The precinct is comprised of two properties namely Erf 1559, Green Point, Cape Town, and unregistered Erf 1955, a Portion of Erf 1056, Green Point, Cape Town, situated adjacent to South Africa's prestigious Victoria and Alfred Waterfront and also in close proximity to the new Green Point Stadium, currently being constructed.

Strategic Intent: This prime location of the properties lends itself to huge developmental potential and it is the Provincial Government's desire to have the subject properties developed in line with the Province's Growth and Development Strategy.

Request for Qualification are hereby invited from interested parties as Lead Developer or as Empowerment Partner to the Lead Developer, to acquire and develop two portions of Erf 1559, Green Point, Cape Town, together measuring approximately 6,7 ha in extent, and portion of unregistered Erf 1955, a Portion of Erf 1056, Green Point, Cape Town, measuring approximately 0,64 ha in extent, which will be disposed of by way of leasehold, in return for developing, constructing and equipping (Medical Equipment) the remainder of unregistered Erf 1955, a Portion of Erf 1056, Green Point, Cape Town, measuring approximately 2,82 ha in extent, as a minimum, the hospital, community health centre, residential accommodation and other facilities required to fulfil the following objective.

Objective: The Provincial Government desires to have a portion of the subject properties developed to provide, as a minimum, for a 260-bed Regional Hospital, Community Health Centre, a minimum of 200 residential accommodation units and other facilities outlined in the briefing documents.

It is an objective that the Hospital be completed and functional, where feasible, by 31 December 2009 as part of the 2010 World Cup Health and Safety strategy, with priority given to the functionality of the trauma centre. The hospital, community Health Centre and residential accommodation, together with the land on which it is to be erected will not form part of that portion of the properties disposed of by way of leasehold.

The disposal of the properties to the successful Lead Developer and the Empowerment Partner selected to partner it in the development of the precinct will be by way of leasehold rights up to a maximum period of ninety-nine (99) years, taking into account the proclamation and widening of certain roads. It is envisaged that the development of the property to be disposed of by the grant of leasehold rights will mainly comprise, but not be limited to, buildings for commercial use.

Every interested party is required to submit a Development Concept with its Request for Qualification.

The Provincial Government will compile a short-list of possible Empowerment Partners and a separate short-list of possible Lead Developers. Only the short-listed parties will be invited to submit formal proposals for Empowerment Partner participation and Lead Developer participation in the overall acquisition and subsequent development of the precinct. Parties not short-listed may not participate further in the process, not even as part of the consortium.

PARTNERSHIP

The Provincial Government of the Western Cape, reserves the right to award 33,3% of this development to Western Cape-based Broad-Based Black Economic Empowerment group(s) and 66,7% to a Lead Developer through separate adjudication processes based on pre-determined and prescribed criteria. The successful Empowerment Group or Consortium will have guaranteed participation and will partner the Lead Developer in the development and subsequent administration and control of the Somerset Hospital Precinct leasehold area.

The selected Empowerment Partner and Lead Developer will form a single legal person that will develop and hold registered leasehold rights.
