JOHANNESBURG MUNICIPALITY.—AMENDMENT TO BUILDING BY-LAWS.

Administrateurkennisgewing No. 305.]

[15 April 1964.

MUNISIPALITEIT JOHANNESBURG.—WYSIGING VAN BOUVERORDENINGE.

The Administrator hereby, in terms of section *one hundred and one* of the Local Government Ordinance, 1939, publishes the by-laws set forth hereinafter, which have been approved by him in terms of section *ninety-nine* of the said Ordinance.

Amend the Building By-laws of the Johannesburg Municipality, published under Administrator's Notice No. 455, dated the 29th September, 1941, as amended, by the substitution for section 37 of the following:—

"37. Work Delayed or Abandoned."

(1) For the purposes of this section the expression 'authorised work' shall mean any work of construction or reconstruction the plans for which have been approved by the Council in terms of section 36 of these by-laws.

(2) If on the expiration of twelve months after the Council has signified its approval of plans for any work of construction or reconstruction that work has not been begun the approval so signified shall become null and void.

(3) When an approval of plans has become null and void in terms of sub-section (2) the work shall not be begun until it has been submitted for approval *de novo* in accordance with the provisions of this chapter regulating the submission of new plans and the payment of fees, and the Council has again signified its approval thereof in terms of section 36.

(4) Authorised work which has been begun shall be carried out without unreasonable delay.

(5) (a) Where in the opinion of the Council authorised work which has been partly constructed is not being carried out at a reasonable speed it may serve on the owner of the premises notice in writing specifying the date, which shall not be less than one hundred and twenty days from the date of the notice, by which in its opinion it is reasonable that the work shall be completed and requiring the owner subject to his right to appeal to the Administrator in terms of paragraph (d) of sub-section (42) of section *eighty* of the Local Government Ordinance, 1939, to complete it by that date.

Die Administrateur publiseer hierby ingevolge artikel honderd-en-een van die Ordonnansie op Plaaslike Bestuur, 1939, die verordeninge hierna uiteengesit, wat deur hom ingevolge artikel nege-en-negentig van genoemde Ordonnansie goedgekeur is.

Die Bouverordeninge van die Munisipaliteit Johannesburg, aangekondig by Administrateurkennisgewing No. 455 van 29 September 1941, soos gewysig, word hierby verder gewysig deur artikel 37 deur die volgende te vervang:—

"37. Werk wat vertraag of laat word."

(1) Vir die toepassing van hierdie artikel beteken die uitdrukking 'goedgekeurde werk' enige bou- of herbouingswerk waarvoor die Raad kragtens artikel 36 van hierdie verordeninge ontwerpe goedgekeur het.

(2) Indien daar na verloop van twaalf maande nadat die Raad berig het dat hy die ontwerpe vir die bou- of herbouingswerk goedgekeur het, nog nie met dié werk begin is nie, verval dié goedkeuring.

(3) Wanneer die goedkeuring van ontwerpe ingevolge subartikel (2) verval het, mag daar nie met die werk begin word voordat daar, ooreenkomsdig die bepalings van hierdie hoofstuk waarby die voorlegging van nuwe ontwerpe en die betaling van geldte voorgeskryf word, van nuuts af ontwerpe vir goedkeuring voorgelê is en die Raad weer berig het dat hy die ontwerpe ingevolge artikel 36 goedkeur het nie.

(4) Goedgekeurde werk waarmee daar begin is, moet sonder onredelike vertraging voltooi word.

(5) (a) Wanneer die Raad van mening is dat goedgekeurde werk wat deels verrig is, nie redelik vinnig vorder nie, kan hy aan die eienaar van die perseel 'n skriftelike kennissgewing beteken waarin hy die datum, wat minstens honderd-en-twintig dae na die datum van die kennissgewing moet wees en waarop daar syne insiens redelik verwag kan word dat dié werk klaar moet wees, aangee en waarby hy die eienaar gelas om die werk teen dié datum te voltooi, onderworpe aan sy reg tot appèl tot die Administrateur ingevolge paragraaf (d) van subartikel 42 van artikel *tagtig* van Ordonnansie op Plaaslike Bestuur, 1939.

(b) The owner may, at his option demolish the authorised work rather than comply with the notice referred to in paragraph (a) of this sub-section. Any such demolition shall be completed to the satisfaction of the Council on or before the date specified in the said notice.

(6) If the authorised work has not been demolished by or has not been completed by the date referred to in paragraph (a) of sub-section (5), and if any appeal that has been lodged has been rejected, the owner shall be guilty of an offence in respect of every day during which the work remains uncompleted after the said date or after the expiry of one hundred and twenty days from the date of the rejection of an appeal, and shall be liable in respect of each such offence to a penalty not exceeding R10 a day until its completion.

(7) Without prejudice to the provisions of sub-section (6), the Council shall be entitled, if the authorised work has not been demolished or completed by the date specified in the notice referred to in sub-section (5) and if any appeal that has been lodged has been rejected—

- (a) by notice in writing to require the owner to demolish the partly-constructed work within a specified period which shall not be less than thirty days from the date of the notice; or
- (b) by notice in writing to require the owner to submit within thirty days from the said date for the Council's approval plans for completion of the building in modified form; or
- (c) itself at the expense of the owner of the premises to do such work by way of completion of the approved work in whole or in part or in modified form as it may deem necessary regard being had to the amenities of the neighbourhood.

(8) If the work of demolition has not been begun within fourteen days after the date of the notice referred to in paragraph (a) of sub-section (7) or has not been completed within the period specified in terms of paragraph (a) of sub-section (7) the owner shall be guilty of an offence in respect of each day during which the work has not been begun or has not been completed as the case may be and liable in respect of each such offence to a penalty as specified in sub-section (6), and the Council shall in addition be entitled itself to carry out the work of demolition at the owner's expense.

