GENERAL NOTICE

NOTICE 1142 OF 2007

DEPARTMENT OF AGRICULTURE

PROCEDURES FOR THE APPLICATION, ADMINISTRATION AND ALLOCATION OF EXPORT PERMITS UNDER THE TRADE, DEVELOPMENT AND CO- OPERATION AGREEMENT BETWEEN THE EUROPEAN COMMUNITY AND THE REPUBLIC OF SOUTH AFRICA

A Trade, Development and Co-operation Agreement (TDCA) between the European Community (EC) and the Republic of South Africa has been established and came into force on 1 January 2000. This agreement provides for the establishment of a Bilateral Free Trade Area between the EC and South Africa in accordance with the World Trade Organization (WTO) rules and the strengthening of European development assistance to South Africa.

As part of the concessions provided for under the TDCA, the EC has agreed to grant tariff preferences on limited quantities of selected products in the form of tariff quotas. Export permits will be issued for the access quantities at reduced levels of duty under the conditions set out in the Schedule.

- 5. Conditions for the issuing of export permits**
- 5.1 Permits for the products specified in the Table will be allocated on the basis of the following categories, unless specified differently in the Table:
- (a) 70% to historical exporters.
(b) 10% to BEE exporters;
(c) 20% to the SMME and new exporter's category;
- 5.2 The allocation of quotas for permits will be done as follows:
- (a) Exporters in the SMME and new exporter's category on an equal basis;
(b) BEE exporters either on an equal basis or as a historical exporter, whichever will enhance government policy for BEE development; and
(c) Historical exporters in proportion to the average quantity of the product concerned, exported by the applicant during the period stipulated for the product in column 4 of the Table.
- 5.3 The quantity exported by a historical exporter will be calculated on the basis of the detailed list of bills of entry export (DA 550/32 or export certificates) or exports captured on the Wine-on-Line System for the product applied for, for the period concerned, submitted together with the application form.
- 5.4 (a) If the allocation for a particular category is not fully utilized, the balance may be re-allocated to the other categories.
(b) In order to enhance government policy on BEE's, quotas for exporters in the SMME and new exporter's category, as well as the BEE category can be combined to ensure the most beneficial allocation.

- 5.5 The quotas allocated to exporters will be provisional quotas, and the rule of "use it or lose it" will be applied. Therefore if quotas have not been utilized satisfactorily (export rate of 75% per month) by 31 July 2008, the Department has the prerogative to re-allocate the unused quotas after a process of consultation with the exporter has been followed.
- 5.6 Permits for the exportation of products under tariff headings 2008.40; 2008.50 and 2008.70 (canned fruit) will be allocated on receipt of a letter of intent from a local supplier indicating that the exporter can source the product for exportation to the EC.
- 5.7 If the allocation for a particular product under tariff headings 2009.41.10 – 2009.70.99 (pineapple and apple juice) is not fully utilized, the balance may be re-allocated to the other product concerned.
- 5.8 Despite any provisions in other laws, applicants registered as joint ventures, mergers, consortiums, holding companies or other similar business arrangements are not allowed to apply separately from their subsidiaries, minority shareholders or divisions for the same product, as this will establish an unfair advantage towards other applicants.
- 5.9 A lost permit will only be replaced if an affidavit in this regard has been submitted and the Department is satisfied that the applicant acted in good faith and took the necessary steps to recover the original permit, as well as undertake to return the original permit if it is found. The pro forma of the affidavit is electronically available on the departmental website <http://www.nda.agric.za> or on request from DuduM@nda.agric.za/JanK@nda.agric.za.
