license to hunters.

- 5.5 Landowner must furnish the hunter with a written declaration stating permission to hunt on the land.

6. Hunting and transportation of hunted game

- 6.1 Landowners and hunters must at all times adhere to the conditions stipulated in the license.
- 6.2 Hunted game must at all times, and during transportation or while processing the meat, be accompanied by the original license.

7. Hunting reports of hunted game

- 7.1 Landowners must submit a completed hunting report on or before 31st October 2012 to the regional office where the license was issued.
- 7.2 The hunting report must be completed in the format as indicated in Schedule 5.
- 7.3 Failure to submit a hunting report in the prescribed format within the period will result in non-compliance with the principal legislation.

8. Hunting season for game birds and restrictions

- 8.1 Any person who intends to hunt birds must apply for a license before hunting takes place.
- 8.2 An application for a license to hunt birds must be submitted to any regional nature conservation office.
- 8.3 Designated officials must evaluate the application with due consideration given to the following:

- (a) Current information of the bird population density on the land;
- (b) The hunter' track record of submitting annual hunting reports in terms of regulation 12 and general compliance with these regulations in the past.
- (c) The principles set out in Section 2 of the National Environmental Management Act, 1998.
