(f) No amendments of the lists of applications will be accepted except where circumstances may have arisen which make it imperative that certain applications be cancelled. The Department will in such exceptional cases be prepared to consider fully motivated representations.

6. Requests for the cancellation of an appointment in a permanent capacity once made will be considered only under special circumstances.

7. The attention of teachers is directed to the fact that the Department may appoint a teacher in any vacancy existing at a school for which he holds suitable qualifications and that a principal of a school may make use of the services of an assistant teacher grade A or B, in any capacity which is considered to be in the interest of Education.

(c) Normaalweg word dit in die advertensie aangedui indien 'n onderwyserswoning aan 'n pos verbonde is en die waardasie van die woning asook inligting oor bykomstige heffings of kortings aangaande die huur kan van die Skoolraadssekretaris verkry word.
