"bursary loan" means an advance for study purposes which is repayable by the recipient;

4. No bursary loan shall exceed R750 per year.

5. A bursary loan may be granted to any student who, within a period of 2 years before the date of application for such bursary loan has, with a minimum aggregate of 50% (fifty per cent) in the examination concerned, passed a Matriculation Examination entitling him to admission to the university concerned or passed a university year-end examination, and who has been domiciled in the Evander Municipality for a period of at least 3 years before the date of such application.

6. Each application for a bursary loan shall be treated on its merits and scholastic merit shall be the first consideration. If it appears to the Council that an eligible applicant or his parents have sufficient means to finance the applicant's studies, and if the Council is of the opinion that by granting a bursary loan to such applicant, another applicant qualifying in terms of section 5 but lacking such means would be deprived of the opportunity of attending a university, then the Council may give preference to such last-mentioned applicant.

7. Payments pursuant to a bursary loan shall be made by the Council half-yearly in advance to the Registrar of the university in respect of which the loan has been granted. Any balance remaining in the hands of such Registrar after deduction of the fees and charges of the university in connection with the half-year's course of study, shall be applied by the principal of the university, in consultation with the said student, towards the assistance of such student in pursuance of his course of study.

8. Where a student to whom a bursary loan has been granted does not at the end of any year obtain a pass which will enable him to proceed with the next prescribed year of study, the bursary loan shall automatically be suspended: Provided that if the student (otherwise than at the expense of the Council) within one year after such suspension obtains the necessary pass, the Council may, unless there has been a previous suspension of the bursary loan in similar circumstances, reinstate the loan for its remaining period as if no suspension had occurred.

"Raad" die Stadsraad van Evander en omvat die bestuurskomitee van daardie Raad of enige beampete deur die Raad in diens geneem, handelende uit hoofde van enige bevoegdheid wat in verband met hierdie verordeninge aan die Raad verleen is en wat ingevolge artikel 58 van die Ordonnansie op Plaaslike Bestuur (Administrasie en Verkiesings), 1960 (Ordonnansie 40 van 1960) aan hom gedelegeer is;

3. Soveel beurslenings kan elke jaar toegeken word as wat die Raad, na gelang van die beskikbare fondse in die beursleningsfonds, bepaal.

4. Geen beurslening mag R750 per jaar oorskry nie.

5. 'n Beurslening kan toegeken word aan enige student wat binne 'n tydperk van 2 jaar voor die datum waarop aansoek om sodanige beurslening gedoen is, in die Matrikulasie-eksamen wat hom toegang verleen tot die betrokke universiteit, of in 'n jaareindeksamen van 'n universiteit, met 'n gemiddelde van minstens 50% (vyftig persent) geslaag het en wat vir 'n tydperk van minstens 3 jaar voor die datum van die aansoek in die Munisipaliteit Evander permanent woonagtig was.

6. Elke aansoek om 'n beurslening moet op sy meriete behandel word met skoolprestasie as die verhaamste oorweging. Indien dit vir die Raad blyk dat 'n applikant wat vir 'n beurslening in aanmerking kom, of sy ouers, oor voldoende geldelike middelle beskik om vir sy studies te betaal en die Raad van mening is dat deur die toekenning van 'n beurslening aan sodanige applikant 'n ander applikant wat ook ingevolge artikel 5 vir 'n beurslening kwalifiseer maar nie oor sodanige middelle beskik nie, die geleentheid ontsê sou word om 'n universiteit by te woon, dan kan die Raad aan laasgenoemde applikant voorkeur gee.

7. Betaling van beurslenings deur die Raad geskied halfjaarlikse vooruit aan die Registrateur van die universiteit ten aansien waarvan die lening toegestaan is. Enige onbestede geld in besit van die Registrateur nadat alle geldke en heffings van die universiteit met betrekking tot die studiekursus vir die halfjaar vereffen is, moet deur die hoof van die universiteit in oorelog met die student aangewend word ter ondersteuning van die student om sy studiekursus te volg.

8. Indien 'n student aan wie 'n beurslening toegeken is aan die einde van enige jaar nie sodanig slaag dat hy met die volgende jaar se voorgeskrewe studiekursus kan voortgaan nie, word die beurslening outomaties opgeskort: Met dien verstande dat indien die student (sonder hulp van die Raad) binne een jaar na sodanige opskorting dusdanig slaag, die Raad die beurslening kan herinstel vir die orige tydperk asof geen opskorting plaasgevind het nie, tensy dit reeds by 'n vorige geleentheid onder soortgelyke omstandighede opgeskort was.

9. Each bursary loan shall be interest free until the date on which the first repayment instalment falls due as hereinafter provided; after such date interest shall accrue at 6 per cent per annum calculated to the end of the calendar half-year in which such date occurs and half-yearly in advance thereafter on balances from time to time outstanding.

10. Repayment of each bursary loan, together with interest as aforesaid, shall be by way of equal monthly instalments over a number of months equal to the number of months in the period for which the total amount advanced by the Council was disbursed. The said instalments shall be payable to the Council on the first day of each and every calendar month, commencing —

(a) in the case of a student who has completed the course of study for which the bursary loan was granted, on the first day of the calendar half-year after that in which he has so completed that course;

(b) in the case of a student who has abandoned his course of study, on the first day of the calendar month after that in which he has so abandoned that course.

