## Die Transvaalse Kleurling en Indiër Onderwysersertifikaat.

*Indeling van assistent-onderwysers vir salarisdoeleindes volgens kwalifikasies.*

Vir die doel om die salaris betaalbaar aan 'n assistent-onderwyser te bepaal, word elke onderwyser in een van die volgende kategorieë ingedeel en die kategorie waarin hy geplaas word, hang af van die erkende tydperk wat nodig is vir die verkryging van die erkende kwalifikasies wat hy het en wat 'n tydperk van studie- of opleiding is na die onderwyspeil hieronder genoem en sodanige indeling tree in werking op sodanige datum as wat die Direkteur mag bepaal:—

*Kleurling- of Asiate-assistentonderwysers.*

Kategorie A3.—Sodanige tydperk as wat korter is as die in Kategorie A2 genoem.

Kategorie A2.—Sodanige tweejarige studie- of opleidingstydperk na Standerd VIII.

Kategorie A1.—Sodanige eenjarige studie- of opleidings-tydperk na die Eindsertifikaat van die Middelbare Skool.

Kategorieë B tot en met F—soos vir Blanke onderwysers.

Waar 'n assistent-onderwyser erkende professionele kwalifikasies verkry het terwyl hy nie 'n voltydse student aan enige inrigting wat voorsering maak vir die opleiding van onderwysers was nie of waar 'n assistent-onderwyser op of na 1 April 1952 akademiese kwalifikasies verkry het of verkry wat nie voldoen aan die leerplan en vakgroepde deur die Direkteur vir 'n onderwysersopleidingskollege voorgeskryf nie, word sodanige onderwyser ingedeel een kategorie laer as die waartoe sy kwalifikasies hom andersins reg gee.

Enige assistent-onderwyser wat te eniger tyd voor 1 April 1952 in die diens van die Departement was, word, ondanks die bepalings van die regulasies, nie in 'n laer kategorie ingedeel nie as die waarin hy ingedeel sou gewees het ingevolge die regulasies wat onmiddellik voor sodanige datum in werking was.

**GENERAL.**

The attention of teachers is directed to the fact that the Department may appoint a teacher in any vacancy existing at a school for which he holds suitable qualifications and that a principal of a school may make use of the services of a teacher in any capacity which is considered to be in interests of Education.

Teachers appointed in posts to which government quarters are attached are required to pay the rent for such quarters and must comply with the conditions of tenancy applicable to the quarters in terms of the provisions of Chapter V of the Regulations prescribing the Conditions of Appointment and Service of Teachers, as published in Administrator's Notice No. 1053 of 23rd December, 1953.

Rent will be payable at  $7\frac{1}{2}$  per cent of the valuation of the quarters if situated within the boundaries of a local authority or 5 per cent of the valuation if situated elsewhere; provided that no such rent shall in any case exceed  $12\frac{1}{2}$  per cent of the tenant's salary plus cost of living allowance.

Normally it is indicated in the advertisement if government quarters are attached to a post and the valuation of the quarters as well as information concerning subsidiary impositions or deductions regarding the rent can be obtained from the School Board.

The successful applicants may be required to be resident. If resident, the usual charges will be made for boarding. Applications should be addressed to the Principals concerned, Secretaries of the Governing Bodies or School Boards.

The capital letter (or letters) followed by a number within parenthesis after the name of the school indicates the medium (or media) of instruction employed in the school, while the number indicates the enrolment at the school.

The medium used in teaching a modern language is, as far as possible, that of the language itself.

Applications must be marked "Applications" on the envelope.

All assistants' posts are B-posts unless otherwise indicated.

All qualified applicants will be considered for appointment to vacant "A" posts unless a specific requirement is advertised as "essential", in which case only teachers qualified in this respect, or teachers on the staff of the school who wish to be considered "for promotion purposes only" should submit applications.

Applicants must indicate in the space provided on the application form whether they are prepared to accept appointment as "B" assistant if they are not appointed to the "A" post.

Permanent teachers on the staff of the school concerned who feel that they have claims to the "A" post, whether they have the qualifications or not, must formally apply in the same way as applicants from elsewhere. Their applications should be conspicuously endorsed "For Promotion Purposes Only".

Applicants are requested kindly to note that, should circumstances arise which will make it impossible for them to accept appointment to any post, for which they have applied, it is their duty to notify the Department immediately.

If teachers apply for more than one post, they must write direct to the Department and indicate the order of preference within 14 days from the closing date of the list of vacancies. Only the first and second orders of preference will be considered. If these posts have already been filled the applicants will be considered for any other post for which they have been recommended.

Requests for amendment of the original order of preference will not be considered.

Requests for the cancellation of permanent appointments, once they have been sanctioned, will only be considered under special circumstances.

Applicants must state their private addresses on forms T.E.D. 487.

**POSTS NOT ATTACHED TO PROVINCIAL EDUCATIONAL INSTITUTIONS.**

Applications are invited from suitably qualified persons for appointment in the undermentioned posts under the Transvaal Education Department.

Applications close at 4 p.m. on 23rd April, 1958.

Applicants must be professionally qualified, fully bilingual and must give full particulars in regard to their experience and qualifications.

Only certified copies of certificates and testimonials must be submitted with applications.

The conditions of service are the same as those applicable to teachers in the service of the Transvaal Education Department.

Subsistence and transport allowance as prescribed by regulation may be claimed for the period of absence on duty from headquarters.

Previous recognised experience will be taken into consideration in determining the commencing salary.

The successful applicants must register with the Transvaal Education Department before they can be formally appointed.

Form T.E.D. I may be obtained from the Department for the purpose of registration.
