GENERAL NOTICES ALGEMENE KENNISGEWINGS

NOTICE 525 OF 2008

INTERNATIONAL TRADE ADMINISTRATION COMMISSION

CUSTOMS TARIFF APPLICATION

LIST 6/2008

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comment on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. Attention is drawn to the fact that the rate of duty mentioned in the application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.

These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- Each instance where confidential information has been omitted and the reasons for confidentiality;*
- A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties. The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

BOARD NOTICE 31 OF 2008

Accounting Standards Board

INVITATION TO COMMENT ON SOCIAL BENEFITS

Issued: 9 May 2008

The Accounting Standards Board (the Board) at its meeting held on 17 March 2008 approved for release an invitation to comment on the proposed International Public Sector Accounting Standard (ED34) on *Social Benefits: Disclosure of Cash Transfers to Individuals and Households*, the Consultation Paper on *Social Benefits: Issues in Recognition and Measurement* and the Project Brief on *Fiscal Sustainability* issued by the International Public Sector Accounting Standards (IPSASB), and the concurrent exposure of those documents locally as exposure draft 48 (ED 48).

The Board uses pronouncements issued by the IPSASB in developing Standards of GRAP. It is therefore important for preparers, auditors and users of general purpose financial statements in the South African public sector to consider the issues in these documents, and provide us with views on the appropriateness of these principles for the South African environment and any other considerations that can be contributed to the international process.

The Board appreciates the time devoted to considering the issues in these documents. Any responses are a valuable input to the process of standard setting both locally and internationally. Those who might be affected by, or are interested in the documents outlined above are encouraged to provide responses to the Board on these documents.

Comment on ED 48 are invited until 30 June 2008.

Copies of the Invitation to Comment and the three documents issued by the IPSASB can be downloaded from the Board's website – <http://www.asb.co.za>, or can be obtained by contacting the Board's offices on:
