6. The Annual nuclear authorisation fee as contemplated in terms of Section 28(b) of the NNR Act in respect of new nuclear authorisations issue between 01 April 2009 and 31 March 2010 in terms of section 22 of the NNR Act shall be calculated on a pro rata basis according to the following formula:

$$\text{Annual Fee} = (O/12) \times N$$

Where O = the annual nuclear authorisation fee for the relevant category of the operation (i.e. large, medium or small operator): and

N= the number of full calendar months from the date of issue of the nuclear authorisation until 31 March 2010.

7. The various types of facilities, related to section 5 above, are categorised as follows:

Types 1 facilities are small users, laboratories and refurbishers

Types 2 facilities are scrap processors, scrap melter and service providers

Types 3 facilities are fertilizers and other lesser mineral processing facilities

Type 4 facilities are medium operators and other lesser mining and mineral processing facilities

Type 5 facilities are large operators which include major mining and mineral processing facilities

8. Formula applied in calculating annual nuclear authorisation fees for the financial year 2009/2010.

For the calculation of the authorization fees for 2009-2010 the person-effort for each of the authorizations holders has been revised taken into account past operational experience and also expected increases in workload.

The formula used to calculate the authorisations fees can be available from the National Nuclear Regulator.

9. All fees are VAT exclusive

10. For clarification on any matter relating hereto please be at liberty to contact the Chief Executive Officer, National Nuclear Regulator, P O Box 7106, Centurion, 0046; telephone 012-674 7100.

RAILWAY SAFETY REGULATOR

SAFETY PERMIT FEE NOTICE

In terms of section 23(2) of the National Railway Safety Regulator Act, 2002 (Act No. 16 of 2002), the Railway Safety Regulator hereby determines that the fees for processing of safety permit applications referred to in that section must be the amount determined in accordance with the Schedule hereto with effect from 1 April 2010.

ME Mofi
CHIEF EXECUTIVE OFFICER

SCHEDULE**NATIONAL RAILWAY SAFETY REGULATOR ACT, 2002 (ACT 16 OF 2002)****SAFETY PERMIT FEE NOTICE**

1. In terms of section 23(2) of the National Railway Safety Regulator Act, 2002 (Act 16 of 2002), the Regulator may determine and charge a fee for processing a safety permit application.
2. The Regulator, acting in terms of section 23(2) of Act 16 of 2002, hereby publishes a Schedule of Fees containing fixed fees and annual fees payable by operators and prospective operators for the processing of a safety permit by the Regulator.
3. The application fee is payable to the Regulator by any person who applies for a safety permit and proof of payment must accompany the application.
4. The fixed fee and/or annual safety permit fee is payable to the Regulator once the applicant for a safety permit has been notified that the application has been successful and the applicant has been provided with a tax invoice.
5. The safety permit shall be issued to the applicant upon presentation of proof of full payment of a fixed or annual safety permit fee.
6. The annual safety permit fee shall be charged on an annual basis for the duration of the validity period of the safety permit.
7. All fees payable in terms of this notice shall be deposited into the Regulator's bank account, the details of which are in the schedule below. The safety permit number must always be reflected as a reference in the deposit slip.
8. This Schedule of Fees will be applicable from 1 April 2010 to 31 March 2011.
9. The fees for a safety permit are determined by, amongst others, considering the operator's total railway costs which include:
 - (a) Maintenance of the network, rolling, including –
 - (ii) material and consumable costs;
 - (iii) contract payments;
 - (iv) depreciation and other finance costs; and
 - (v) energy costs
 - (b) Operation of the network, rolling stock and stations, including-
 - (i) labour costs;
 - (ii) material and consumable costs;
 - (iii) contract payments;
 - (iv) depreciation and other costs;
 - (v) energy costs; and
 - (vi) haulage cost

4.0 EXCESSIVE VARIATION

- 4.1 Should a contract incorporating **bills of quantities** be varied to such an extent that the total value of **measured work** omitted in the adjustment of variations exceeds 10 per cent of the value of **measured work** in the **value for fee purposes**, then an additional **fee** of 50 per cent of the marginal percentage listed in column 3 of clause 2.2 applicable to the **value for fee purposes** shall be charged on the amount of such excess

- 4.2 Should a contract incorporating bills of provisional quantities be varied to such an extent that a separately identifiable portion thereof originally included in the documentation is subsequently omitted, then an additional **fee** of 30 per cent of the marginal percentage listed in column 3 of clause 2.2 applicable to the **value for fee purposes** shall be charged on the estimated value of such omitted work
- 4.3 Should the actual construction period less any extension of time allowed for additional work and less any period(s) of more than 28 days during which the site was abandoned, exceed the initial contractual construction period by more than 15 per cent, then an additional **fee** shall be charged which shall be calculated by multiplying 80 per cent of the **fee for Stage 5** for the relevant category in column 1 of clause 2.7 by the said excess and dividing it with the initial contractual construction period

The initial contractual and the actual construction periods shall be taken as commencing on the same day and all time periods shall be calculated in calendar days without any deduction for builder's holidays. The site shall be considered to be abandoned if no or very little work was performed by the contractor during the period of being abandoned and the quantity surveyor was not required to perform any service during that period

9.0 PAYMENT

- 9.1 The quantity surveyor shall be entitled to render invoices monthly for a **fee** or a **part fee** taking cognisance of the apportionment of **fees** as stated in clause 2.7 and for the reimbursement of **disbursements**. Such invoices shall be due and payable by the client on receipt thereof
- 9.2 Notwithstanding the provisions of clause 9.1, the following shall apply in respect of national and provincial government departments:
- 9.2.1 The quantity surveyor shall only be entitled to render invoices for **Stages 1, 2, 3 or 4** (or equivalent stages) upon the successful completion of each stage, as the case may be
- 9.2.2 Interim invoices may only be rendered during **Stage 5**, and then not more frequently than quarterly. The quantity surveyor will be entitled to render interim invoices for **Stages 1, 2, 3 or 4**, if such stages are delayed for more than 30 calendar days by circumstances beyond the control of the quantity surveyor
- 9.2.3 For interim payments during **Stage 5**, one third of the **fee** is to be apportioned to the draft final account where applicable
- 9.3 Should the client not have paid any invoice within 30 calendar days of receipt thereof, the client shall be liable for interest for late payment. Such interest shall be calculated and payable at a rate of 2 percentage points above the rate of interest applicable from time to time to prime borrowers at the quantity surveyor's bank from the due date for payment
