### BOARD NOTICE 149 OF 2009

#### Engineering Council of South Africa (ECSA)

## APPEALS AGAINST DECISIONS OF ECSA

The Engineering Council of South Africa, hereby makes known that, in terms of Section 36(3) of the Engineering Profession Act, 2000 (Act No. 46 of 2000), It has amended the Rules as set out in the Schedule regarding procedures for appeal against decision of the Council referred to in Section 24 of the Act, as set out in the Schedule to this notice.

### SCHEDULE

#### Definitions

1. In these rules, unless the context otherwise indicates –
  - (i) "Act" means the Engineering Profession Act, 2000;
  - (ii) "appeal committee" means a committee constituted in terms of rule 6;
  - (iii) "appellant" means an applicant contemplated in section 24(1) of the Act;
  - (iv) "chief executive officer" means the person appointed as chief executive officer under section 8(1)(a) of the Act;
  - (v) "Council" means the Engineering Council of South Africa established by section 2 of the Act.

#### Lodging of an Appeal

2. An appellant who intends to lodge an appeal in terms of section 24(1) of the Act, must do so within 30 days from the date on which the refusal to register him or her, or the cancellation of his or her registration, came to his or her knowledge, by lodging the appeal in the manner prescribed by these rules with the chief executive officer and paying the prescribed fee.
3. Such appeal must be in writing and must set out the grounds for the appeal and all relevant arguments, information and documentation in support thereof;
4. The chief executive officer may grant extension of time for the lodging of an appeal for reasons that he/she deems sufficient.
5. The chief executive officer must, within 14 days after receipt of the appeal and the prescribed fee, submit the appeal, together with all documentation lodged with the appeal, to the relevant committee from which the first recommendation to refuse an application, or the decision to cancel the registration emanated, and request such committee to examine the grounds for the appeal and furnish its comments to the chief executive officer within 21 days after receipt of the request from the chief executive officer.

**Appointment of Appeal Committee**

6. The chief executive officer must appoint an appeal committee, consisting of no more than 4 members, from a panel of persons approved by the Council. These persons must be appropriately qualified to hear the particular case under appeal, and no member of the appeal committee so appointed may be a member of the committee from which the original decision emanated.
7. The chief executive officer must designate the chairperson from the members of the appeal committee.

**Hearing of an Appeal**

8. After receipt of the comments of the committee referred to in rule 5, the chief executive officer must without delay submit the appeal in question, together with all supporting documentation, as well as such comments to the appeal committee for consideration, and at the same time determine, in consultation with the members of the appeal committee, a date and venue for considering the appeal.
9. The appeal committee must invite the appellant to present his or her case and may call on a representative of the committee referred to in rule 5 to present the views of that committee.
10. The appeal committee must consider all evidence so presented and come to a decision by majority vote, which decision shall have the status of a recommendation. If there is an equality of votes the chairman has a casting vote.
11.
  - (1) The chief executive officer must, without delay, submit the recommendation of the appeal committee to the Council for decision at its next scheduled meeting.
  - (2) If such meeting is not scheduled to take place within 60 days of receipt of the appeal, the chief executive officer must, in consultation with the president of the Council, convene a special meeting of the Council as soon as is practicable.
12. The Council may, in terms of section 24(2) of the Act, confirm, vary or revoke the recommendation of the appeal committee, or come to its own decision. The chief executive officer must notify the appellant of its decision and provide him or her with adequate reasons for its decision.
13. Any member of Council who was a member of the committee that made the decision being appealed may not vote on the appeal in Council.
14. The notification referred to in paragraph 12 must contain an advice to the appellant that he or she may appeal against the decision to the Council for the Built Environment in terms of section 21 of the Council for the Built Environment Act, 2000.

## 1 Policy statement

This policy applies to the assessment for conformity of commodities, products or services with their mandatory requirements.

It specifies the minimum criteria for the recognition of conformity assessment bodies and the criteria for the acceptance of evidence of conformity, provided by these bodies.

## 2 Objectives

The objectives of this policy are to:

- 2.1 Provide a framework for the scope of the activities applicable to ensure the conformity of commodities, products and services by the NRCS inspection bodies;
- 2.2 Ensure that the conformity assessment function complies with the standards and ethics of the NRCS;
- 2.3 Focus NRCS staff attention on the practices of good governance; and regulatory compliance to ensure individuals comply with the requirements of the NRCS Act.

## 3 General rules

- 3.1 Conformity assessment bodies shall demonstrate appropriate technical and proficiency skills for the assessment of the conformity of commodities or products with the requirements of compulsory specifications, and meet any additional specific requirements that the Regulator may prescribe.
- 3.2 In addition the body shall meet with one of the following requirements in respect of competency to determine the conformity of commodities or products, with the requirements of a compulsory specification:
  - Accreditation to ISO/IEC 17025, ISO/IEC 17020 and/or ISO Guide 65, as applicable, by SANAS or an ILAC or IAF affiliated organization; or
  - Successful peer review/mutual acceptance against the above requirements, acceptable to the Regulator; or
  - In the absence of evidence of appropriate accreditation, or successful independent peer review/mutual acceptance, the conformity assessment body shall provide satisfactory evidence of compliance with the requirements of ISO/IEC 17025 or ISO/IEC 17020, as applicable, that satisfies the Regulator.
- 3.3 The Regulator will only use conformity assessment bodies that meet with the above competency criteria.
- 3.4 Conformity assessment bodies shall not use any recognition by the Regulator, or any other outcome arising from such recognition, for commercial purposes.
- 3.5 The Manufacturer or Importer shall, on request, provide the Regulator with the required evidence of product conformity, and ongoing evidence of conformity, at its own cost. Where specifically required by a compulsory specification, the Manufacture or Importer shall also provide evidence of conformity of production, at its own cost.
- 3.6 The Regulator will only recognize evidence of conformity from conformity assessment bodies that have satisfied its specified criteria

3.7 Where South Africa is a signatory to an international agreement, the terms and conditions stated in such mutual acceptance arrangement, as to the acceptance of conformity assessment shall be upheld by the Regulator".