11. The date of completion or abandonment by a student of a course of study for which a bursary loan has been granted shall irrebutably be the date stated to be such by letter addressed to the Town Clerk by the principal of the university concerned or by a person acting under his authority.

12. In the event of any student to whom a bursary loan has been granted failing to pay any instalment as in section 10 provided within 14 days after due date, then notwithstanding anything above contained, the Council shall have the right to claim immediate payment of the total outstanding amount of such loan, together with interest aforesaid.

13. In the event of the decease of any student to whom such a bursary loan has been granted before the repayment to the Council of the loan and interest thereon, then notwithstanding anything above contained, the total amount owing to the Council as at the date of death shall immediately become due and payable in full and such amount shall continue to bear interest as aforesaid until the date of payment.

14. Every student to whom a bursary loan has been granted shall, together with two other persons approved by the Council who shall bind themselves jointly and severally to the Council as sureties for and co-principal debtors with the said student, sign an undertaking in such form as the Town Clerk shall from time to time prescribe for the due repayment of such loan, together with interest thereon, as in these by-laws provided, and no payment by the Council of any bursary loan shall be made until such undertaking shall have been signed and shall have been deposited with the Town Clerk: Provided that the Council in anyone or more cases may at its option accept a guarantee which is acceptable to the Council for repayment of such loan together with interest thereon, in the place of suretyship of two other persons as beforementioned: Provided further that the Council in any one or more cases may at its option safeguard itself against loss by way of insurance, and in such case it may, if it so deems fit, dispense with such suretyship or guarantee. The Council may pay and debit the cost of any such insurance premium to the account of the student concerned.

9. Elke beurslening is rentevry tot die datum waarop die eerste paaiemint vir terugbetaling soos hierna bepaal, betaalbaar is, waarna rente aanwas teen 6 persent per jaar bereken tot die einde van die kalenderhalfjaar waarin sodanige datum voorkom en daarna halfjaarlik verskuldig op saldo's wat van tyd tot tyd verskuldig is.

10. Sodanige paaieminte is betaalbaar aan die Raad op die eerste dag van elke kalendermaand, met ingang van —

(a) in die geval van 'n student wat die studiekursus waarvoor die beurslening toegeken is, voltooi het, die eerste dag van die kalenderhalfjaar na die halfjaar waarin hy sy kursus voltooi het;

(b) in die geval van 'n student wat sy studiekursus gestaak het, die eerste dag van die kalendermaand na die maand waarin die studiekursus gestaak is.

11. Die datum waarop 'n studiekursus deur 'n student aan wie 'n beurslening toegestaan is voltooi of gestaak is, is onweerlegbaar die datum wat deur die hoof van die betrokke universiteit of enige persoon wat onder sy gesag optree, in 'n brief gerig aan die Stadsklerk aangegee word.

12. Ingeval 'n student aan wie 'n beurslening toegestaan is, versuim om binne 14 dae na die vervaldatum, soos bepaal in artikel 10, enige paaiemint te betaal, het die Raad, ondanks enige voorafgaande bepaling, die reg om onmiddellike betaling van die volle som van sodanige lening dan verskuldig met rente daarop, te eis.

13. Ingeval 'n student aan wie 'n beurslening toegeken is, te sterwe kom voordat die lening met rente daarop aan die Raad terugbetaal is, is die bedrag verskuldig aan die Raad, ondanks enige voorafgaande bepaling, ten volle betaalbaar op die sterftedatum en rente op die bedrag was aan soos voormeld tot die datum van betaling.

14. Elke student aan wie 'n beurslening toegestaan is moet saam met twee ander persone deur die Raad goedgekeur, wat hulle gesamentlik en afsonderlik verbind as borge en mede-hoofskuldenaars met die student 'n onderneming onderteken, soos deur die Stadsklerk van tyd tot tyd voorgeskryf, vir terugbetaling sodanige die lening tesame met rente daarop soos bepaal in hierdie verordeninge en die Raad mag geen betaling ten aansien van enige beurslening doen voordat sodanige onderneming onderteken en aan die Stadsklerk oorhandig is nie: Met dien verstande dat die Raad in enige of meer gevallen soos hy verkies, 'n waarborg wat vir hom aanneemlik is vir die terugbetaling van sodanige lening tesame met rente daarop soos in hierdie verordeninge bepaal, kan aanvaar in die plek van borgtog deur twee ander persone soos voornoem: Voorts met dien verstande dat die Raad in enige of meer gevallen soos hy verkies, homself kan vrywaar teen verlies deur middel van assuransie in welke geval hy, indien dienstig geag, kan afsien van sodanige borgtog of waarborg. Die Raad kan die koste verbonde aan enige sodanige assuransiepremie betaal en vir die rekening van die betrokke student debiteer.

15. Notwithstanding anything in these by-laws contained, the recipient of any such bursary loan or any person on his behalf may at any time pay a larger instalment than herein provided for or repay the loan in full before due date.
