2.6 ACCESS

No ingress from Provincial Road 2284 to the township and no egress to Provincial Road 2284 from the township shall be allowed.

2.7 ACCEPTANCE AND DISPOSAL OF STORMWATER

The township owner shall arrange for the drainage of the township to fit in with that of Provincial Road 2284 and for all stormwater running off or being diverted from the road to be received and disposed of.

2.8 PRECAUTIONARY MEASURES

The township owner shall at his own expense, make arrangements in order to ensure that:

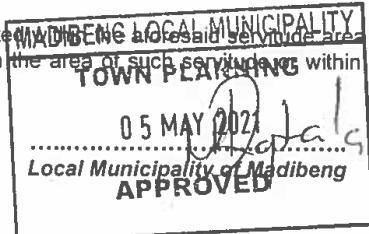

- (a) water will not dam up, that the entire surface of the township area is drained properly and that streets are sealed effectively with tar, cement or bitumen; and
- (b) trenches and excavations for foundations, pipes, cables or for any other purposes, are properly refilled with damp soil in layers not thicker than 150mm and compacted until the same grade of compaction as that of the surrounding material is obtained.

3. CONDITIONS OF TITLE

The erven except for the erven mentioned in clause 2(5) shall be subject to the following conditions imposed in terms of the provisions of the Town-Planning and Townships Ordinance, 1986:

- (a) The erf is subject to a servitude, 2 m wide, in favour of the local authority, for sewerage and other municipal purposes, along any two boundaries other than a street boundary, if and when required by the local authority: Provided that the local authority may dispense with any such servitude.
- (b) No buildings or other structure shall be erected within the said servitude area and no large-rooted trees shall be planted within the area of such servitude or within 2 m thereof.

MOTHUTLUNG-A EXT. 1
2021-04-30

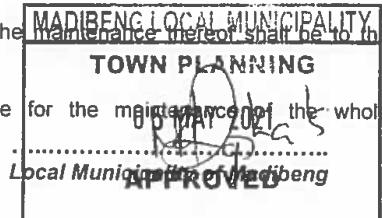

- (a) The local authority shall be entitled to deposit temporarily on the land adjoining the aforesaid servitude such material as may be excavated by it during the course of the construction, maintenance or removal of such sewerage mains and other works as it, in its discretion, may deem necessary and shall further be entitled to reasonable access to the said land for the aforesaid purpose subject to any damage done during the process of the construction, maintenance or removal of such sewerage mains and other works being made good by the local authority.

4. CONDITIONS TO BE INCORPORATED IN THE TOWN-PLANNING SCHEME IN TERMS OF SECTION 125 OF ORDINANCE 15 OF 1986, IN ADDITION TO THE PROVISIONS OF THE TOWN-PLANNING SCHEME IN OPERATION

4.1 GENERAL CONDITIONS (APPLICABLE TO ALL ERVEN)

- (a) Except with the written consent of the local authority, and subject to such conditions as it may impose, neither the owner nor any other person shall -
- i) save and except to prepare the erf for building purposes, excavate any material therefrom;
 - ii) sink any wells or boreholes on the erf or extract any subterranean water therefrom;
 - iii) make or permit to be made, on the erf for any purposes whatsoever, any tiles or earthenware pipes or other articles of a like nature.
- (b) Where, in the opinion of the local authority, it is impracticable for stormwater to be drained from higher-lying erven direct to a public street the owner of the lower-lying erf shall be obliged to accept or permit the passage over the erf of such stormwater : Provided that the owners of any higher-lying erven, the stormwater from which is discharged over any lower-lying erf, shall be liable to pay a proportionate share of the cost of any pipeline or drain which the owner of such lower-lying erf may find necessary to lay or construct for the purpose of conducting the water so discharged over the erf.
- (c) The siting of buildings, including outbuildings, on the erf and entrances to and exits from the erf to a public street system shall be to the satisfaction of the local authority.
- (d) The main building, which shall be a completed building and not one which has been partly erected and is to be completed at a later date, shall be erected simultaneously with, or before, the outbuildings.
- (e) No material or goods or any nature whatsoever shall be dumped or placed within the building restriction area along any street, and such area shall be used for no other purpose than the laying out of lawns, gardens, parking or access roads: Provided that if it is necessary for a screen wall to be erected on such boundary this condition may be relaxed by the local authority subject to such conditions as may be determined by it.
- (f) A screen wall or walls shall be erected and maintained to the satisfaction of the local authority as and when required by it.
- (g) If the erf is fenced such fence and the maintenance thereof shall be to the satisfaction of the local authority.
- (h) The registered owner is responsible for the maintenance of the whole

development on the erf. If the local authority is of the opinion that the erf or any portion of the development is not being satisfactorily maintained, the local authority shall be entitled to undertake such maintenance at the cost of the registered owner.

- (i) No French drain shall be permitted on the erf.
 - (j) Trenches and excavations for foundations, pipes, cables or for any other purposes shall be properly refilled with damp soil in layers not thicker than 150 mm, and shall be compacted until the same grade of compaction as that of the surrounding material is obtained to the satisfaction of the local authority.
 - (k) All pipes that carry water shall be watertight and shall be provided with water tight flexible couplings.
 - (l) The entire surface of the erf shall be drained to the satisfaction of the local authority in order to prevent surface water from damming up, and water from roof gutters shall be discharged away from the foundations.
 - (m) The erf is situated in an area with soil conditions which can affect buildings and structures detrimentally and result in damage. Building plans submitted to the local authority shall indicate measures in accordance with recommendations contained in the Engineering-geological report compiled for the township, to limit possible damage to the buildings and structures as a result of the unfavourable foundation conditions, unless proof is submitted to the local authority that such measures are unnecessary or the same purpose can be achieved by alternative measures.