(9) If plans capable of approval have not been submitted within a period of thirty days prescribed in terms of paragraph (b) of sub-section (7) the Council shall be entitled at its option, and without giving the owner further notice, to proceed in accordance with paragraph (a) or paragraph (c) of that sub-section.

(10) Within thirty days after the Council has signified its approval of modified plans submitted to it in terms of paragraph (b) of sub-section (7) the owner shall begin work in accordance with those plans, and the work so begun shall be completed within such period as the Council may notify to the owner in writing.

(11) If the work referred to in sub-section (10) has not been begun within the period of thirty days therein specified or if it has not been completed within the period notified to the owner by the Council, the owner shall be guilty of an offence in respect of each day during which the work has not been begun or has not been completed as the case may be, and shall be liable in respect of each such offence to the penalties prescribed in sub-section (6), and the Council shall in addition be entitled to adopt either of the remedies set out in paragraphs (a) and (c) of sub-section (7).

(12) For the purposes of this section the owner of premises shall not be held responsible for any delay in carrying out authorised work which is due to strikes, lock-outs, the act of God, a national emergency or any other cause beyond the owner's control."

(b) Die eienaar het die keuse om die goedgekeurde werk te sloop in plaas daarvan om aan die kennisgewing waarna daar in paragraaf (a) van hierdie subartikel verwys word, gevolg te gee. Sodanige slopingswerk moet dan voor of op die datum wat in genoemde kennisgewing aangegee is, tot voldoening van die Raad aangehandel wees.

(6) Indien die goedgekeurde werk nie gesloop of voltooi is op die datum wat in paragraaf (a) van subartikel (5) aangegee is nie, en as 'n appèl wat aangeteken is, verwerp word, begaan die eienaar 'n misdryf ten opsigte van iedere dag waarop die werk na genoemde datum of na verloop van honderd-en-twintig dae vanaf die datum waarop die appèl verwerp is, onvoltooid bly, en staan hy ten opsigte van iedere sodanige misdryf bloot aan 'n boete van hoogstens R10 per dag totdat genoemde werk voltooi is.

(7) Behoudens die bepalings van subartikel (6) kan die Raad, as die goedgekeurde werk nie op die datum wat aangegee word in die kennisgewing waarna daar in subartikel (5) verwys word, gesloop of voltooi is nie, en as 'n appèl wat aangeteken is, verwerp is—

- (a) die eienaar by 'n skriftelike kennisgewing gelas om die deelsvoltooide bouwerk binne 'n bepaalde tydperk, wat tot minstens dertig dae na die datum van die kennisgewing moet strek, te sloop; of
- (b) die eienaar by 'n skriftelike kennisgewing gelas om binne dertig dae na genoemde datum 'n ontwerp vir die voltooiing van die gebou in 'n gewysigde vorm, vir goedkeuring aan die Raad voor te lê; of
- (c) self op die koste van die eienaar van die perseel sodanige werk verrig deur die goedgekeurde werk, of in sy geheel, of deels, of in 'n gewysigde vorm, na gelang hy dit nodig ag, met inagneming van die aantreklikheid van die buurt, te voltooi.

(8) As daar nie binne veertig dae na die datum van die kennisgewing wat in paragraaf (a) van subartikel (7) aangegee word, met die slopingswerk begin is nie, of as die slopingswerk nie voltooi word binne die tydperk wat ingevolge paragraaf (a) van subartikel (7) voorgeskryf is nie, begaan die eienaar 'n misdryf ten opsigte van iedere dag waarop daar nie aldus met die werk begin is, of waarop dit nie aldus voltooi is nie, na gelang van die geval, en staan hy ten opsigte van iedere sodanige misdryf bloot aan die boete wat by subartikel (6) voorgeskryf word, en hierbenewens kan die Raad dan self die slopingswerk op die eienaar se koste verrig.

(9) Indien ontwerpe wät goedgekeur kan word, nie binne die tydperk van dertig dae wat by paragraaf (b) van subartikel (7) voorgeskryf word, voorgelê is nie, kan die Raad na goedunke en sonder nadere kennisgewing aan die eienaar optree ooreenkomsdig paragraaf (a) of paragraaf (c) van dié subartikel.

(10) Die eienaar moet, binne dertig dae nadat die Raad gewysigde ontwerpe wat ingevolge paragraaf (b) van subartikel (7) aan hom voorgelê is, goedgekeur het, met die werk ooreenkomsdig dié ontwerpe begin, en die werk waarmee daar aldus begin word, moet binne die tydperk wat die Raad by skriftelike kennisgewing aan die eienaar voorskryf, voltooi word.

(11) Indien daar nie binne die tydperk van dertig dae wat in subartikel (10) aangegee word, begin word met die werk waarna daar in dié subartikel verwys word nie, of as dié werk nie voltooi word binne die tydperk wat die Raad aan die eienaar voorgeskryf het nie, begaan die eienaar 'n misdryf ten opsigte van iedere dag waarop daar nie aldus met die werk begin is nie, of waarop die werk nie aldus voltooi is nie, na gelang van die geval, en staan hy ten opsigte van iedere sodanige misdryf bloot aan die boete wat by subartikel (6) voorgeskryf word, en hierbenewens kan die Raad hom bedien van enigeen van die regsmiddele wat in paragrawe (a) en (c) van subartikel (7) uiteengesit is.

(12) Vir die toepassing van hierdie artikel word die eienaar van persele nie aanspreeklik gehou vir 'n vertraging by die verrigting van goedgekeurde werk wat te wyte is aan stakines, uitsluitings, 'n natuurmag, 'n landswyse noodtoestand of 'n ander oorsaak waaraan die eienaar geen beheer het nie."
