NASIONALE KOMMISSARIS : SUID-AFRIKAANSE POLISIEDIENS

NOTICE 1504 OF 2006**INTERNATIONAL TRADE ADMINISTRATION COMMISSION OF
SOUTH AFRICA****SUNSET REVIEW OF THE ANTI-DUMPING DUTIES ON FROZEN MEAT OF
FOWLS OF THE SPECIES GALLUS DOMESTICUS CUT IN PIECES WITH
BONE IN ORIGINATING IN OR IMPORTED FROM THE UNITED STATES OF
AMERICA: FINAL DETERMINATION**

On 28 May 2004, the Commission notified the SACU industry through Notice No. 947 in Government Gazette No. 26374, that unless a substantiated request is made by it indicating that the expiry of the anti-dumping duties on the subject product originating in or imported from the USA would likely lead to the continuation or recurrence of dumping and injury, the anti-dumping duties on the subject product originating in or imported from the USA will expire on 27 December 2005.

A response to the sunset review application questionnaire was received from the Applicant on 25 May 2005. The Southern African Poultry Association (SAPA) (the Applicant), being the representative organisation, lodged the application on behalf of the Southern African Customs Union (SACU) industry.

The investigation was initiated through Notice No. 1737 in *Government Gazette* No. 28011 on 16 September 2005. Exporters and importers review questionnaires were sent to various known interested parties.

On 22 February 2006, the Commission made a preliminary determination that although the expiry of the anti-dumping duties would likely lead to the recurrence of dumping from the USA, the expiry of the anti-dumping duties would not likely lead to the recurrence of material injury to the SACU industry. It was considered that the SACU industry is in a healthy state notwithstanding the presence in the market of low cost imports from Brazil.

In its response to the Commissions preliminary finding the Applicant provided pricing information for the Commission to consider. This information indicated that the prices at which leg quarters are available would enable imports from the USA to substantially undercut both the SACU product and Brazilian imports. It was therefore considered likely that should the duty be removed, that material injury would recur. As the American exporters did not provide any pricing information, the Commission had to base its finding on the best available information.

After considering all parties' comments in respect of the "essential facts" letter the Commission made a final determination that the expiry of the duty is likely to lead to recurrence of dumping and material injury.

The Commission therefore decided to recommend to the Minister of Trade and Industry that the existing duties on frozen meat of fowls of the species *gallus domesticus* cut in pieces with bone-in originating in or imported from the United States of America, be maintained.

The Minister of Trade and Industry approved the Commission's recommendation. The Commission's Report No. 195 containing its determination is available at the Commission's office.

Enquiries may be directed to the investigating officers, Mr. Albert Strydom at telephone (012) 394 3597 and Mr. Karabo Modimokwane at telephone (012) 394 3637, or at fax (012) 395 0518.

NOTICE 1493 OF 2006**NEWS STATEMENT BY THE NATIONAL AGRICULTURAL MARKETING
COUNCIL (NAMC)****APPLICATION FOR THE AMENDMENT OF EXISTING STATUTORY
MEASURES (LEVIES, REGISTRATION AND RECORDS & RETURNS) IN THE
RED MEAT INDUSTRY IN TERMS OF THE MARKETING OF AGRICULTURAL
PRODUCTS ACT**

The Minister for Agriculture and Land Affairs received a request from the Red Meat Industry Forum (RMIF), on behalf of the directly affected groups in the red meat industry, for the amendment of the existing statutory measures in the red meat industry. On 25 August 2006 the Minister referred the application to the National Agricultural Marketing Council for investigation and to make a recommendation to her.

The proposed amendments to the existing statutory measures in the red meat industry include *inter alia* the following:

- To change the existing levy administrator from a "private company with a single shareholder and director" to a "Section 21 Company".
- To exempt imported hides from the payment of a statutory levy.
- To indicate the commencement date and period of validity of the statutory measures.
- To change the definition of the word "abattoir" to be in line with the definition in the Meat Safety Act, 2002.
- The substitution of the definition of "meat retail outlet" with a definition of "meat trader" to cover all the market participants.
- To insert the definition "owner" of designated animals. This should clarify the fact that where an abattoir slaughters its own animals, the abattoir is responsible for the payment of the levy and obliged to pay it over to the levy administrator.

As the proposed amendments to the existing statutory measures are *prima facie* consistent with the objectives of the Marketing of Agricultural Products Act, No 49 of 1996, the Minister requested the National Agricultural Marketing Council to investigate the possible implementation thereof.

Further details of the application for the amendment of the statutory measures are available at the Offices of the National Agricultural Marketing Council.

Directly affected groups in the red meat industry are kindly requested to submit any comments regarding the proposed amendments of the existing statutory measures to the National Agricultural Marketing Council in writing on or before 10 November 2006 to enable the Council to formulate its recommendation to the Minister in this regard.
