Short title

9. This Act is called the Constitution of the Western Cape First Amendment Act, 2021.

MEMORANDUM ON THE OBJECTS OF THE CONSTITUTION OF THE WESTERN CAPE FIRST AMENDMENT BILL

1. BACKGROUND

Alignment with Constitution

Various amendments have been made to the Constitution of the Republic of South Africa, 1996 (the Constitution). These amendments have not been incorporated in the Constitution of the Western Cape, 1997 (Act 1 of 1998) (the provincial Constitution).

Section 143(1) of the Constitution provides that a provincial constitution must be consistent with the Constitution. Section 3(3) of the provincial Constitution, in line with the Constitution, provides that it should not be interpreted as conferring any legislative or executive authority on the Western Cape Government that is inconsistent with the Constitution. It is proposed that the provincial Constitution be amended to align it with the Constitution in order to avoid any inconsistencies and difficulties with interpretation.

Commissioner for the Environment

Section 71 of the provincial Constitution establishes the position of Commissioner for the Environment. The appointment of the Commissioner for the Environment is an obligation imposed by the provincial Constitution and is binding on the provincial legislature and executive in terms of sections 104(3) and 125(6)(b) of the Constitution and sections 9(2) and 35(3) of the provincial Constitution.

The position of Commissioner for the Environment is vacant and has never been filled.

Since the commencement of the provincial Constitution, various pieces of national legislation that establish authorities and structures for the protection of the environment have been passed. The national legislation includes the National Environmental Management Act, 1998 (Act 107 of 1998), the National Environmental Management: Biodiversity Act, 2004 (Act 10 of 2004), the National Environmental Management: Protected Areas Act, 2003 (Act 57 of 2003), the National Environmental Management: Waste Act, 2008 (Act 59 of 2008), and the National Environmental Management: Integrated Coastal Management Act, 2008 (Act 24 of 2008).

The Western Cape Government is of the view that the filling of the vacancy of the Commissioner for the Environment is not desirable, because it would involve an overlap and duplication of roles and functions provided for in national legislation and would consume scarce state resources. The Western Cape Government is also of the view that national legislation and international conventions provide the necessary protection of the environment.

Unless the provisions relating to the establishment of the Commissioner for the Environment are repealed, the Western Cape Government is failing to fulfil a constitutional obligation. It is accordingly proposed that the provincial Constitution be amended to repeal the provisions relating to the Commissioner for the Environment. Effect could then be given to the establishment of the Commissioner when it is thought desirable to do so through provincial legislation.

2. OBJECTS OF BILL

The purpose of the Bill is to—

- (a) amend the provincial Constitution to align it with the amendments that have been made to the Constitution;
- (b) repeal the provisions relating to the Commissioner for the Environment; and
- (c) improve the Xhosa text.

3. CONTENTS OF BILL

(Constitution Fourth Amendment Act of 1999)

Clause 7 repeals sections 71 to 77 of the provincial Constitution.

Clause 8 replaces the expression “President of the Constitutional Court” with the expression “Chief Justice” wherever it appears in the provincial Constitution (Constitution Sixth Amendment Act of 2001) and certain expressions in the Xhosa text of the provincial Constitution.

Kort titel

9. Hierdie Wet heet die Eerste Wysigingswet op die Grondwet van die Wes-Kaap, 2021.

MEMORANDUM OOR DIE OOGMERKE VAN DIE EERSTE WYSIGINGSWETSONTWERP OP DIE GRONDWET VAN DIE WES-KAAP

1. AGTERGROND

Ooreenstemming met die Grondwet

Verskeie wysigings aan die Grondwet van die Republiek van Suid-Afrika, 1996 (die Grondwet), is reeds gemaak. Hierdie wysigings is nog nie opgeneem in die Grondwet van die Wes-Kaap, 1997 (Wet 1 van 1998) (die provinsiale Grondwet), nie.

Artikel 143(1) van die Grondwet bepaal dat 'n provinsiale grondwet nie onbestaanbaar met die Grondwet mag wees nie. Artikel 3(3) van die provinsiale Grondwet, in ooreenstemming met die Grondwet, bepaal dat dit nie uitgelê behoort te word asof dit enige wetgewende of uitvoerende gesag aan die Wes-Kaapse Regering opdra wat onbestaanbaar met die Grondwet is nie. Daar word voorgestel dat die provinsiale Grondwet gewysig word om dit in ooreenstemming met die Grondwet te bring ten einde enige teenstrydighede en uitlegprobleme te vermy.

Omgewingskommissaris

Artikel 71 van die provinsiale Grondwet stel die amp van Omgewingskommissaris in. Die aanstelling van die Omgewingskommissaris is 'n verpligting wat deur die provinsiale Grondwet opgelê word wat bindend is op die provinsiale wetgewer en uitvoerende gesag ingevolge artikels 104(3) en 125(6)(b) van die Grondwet en artikels 9(2) en 35(3) van die provinsiale Grondwet.

Die amp van Omgewingskommissaris is vakant en is nog nooit gevul nie.

Sedert die inwerkingtreding van die provinsiale Grondwet is verskeie stukke nasionale wetgewing aangeneem wat owerhede en strukture vir die beskerming van die omgewing instel. Die nasionale wetgewing sluit in die Wet op Nasionale Omgewingsbestuur, 1998 (Wet 107 van 1998), die “National Environmental Management: Biodiversity Act, 2004” (Wet 10 van 2004), die “National Environmental Management: Protected Areas Act, 2003” (Wet 57 van 2003), die “National Environmental Management: Waste Act, 2008” (Wet 59 van 2008), en die “National Environmental Management: Integrated Coastal Management Act, 2008” (Wet 24 van 2008).

Die Wes-Kaapse Regering is van mening dat die vul van die vakature van Omgewingskommissaris nie wenslik is nie omdat dit sal lei tot 'n oorvleueling en duplisering van rolle en funksies waarvoor daar in nasionale wetgewing voorsiening gemaak word, en skaars staatsulpbronne sal vermors. Die Wes-Kaapse Regering is ook van mening dat nasionale wetgewing en internasionale konvensies die nodige beskerming van die omgewing daarstel.

Tensy die bepalings met betrekking tot die instelling van die Omgewingskommissaris herroep word, bly die Wes-Kaapse Regering in gebreke om 'n grondwetlike verpligting na te kom. Daar word gevolglik voorgestel dat die provinsiale Grondwet gewysig word om die bepalings met betrekking tot die Omgewingskommissaris te herroep. Uitvoering kan dan deur provinsiale wetgewing aan die instelling van die Kommissaris gegee word wanneer dit wenslik geag word om dit te doen.
