RECTIFICATION
CITY OF CAPE TOWN
CAPE TOWN ADMINISTRATION
REMOVAL OF RESTRICTIONS ACT, 1967
(ACT 84 OF 1967)

Notice is hereby given that the Minister for Local Government, Environmental Affairs and Development Planning, properly designated as competent authority in terms of paragraph (a) of State President Proclamation No. 160 of 31 October 1994, in terms of section 2(1) of the Removal of Restrictions Act, 1967 (Act 84 of 1967), and on application by the owners of Erf 882, Camps Bay, removes condition 3.6A.I. f) and amends conditions 3.6A.I. e) and 3.6A.I. b) contained in Deed of Transfer No. T.107802 of 2003 to read as follows:

3.6A.I. e) "that no building or structure or any portion thereof, except boundary walls or fences, shall be erected nearer than 4.71 metres to the street line of St Fillians Road which forms the boundary of this erf, save that a garage intended as an adjunct to a building and not exceeding 3.07 metres in height measured from the floor to the top of the parapet or half the height of the roof, whichever is the higher, may be erected in such a position that the distance between the garage and the street line which forms the boundary of this erf shall not be less than the value of ...x... as expressed by the following equation, when ...x... is a distance less than that otherwise prescribed as the building line for this erf,

$$X - I/s [h^2 + 400s = (h+20s)]$$

Where s is the factor of rise in accordance with the mean gradient of the land to be actually excavated for the erection of the garage such gradient to be measured at right angles to and from a point on the street boundary vertically opposite to the centre of that side of the garage which is most nearly parallel to the street boundary of the erf, and h is the difference between the mean level of the floor of the garage and the mean ground level at a point on the street boundary vertically opposite the centre of that side of the garage which is most nearly parallel to the street boundary of the erf, such difference to be positive or negative as the floor level of the garage is respectively below or above the mean ground level at the point specified.

Notwithstanding the foregoing, however, a garage shall not be erected nearer than 1.42 metres to the street line which forms a boundary of this erf and where no portion of a garage projects above the level of the ground immediately adjoining any side of such garage other than the side which is most nearly parallel to the street boundary of the erf, the corner of the bank at the intersection of the street boundary and the prolongation of those sides of the garage which are most nearly at right angles to such street boundary shall be splayed in such manner that the land cut off from the corner shall be in the form of an isosceles triangle, the equal sides of which shall not be less than 1.42 metres."

3.6A.I. b) "That one or two dwellings together with such outbuilding as are ordinarily required to be used therewith be erected on this erf save as provided in condition (c) hereof."
