NOTICE 1369 OF 2009**NOTICE OF AN APPLICATION FOR AN EXEMPTION IN TERMS OF SECTION 10 OF
THE COMPETITION ACT:
ALLENS MESHCO (PTY) LTD**

An exemption application has been filed with the Competition Commission by Allens Meshco (Pty) Ltd ("Allens Meshco") for an exemption from certain provisions of Chapter 2 of the Competition Act 89 of 1998, as amended ("the Competition Act").

Allens Meshco is a private company which manufactures and trades in steel wire and wire products. Its application is for an exemption to discuss prices and exports in relation to wire products; and prices, margins and vertical agreements or industry restructuring in relation to the supply of wire rod, with Cape Gate (Pty) Ltd, Consolidated Wire Industries (Pty) Ltd,¹ ArcelorMittal South Africa Ltd and Scaw South Africa (Pty) Ltd. This practice may constitute a prohibited practice in terms of section 4(1)(b)(i), 4(1)(b)(ii) and 5(1) of the Competition Act.

The premise of the application is that such a practice is required for:

- The maintenance or promotion of exports (section 10(3)(b)(i)); and
- Promotion of the ability of small businesses, or firms controlled or owned by historically disadvantaged persons, to become competitive (section 10(3)(b)(ii)); and
- Change in productive capacity necessary to stop decline in an industry (10(3)(b)(iii)); and
- The economic stability of any industry designated by the Minister of Trade and Industry, after consulting the Minister responsible for that industry (10(3)(b)(iv)).

Allens Meshco seeks an exemption for a period of two (2) years and it is to be noted that the Minister of Trade and Industry has not designated this industry as yet.

¹ Consolidated Wire Industries ("CWI") is owned by ArceorMittal and Anglo South Africa Capital (Pty) Ltd, and Scaw South Africa (Pty) Ltd is responsible for the management of CWI

Notice of the exemption application is thereby given in terms of section 10(6) of the Competition Act. Interested parties can make written submissions to the Competition Commission within twenty (20) business days from the date of this Notice as to why the exemption should not be granted. Correspondence may be directed to:

NOTICE 1370 OF 2009**Date: OCTOBER 2009****COMPETITION COMMISSION****NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED):****BOARD OF HEALTHCARE FUNDERS (2007SEP3176)****EXEMPTION REJECTED**

Notice was given in the Government Gazette on 18 January 2008 (Government Notice 40 of 2008) that the Board of Healthcare Funders ("BHF") had, in terms of section 10 of the Competition Act, No 89 of 1998, as amended ("the Act"), applied to the Competition Commission ("Commission") for an exemption from certain provisions of Chapter 2 of the Act.

In particular, the BHF filed the application on behalf of its members requesting to be exempted from the provisions of Section 4 of the Act, to enable medical aid schemes to engage collectively in relation to the following collective and concerted practices between medical schemes:-

- Prevention of switching by members between schemes (i.e. membership 'churn')
- Interpretation of Prescribed Minimum Benefits ("PMBs");
- Standardisation of Coding Systems;
- Forensic investigation against over-servicing by providers;
- Sharing and publication of information, including price, cost etc;
- Collective submissions to the State;
- Collective interpretation of the national Health Reference Price List;
- Obtaining and accessing information on medical technology, devices and medicines; and
- Collective bargaining for medical materials, devices and medicines.

In the application, the BHF relied on section 10(3)(b)(iii) and section 10(3)(b)(iv) of the Act, which make provision for a firm to apply for an exemption if the purpose is for a change in productive capacity necessary to stop decline in an industry, and to attain the economic stability of any industry designated by the Minister after consulting the Minister responsible for that industry.

Notice is therefore given in terms of section 10(7) of the Act that the exemption application by the BHF has been rejected. Our reasons are detailed below:-

- The Commission's analysis of the exemption application found that the proposed conduct by the BHF could amount to a contravention of sections 4(1)(b)(i) and/or section 4(1)(b)(ii) of the Act, and could also have the effect of substantially preventing or lessening competition in the medical aid market.
- The Commission was provided with no evidence as to how the exemption would yield benefits which would outweigh the proposed restriction in competition.

- The grounds upon which the BHF relies on for the exemption do not meet the requirements of the Act:-
 - With regard to the declining state of the industry, the BHF fails to provide any evidence of an industry in a decline; the information largely reflects an industry which is relatively healthy and not facing any catastrophic decline, although possibly characterized by some inefficiencies.
 - With regard to BHF's reliance on Section 10(3)(b)(iv) i.e. *designation of the industry by the minister*, this aspect fails on legislative and procedural requirements. The fact that no designation had taken place, and that this requirement of the Act has not been met, the Commission would have no legal authority to grant/deny an exemption under this particular section of the Act.
- The Commission also considered international experience on the aspect of collective bargaining in the healthcare industry. The research (although limited) generally indicates that there is a general avoidance of collective bargaining in healthcare markets largely owing to anti-competitive concerns, and where the conduct is allowed it is the state that plays the key role (not industry players) and such actions may be limited to certain activities.
- The Commission further received submissions from a number of stakeholders in the healthcare industry objecting to the exemption application. Most of the submissions argue that the conduct by the BHF is anti-competitive and does not meet the requirements of granting the exemptions in terms of section 10(3) of the Act, as the industry is not in decline and has not been designated.

Notice is further hereby given in terms of section 10(8) of the Act, that the BHF, or any other person with any interest or affected by the abovementioned decision of the Commission, may appeal the decision to the Competition Tribunal in the prescribed manner.

Any queries in this regard should be directed to: The Principal Analyst, Mapato Rakhudu Enforcement and Exemptions Division, Private Bag X23, Lynnwood Ridge, 0040; or at telephone 012 394 3268; facsimile 012 394 4268, citing case number 2007Sep3176.
