- (a) pay the arrears in full; or
- (b) at the discretion of the Municipality, make suitable arrangements with the Municipality for the payment of such arrears, before an application for a new service in terms of this By-law may be considered.

Deposits

6.(1) The payment of a deposit mentioned in subsection 5(1)(d) is subject to the criteria determined by the CFO in accordance with the Policy and is due and payable at-

- (a) the time of application for municipal services; and
- (b) any other time deemed necessary by the Municipality.

(2) Payment of a deposit must be made in cash unless otherwise provided for in terms of the Policy.

(3) Where there is no consumption of municipal services on premises, an availability fee determined by the Municipality may be raised in respect of the property concerned.

(4) Deposits paid by a customer to the Municipality shall be held as a consolidated deposit and used as security for any or all amounts owed by the customer as included in the account.

(5) The Municipality may in its discretion by due notice to a customer, require a customer to increase the deposit furnished in terms of subsection 5(1)(d).

(6) No interest on cash deposits held by the Municipality shall accrue to the customer.

Service agreement between the Municipality and a customer

7.(1) The Municipality may not approve an application for the provision of any municipal service, unless the applicant has signed an agreement on a form determined by the Municipality for that purpose accepting the terms and conditions for the provision of such service, all of which are deemed to be incorporated into this By-law.

(2) Where the purpose for or extent to which any municipal service used has changed, the onus and obligation rests on the customer to advise the Municipality of such change.

Measurement of consumption

8.(1) The Municipality must conduct or cause to be conducted an accurate measurement of the municipal services consumed at intervals determined by the Municipality: Provided that nothing in this section prevents the Municipality from making an estimate of the consumption of municipal services for any relevant period if-

- (a) the reading of the meter could not be obtained in respect of the period in question;
- (b) no meter has been installed to measure the consumption on the premises concerned;
- (c) for any other reason the meter could not be accessed to be read; or

- (a) any change in law;

Termination of service agreements

Notice of compliance

11. A written notice of compliance must be served on a customer or person-

- (a) in order to avoid the service agreement to which the non-compliance relates being terminated in terms of subsection 10(1)(b); or
- (b) where there has been a breach of a provision of the By-law and the Municipality is of the opinion that it is necessary to serve such notice.

CHAPTER 3

ACCOUNT ADMINISTRATION

Accounts

12.(1) The Municipality must maintain proper and accurate accounts which must be rendered and administered by it in accordance with the Credit Control and Debt Collection Policy, this By-law, as well as any other applicable law.

(2) Failure by the Municipality to render an account does not relieve a customer of an obligation to pay any amount that is due and payable by such customer in terms of this Bylaw.

(3) The Municipality may, in accordance with the section 102 of the Systems Act-

- (a) consolidate any separate accounts of a customer liable for payments to the Municipality;
- (b) credit any payment by such customer against any account of that customer; or
- (c) (c) implement any of the debt collection and credit control measures provided for in this By-law or the Policy in relation to any arrears on any of the accounts of the customer.

(4) In the event of separate accounts being consolidated as contemplated in subsection (3), the total amount due and payable by a customer shall constitute a consolidated debt, and any payment made by a customer of an amount less than the total amount due will, subject to section 23, be allocated in the reduction of the consolidated debt in the order determined by the CFO in his or her sole discretion.

(5) Any amount paid by a customer in excess of an existing debt may be—

- (a) held in credit for the customer in anticipation of future rates and fees for municipal services or for the purposes contemplated in subsection 18(1)(b), without any interest accruing on such amount;
- (b) refunded either as a whole or a portion thereof to the customer concerned, subject to the right of the Municipality to withhold payment until it is satisfied that payment of such refund is not in contravention of any law; or

(c) refunded to the conveyancing attorney if the property in question has been transferred.

(6) Should the Municipality become aware that the customer has since vacated the premises supplied as his or her address in terms of this By-law, the Municipality must, after deducting any outstanding amounts due to it from the deposit of such customer, place the balance thereof in an account retained for such customer for a period of time determined in the Credit Control and Debt Collection Policy from the date on which the customer's disappearance became known to the Municipality.

(7) After the expiry of the period mentioned in subsection (6), the balance of the deposit, together with interest thereon, will be forfeited to the Municipality, unless the CFO is not satisfied that this is just and equitable to do so.

Account information

13. Without limiting the amount of information which may be included by the Municipality in a customer's account, any account rendered by the Municipality to a customer must contain at least the following information:

- a) the consumption or estimated consumption as determined for the relevant consumption period;

- (g) where necessary, the appointment of agents to accept payments on behalf of the Municipality; and
- (h) appropriate and reasonable hours of business in order to facilitate account payments.

Responsibility for payment of account

15.(1) It is the responsibility of the customer to ensure that his or her account is paid timeously and that such account does not fall into arrears.

(2) Where a customer is a tenant of the property concerned, the owner of the property shall be held jointly and severally liable with the tenant for debts on the property.

(3) Subsection (2) does not apply to the payment of rates, which payment shall be the sole responsibility of the owner of such property.

Disputes in respect of accounts rendered by the Municipality

16.(1) A person must lodge a written dispute with the Municipality to challenge the correctness or accuracy of any amount due and payable by such person reflected in an account rendered by the Municipality in terms of this By-law: Provided that such dispute must be lodged with the Municipality before or on the due date for payment specified in the account concerned.

(2) A person must, pending resolution of the dispute, continue to make regular monthly payments in respect of rates, if applicable, or in respect of any municipal service, as the

case may be, based on the average monthly fees for the preceding three months prior to the dispute arising, plus interest if applicable, until the dispute is resolved.

(3) Where a person fails to lodge a dispute within the period mentioned in subsection (1), any correspondence received from the person after such period concerning the correctness or accuracy of an account, will be treated as an enquiry and—

(a) the account will not be suspended; and

(b) such enquiry must be accompanied by the payment of at least an amount equal to the average amount per month that was due and payable in respect of the municipal service concerned during the preceding three months.

(4) If an objection or appeal is lodged against the value of property in terms of sections 50 and 54 of the Property Rates Act, on publication of a new or supplementary valuation roll in terms of section 49 of the Municipal Property Rates Act, the owner must still make payment to the Municipality based on the rates payable in respect of the property concerned on the previous valuation roll prior to the lodgement of the objection or appeal.

(5) Any amount not in dispute must be paid in full by the person concerned and municipal services may be disconnected or restricted where such amounts remain unpaid.

(6) The Municipality must register the dispute or enquiry and take reasonable steps to ensure that the dispute or enquiry is addressed within a reasonable period.

(7) The Municipality must-

(a) investigate or cause the dispute to be investigated within 30 days, or as soon as possible after such dispute is received; and

(b) inform the person, in writing, of his or her finding as soon as possible after conclusion of the investigation, instructing that either such person's account will be credited with an amount found to have been overpaid or, alternatively, that any amount found to be due and payable must, subject to section 23, be paid within a reasonable period from the date on which the person concerned is notified thereof, unless an appeal is lodged within that period in terms of subsection (8).

(8) Except for instances where the right of appeal is specifically afforded to a person in terms of any other law, a person may, subject to section 35, lodge an appeal in writing with the municipal manager in terms of section 62 of the Systems Act against a decision referred to in subsection (7), within 21 days of the date of notification of the decision.

(9) The Municipality must inform the person concerned in writing of the decision on the appeal, instructing that any amount found to be overpaid will be credited to such person's account or, alternatively, that any amount found to be due and payable must be paid within seven days from the date on which the person is notified thereof.

(10) The Municipality will only supply records of documents to the person concerned for the last 5 years.

Failure to pay accounts on due date

17.(1) The Municipality must take the necessary steps to recover payment of any accounts which remain unpaid after the due date for the payment thereof.

(2) Where-

(a) a tenant or an occupier occupies a property in respect of which arrears are owing;

or

(b) an agent acts for an owner in respect of whose property arrears are owing,

the Municipality may recover from such tenant, occupier or agent such monies as are owing by the tenant, occupier or agent to the owner, as payment of the arrears owed by such owner. The Municipality may recover the amount in whole or in part from the tenant, occupier or agent despite any contractual obligation to the contrary between an owner and his or her tenant, occupier or agent.

(3) The amount the Municipality may recover from the tenant, occupier or agent is limited to the amount of the rent or other money due and payable, but not yet paid by the tenant, occupier or agent to the owner.

(4) Should the tenant, occupier or agent fail or refuse to pay over any monies to the Municipality in terms of this section, the municipal services of the tenant, occupier or agent may be disconnected.

(5) Before resorting to litigation for the recovery of arrears, the Municipality may send a final demand notice, which may appear on the account addressed to the defaulting person, calling upon such person to make payment within a stipulated period, failing which legal steps may be taken for the recovery thereof.

(6) Failure by the Municipality to send a final demand notice does not relieve a customer from paying the arrears.

Rates and municipal service charges upon the property

18.(1) Amounts due for municipal services and other rates, taxes, levies and duties on a property are a charge upon the property, and the Municipality may take any of the following actions to secure payment thereof:

(2) The Municipality may, for the purposes of finalising the issuing of a revenue clearance certificate contemplated in subsection 18(1)(c), request the seller of the property to submit supporting information or documentation as may be determined by the Municipality.

Termination or restriction of a municipal service

19.(1) The Municipality may terminate or restrict the provision of any service in terms of the prescribed termination and restriction procedures set out in this By-law, the Credit Control and Debt Collection Policy or any other applicable law to any premises if the customers, owners, heirs, or occupiers, as the case may be, in respect of the municipal service concerned—
